Minutes

AREA WORLD SERVICE COMMITTEE (AWSC) Meeting

First United Methodist Church, Glendale, CA
February 16, 2019

Meeting opened at 9:00 am

Chairperson's Report: Donna E.

- Serenity Prayer
- Introduced
 - Past Delegates: Kay D., Jayme C., and Willie W.
 - new DRs: Peggy R. from District 6; Teresa K. from D30, Linda C. from D45, Mary Jo C. from D54
 - new Board members: Laleña C., Interim Secretary; Sandy W., Institutions Coordinator
- Reviewed KBDM guidelines
- Marcia M., Delegate, went over "Area World Service Committee: Shared Information" handout

Traditions – Read by Barbara V.S., District 17.

Minutes: Interim Secretary, Laleña C. Tracy DR from District 9 made the motion to accept the Minutes as written; Stacey, DR from District 21 seconded: hand vote, majority in favor, 7 abstentions, motion passed.

Treasurer Report: Tarisa R., See Treasurers Report in *Bulletin*

- Referred to handout
- Showed audit, everything looks good!
- As of December 31, 2018, our account is balanced.
- Reviewed procedures for reimbursements for GRs and DRs, please provide documentation (receipts, etc.)
- Recommended that we make a contribution to WSO of \$2,504.03 for 2018.

Questions:

Q: Jayme, Past Delegate: asked for clarification re hotel reimbursement "up to \$100."

A: Tarisa, Treasurer: It depends on how many share the room and the cost of the room. Also, in the fellowship we don't use the term "donate," we say "contribute."

Q: Bruce, *Bulletin* Coordinator, discussed how 7th Tradition is made at every level: group, at District, Assembly, Committee meetings as well as to WSO. He finds members are confused.

A: Donna, Chair: Our *Service Manual* describes how different expenses work so that our members know exactly what they are paying for every step along the way. It is an education process.

Tarisa, Treasurer: We are modelling the appropriate use of 7th Tradition for expenses, including contributing surplus funds to another service arm, WSO.

Eva, Alternate Delegate: We give out of gratitude, give without earmarking, and we need to understand our connection beyond Southern CA to the worldwide fellowship.

Comments:

Nancy W., DR D12: Thanked Tarisa for the transparency.

Donna, Chair: Called for a vote to approve the Treasurer's Reports:

1. Audit Report: 33 yes, 2 abstain
2. Approve Financial Report: 41 yes, 0 no's, 0 abstentions
3. Approve WSO Contribution recommendation: 38 yes, 1 no, 0 abstentions

Alternate Delegate Report: Eva B. See Report in the *Bulletin*.

7th Tradition basket was passed. Tarisa read from *Service Manual*, "Passing the Basket" (P. 19)

Delegate Report: Marcia M. See handout and full Report in the *Bulletin*

- Referred to handout "World Service Conference" (WSC) April 13-17, 2019: request for love gifts from Districts for her to give out to fellow Delegates at the WSC.
- Referred to handout "Use of Material at Al-Anon members." A member from our Area emailed WSO regarding restrictions on retyping CAL passages (such as the Steps and Traditions) for meetings. When WSO responded to the member, they included Marcia in the email so she could share it with us.
- Referred to handout "SCWS and Service Participation by Members of Al-Anon Family Groups Who are also members of Alcoholics Anonymous."

Chair/Donna: led discussion that addressed two issues:

1. The SCWS Bylaws be clarified to include: All members of AWSC will have voice and vote at the Committee meetings: specifically, add Past Delegates as voting members since they already have a voice.
2. State in our Bylaws that members of Al-Anon who are also members of A.A. may not be members of the AWSC and will not be recognized, should one of those members be elected an AIS Liaison to the Committee.

Questions:

Q: Traci, D21 asked why it was necessary for Past Delegates (PDs) to vote.

A: Willie W., Past Delegate: concerned that the PDs are often asked for their opinions and experience regarding issues before the Committee, but then are not allowed to vote on those same issues.

Q: Bruce, *Bulletin* Coordinator: expressed a concern that it is a Bylaw amendment rather than clarification. *Service Manual* does not specifically include Past Delegates (p. 75). Also, suggested that Bylaws be revised so that any mention of Chairman be changed to Chairperson (since Chairman is sexist language).

Q: Carole, Archives: The issue of “dual members” concerns her because in her District there are some dual members who report that they have stopped attending A.A. and consider themselves to be only Al-Anon members.

A: Donna, Chair: Most of the AIS Intergroups have a statement in their Bylaws that exclude A.A. members from being ISRs. We are encouraging all of the AIS offices to include this language in their Bylaws. Our position on this matter is that because ISRs may vote on issues affecting more than one group at Intergroup meetings, and because ISRs may be elected as AIS Liaisons to the Committee, where they will vote on policy issues affecting more than one group and Al-Anon as a whole, any ISR who is elected to be the AIS Liaison to the Board would not be recognized by the Chair.

A: Jayme: Read from SCWS Bylaws, Article 7, section 2: Past Delegates have a voice at

Committee meetings, but no mention of having a vote. We make changes on a trial basis for 3 years and then change the Bylaws.

Comments:

Kay D., Past Delegate: wants to feel a part of the AWSC, wants to remain active.

Peggy, DR D6: expressed concern regarding rotation of leadership, as Past Delegates would always be eligible to vote.

Tarisa, Treasurer: referenced *Service Manual*, p. 137. Suggested forming a Task Force to address the issue, try it on a trial basis of 3 years, and then be brought to a vote.

