Minutes

Meeting opened at 9:00 am

Chairperson's Report – Donna E.

- Serenity Prayer
- Introduced Past Delegates Jayme C. and Kay D. One new DR, Nancy W. from D12.
- Advised that we will be using Knowledge-Based Decision-Making (KDBM) Guidelines for this Committee Meeting. Refer to the *KBDM Quick Reference Tool* handout (which can be found on the SCWS website).

Traditions – Read by Andy T., D24.

Group Records Coordinator (GRC) – Mary M.

Roll call: -- Not present: D6, D10, D30, D39, D42, D45, D51, D60, D75, Immediate Past Delegate, AIS Liaison, Archives, Area Alateen Event Coordinator (AAEC), LA County Liaison, San Diego County Liaison, Ventura County Liaison and Southern California Alcoholic Anonymous Coordinator (SCAAC). Arrived late: D6, D10, D60 and D75.

Minutes – Jim B., Secretary

Reminded everyone that the February 17, 2017 Committee minutes were in the *Bulletin* for review. No amendments. Tracy G., D9 moved to accept Minutes as written and Libby A., D75 seconded motion. Unanimous approval.

Treasurer Report – Tarisa R. See Treasurer Report in *Bulletin*.

- Referred to handout which was colored coordinated and page numbered. The second Quarter is balanced.
- We are currently in the red in the amount of \$3,751.94 for the second quarter of this year. We spent more than we brought in because the H & I Conference and the Assembly expenses both occurred this quarter. The first month of the third quarter shows we are in the black.
- DRs were asked to review the Group Contributions for the second quarter to see if their contributions were accurate. Six groups which sent in contributions were unidentified. Treasurer asked DRs to remind their GRs to make sure that group Treasurers include the World Service Office (WSO) identification number when submitting contributions.

Questions:

- Q. Libby A., D75– Where do we find the meeting contributions for our group?
- A. Tarisa – It is in every *Bulletin* for the previous quarter.
- Q. Tracy G., D9 – What is the Equalization Expense for The Delegate to attend the World Service Conference (WSC)?
- A. Marcia, Delegate – WSO calculates the overall expense for the WSC and then breaks down how much each Area will pay for their Delegate to attend. Larger Areas pay more than smaller Areas as smaller Areas may not have the financial resources to send their Delegate to the WSC.
- Q. Allegra S., D3 – If we choose to stay in a hotel overnight and not submit for reimbursement, can we record the cost of the hotel room as a 7th Tradition contribution?
- A. Eva, Past Treasurer – No. You can only list an actual expense as a donation.
- A. Tarisa – You could fill out the expense form and note on the form that you would like to donate the reimbursement to the 7th Tradition. That way, the expense is properly noted as an expenditure and the receiver of the reimbursement can contribute it to the 7th Tradition.
- Q. Suzanne, Area Alateen Communications Coordinator (AACC) – We used to pay the entire amount for the Delegate to go to WSC. Why are we only paying the Equalized Expense?
- A. Jayme C. Past Delegate – We pay the Equalized Expense plus any additional expenses that are incurred by the Delegate to go to WSC. This was a motion that was passed several years ago.

Comments:

Kay D., Past Delegate – In the past, we were trained to accept the reimbursement for service expenses. It makes it easier to get volunteers involved in service if they know they are getting reimbursed. You can always choose to take the reimbursement and then donate it to the 7th Tradition.

Motion to Accept the Financials. Chris C., D40 made the motion and Nancy W., D12 seconded the motion. Motion passed unanimously.

Alternate Delegate Report – Eva B. See report in the *Bulletin*.

- Welcomed new DR Nancy W., D12.
- Sharing of Service (SOS) update. It will be held on January 19, 2019. Eva requested every DR get the word out regarding this annual service event. The main Speaker will be a former member of the Board of Trustees and Past Delegate from Hawaii, Judy P.
- Jayme C., Past Delegate – Judy P. will be leading a workshop at SOS: *12 Steps in Fifteen Minutes*. This workshop was held at the International Convention in July and was a big success.
- The *Forum* can was passed around the room at this time.

Delegate Report -- Marcia M. See handout and full report in the *Bulletin*

- Asked Committee members to put their names on slips provided in order to win a couple of door prizes: the 50th Anniversary Edition of *One Day at a Time in Al-Anon* and the new book *Intimacy in Alcoholic Relationships*. She thanked everyone for allowing her to attend the World Service Conference (WSC).
- Our Area has purchased a copy of the WSC Summary for each AWSC member and it will be given out at the next Assembly.
- Marcia shared information from the July WSO Chairperson of the Board (COB) letter. One notable item is that if an Area has created a “Do Not Refer” policy, WSO will support the Areas that have these policies in place by creating a “Do Not Refer” designation in their database. SCWS has not formally submitted our policy to WSO, but will do so once the Board of Trustees create criteria for evaluating those Area policies. Once our Area policy is approved by WSO, if after going through the entire dialogue and education process a group is found to be unwilling to follow our Traditions, it could be designated *Do Not Refer* by the WSO, the Area, and local AIS offices.

Winners of door prizes were Donna M., D57, and Tina N., D33.

Questions:

- Q. Tracy G., D9 – On page 1 of your report, what are the safety guidelines referring to?
- A. Marcia, Delegate – The WSO is in the process of writing a Guideline regarding

safety issues within Al-Anon meetings. That Guideline is intended for Al-Anon meetings, but could be used in Alateen meetings as well.

Comments:

Judy, Literature Coordinator – Witnessed an incident some time ago when a member was approached in a parking lot and felt unsafe. Hopefully these safety guidelines will address situations like that.

DR Reports: All DR reports can be read in detail the *Bulletin*.

DRs reporting were; D3, D6, D8, D9, D10, D12, D17, D21, D24, D27, D33, D36, D40, D48, D54, D57, D60, D63, D64, D66, D69, D72 and D75.

Donna, Chair – Remember that when Districts host an event, you can send a copy of the flyer to her or Marcia, Delegate, and they will see that it gets posted on the Area’s website.

7th Tradition basket was passed.

5 minute break at 11:00 am.

Meeting reopened at 11:09

New Procedure for Votes at Assembly

The Chair reported that because of feedback from GRs on the Evaluation Forms, a new procedure will be in place for the next Assembly.

If an issue is brought before the Assembly for a vote, it will be presented in the morning, prior to our lunch break. The presenting body will be required to have posted on the SCWS website *four weeks prior to the Assembly* a report of their KBDM process and how they came to the recommendation they’re presenting to the Assembly. After the presentation of that material to the Assembly, the question and answer portion of KBDM will take place. After lunch, there will be a brief time to ask any unique questions relevant to the issue. A vote will then be taken to see if the GRs are ready to vote on the issue. If the GRs are ready to vote on the issue, a vote will be held on the recommendation (which will require 2/3rds to pass). If the GRs are *not* ready to vote, the item will be tabled until the next Assembly. Any questions and discussion items will be added to the presentation on the Area website. The issue will be addressed at the next Assembly.

Old Business:

“Aging Out” of Alateens and Effective Date:

Donna, Chair –

The May Assembly voted to change the upper age of Alateen members from 20 (that is, they would “age out” on their 21st birthday) to 18 (they would age out on their 19th birthday). She reported that several DRs thought there was enough new information about this issue to re-open it for discussion. Using KBDM, the DRs proceeded to discuss the issue and vote on whether or not to add this to the November Assembly Agenda.

