1b. From the list in 1a, describe one experience you found most rewarding and what you learned from it.

As Alternate Delegate I was able to experience a more in depth relationship and understanding of how our SCWS Area structure relates to other Areas and Al-Anon as a whole. We are part of a worldwide fellowship and our actions affect more than just Southern California. As the largest Area, we have the opportunity to tap into the skills, assets and hearts of an amazing and diverse membership. The future of our fellowship inspires me to want to participate again and encourage more public outreach.

2. Describe your experience, skills, and personal qualities that you would bring to the Area as an officer.

Through my service experiences I have developed a thorough understanding of AFG's Three Legacies and the Al-Anon Service Manual, as well as a working knowledge of SCWS policies and procedures, and understanding of KBDM. My love and gratitude for this program motivates me to be of service in any way I can.

3. What is your vision for Southern California World Service Al-Anon?

As an Area service structure, we need to continue to be of service to Al-Anon Family Groups as a whole. We can do this by encouraging understanding of our primary purpose and stimulating growth of our outreach efforts in Southern California. I'd also like to see our AWSCommittee working to support and encourage service among its members by opening up our minds and hearts to new ideas.

NOTE: Be prepared to discuss at the November Election Assembly why you would be an asset as an SCWS officer (2 minute limit).

I have read and understand the Job Description for the position(s) to which I may be elected. (Posted at scws-al-anon.org)