Micheila, DR D27: wants to suggest that statement regarding A.A. members/ISR members say members “who are or have been members of A.A.” be added.

Libby, DR D75: need to rotate Treasurer position in her District. This is a nonvoting position, and an A.A. member wants to fill the position. There is a concern that the AA’s voice and opinions will be too strong. She has seen one meeting close as a result. What are the ramifications? Her vote is no, more will be revealed.

Suzanne, Alateen Communications Coordinator: Article 5 in Bylaws, Section 2: States that the function of the AWSC is to develop agenda items for the Assembly. Q: When did we decide at Assembly (where we have voting GRs) for the Committee members to be voting on items?

Marcia, Delegate: This piece was missing in the Bylaws. Quoted the *Service Manual*, p. 137: “All Committee members may vote at the meetings of the Area World Service committee.”

Bruce, *Bulletin* Coordinator: Discussed traditions regarding dual membership. He notices it is a concern but was wondering how we would know if an Al-Anon member is in another fellowship since it is breaking their anonymity.

Willie, Past Delegate: In order to develop matters and vote on Assembly agenda, the Committee members need a consensus, so we do need to vote.

Nancy, DR D12: asked for clarification for vote.

Donna, Chair: Add to Assembly Agenda a motion to allow Past Delegates to have vote at Committee meetings on a trial basis (for 3 years): 31 yes, 8 no, 2 abstain. Motion carried.

Marcia, Delegate: Announced that there are several open at-large committee positions on the

WSO Board; members should have received an email/posting. No questions.

Eva, Alternate Delegate: Ask-It Basket was passed around, along with the *Forum* can. There is an opportunity to win a free *Forum* subscription.

Old Business: #5:

Bear, Area Alateen Sponsor Coordinator: Area Alateen Resolution Committee Report--updating the ASBRs:

ASBRs need to be revised to reflect the changes voted on at the last Assembly. In addition, there are some procedural changes that will be added before the May Assembly. The changes that are in the ASBRs as of the Committee meeting are:

1. As minors, Alateens may have a voice, but no vote, on safety guidelines and issues (with the exception of Alateens who are GRs for their meetings as they have both a voice and vote at Assemblies)
2. Two certified AMIASs must be present at every Alateen meeting.
3. The birthday on which Alateens will “age out” of Alateen is 19 (down from 21).
4. Eligibility requirement for AMIAS: wording change that AMIAS must have at least 2 consecutive years in Al-Anon, not including time in Alateen. [See note below: Bear will *not* be proposing this change to the original language of the ASBRs.]
5. It is the responsibility of the DAL to establish and maintain contact and communication with the AMIASs and the DR of his/her District
6. The Event Plan process will be more “user friendly.” There will be a two-phase process:
 - a. “Provisional” Phase One – organizers will fill out forms and receive provisional approval. This will allow them to advertise and publicize the event. Any flyers must include the following: “Alateen Participation, Pending Final Approval.”
 - b. “Final” Phase Two – no later than 30 days prior to the event, specific information about the plan must be submitted for approval. If this second phase is not completed, there will be no formal Alateen participation in the event.

Donna, Chair: It is our hope that this two-phase procedure will make planning easier for event planners. It will be clear to them that if they do not complete the Final Phase, they will not be allowed to have Alateen participation at their event.

Vote: Micheila, DR D27 made motion; Roxanne, San Diego Intergroup Liaison seconded: Add to Assembly Agenda Bear’s presentation to recommend updating ASBRs: 41 yes, 0 no’s, 0 abstentions.

Old business #1: Task Force Report: District 64

Donna, Chair: We now have a subscription to an online survey program, which we want to use to create 5 to 10 questions for members to respond to regarding District 64 and our Spanish-speaking members and meetings. The questionnaire will be in English and Spanish so that we can see the wishes of the Spanish-speaking Al-Anon members in order to determine whether or not to make changes regarding the D64 structure.

Old business #2: Creating a Safe SCAC 2020 Task Force

New members of that Task Force are: Donna M., District 57; Kathy M., former Delegate from Alaska; Loreina C., D10; Selina J., D17; Ron P., D69; Tina S., D21; Yvette K-B, D21; Suzanne P., AACC; Miles B., Alateen from D12. Chair of the TF: Bear, AASC, D17.

Old business #3: Area Group and Member Concerns Update.

Marcia, Delegate: Three groups in Orange County petitioned our Area to go through the process to be relisted. A Resolution Team was formed to review the letters coming in regarding these 3 meetings. Eighty-two emails came in prior to the cut-off date, January 31st. All emails received after that will be retained for the future. The Resolution Team is reviewing the emails in detail. They are currently entering the second phase of their analysis. This is a learning process, as we are creating and refining procedures for our Area policy. More this afternoon regarding this item.

Old business #4: Thought Forces: a) Assembly, b) Insurance for Groups: not formed yet

DR Reports at this time: Complete DR Reports will be published in the *Bulletin*. Chair suggested that the DRs give their report in groups of five, at various points in the Agenda, rather than all DRs giving their reports at one time. First group of DRs reporting were: D6, D9, D17, D12, D21

New Business Item #1: Presentation: SCWS Past Delegate Travel Reimbursement

Tarisa, Treasurer: Recommended adding a line item to the budget for Past Delegates to be reimbursed for travel and lodging to AWSC and Assemblies, at the same rate as current Board members.