A discussion ensued regarding: Is there enough new information about this issue (changing the upper age of Alateens) to re-open it at the November Assembly?

Barbara V., D17 – The Area Alateen Task Force (AATF) did a terrific job, but they did not thoroughly think through the effect that this policy would have on several Alateens in leadership positions in the upcoming year. These Alateens would now “age out” before they could fulfill their commitments. Many Alateens look up to the older Alateens as mentors. At the RAD Alateen Event, many Alateens voiced their opposition to this new policy. They would prefer that there be a new vote to age out on their 20th birthday.

Donna, Chair – Clarified that Barbara requested a new vote to change the policy that an Alateen ages out on their 20th birthday and not their 19th birthday.

Andy T., D24 – Not contesting the vote as valid, but noted that very few Alateens gave their input prior to the Assembly vote. It was not until after the vote that several Alateens pointed out that this would affect their commitments in upcoming events and Alateen as a whole. He noted that there is no mandate from WSO to define a specific age for Alateens and that every Area has the autonomy to decide what is right for that Area. He expressed the concern that there was not enough information provided in advance about the issue, prior to the vote. When adults make decisions regarding minors, it important that the minors have a voice. He spoke with the mother of a 19-year-old Alateen member who is not going to Alateen any longer because she was “kicked out, so why go.” Also, this could affect the transportation to events by Alateens as there will be fewer older Alateens who now drive younger Alateens to events.

Andy requested the DRs vote to add this issue to the November Assembly.

Questions:

- Q. Tracy G., D9 – Based on new information, can we find out how many Alateens this affects?
- A. Kat, Alateen Member Coordinator (AMC) – We do not know how many this will affect, but it does affect Alateen as a whole.
- A. Andy T., D24 – We can ask the DRs and/or DALs to provide the number of Alateens that will be affected in their district.
- Q. Donna M., D57 – Are the Alateens aware of the Young at Heart in Al-Anon (YHA) meetings in Al-Anon?
- Q. Kay D., Past Delegate – Could we make concessions to those Alateens that are on a Committee or Convention to grandfather them in until the end of their commitment?
- Q. Rob M., YHA – Served on the AATF. There was a lot of discord about aging out and how that would affect the age gap between being an Alateen and becoming an AMIAS. It will now be a six-year gap. It is frustrating to hear that some older Alateens do not want to transition into Al-Anon. Would like to see the AATF look into a procedure to help assist these teens who are transitioning.
- Q. Donna, Chair – The current “age gap” is 4 years (Alateens age out on their 21st birthday and can become an AMIAS when they’re 25). The new policy creates an “age gap” of six years. The policy could be discussed in the future and the age limit of AMIASs might be lowered, per the autonomy of the Area
- Q. Sam Y., D36 – What is average age limit for Alateens in other Areas?
- A. Donna, Chair – Presented the following table:

ALATEENS AGE OUT ON THIS BIRTHDAY

Alaska	18	Nebraska	19
Baltimore	18	Nevada	18
California North	18	New Hampshire	18
Colorado	18	New York South	21
Connecticut	20	North Carolina	20
East Texas	18	North Florida	19
Georgia	20	Northern Illinois	18
Hawaii	18	Ohio	20
Idaho	18	Oregon	18
Indiana	19	South Dakota	18
Iowa	19*	South Florida	19
Kansas	20	Southern Illinois	18
Kentucky	21	Tennessee	20
Maryland/DC	19	Vermont	20
Massachusetts	19	Virginia	18
Missouri	18	West Texas	20
Montana	18	Wyoming	21

* 19 for meeting; 20 for annual Convention

The chart shows that:

- in almost 50% of the Areas, Alateens age out on their 18th birthday
- 22% of Areas age out on their 19th birthday
- 22% age out on their 21st birthday
- the overall average is 18.9 years of age.

Q. Sam Y., D36 – Votes are taken at the end of the Assembly and many voting members have already left. We need to vote in the morning when all are present. Are we just bringing this back up to add three more years to the age limit? Also, is it okay for a 20-year-old to be driving around with a 12-year-old in their car?

A. Donna, Chair – Regarding the timing of votes and GRs leaving before Assembly is over: We all face the same traffic problems in Los Angeles, and while work or family responsibilities might occasionally conflict with our ability to attend the Assembly or stay the entire time, representing the voice and vote of our meetings is a central function of being a GR, per our *Service Manual*. Hopefully this new procedure (presenting issues in the morning, prior to the lunch break) will help, but when we have two voting items, it might not be possible to present both of them in the morning. We are

the largest Area and only meet twice a year, for one day. Therefore, it is the duty of GRs to plan to attend the Assembly for the entire day.

Bear, AASC: Regarding driving Alateens to events -- Area Alateen Event Plans address written permission for AMIASS to transport Alateens. Legal adults who have drivers licenses are required to follow the laws of the State of California when transporting teenage passengers.

Q. Allegra S., D3 – It feels like only the negative aspects of this policy change are being discussed. Are we able to evaluate the positive results of this change in policy?

A. Nancy W., D12 – We do not need to have Alateens vote on policy, but we need to allow them to have a voice as to the policy change. It also will make it more difficult for Alateens to get to Events if they are not old enough to drive.

A. Donna, Chair – It would be up to the AATF to give updated information on this policy at the Assembly.

Q. Carol G., D60 – Were Alateens consulted by the AATF? Why not have the age limit set at 18 when they become legal adults?

A. Suzanne P., AATF Chair – AATF was charged by the WSO in November of last year to report to the May Assembly. The AATF formed an Alateen Advisory Council of three Alateen members. It was difficult to communicate with them regularly because of their schedules and commitments.

Some members on the AATF wanted to change the age to 18 and while others favored 19. The final reason why they chose 19 was because most 18-year-olds are seniors in high school. This is a transition time into adulthood—after they graduate, they join the workforce or go to college. Teenagers begin to think of themselves as independent adults, not as children. Even though they become legal adults at 18, it seemed logical for them to stay in Alateen throughout their senior year and to begin the transition into Al-Anon in their 19th year, after high school, when they're increasingly functioning as adults.

Comments:

Laura, AAPP – There are a total of 4 Alateen GRs in our Area out of all the 75 Alateen groups, therefore,

most of the Alateen groups do not have a voice and a vote at the Assembly.

Bruce, *Bulletin* Coordinator - When new rules are adopted in many organizations, they do not apply to those who hold current positions unless specifically stated.

Q. Vickie I., D72 – Became an AMIAS when she was a DR. If we have an age out limit, why not have a minimum age limit?

Kat, AMC – Attends many Alateen meetings and most Alateens have expressed their resentment toward this policy change. She is the Board's Alateen Member Coordinator which is a three-year term. How does this change affect this position?

Tarisa, Treasurer – We need to stay on track as to what we are here for. There was a rush in getting this presentation together and all prior information was not readily available. She has seen that Alateens have ideas that we as adults do not see. It is important that they be a part of this process.

Jayne C., Past Delegate – Thanked the AATF on taking on this task. She was not convinced that there was new information given today to reopen the age out policy. She hopes that we do not have to change the age limit to become an AMIAS due to this policy change. There were 111 who voted yes and 25 who voted no on this issue at the Assembly. This is what Tradition One is all about.

Bear, Area Alateen Sponsor Coordinator (AASC) – The *Service Manual* on Page 96 states “It is within the autonomy of each Alateen group to lower the age limit or divide into groups according to age. Whatever the decision, all such groups will be registered as ‘Alateen’ at the World Service Office. Members in their teen years who are legally adults agree to abide by the same requirements as minor Alateens when they attend Alateen meetings and events. Alateen members in the upper teen years are encouraged to begin attending Al-Anon as well as Alateen Meetings.” Alateen is for teens, 13 – 19.

Micheila, AATF – It was a privilege to be on the AATF.

Donna, Chair- Vote was taken at the Assembly was based on the attending GRs's experience, strength and hope. Clarified that Alateens who are adults have to follow the same rules as Alateens who are minors. Alateens have a voice, but they do not have a vote on policy issues as they are minors.

Old Business Continued:

Aging out of Alateens and Effective Date Continued:

Marcia, Delegate – Recognizes that our Area is passionate about Alateen and is grateful to be part of this process. Requests that we “presume goodwill” toward the AATF and everyone in our Area.

Donna, Chair –There are two parts to this policy issue. One was setting the “age out” of Alateens on their 19th birthday, and the other was how to implement this policy. A grandfathering provision to include those already in Alateen was not discussed at the time of the vote but would address many of the concerns that arose after the vote.

Today's vote: Whether you heard enough new information to place the “aging out” issue on the November Agenda. If yes, the AATF would present the recommendation again at the Assembly. This vote on procedure (whether or not to add the issue to the Assembly Agenda) will be a simple majority since it is not a policy vote.

If the vote is “no,” there could still be a grandfathering provision created before the next Assembly which would be an addendum to the original Motion, and on which the GRs would vote at that time.

Mary, GRC – There are 45 voting members.

Donna, Chair – Motion is “Have you heard enough new information to place the aging out issue on the November Agenda?” Clicker Vote – 59% no, 41% yes. The Motion failed.

Donna, Chair – An addendum will be created for current Alateens. She will ask the members of the AATF and the Alateen Resolution Committee (ARC) to get together to propose a solution.

Marcia, Delegate – Suggests that we trust our trusted servants to work through this. Please feel free to send any ideas you may have to the Board

at: Alateen-amiasconcerns@scws-al-anon.org or groupandmemberconcerns@scws-al-anon.org

Donna, Chair – Serenity Prayer

Task Force Reports:

D64 Task Force:

Donna, Chair - In the process of getting feedback from members. No decision can be made at this time.

Alateen Resolution Committee (ARC):

Bear, AASC – The seven-person Committee is in place. It includes the Area Alateen Sponsor Coordinator (AASC), Area Alateen Process Person (AAPP), Area Alateen Communications Coordinator (AACC), Area Alateen Events Coordinator (AAEC), Area Alateen Member Coordinator (AAMC), Andy T., D24 (AMIAS Member-at-Large) and Jim B., Board Officer. They have met once and will be meeting next week again. They are reviewing and making changes to the Area Alateen Safety and Behavioral Requirements (ASBR) and revising SCAC documents and By-Laws.

New Business:

Changing procedures for the Assembly:

Donna, Chair – We will be presenting all voting issues in the morning. All relevant documents relevant to the presentation will be placed on the SCWS website four weeks prior to the Assembly. The documents should include the “framing” and background and history of the issue, along with an explanation of the KBDM process and the pros and cons of the recommendation that resulted.

Another issue is saving seats at the Assembly. Possibility would be to have those who get there early arrange the room for all districts or perhaps rotate districts from front to back. Maybe only the voting members get seated and others sit in the back.

Comments on seating at Assembly:

Libby A., D75 – We contact D48 in advance and they saved the seats for our district since we have a long way to travel to the Assembly.

Frank C., D54 – Splitting the districts will not work. Possibility would be to move the meeting location to various areas or just get here early.

Tracy G., D9 – In favor of rotation of seating as a good solution.

Nancy W., D12 – Create a Thought Force to look into a new facility or facilities. We are the largest Area and need more time allotted to the Assembly.

Andy T., D24 – Perhaps have a lottery to draw for seat location or allot the closest seats for the districts that stay for the whole Assembly.

Tarisa, Treasurer – It is a lot of extra work to take on this task. Maybe non-voting members or guests could sit in the back.

Carol G., D60 – If you are not a voting member, you need to sit in the back.

Donna, Chair – How long should DRs save seats? What is a reasonable time to save seats? Can we agree to say that the seats will be saved for 15 minutes after the meeting has started? We need a system to address this. Maybe pairing geographically closer districts with districts that are farther away.

Cathy, Public Outreach. If you are a new GR, you are here at 8:00am. If you are not here by 9:00am, you sit wherever possible.

Bruce, *Bulletin* Coordinator – Suggested that there should be no saving of seats.

Clicker vote was taken to see if the cut-off time for saving seats should be 9:15am and then seats will be released. 71% yes and 29%. No seats will be saved past 9:15am.

Jayme, Past Delegate – Perhaps have the districts register their GRs that are going to attend and get a more accurate count moving forward. Several districts regularly save many more seats than actually attend.

Jim, Secretary – Last Assembly we had a request for 311 clickers, but only 174 were issued that day.

Donna, Chair – We can revisit this again after we see how this solutions works: more accurate numbers of those attending, and not holding seats past 9:15am.

Thought Force for the Assembly and Insurance liability issues:

Donna, Chair - Do we need to create a Thought Force to look into a new location for the Assembly? And, do we need a Thought Force to look into liability insurance for groups that would be added to the Area’s insurance policy?

Comments:

Kay D., Past Delegate – This was explored in the past and the work group couldn’t find a location that was affordable that worked as well as this one.

Frank C., D54 – A Thought Force is a great idea. A second Thought Force addressing providing insurance for Area groups would also be a good idea.

Mark, Orange County AIS – We provide insurance for our districts in Orange County. Would we still need to have this insurance if the Area provides it in the future?

Micheila, D24 – Read the definition of a Thought Force from the *Service Manual*.

Clicker vote was taken to see if we should establish a Thought Force for the Assembly relocation. 68 Yes, 30 No, 3 Abstained. Motion passed

Clicker vote was taken to see if we should establish a Thought Force adding insurance for groups. 88 Yes, 10 No, 3 Abstained. Motion passed

Coordinator Reports: See detailed reports in the *Bulletin*.

Shauna, Hospitality Coordinator – Districts 10, 27, 30, 45, 51 and 72 were asked to bring refreshments to the November Assembly. Alateens from San Fernando Valley and the AFG Convention would like to serve lunch at the November Assembly as a fundraiser.

Donna, Chair – Per the SCWS By-Laws, only conventions recognized by the Area are allowed to fundraise at the Assembly. Therefore, the San Fernando Valley Alateens cannot fundraise for their group, but AFG Alateens can.

The following gave reports: AACC, Archives, AAEC, AMC, AAPP, AASC, Bulletin Coordinator, CPC, GRC, Institutions Coordinator, Literature, Public Information, Spanish Coordinator, Webmaster, YHA, Inland Empire AIS, and Orange County AIS.

Meeting adjourned at 3:45 pm. Motion by Donna M., D57, and seconded by Eva, Alternate Delegate.

Chair

Greetings!

The focus of my report is the new procedure for voting at the Assembly.

We received lots of feedback from members on the Evaluation Forms at the May Assembly (and thank you to everyone who filled them out!), many of which were about the timing and process of using Knowledge-Based Decision-Making (KBDM) for voting on recommendations. Based on that feedback, the Officers and Board members discussed adopting the procedure outlined below, beginning with the November Assembly. We will refine the process over time.