Questions:

Q: Traci D9: is hotel expense up to \$100, the same as Districts are reimbursed?

A: Tarisa, Treasurer: No, it is not the same because as DRs you have your District to fall back on, whereas Area Board members do not have a group or District to reimburse them. We do ask them to buddy up in hotel rooms.

Q: Traci, D9: How come we don't know which PDs will be attending?

A: Tarisa, Treasurer: Took a note and will get feedback.

Q: Jocelyn, D8: Would this have changed the amount of our contribution to WSO we voted on earlier?

A: Tarisa, Treasurer: No, we are voting to put it on the Agenda at Assembly for GRs to vote on for future meetings.

Comments:

Bruce, *Bulletin* Coordinator: Believes this is a larger issue. We should be finding ways to serve our Area before contributing surplus.

Chris, D40: In order to keep it you have to give it away.

Jaymie, Past Delegate: Clarified that generally there are 3 Past Delegates who attend the AWSC and Assemblies. She gave history on others who are elderly, ill, and/or out of state.

Vote: Chris C., D40 made a motion, Darcy, D63 seconded: Add to the Assembly Agenda the Treasurer's recommendation to reimburse travel expenses (mileage and hotel) for SCWS Past Delegates who live in Southern CA for Committee meetings and Assemblies. 32 yes, 3 no, 1 abstain.

Clarification: Tarisa will present same report for the Assembly. Committee meeting is where we do a dry run and give her feedback. Please email anyone making presentations if you have comments or suggestions.

DRs reporting were: D24, D27, D48, D30, D33

Lunch: 12:05pm

Meeting resumed at 1:05pm

Concepts: read by Micheila, D27

It was noted that we neglected to have a motion and a second for every vote taken in the morning. After some discussion regarding the proper procedures to follow, Bruce made a motion that we ratify the votes that had occurred prior to lunch; the motion was seconded by Nancy D12.

Vote: Omnibus ratification of all votes taken approved in this session before lunch whether or not "proper procedure" was followed. **Motion approved:** 35 yes, 1 no, 1 abstain

DR reports: D36, D40, D42, D54, D45

New business #2: Eva and Tarisa presentation: **Proposal for Finance Committee Task Force** handout

The February, 2018 Observations/Recommendations Report for the previous year is missing so that's why it wasn't included.

Included were suggestions from other past auditors.

We are asking to be put on the Agenda for the May Assembly to vote on creating a Finance Committee Task Force

Questions:

Q. Micheila, D27: Why is February, 2018 not there?

A. Tarisa, Treasurer: Asked auditor, who couldn't find it. It's Tarisa's belief is that the report wasn't done.

Q. Jayme, Past Delegate: She will look for an email?

A. Tarisa, Treasurer: She is looking for the Observations/Recommendations report, not the one-page signed Audit Report.

Q. Jayme, Past Delegate: Why do we need a separate committee?

A. Tarisa, Treasurer: We know what needs to be done but how do we do it? Task Force will decide one way for it to be done. It's also for simplicity so any Treasurer in the future who doesn't have an accounting background can step in. Also, committee can research other ways to do the accounting.

Q. Jayme, Past Delegate: The only updates to the Bylaws will just be the financial procedures?

A. Tarisa, Treasurer: Yes, only the financial portion of Bylaws that will be updated.

A. Eva, Alternate Delegate: The committee will create a manual for incoming Treasurers to follow.

Q. Nancy, D12: Is the task for the committee to help write the procedures of how to do the job?

A. Tarisa, Treasurer and Eva, Alternate Delegate: Yes.

A. Tarisa, Treasurer: Read definitions of a Thought Force and Task Force from *Service Manual* (pg. 71).

Q. Willie, Past Delegate: Are they going to create criteria for making decisions? Suggested changing name to "Finance Committee" rather than creating a Task Force.

A. Eva, Alternate Delegate: Currently creating plan for areas it will address.

A. Tarisa, Treasurer: It would help bring clarification re: reimbursements, savings, annual tasks and reports.

Comments:

Libby D75: Thinks that it should include a range of members with different backgrounds.

Nancy, D12: Auditors have made recommendations to form a committee for the last 4 years, which is what is listed in this proposal and we now need a vote from the AWSC to make it happen.

Tarisa, Treasurer and Eva, Alternate Delegate: Yes.

Kay D., Past Delegate: Perhaps put a time limit on it. For example, 6 months.

Marcia, Delegate: Finance Committee would report back to the Officers, Board, and AWSC so that we know all that needs to be done and what has been accomplished.

Tarisa, Treasurer: Suggested that we establish a Finance Committee, removing the need for a preliminary Task Force.

Jayme, Past Delegate: Suggested finding out how other Areas are doing this.

Andy, D24: Asked for clarification of what we are voting on.

Tarisa, Treasurer: Wants to be able to put into practice recommendations that have been made by past auditors because nothing has been done with those recommendations.

Donna, Chair: This Committee would be formed to help the Treasurer carry out her duties, and will assist in creating reports to the AWSC and the Assembly.

Tarisa, Treasurer: Do we need to vote on this at Assembly? Or if this body approves it, do we have to ask permission of the Assembly to form it?

Donna, Chair: Per the SCWS Bylaws, the Chair may create committees as appropriate, without requiring the approval of the Assembly. So your Report to the Assembly should include informing the GRs of the purpose of the Finance Committee but they don't have to vote on it.