- Any issues brought before the Assembly for a vote will be presented in the morning, prior to our lunch break.
- The presenting body making the recommendation will be required to have posted on the SCWS website *four weeks prior to the Assembly* a report of their KBDM process and how they decided on the recommendation they're presenting to the Assembly.

- After this presentation at the Assembly (which will include the “framing” or history and background of the issue, how the body answered the 5 KBDM questions, and the pros and cons of the resulting recommendation), the question and answer portion of KBDM will take place. As in the past, the time for members to ask questions and give comments will be timed—either one minute or two minutes at the microphone, with a half-hour set aside for each KBDM segment. The estimated time for a presentation will be 1½ hours.
- After lunch, there will be a brief time (5 to 10 minutes) for any unique questions or comments that came up during lunch which were not included in the discussion prior to the lunch break.
- A vote will then be taken to *see if the GRs are ready to vote on the issue*.
- If the voting GRs decide that they *are* ready to vote, we will then vote on the recommendation at that time.
- If the voting GRs decide that they are *not* ready to vote, we will table the motion until the subsequent Assembly. Any questions and comments relevant to the issue from that day’s Assembly discussion will be added to the presentation on the Area website.
- The issue will be placed on the subsequent Assembly’s Agenda. All of the background information from the website will be reviewed when it is brought up at the following Assembly. The GRs will be asked if there is any new information (unique and new questions or comments) to add to the discussion. We will then have a vote on the issue.

It is my hope that these changes in procedure will ensure that our members have the opportunity to learn about and become familiar with issues prior to the Assembly. It will also afford GRs the opportunity to talk to their group’s members about such issues, to see if their members have opinions, feedback, or questions about the issues. It will help to ensure that GRs don’t feel “rushed” into voting but will have the time to digest the presentation and discuss it over lunch. And they will get to decide whether or not they feel prepared to vote that day. It is our hope that this new procedure will encourage more participation and create more unity and harmony.

I look forward to seeing you at the Assembly on November 17!

Love in Service,

Donna E.

Treasurer

I want to thank all of the groups, districts, and conventions that send contributions to Southern California World Service. Your contributions allow SCWS to carry the message of Al-Anon Family Groups throughout Southern California.

Summary of Quarterly Financials: The contributions for July-Sept 2018 decreased 5% compared to July-Sept 2017 contributions. Our total expenses increased 2% compared to July-Sept 2017. The total revenue decreased 12% *because we did not have a Longtimer meeting or TEAM event*, which resulted in our net operating revenue decreasing 40% compared to July-Sept 2017. We continue to maintain a reserve of \$35,000.

To DRs & GRs: Your meeting (for GRs)/district (for DRs) should reimburse you for up to 100 miles *roundtrip* to attend the Assembly. If you drive 101 miles or more *roundtrip*, SCWS will reimburse you \$0.40 for each mile exceeding 100 miles. Please submit your reimbursement request forms to the SCWS Treasurer at the Assembly.

If you travel 200 miles or more *roundtrip* to attend the Assembly, SCWS will reimburse \$100 per person for your hotel room. Your meeting (for GRs)/district (for DRs) should reimburse you the remaining amount. Please include this amount on the reimbursement form and provide a copy of the receipt.

To Group Treasurers: PLEASE, PLEASE, PLEASE write your group's WSO ID# on the check or money order when sending your contribution. This ensures that your group receives credit for the contribution on the quarterly report! If you do not know your Group ID#, write the Day, Time, City, Zip Code, and Group Name on the check so I can look through the database to find your Group ID#. In addition, please provide a LEGIBLE email address so your receipt can be emailed

It is greatly appreciated when you include a contribution form with your check or money order! It helps expedite the processing of your contributions

and makes this task so much easier for me. The Group Contribution Form can be downloaded from the Forms webpage of the SCWS website, which is www.scws-al-anon.org. Districts and Conventions also can use this form.

Thank You for Letting Me Be of Service!

Alateen Area Processing Person

Following the recommendation of the recent AATF (Area Alateen Task Force), SCWS changed our method of obtaining background checks on new AMIAS applicants to the more extensive format that requires SSN, and in order to offer optimal protection of that sensitive information we went to a “self-apply” format where the individual submits their information directly to Trak-1, our contracted agency for background checks. The transition happened in August and has gone without a hitch. Most of the time the background checks come back within one business week and the individual receives a copy of the report from Trak-1. The AAPP is notified by email when a new report is complete, making for an efficient process. We are able to save the reports as a PDF and they are stored in our AAPP Dropbox account, which has limited access, thereby eliminating the need for a physical file cabinet and shredding of paper documents.

Al-Anon Information Service /Literature Distribution Center Coordinator

Since this is a new position I have been working closely with our Chair, Delegate and Alternate Delegate. We are working together to come up with an action plan consistent with our mission and stated goals for this position.

I am contacting the Chairs of the Area AISs and LDCs to begin a dialogue and to confirm all contact information is correct. I have spoken with several members and have gotten some excellent information and ideas. I have also learned that not all

Districts have AIS and/or LDC components.

Meetings with each AIS and LDC are being set up. I plan to introduce myself and explain the role of the AIS/LDC Coordinator, to listen and to exchange ideas. Topics to discuss may include:

- How the Area can be of help.
- Arranging a GoToMeeting web-conference
- What works, what does not work, what issues are being faced, what solutions are being used and how the solutions were arrived at, and what Innovative methods and approaches are being used
- What Is being done when leadership is turned over and what written and oral information is being passed on
- What methods and systems are in place for record retention
- What procedures are being used to make Conference Approved Literature readily and easily available

The first meeting dates are:

- Saturday, September 8, 2018, 10:00 a.m.: Inland Empire District 10, 36, 29, 40, AIS meeting in Colton
- Saturday, October 13, 2018, 9:30 a.m.: Kern County District 6, District meeting in Bakersfield

This is a work in progress. I welcome input from anyone who has an idea to share, a question, a solution or anything that comes to mind about communicating and working together with each AIS and LDC.

In service,

Andy S.

AIS/LDC Coordinator

Archives

Have you ever had the experience of losing family members, then suddenly realizing there were many questions you wanted to ask about their lives or early-day family members they knew?

The same thing can happen in our Groups and our Districts. To avoid losing Al-Anon history in your Groups, pick up a copy of the Al-Anon Longtime Member Questionnaire on the table by the Archives display or, if the supply is gone, ask me to send you a copy by emailing me at archives@scws-alanon.org.

Some Group and District officers seem to have well-established systems for recording and passing on information to trusted servants who come after them. Others could benefit from their experience, so if you will share your procedure with me at the archives email address (archives@scws-alanon.org), I will be happy to pass the information on to others.

Bulletin

I volunteered to be Bulletin Coordinator at the Area Assembly in May. Jim B. graciously agreed to be responsible for the Bulletin for the May Assembly while I was getting my feet wet.

Since becoming the Bulletin Coordinator, I have had the privilege of attending 2 meetings of the SCWS Board and one Area Committee Meeting. I have been impressed by the dedication, commitment, attitude and contributions of the many fine people who are of service in the Area, and I am grateful to be a part of this community of Trusted Servants.