Kathy, Area Alateen Coordinator: Al-Anon members shouldn't have to be accountants to be the Area Treasurer. Also, the *Bulletin* report is very general. She is concerned that the Report of February, 2018 meeting was dated 2016.

Tarisa, Treasurer: That was a typo in the original that was corrected. Records Secretary has all of the official records.

Eva, Alternate Delegate: The Finance Committee would review policy (checks and balances in Bylaws) and procedures for yearly/quarterly/weekly items (binder given to Treasurer on accounting procedures).

Willie, Past Delegate: What makes developing a Finance Committee different than creating the Alateen Coordinator positions?

Donna, Chair: Most areas are not as large or complex as Southern California. These past auditor recommendations are not being followed. We want a committee to be a consulting body of members on an ongoing basis.

Jaymie, Past Delegate: Where will it be recorded? Will it be put in the Bylaws?

Donna, Chair: Not sure that needs to be done yet.

Jayme, Past Delegate: Will this be a temporary fix?

Donna, Chair: Another possibility is to create a Work Group, rather than a committee, which is defined as ongoing in the *Service Manual* (pg. 71).

Tarisa, Treasurer: Clarified that they wanted the Finance Committee to look at treasury procedures as a whole, and not sure if they want it to be ongoing yet.

Micheila, D27: Referenced *Service Manual*, p. 205, regarding the WSO Finance Committee.

Andy, D60: Will we get a Fidelity bond?

Tarisa, Treasurer: That's something that the Finance Committee could address.

Motion made by Chris C., D40 Motion seconded by Andy T., D24:

To add to the Assembly Agenda the Treasurer's recommendation to create a Finance Committee to give reports to AWSC and Assembly. Vote: 37 yes, 1 no, 0 abstain

District reports: D60, D63, D64, D66, D69, D72, D75

Coordinator, AIS Liaison, Convention Chair, and DR Reports.

Please see the written reports set forth elsewhere in this Bulletin.

New business #3: Safety in Meetings Document from WSO:

The decisions will be made at the World Service Conference in April whether to make this document a *Guideline*.

Reviewed handout: "Let's Talk about Safety in Al-Anon Meetings!"

Slideshow presentation: "Southern California Policy for Resolving Group and Member Concerns: Where Are We Now?", email Marcia if you want the pdf version. Marcia and Donna read slides.

Skit: "Script for Group & Member Concerns Phone Calls: DRAFT": Donna and Marcia enacted script regarding how to talk with group members about concerns regarding group practices that violate our Traditions.

Comments:

Micheila, D27: thanked them for humor. Some of these have been issues in her District. Read from *Service Manual*, p. 52, under "Group Problems and Solutions."

Mary, D3: They are going to join with AA and do some workshops in her District on safety issues (one in the Spring and other in the Fall), as AA members are also reporting many safety issues in meetings.

Libby, D75: These concerns are real and we need to discuss how to work together to use our Traditions in our groups, homes, and work environments.

Andy, D60: There some "delisted" meetings in his District. He's urging his GRs to be welcoming to those members when they attend other meetings. It's important to set the example of what healthy recovery looks like.

Carole, Archives: Spoke on a vote taken at Assembly in the past, a GR brought up a violation of a Tradition. She referenced in the service manual how with knowledge comes responsibility no matter how long a member has been in program.

Barbara, D17: Spoke about an incident that happened in her District about when someone was told to wear a dress and asked for feedback from other DRs.

Laura, AAPP: Some former Alateens are becoming AMIAS, please encourage others to go to certification process to become an AMIAS. The rules are in place to ensure safety for us as Al-Anon members as well as Alateens. Otherwise, we might need to shut some doors (close some meetings).

Micheila, D27: Spoke of reports of members causing unrest in Al-Anon meetings, and how to have a loving interchange with difficult members. Disagree without being disagreeable.

Tarisa, Treasurer: Loved piece at the end of skit Marcia and Donna did and she would like to see this brought to the Assembly.

Donna, Chair: Please fill out an Evaluation Form before you leave to give us feedback on today's meeting.

Ended with the *Al-Anon Declaration*.

Meeting adjourned: 4:00pm

Chair

Greetings!

We've had some "personnel" changes on the Board—and still have an open service opportunity for a member who's interested in service beyond the group level!

Our new Institutions Coordinator is Sandy W., who is also serving her last year as the DR of District 66.

The open service opportunity is for a new Cooperating with the Professional Community (CPC) Coordinator. So if you—or someone you know—enjoys educating professionals about our wonderful program, have them contact myself or Marcia, our

Delegate. The Job Description for that position can be found at the following url:

http://scws-al-anon.org/director_presentations/

At the May Assembly, we'll be holding an election to confirm Laleña C., our Interim Secretary, as our Secretary. We are grateful that Laleña submitted her resume in response to our announcement about the open position when our former Secretary, Jim B., moved out of the Area in January. Jim was a wonderful Secretary and addition to our Board and we are pleased that Laleña is now on board with our Board. She's plunged into the job with grace and enthusiasm.

Alateen: We are revising our Area Alateen Safety and Behavioral Requirements (ASBR), which must be approved by our GRs. At the May Assembly, we'll be presenting a Draft of the ASBR with both substantive and minor changes. The GRs have already approved the major policy changes (i.e., requiring two AMIAS sponsors at every Alateen meeting, lowering the upper age of Alateen members, and requiring background checks every 5 years for AMIASs) but they need to go through the formal process of approving the document itself.