In the course of assembling the current issue of the Bulletin, I also have been impressed by the high level of effort and cooperation devoted by all who have contributed a report or other content for inclusion in the Bulletin. It has been my pleasure to assemble this issue with the input and assistance of everyone who submitted a report or other material, and I welcome any comments or loving suggestions on how we might improve future issues of the Bulletin.

If anyone has any questions or comments, feel free to contact me at: bulletin@scws-al-anon.org or scwsbulletincoordinator@gmail.com.

Literature

WSO continues to need writings for their new daily reader that will reflect the diversity of the Al-Anon fellowship. Previously, our differences in gender, age, relationship to the alcoholic, etc. were not always evident in our books. However, this new book is intended to convey the rich diversity we share. As you focus on a particular program topic, it is desirable to reveal details that will emphasize our diversity. I have given each DR a sheet outlining details about writings for the diversity book.

Also, WSO continually invites sharings for the Forum. You may submit your sharing on the members website, which is located at al-anon.org/members/the-forum (Go to “Submit a Forum Personal Sharing”), or see me about a Writing Guideline for The Forum.

If your district would like to sponsor a writing workshop on these or other subjects, please contact me at 714-556-2707. Kudos to those of you who have already held writing workshops!! Also, I am available to assist in any type of event/workshop you may plan.

Do the meetings in your district keep a wide variety of books & pamphlets for purchase? If not, please ask you GRs to encourage their meetings to add different pieces of literature ... one piece at a time.

Public Information

Greetings to the Southern California Al-Anon Family Groups community!

2018 is just a few months short of being over. Hard to believe, isn't it? . The Holiday's are a particularity hard time for families in the throes of the disease of alcoholism. Remember when you first heard of Al-Anon and the jumble of feelings and emotions that seemed insurmountable to face back then and how Al-Anon might even help?. How did you get to your first meeting? Were you encouraged to go by another family member? How about a friend, counselor, workplace or church? When you are out and about, do you check out bulletin boards, flyers at events, DR. offices, community boards, libraries or schools for outreach flyers and bookmarks from Al-Anon? Are you carrying the 12th step message as others did for you when you were connected with Al-anon Family Groups?

Day to day, week to week and month to month you attend meetings. Have you put information out in your community about Al-Anon? Books marks? Al-

Anon Faces Alcoholism Forums? Meetings lists? Items that can easily be placed like Bookmarks can be tucked in books at the library or a list of your local meetings that can be put at the library. (Checking with Library staff on where they are to be placed.) How about your local health groups? You can check their website and email how you might bring the message of Al-Anon to the members! Look at your meetings right now. Are the groups growing in membership? Do you have young members? Is your group makeup ethnically diverse? Male and female? How about group inventories? Our meetings health and message of hope and comfort to families of alcoholics begins with our own groups reaching out. It takes the "Al-Anon Village".

Public outreach is grassroots. Is the Al-Anon message of recovery out sufficiently in your community to reach members who need us, yet may have never heard of us? Recovery homes have proliferated for AA members in our communities. How do those family members hear about us? Possible one way would be TV and radio. We have three Districts looking to reach out in this direction. As a Public Outreach Coordinator, I have access to projects done all over the US. I went in my AFG Connects one day to post a question on whether any others have done this service work and how they did it. BINGO! An area of the country posted EXACTLY how they did it! Transferable to all of us. I have sent it to the three Districts requesting the template, and wonder who else wants to get to work?

Start first with bookmarks. Place them everywhere.

Attend the November 3rd workshop being put on by Mary and Billy for Institutions and Cooperating with the Professional Community. It would be a great place to connect with those in the communities speaking and attending this day. For Al -Anon to thrive for Sixty more years, each of us must work to carry the message. The whole village can play a part. Find a path you wish and if you need support, just ask.

2. El día Sabado 9/14/18 en la ciudad de Chino Hills tuvimos un taller de Las 5 Garantías de la conferencia, hospiciado por el Distrito 64, fue excelente porque casi no se tocan están 5 garantías que son fundamentales en el programa de Al-anon.
3. Estoy recibiendo llamadas de personas nuevas que buscan un grupo de ayuda, ya sea de Al-anon o Alateen. También me contactaron para una cadena de television y radio donde requieren un joven de Alateen dando su Experiencia, Fortaleza y Esperanza, la entrevista en la estacion de Radio y TV fue 10/10/18 Por su puesto que ellos respetaran el anonimato cubriendo el rostro del Alateen con cuadritos pequeños para la entrevista. La entrevista fue muy Buena. La entrevista Sera retransmitida en 24 países de habla hispana.
4. Algunos grupos del Valle de San Fernando están interesados en tener un taller de Las 5 Garantías de la conferencia., espero pronto llevarlo a cavo, posiblemente el siguiente año 2019

5. Tuvimos información pública el día Sabado 9/29/18 en La Carcel juvenil del Condado de San Diego., Fue una grata experiencia pues tuvimos mucha gente pidiendo información acerca de Al-anon/Alateen. Tuvimos un paseo/Tour dentro del penal donde nos explicaron con mucho detalle lo que pasa dentro del penal juvenil, tienen jóvenes detenidos desde 10 a 18 años de edad.
6. El día Sabado 10/6/18 atendí a otro taller de Información Pública en la ciudad de Santa Maria, organizada por el D64, aquí tuve la oportunidad de conocer personas nuevas del programa, fue hermoso ver el entusiasmo de aprender como podemos pasar el mensaje de Al-anon/Alateen.

Proximos Eventos:

Información pública en Pomona el día Sabado 10/27/18 de 10 AM – 12 del medio día.

Otra información Pública en Santa Ana 10/14/18 8 AM – 11 AM

Estoy recibiendo llamadas de ayuda buscando grupos, también necesitan oradores de habla hispana para eventos como Convenciones o Aniversarios de grupos.

Este es mi progreso asta el día de hoy, si tienen alguna idea para mi crecimiento dentro de mi Nuevo servicio como Coordinadora Hispana del Sur de California, por favor no duden en contactarme. Estoy a sus ordenes.

Informe de ingles / English Report

This is my second written SCWS Board report. I feel very grateful and excited about my new service. I hope that my service is helping the Spanish community to feel more connected to the Area and Al-Anon as a whole. Any suggestions are always welcome.

1. On 9/8/18, I visited San Diego Spanish Intergroup/Oficina Intergrupala Hispana de San Diego, and met everyone there. They had several questions about my new service as a Spanish Coordinator. We had a fantastic chat clarifying some ideas about some Al-anon /Alateen groups. We received approval to visit the San Diego

Probation Department (Centro de Detencion Juvenil) on Saturday 9/29/18 at 7AM, as Public Outreach.

That same day, 9/8/18, I was able to attend the AA Ventura Convention with Al-Anon Spanish participation. It was great to see some newcomers and see so many of our Al-anon members from different cities.

2. On 9/14/18 in Chino Hills, D64 sponsored a Workshop on The Al-Anon 5 Warranties of the Conference /5 Garantías generales de la conferencia de Al-Anon. This was an excellent program, because many of our Spanish Al-Anon members do not regularly study the Traditions and Concepts of Service. We all learned a lot!
3. I got a phone call from someone looking for an Alateen member who would be willing to participate in a Spanish interview about Alateen's experience, strength and hope. I contacted several Alateens and one girl volunteered to participate in the interview on October 10, 2018 between 10 – 11 AM . The person who contacted me was knowledgeable about our policy of anonymity and they arranged to cover the Alateen's face so that she could not be identified. The interview will be re-transmitted to 29 Spanish-speaking countries.
4. There are some Al-Anon members in the San Fernando Valley who would like to have a Workshop about The Al-Anon 5 Warranties of the Conference / 5 Garantías generales de la conferencia de Al-Anon. I'm hoping to be able to work with those members to hold a workshop next year.
5. On 9/29/18, we did Public Outreach at the San Diego County Probation Department in the Juvenile Detention Center. It was a great experience doing the service together with the San Diego Spanish Intergroup members. Many newcomers were asking for information about Al-Anon and Alateen. We a got a tour inside the Jail/Detention center. The boys and girls in the Detention Center are between 10 to 18 years of age.

6. On 10/6/18, I attended a public outreach workshop in Santa Maria organized by D64. I had the opportunity to meet new people, and it was very successfully event.

Upcoming Events:

Public Outreach in Pomona, 10/27/18 , 10 AM – 12 noon

In Santa Ana, 10/14/18, 8 AM – 11 AM

I am regularly receiving outreach calls asking for information about Al-Anon and Alateen groups from Spanish-speaking members of the public who email me through our SCWS website. The addition of a Spanish Coordinator on the SCWS Board is making it possible for more Spanish-speaking people who need Al-anon to find us!

This is my progress -- so far so good! I look forward to hearing from everyone who has an idea to share, a question, a solution or anything that comes to mind about communicating and working together with the Al-Anon/Alateen Spanish Groups .

Love in Service,

Brissa M.

Website

As you may know, we are starting to work on a major update of our website to make it usable to the membership and compatible with modern web technology (i.e., smart phones). No computer technical skills are necessary to participate in this activity. One of the major efforts will be to review the current content and decide what and how the current content should be presented on the new website. In addition to reviewing the current content, we are looking for ideas about what new features / content should be added to the website (especially from younger members of the program). If you, or anyone you know, would like to participate in the revamp of the website, please contact me at webhost@scws-al-anon.org.

As always, if you notice something that is not working on the website or have any questions concerning the website, please contact me at webhost@scws-al-anon.org.

Although we are a small district, we are trying to create opportunities for connecting our meeting groups to each other. We have good representation at our district meetings and have quite a few new, enthusiastic GRs.

Our annual SLO AA Convention with Al-Anon participation in August provided a weekend of recovery. Members also planned and will participate in the Central Coast Round-up AA Convention with Al-Anon participation in Santa Maria in October.

Our Monthly Open Al-Anon Speaker / Birthday meeting is a huge success. We have a steering committee that rotates some of the members in January – rotation of leadership to allow more to reap the benefits of service. We have some members participating who are being of service outside their meetings for the first time. We were able to have some out of our district speakers this year, which was an unexpected gift.

Our district is making a concerted effort to bring Alateen meetings back to our district. We are getting more members certified as an AMIAS. We are lucky to have a very pro-active DAL. We also have a meeting in our local high school that is thriving. This is exciting news for us.

We had our first District Sponsored Workshop in June. It was a huge success. In the morning there was a panel on Sponsorship and in the afternoon a workshop on Traditions 1,2 & 3 How to Apply them to your family. We have a steering committee that will rotate every year – rotation of leadership to allow more to reap the benefits of service. We have another workshop in October. We will have 2 workshops a year. Another opportunity to connect our members with each other and a chance to share our experience, strength and hope.

Grateful to be of service,

Mary M.

District 6 is moving along as we continue to work on Carrying the Message of Al-Anon in our area. We have several outreach opportunities planned to finish out the 2018 year. In addition, we are currently getting the message out to our groups that we are looking for new Committee Members to be of service for the 2019-2021 term.

There have been many changes going on in District 10. The district has a new group of district reps, filled numerous GR positions, and started planning for the Heart Talk Fundraiser and the High Desert Convention.

The district has started looking at possible dates, topics/themes for additional fundraiser events for District 10. More to come on that subject later.

Public outreach is full steam ahead. There has been several health fairs that the district has participated in to get the word out on local AlAnon meetings and information for families affected by alcohol.

I am honored to be of service and very much enjoying all that I am learning. The international convention was a great opportunity to learn more about how awesome and amazing it is that we truly are part of the World Wide Fellowship of Al-Anon. I met people from all over and was even asked to be a guest speaker in Scotland via What's App. I am truly humbled and in awe of our fellowship and all who participate in service at all levels from the groups all the way to WSO. I am grateful. What a gift to be a part of and be of service. Before Al-Anon I always felt apart from, who knew that I would feel so much a part of such a grand thing as our World Wide Fellowship.

Upcoming Events: AMIAS Meet and Greet workshop October 20th – District 12 is honored to be invited to participate with District 9, 17, 21, and 24, a special thank you to District 17 for making this happen.

Many thanks to District 12 GRs and Current Mailing Addresses for their service. Welcome new GRs. We have 28 AMIAS in our District and 6 Alateen meetings. We are honored to have Cyndy P step up to be our District Alateen Liason. Cyndy is planning AMIAS meet and greets in our district as well as coordinating an AMIAS recertification workshop in February 2019.

We are privileged to have a very active Intergroup and were honored to have Linda the Institutions coordinator from Intergroup come and talk at our last District Meeting. AIS is very active and our AIS chair Julie attended Assembly with us and her service, knowledge, and dedication is greatly appreciated. I am making plans to attend the Alateen meetings in our district, as well as reaching out to meetings that do not currently have GRs.

Our district is honored to be home to one of our areas past delegates Kay D. who's continued love and support to our district is appreciated.

Our AIS meetings are held the 3rd Thursday of even months at First Baptist Church 1601 Temple Ave, Camarillo 7:00-8:30PM.

Our district meeting are the second Saturday of Odd months. Our next meeting will be November 10, 2018 at Saint Columba Church in Camarillo from

11 am to 1 pm. The first hour is business and the second hour will be a workshop on the Concepts.

Area World Service Committee Meeting August 18, 2018 – District 17 Report

District 17 was quite busy since the February AWSC meeting as we were Sponsoring (along with D24 and 64) the Alateen one-day event, RAD 2018 (Roundup Alateen Day).

There were about 150 in attendance, both Alateens and AMIASs. It was a great turnout. Personally, I got so much out of being part of the planning for this event. We met about 6 times and sent numerous emails and texts to communicate with each other. The Alateens were very excited to plan an extremely motivating and learning event.

On the Agenda, were breakout sessions each half hour for the Alateens to attend various activities. Additionally, there were breakout sessions for the AMIASs who were not chaperoning at the time. We got to sit in on hearing experience, strength and hope on being involved with the Alateens.

We had dinner catered by The Habit food truck. The menu was inviting to all appetites.

Thank you to all who helped make this event possible for the Alateens. It was a privilege to work with you all.

Public Outreach Report

We have been distributing "Al-Anon Faces Alcoholism" to the 9 Public libraries in our district. Since I keep my outreach literature in my trunk I will continue to leave literature at the various libraries in our area.

Lisa H. attended a public outreach get together at the Devonshire Division Police Station. She found out that the SLOs (Senior Lead Officers) have meetings that we can attend to give them information and literature about Al-Anon Family Groups. We continue to research additional facilities where we can have a Meeting on Wheels, leave literature, etc.