As usual, we have a full Committee Agenda today and will have an equally full Agenda at the May Assembly, where our Delegate will be bringing news from the WSO after having attended the World Service Conference in early April. There's so much going on in our Area and in our worldwide fellowship to share with our members!

Thank you to all of the Area World Service Committee members who attend our AWSC meetings. I look forward to seeing all of you and our GRs at the May Assembly!

Love in Service,

Donna E.

To DRs & GRs: Your meeting (for GRs)/district (for DRs) should reimburse you up to 100 miles *roundtrip* to attend the Assembly. If you drive 101 miles or more *roundtrip*, SCWS will reimburse you \$0.40 for each mile exceeding 100 miles.

Please submit your reimbursement request forms to the SCWS Treasurer at the Assembly.

If you travel 200 miles or more *roundtrip* to attend the Assembly, SCWS will reimburse \$100 per person for your hotel room. To Group Treasurers: PLEASE, PLEASE, PLEASE write your group's WSO ID# on the check or money order when sending your contribution. This ensures that your group receives credit for the contribution on the quarterly report! If you do not know your Group ID#, write the Day, Time, City, Zip Code, and Group Name on the check so I can look through the database to find your Group ID#. You can also use this link to find your group number on the WSO website, <https://al-anon.org/al-anon-meetings/find-an-al-anon-meeting/>

Please provide a LEGIBLE EMAIL so your receipt can be emailed.

It is greatly appreciated when you include a contribution form with your check or money order! It helps expedite the processing of your contributions and makes this task much easier for me. The Group Contribution Form can be downloaded from the Get Forms webpage of the SCWS website, which is www.scws-al-anon.org/scwso_forms.php. Districts and Conventions can also use this form.

Thank You for Letting Me Be of Service!

Area Alateen Processing Person

1. MAKING CHANGES TO ALATEEN MEETING INFORMATION.

Changes to Alateen meetings can only be made by the AAPP. Many AMIAS sponsors are attempting to make changes or register new Alateen meetings using the WSO access intended for adult Al-Anon meetings. Please inform your Alateen meeting sponsors that all changes to Alateen meetings must be made on form GR-3 which must be emailed to the AAPP as an attachment to an email. This form can be printed out and completed by hand or completed online as a fillable PDF available on the SCWS website.

2. THE CURRENT PROCESS FOR CERTIFICATION OF NEW AMAIS.

The AAPP discussed the current process for AMIAS certification with a short Powerpoint presentation.

Step 1: speak with your DR or DAL about your desire to be of service to Alateen. This step is the most important.

Step 2: Attend certification Training – either online or in person.

Step 3: send forms to DR for signature, either in person or electronically. Forms sent electronically must be scanned as PDF files. Phone pictures are not acceptable.

Step 4: Background check.

Step 5: after signed forms are received from the DR, the AAPP registers AMIAS with WSO.

Step 6: Confirmation from WSO (usually takes less than one week).

Step 7: Annual recertification is required to maintain active AMIAS status with Area and WSO.

3. ALATEEN OUTREACH LITERATURE.

In the past several months there have been a number of flyers created in various districts attempting to increase AMIAS applications. Most of these flyers have contained incorrect information – wrong date, wrong email address, inaccurate depiction of the application process. The AAPP asks that Al-Anon members do not create their own Alateen outreach literature for events and processes outside their own districts; please use the Alateen handout/flyer created for our Area, which is available in both English and Spanish. This handout has been distributed to all DRs and DALs. Please contact the AAPP or Alateen Sponsor Coordinator if you feel this flyer does not meet your needs.

4. NEW AMIAS PERSONAL INFORMATION FORM [FORM 2]

Recent guidance from WSO still asks that there be a signature on paper attesting to the statement that they will abide by all Safety and Behavioral Requirements. As a result, FORM 2, which replaces the old Form 3 (the form with all the little boxes), is what our Area will use for initial certification, annual re-certification, and any changes to personal information. This form has been distributed to all DRs and DALs by email. Be sure to check the date at the bottom of the form and use the form dated February 2019.

5. STATUS REPORT ON UPDATING BACKGROUND CHECKS THROUGHOUT THE AREA:

We still have 70 people from the initial sweep (that of those who either have no background

check on record or whose background check is more than 5 years old) who have not yet updated their background check. We still have about 22 people outstanding from the second sweep – those who did the partial background check (that which did not utilize the SSN).

6. REPORTS FROM THE AAPP TO DISTRICTS.

The AAPP asked the DRs whether it would be sufficient to reconcile WSO records with District rosters of AMIAS and Alateen meetings once a year at the end of the recertification period in June. One DR (D75) spoke up and said that only once a year would be insufficient. The AAPP asked the group to show by a raise of hands whether a report twice a year would be adequate for their needs. A majority of DRs raised their hands in favor of a reconciliation report twice a year from the AAPP, instead of every three months. In the future, the AAPP will send a report twice a year – at the end of the recertification period in June and again in December. DRs are reminded that the AMIAS Distribution Roster is continually updated and is always available to them.

Al-Anon Information Service /Literature Distribution Center Coordinator

Three critical issues have come up repeatedly in my contacts with members in our Area:

- Service—how do we get members to step up to serve?
- Newcomers, including Beginners' Meetings — how do we welcome & encourage newcomers...and keep them coming back?
- Coordination between Al-Anon Information Service/Intergroup & the Districts in the Southern California World Service area—how do we avoid duplicating our Public Information & Institutions efforts to the legal community including courts & Judges, schools, law enforcement, hospitals, mental health facilities and similar entities?

I have had the privilege of attending the following meetings:

- 9/8/18 Inland Empire AIS meeting
- 2/9/19 San Diego AIS Board meeting
- 2/12/19 Orange County AIS Public Outreach Committee meeting, by invitation

Visits with all other AIS arms is being scheduled. The next meetings are set for:

- 2/27/19 Los Angeles AIS Board meeting
- 3/20/19 Orange County AIS Board meeting

My plan at each AIS meeting is to introduce myself, explain the role of the AIS/LDC Coordinator, listen and exchange ideas. Topics discussed may include:

- How the Area can be of help and how we can work together
- What works, what does not work, what issues are being faced, what solutions are being used and how the solutions were arrived at, and what Innovative methods and approaches are being used
- What Is being done when leadership is turned over and what written and oral information is being passed on
- What methods and systems are in place for record retention
- What procedures are being used to make Conference Approved Literature readily and easily available
- Motivating and encouraging members to serve
- Greeting and welcoming Newcomers and hosting Beginners' Meetings

This is a work in progress. I welcome input from anyone who has an idea to share, a question, a solution or anything that comes to mind about communicating and working together with each AIS and LDC.

Archives

If you have taken a commitment as historian (or archivist) for your District or group, be advised that the job involves more than collecting and storing material.

It also involves preservation, which entails considerations of temperature, humidity, dust and possible contamination of materials.

You will find some very helpful information in the document, “Area Archives,” which is one of the Guidelines created for various service functions in Al-Anon. The Guideline is identified as G-30. You can find the document online.

Among the key points offered in the Guideline are:

- use of acid-free folders, boxes and photo sleeves,
- use of a cool, dry place for storage,
- use of electronic storage (CDs, DVDs, thumb drives, tapes, the Web),
- use of archival plastic paper clips, and
- protection of members’ anonymity.

Regarding anonymity of members both living and deceased, the “Area Archives Guideline” reminds that it should always be kept in mind when providing archives material for members’ use at workshops, anniversary celebrations or other events. Also suggested are the use of stainless steel staples and white cotton gloves for handling photos, slides, negatives and fragile, old paper and books.

The document also introduces the need to have a system for finding material, such as a card catalog or electronic document. A backup copy of the material is recommended, as is careful updating of the backup guide.

The “Area Archives Guideline” also speaks of the need to focus your collection on your service area (group, District, Area). Material related to Al-Anon as a whole is archived at the World Service Office ,where it is maintained by a staff archivist.

The Internet offers more detailed information on preservation of old documents and books, including the need to use archival paper bookmarks, avoiding sticky-note flags, and using pencils instead of pens, whose ink can damage old paper. The Internet also lists vendors of archival supplies, such as canisters of desiccant, which are used to remove any moisture that may have leaked into storage containers from their surroundings.

Bulletin

This is the third Bulletin that I have had the privilege to prepare for the Area. I am learning a tremendous amount about Al-Anon beyond the group and district level from having this service opportunity, and I am incredibly impressed by the commitment and effort that the Delegate, Alternative Delegate, Officers, Coordinators and District Representatives put into their service to Al-Anon.

As with most tasks, I have found that preparing the Bulletin becomes easier as I gain greater experience in doing so. There are still some editing tricks I need to learn in Microsoft Publisher, which is the software used to prepare the Bulletin, but I now understand most of what I need to know to prepare the Bulletin in a relatively efficient manner.

I am grateful for the efforts of everyone who contributes content for the Bulletin. I know that many of the contributors have busy lives, and their taking the time to provide timely content for the Bulletin on a regular basis is much appreciated. The Bulletin is a valuable source of information for members of the Al-Anon and Alateen fellowship throughout the Ara, and that value would not be nearly as great without the loving dedication of the trusted servants who regularly provide important content for the Bulletin.

If anyone has any questions or comments about the Bulletin, please feel free to contact me at: bulletin@scws-al-anon.org.

Our Area team members contacted WSO asking the question: Can we have a way members can look up their meeting's WSO ID#? Within a week, WSO came up with an on-line process to easily look up a meeting's WSO ID number. By asking the question and working together a solution was found.

Sharings are always needed for "CAL Corner" of The Forum: Currently, members are urged to write about *Opening Our Hearts*, *Transforming Our Losses* (B-29), *Intimacy In Alcoholic Relationships* (B-33), *In All Our Affairs* (B15), and *Alcoholism, A Merry-Go-Round Named Denial* (P-3) For its 50th anniversary.

New Daily Reader (working title): Sharings on the Steps, Traditions, and Concepts of Service are still needed, as are ones that exemplify the wide variety of relationships and backgrounds of members today.

Public Information

Hello SCWS !

It is Spring and Summer will be here before we know it. So, i wondered and thought, what plans have you made to carry the Al-Anon message? Have you made a plan? Continued outreach? Started something? I will share my district outreach and my own meeting outreach started by myself and others.

In 2018, my district Public Outreach coordinator continued her drive to get the Al-Anon message to our community. Toni has enthusiasm and excitement for this position that stirs the same in others in our district. Last year, she made a one page listing of all the meetings in our district. It is in all our meetings and can be given in outreach, to newcomers and more To connect members to the local community fellowship. I hope all of you have a Toni.

In my home meeting, we start our outreach at home. Our secretary began a group inventory in January. We had clipboards to list questions and concerns. By March, times were set by group conscience at the end of meetings for 15 minutes. Two meetings. KBDM info was provided before and we covered all the topics. Our secretary Yvonne gave all members the Group Inventory papers. We voted and all were satisfied.