Lisa H. and I attended the Public Outreach Workshop on June 30th. We learned more about

leading current meetings or starting meetings at the various correctional facilities in Los Angeles County. With the guidance of Billy M. our SCWS institutions coordinator, Lisa H and I are putting together a team of 4 to start a meeting preferably at the Pitchess facility in Santa Clarita. We need 2 additional Al-Anon members to begin the process. We have to be sponsored by each facility as a part of the application process. Please reach out to members in your meetings.

Every Saturday morning there is an Al-Anon meeting held at the Lynwood Women's Jail. If you are interested in leading a meeting or taking a long or short term commitment, please contact Toni B.

Did you know that Al-Anon has electronic meetings? Visit the alanon.org website and click on Al-Anon meetings. There you will find phone, email, chat and even Face Time meetings. These meetings are registered with WSO.

Thank you for allowing me to be of service,

Public Outreach

Our district decided that providing literature is the best way for us to serve our local hospitals and institutions. We're looking to expand this effort and welcome any suggestions within our geographic area.

Meanwhile, we have distributed *Al-Anon Faces Alcoholism*, *How Al-Anon Works* (soft-cover), and *Courage To Be Me* to all the public libraries in our District, as well as establishing relationships with the librarians and supplying whatever other publications they may desire. We replenish as needed.

We continue to provide literature to CRI-Help (meeting directories; *So You Love An Alcoholic*, etc.), which they place in their lobby where family members of those in treatment wait. We now have budgeted a quarterly amount from our district funds to keep that waiting area stocked.

Three GRs from our District attended the H & I conference in Ventura in May, where they learned about the need for Al-Anon within prisons/treatments centers / etc.

Finally, we have created a list of GRs in our District who are willing to lead meetings, which we have let all of our groups know about for their use and ease in leadership responsibilities.

Alateen

We are formulating an AMIAS meet and greet with other Districts. Again, we welcome any suggestions for help in setting this up or interest in participating.

Improved District Meetings

Our District meeting has increased and maintained attendance by:

1. Providing dinner for each meeting. The meal provides for those coming straight from work and promotes time to get to know one another
2. We provide a forum in the early part of the meeting for Group Representatives to quickly mention specific challenges and/or successes in their groups. If any of the subjects feel like they merit the attention, we put it on the subsequent meeting agenda.

62(?) Registered Groups

We've had 4 Workshops this year: Intimacy (February in Silver Lake); Writing for CAL--new daily reader and The Forum--(April in Silver Lake); AMIAS Recertification (April in Hollywood); Public Outreach (June in Beverly Hills)--co-hosted

with Billy and Mary—featuring two staff members from the L.A. County Sheriff's office.

We invited and had an Alateen speaker at one of the meetings in our District (my home group for which I am a GR). Took on board District 24's DR & DAL suggestion for groups to consider doing so. It was great.

Our District sent me to the International Convention in July in Baltimore, MD. This was inspired by District 54's tradition of doing so, mentioned during their DR's District Report at the February 2018 Committee Meeting. Micheila spoke on two panels on the topics: "Money: You're Full of Prudence" and "Electronic Meetings". Also participated in AMIAS service as a Group Sponsor at an Alateen meeting.

We had originally slated our Alathon for September 22 in Westwood, yet decided to reschedule for a future date in 2019 to allow for the 5-6 months necessary to properly plan and attract fully self-supporting service participation. The organization of the event changed hands a couple times and it was too little time to pull it together in the end.

We're now using KBDM (Knowledge Based Decision Making) in our Bi-Monthly District Meetings which has been nice to adopt, learn and apply to our District's business and decision-making process. Our GRs have expressed an interest in having a KBDM Workshop in the future.

This year we focused on creating infrastructure, in order to be more effective in our efforts, via forming the following service Committees:

Alathon Planning Committee – ADR Alyssa L., Committee Chair

Workshop Planning Committee – ADR Bruce S., Committee Chair

Public Outreach Committee – ADR Alyssa L., Committee Chair

We'll be distributing the 2018 AFAs in English, French and Spanish in September during National Recovery Month. Excited to explore + expand public outreach efforts in our Districts' communities. We'll also be distributing the balance of them in November in time for the holiday season. We'll be tracking where we circulating them so we can begin to establish and develop ongoing relationships with these places and institutions.

We're working on cleaning up our District's Group Records so they're accurate.

We have an issue that has come up re: safety at meetings which has been brought to me by several

different members, at a few different meetings re: a certain single member's behaviour. Reached out to Delegate re: how to handle this.

Goal to strengthen all meetings in the District through increasing member understanding and practice of our Three Legacies: Steps, Traditions and Concepts

We're working on educating our meetings and members about the opportunity to include the District in their 7th Tradition Service Arm contributions so we'll have more available resources with which to carry the message

The concept of "Voluntolding"--personally encouraging individual members to step forward to be of greater service--was spoken mentioned by our Executive Director at the International Convention. I'm finding it effective as a practical means of "attracting" through suggestion more GRs into service in our District. This is hopeful, especially given that approx. 1/3 of our District's meetings have GRs.

Other news:

Public Outreach: October 23: Invited to have an information table at the Family Violence Fair, Kaiser Hollywood, 12-2pm. One of our GRs brought this opportunity to us and our GRs decided to participate. It was of no cost to us. Alyssa L. facilitated the organization of this.

At this time, we have completed a contract with a new venue to hold our Alathon, workshop, planning meetings and monthly district meetings. We have had three new members apply for AMIAS certification. We have contributed to the service arms with the intention to revisit this every quarter. Hopefully to make contributions monthly. Public Outreach:

Our District buys and passes out AFA Booklets every year as a way to “Carry the Message” to those who have yet to find our Rooms.

Most Groups are still passing a *“Forum Can”* around at their meetings, they’ve been so successful that most Members now have their own subscription and are writing *“Newcomer”* on their ticket.

Fundraisers:

In April, District 36 had our **“What’s God Brewing”** Fundraiser for the Colton Service Center. There were plenty of great Desserts served with coffee and tea for all who came, more than enough for all to enjoy.

Our guests were then captivated by our Four Great Speakers, one each from AA, Al-Anon, Al-Anon Young at Hearts and Alateen.

We were able to send a check to the Colton Service Center from this fundraiser in the amount of \$1300.00

We are currently on Summer Break but working on the next Fundraiser our **“Holiday Potluck”**.

Group Concerns:

I’ve recently shared with Groups the importance of using only Conference Approved Literature in Al-Anon meetings. Keeping any other items to just a Brief Reference only.

Other Group Concerns include the use of Timers and Chanting.

My name is Chris C. and I am the District Representative for District 40.

We launched a new website for our district. We have also set up Pay Pal on the website so donations can be paid through the website. We continue to track our visitors on line. In September we had 397 visitors with 250 of them new. A total of 641 pages were viewed. Access was 60% mobile, 35% desktop and 5% by tablet.

We will be doing a virtual fundraiser for the Inland Empire Al-Anon Service Center for October and November, asking members for donations to be sent to our District or to the Inland Empire Service Center.

- (1) Our GRs wanted the new Al-Anon service manuals, so our district bought and distributed as soon as the manuals were available.
- (2) One of our GRs (Terri L.) started working with the DCFS (Dept. of Children and Family Services) in our area. Working with professionals to help convey the Al-Anon message.
- (3) We held our Alathon on June 9, 2018. It was a beautiful day and we all had a wonderful time.
- (4) Our GRs decided we needed representation at the International Convention, so our district sent GR (Tanya P.). At our district meeting in July,

Tanya gave a presentation of her experience and passed out little mementos brought back from the convention. I wish we all could have attended it.