As the meetings literature girl, I had a plan and asked the group.

Every couple weeks, I pass out some free public outreach material. Ask them to give it away, share and read with someone, tuck it in a book or come up with their own idea. It is fun to see the members read and ponder and share their ideas.

It will be meeting members who keep Al-Anon vibrant and healthy into the future. Carrying the message of hope will take more than a few of us. Actions can start very simple. Why not start at home.

If you have not started any outreach, or want another project, start at the meeting level. So, order Public Outreach materials, bookmarks or pamphlets. Enough for each member. You can also download free items. The process needs to

begin with an action or needs to continue with new ideas for action.

My fellow Public Outreach Coordinator Mary is involved with great outreach in the OC. I look forward to connecting and working with her as the year progresses. Lots of ideas and action!

Kathy G.

Compañeros este es el primer reporte de este año acepto cualquier sugerencia para mejorar nuestro contacto y enlace de Al-anon como un todo.

1. El dia Sabado 24 de Noviembre, 2018 despues de la asamblea fui a la convencion estatal de Alanon en la ciudad de Pomona en San Benardino, para pedir /suplicar al comite que por favor cambien la fecha de la convencion pues hay conflicto de fechas con nuestra asamblea del servicio mundial cada año. El Nuevo comite 2019 dijo que no cambiaran de fecha, me senti impotente y no sabia como manejar la situacion, se que no tengo la potestad de cambiar nada ni a nadie, se lo comunique a La Delegada Marcia, sugeri algunas cosas pero La Delegada muy sabiamente dijo, nosotros cambiaremos la fecha esta bien asi, me siento muy bien al saber que lo hice bien y la decision sera la major para todos.
2. Fui a Mexico para la Convencion 46 de hijos adultos, tuvimos un lleno total, conoci nuevos miembros Alanon de Ecuador, Colombia y Barcelona y Mexico.

Estoy recibiendo llamadas de ayuda buscando grupos, tambien necesitan oradores de habla hispana para eventos como Convenciones o Aniversarios de grupos.

Este es mi progreso asta el dia de hoy, si tienen alguna idea para mi crecimiento dentro de mi Nuevo servicio como Coordinadora Hispana del Sur de California, por favor no duden en contactarme. Estoy a sus ordenes.

Informe de ingles / English Report

This is my first written SCWS Board report for 2019. I feel very grateful and excited about my new service. I hope that my service is helping the Spanish community to feel more connected to the Area and Al-Anon as a whole. Any suggestions are always welcome.

1. On Saturday 11/24/18 after the SCWS Assembly, I went to the Spanish Al-Anon Convention in Pomona to ask the Committee to consider changing the date for the convention in the future, as the dates conflicts with the Assembly every year. The new committee for 2019 said that is not possible to change the date, for various reasons. I was left feeling powerless and didn't know how to handle the situation. I contacted Marcia, our Area Delegate to let her know the situation about the negative response. She understood my frustration and said that the Area will be forming a Thought Force to look at every aspect of our Assemblies. Even, perhaps, changing the date in the future. I felt much better after I "reasoned this out" with Marcia!

2. I went to Mexico City for the 49th Convention of Adult children of Alcoholics, and the place was packed. I met new members of Al-Anon from Ecuador, Colombia, Barcelona, and Mexico. We exchanged different ideas and I enjoyed the experience a lot.

I am regularly receiving outreach calls asking for information about Al-Anon and Alateen groups from Spanish-speaking members of the public who email me through our SCWS website. The addition of a Spanish Coordinator on the SCWS Board is making it possible for more Spanish-speaking people who need Al-anon to find us!

This is my progress -- so far so good! I look forward to hearing from everyone who has an idea

to share, a question, a solution or anything that comes to mind about communicating and working together with the Al-Anon/Alateen Spanish Groups.

Love in Service,

Brissa M.

District 6 just held our election of new committee members. We had our first district meeting with the new committee on February 9, 2019.

With our new committee we are contemplating Thought Forces to increase participation and enthusiasm in both meeting attendance and service. Member feedback from that meeting has been positive.

Alateen in district 6 is struggling. However, we have several members interested in becoming AMIAS which is encouraging.

Our new district public outreach coordinator is on fire for Al-Anon and has several events lined up for Al-Anon participation.

She is putting together a public outreach committee to help her. As she herself has stated, “one person cannot reach the 400,000 plus people in district 6.”

We’re working hard on keeping our program active and growing in District 9. Currently, we have 36 meetings including: 2 beginners, 1 speaker only, 3 parent focus, 3 Spanish, and 2 Alateen meetings. We have 14 active GRs, who usually join us for our District meetings. We’re continuing to make progress on our district webpage to be more available to the digital community – because we believe this is the best way to attract new younger members. Additionally, since this is my final year as DR (as well as several others of our current district service volunteers), I am going to as many meetings as possible to share about my recovery and how service above group level has been a vital part of that. I hope to inspire other members to consider taking a service position above group level. Last, but not least, our outreach to the local school district with Alateen information seems to be gaining momentum and we are seeing more members at our newest group.

I am so truly grateful for being a part of our Area service. I’ve learned so much about Al-Anon, met people who inspire me, and have been given so many gifts in being of service to my groups.

Public Outreach

Our district has decided that providing literature is an effective way for us to serve our local hospitals and institutions. We’re looking to expand this effort and welcome any suggestions within our geographic area.