District 60 Group and Alternate Group Representatives have been asked to arrange for their groups to use Alateen literature as the basis for sharing at one of their meetings during September (Recovery Month) or October (the month when the anniversary of Alateen's founding is observed).

The request was made to help Al-Anon members learn more about Alateen and to emphasize that AlAnon and Alateen are two parts of the same program. The emphasis on Alateen literature is being made as part of the District's efforts to increase Al-Anon members' support of Alateen and to interest members in becoming an Al-Anon Members in Alateen Service (AMIAS).

The idea came out of a meeting with AMIASs designed to help the District learn how it can (1) increase the number of Alateen meetings in the District, (2) increase the number of AMIASs in the District and (3) support existing AMIASs. The brunch meeting was held at the home of Daphne J., District 60 Alateen Liaison, who has been visiting District meetings to share information about Alateen and the need for AMIASes, as well as to invite members to see a display of Alateen literature she has created.

As part of the District plan to work more closely with AMIASs, DJ K., a new AMIAS, was asked to serve as cochair of the District's second annual Al-Anon/Alateen Workshop, which will repeat last year's theme, "How Al-Anon and Alateen Work Together for Family Recovery. The workshop will be from 2 to 4 p.m. Saturday, Oct. 27, at Trinity Episcopal Church in Orange.

The District also is joining Districts 57, 63 and 66 to plan a Jan. 12, 2019, talk by the Area Delegate, Marcia M. It also will be at Trinity Episcopal Church in Orange.

GRs and AGRs spend a portion of each District meeting assembling envelopes of information that local law enforcement agencies can give to families who have someone involved in an alcohol-related police incident. Meetings also include discussion of group issues and questions, such as rotation of leadership and the question of “promises” for Al-Anon members (there are none).

District 66 has been busy focusing on Public Outreach this year and hosted our second Public Outreach Workshop in May. The Workshop was a success, and everyone was excited about carrying the message to others. Two projects were proposed, and committees were formed to work on each project. The first project is Starting Meetings in Jails/Prisons. An orientation for members interested in starting meetings will be held in late August. The second project is distributing CAL literature to hospital social workers.

This year we began a Court program where we provide Al-Anon literature to Drug Court. The literature is then distributed to the probation officers to hand out to their clients and families. We were asked to provide both Alateen and Al-Anon pamphlets. We are very excited to help spread the message to others.

Public Outreach projects continue to focus on increasing public awareness of the Al-Anon program. Al-Anon Faces Alcoholism was distributed in both Spanish and English to medical offices, libraries, rehab facilities and anywhere we may leave them.

The six-week Beginner’s meeting series is now two years old. There is both a day and evening meeting and participation continues to grow each session. The meetings have been well received and very successful. A number of members that attended the series recommend it to others and comment they wish there were Beginner’s meetings when they started Al-Anon.

Finally, the District will be hosting our annual workshop on October 6 th and we have some great Al-Anon and Alateen speakers lined up. Mark your calendars for this great event.

Since January 2018 we have added 4 new GRs & reconnected with groups who didn't have current info on their group record with WSO. I visited groups who did not have a GR to encourage them to elect one (as well as an alternate) or at least send a representative from the group to the district meeting. I took a copy of their group record so they could see who the registered positions & contact members were and left it with the appointed person. In most cases current members stepped up to fill the needed positions or contacted me later of their intention to register the new members. It's been an excellent opportunity to get to meet members face to face, take part in their meetings & in some cases answer group issue questions.

We co-hosted the Public Outreach workshop with district 75 in March which was a success and want to thank Mary & Billy for their service & SCWS for the opportunity to host the event. Many members spoke to me afterwards how much they learned about the importance of the public outreach projects for individual groups.

In recognition of September being National Recovery Month, we're encouraging each Al-Anon & Alateen group to use our current AFA's to reach out to their communities to raise awareness about family recovery available in Al-Anon & Alateen. By using the WSO website as well as the new service manual as resources they can find many ideas for carrying the message of Help & Hope.

We will be hosting our bi-annual Fall Sharing of Service event on October 20th & are very excited to bring speakers & members together to share how we can be of service to our Alateens in their meetings by encouraging more certified sponsors & even possibly adding meetings. After being inspired by the Young at Heart in Al-Anon groups, at the past committee & Assembly meetings, we will also be taking a look at how Alateens transition to Al-Anon

& what the future holds for them in our district. We plan to have a panel of young members much like what was done at the Area SOS in January.

Many thanks to the District 75 Group Representatives (GR) and Current Mailing Addresses (CMA) for their service to District 75. District 75 (D75) welcomed five new GRs and continues to make presentations to encourage "dark" meetings to elect a GR.

Our next Recovery Roundtable will focus on "Improving Relationships". It will be held on September 15th, at the College Avenue Baptist Church, in San Diego. The focus will be on developing healthy relationships in the family, with your spouse/partner, sponsor and at work and school. Each ten minute presentation will be followed by questions discussed within each group to encourage sharing our experience, strength and hope. D75's public outreach has started, coordinated by two members working with our groups, the local AFG office and professionals in the San Diego area. The District 75 web page is open on the local AFG web. All in all, we've been pretty busy in being the link between our groups and the Area.

In Gratitude,
Libby A.

AFG Convention

Greetings! My name is Steven F., and I have the honor and privilege of being your Chairman for the 43rd Annual 2019 Al-Anon Family Groups Convention. The convention will be held at the Ontario Doubletree Hotel in Ontario. It begins on Friday, March 29th and runs through Sunday March 31st. The location of the hotel is 222 North vineyard avenue, Ontario, California, 91764. This year we're very excited to announce that Kay L. from Malibu will be our luncheon speaker.

The theme of the 2019 convention is 'Where Hope Grows, Miracles Blossom' and is all about the path of our spiritual growth. We're expanding our convention offerings by adding a very successful public outreach workshop hosted by Mary E. and Billy M. Additionally, more events for our Hispanic attendees are being developed. We will also be having two fundraisers. For the first time, a Spanish fundraiser will be held in early December and then later, another more general breakfast fundraiser will be held at the end of January. Please see our website at www.afgconvention.org for details on everything.

Come join the fun and attend our planning meetings. All meetings are being held on the 3rd Sunday of every month from 1:00 to 3:00 pm at the Thengvall House (next door to Richfield Church) 5312 Richfield Rd, Yorba Linda, CA 92886. Al-Anon tells us that when we get busy, we get better, so if you or someone you know is willing and needs a commitment, please contact me. Our committee is almost filled, but no one will be turned away, because that's what recovery is all about.

I look forward to seeing all of you at the convention in March and remember, GROW where the love is!

Love in Service,

Steven F.

YHA Convention

Our committee continues to grow! We held another event (PAJAMMIN') which was a fundraising success! Our Outreach and Publicity chairs have been working to carry the message for YHA at our local AA/Al-Anon conventions and even within local institutions/rehabs for young people. THANK YOU to the GRs in Orange and San Diego counties for supporting young people's meetings. There is now a new young member focus meeting in Mira Mesa and another on the way in Orange. Please continue to encourage transitioning Alateens to attend young people's meetings. Flyers for upcoming YHA events and service opportunities can be found at Assembly or via email at youngatheartinalanon@gmail.com.

The conference will be held in August 2019 in Los Angeles. The theme is "We Already Love You."