Meanwhile, we have distributed *Al-Anon Faces Alcoholism*, *How Al-Anon Works* (soft-cover), and *Courage To Be Me* to all the public libraries in our District, as well as establishing relationships with the librarians and supplying whatever other

publications they may desire. We replenish as needed.

We continue to provide literature to CRI-Help (meeting directories; *So You Love An Alcoholic*, etc.), which they place in their lobby where family members of those in treatment wait. We now have budgeted a quarterly amount from our district funds to keep that waiting area stocked.

We also have contributed literature to local police departments and are currently looking at middle and high schools that might benefit from it as well.

Workshops are our other public outreach for the District. March 9th, we joined District 17 in hosting the first in a series of *Intimacy in Alcoholic Relationships* free workshops, featuring guest speakers and open discussions on the topic. The day was an overwhelming success with more than 100 attendees.

Finally, we have created and maintain a list of GR’s in our District who are willing to lead meetings, which we have let all our groups know about for their use and ease in leadership responsibilities.

Alateen

We hosted an AMIAS Recertification Workshop with District 17 on April 27, 2019.

Improved District Meetings

Our District meeting has increased and maintained attendance by:

1. Providing dinner for each meeting. The meal provides for those coming straight from work and promotes time to get to know one another
2. We provide a forum in the early part of the meeting for Group Representatives to quickly mention specific challenges and/or successes in their groups. If any of the subjects feel like they merit the attention, we put it on the subsequent meeting agenda.

West Covina**

District 33 now in the first quarter of the year started by passing a resolution to contribute to the service arms quarterly as our budget will allow.

We will be hosting an AMIAS re-certification on May 19, 2019 see flier on our website. Always looking for AMIAS to support our teens.

Our April workshop was on Sponsorship; quite successful and funny. Remember program helps us find the fun in our lives.

Membership has been down and influencing members to be of service is a challenge. Our Public Outreach chair, Toni, has done a fantastic job getting the word out. District 33 will be hosting our Alathon on June 16th, 2019; see flier on our website.al-anonesgv.org.

We are moving forward with guidelines for the district board positions instead of relying on district tradition and members' memories.

In Loving Service,

Tina N.

Public Outreach:

Our District buys and passes out AFA Booklets every year as a way to **“Carry the Message”** to those who have yet to find our Rooms.

Most Groups are still passing a **“Forum Can”** around at their meetings, they've been so successful that most Members now have their own subscription and are writing **“Newcomer”** on their ticket.

We've had some Groups sending Forum subscriptions to local prisons for their Meeting Members.

Fundraisers:

In December, District 36 had our **“Holiday Potluck”** Fundraiser for the Colton Service Center. There was plenty of great Food & Desserts served with coffee and tea for all who came, more than enough for all to enjoy.

Our Guest Speakers brought their ESH from Alateen, Al-Anon and AA.

We rose just over \$1000 at the Fundraiser and as a District decided to send a check to the Colton Service Center in the amount of \$1500.00

We are currently working on our **“What's God Brewing”** fundraiser and are excited to see who our next set of Speakers will be and the results of great teamwork in putting this together.

Group Concerns:

The recent WSO Letter on **“Safety in Al-Anon Meetings”** was very timely for some of our Meetings as we had some GRs sharing their concerns with certain Disruptive Members. The

letter was very helpful but still some GRs are asking for more of a **“Group Plan”** to deal with these people in their meetings.

I have shared with several Group Meetings and at our District Meeting what our Service Manual has to say on this topic. I have shared that as a Meeting you have the authority to use your local Law Enforcement if it gets to that point.

I will include at our next District Meeting that GRs buy or have their Meetings buy a copy of the “Conflict Resolution” cards (S-72) to have as a reference whenever issues like this come up.

2018 was a busy year for District 66. Our primary focus was Public Outreach and we established a Court program where we provide Al-Anon literature to the Drug and Alcohol Court. The literature is then distributed to the probation officers to hand out to their clients and families. We were asked to provide both Alateen and Al-Anon pamphlets and are very excited to help spread the message to others.

Public Outreach projects continue to focus on increasing public awareness of the Al-Anon program. Copies of Al-Anon Faces Alcoholism

were distributed in both Spanish and English to medical offices, libraries, rehab facilities, college campuses and anywhere we may leave them.

We hosted our annual workshop in October and had great speakers including an Alateen panel. The Alateens were fantastic and motivated several attendees to register to be AMIAS.

The six-week Beginner's meeting series is now two years old. There is both a day and evening meeting and participation continues to grow each session. The meetings have been well received and very successful. A number of members that attended the series recommend it to others and comment they wish there were Beginner's meetings when they started Al-Anon.

Our District continues to participate in Public Outreach by attending Health Fairs at local High Schools & Colleges. Of course, connecting with the students & staff is always rewarding but I particularly like visiting with the other participants. Just asking, “are you familiar with Al-Anon?” can open up an opportunity to acquaint professional with our fellowship. We take our materials for the professional as well as a new Public Outreach business card our district produced just for this purpose as well as an individual Public Outreach piece (usually an AFA).

Our district will be hosting our Bi-annual “Long timer” event this July 27th, to honor our members with 25 years or more. This event has always been a huge success in terms of attendance & as a fundraiser. Next month we will be circulating forms to identify new “Long timers” throughout all of San Diego County. The flyer will go on the SCWS website so of course, anyone in our Area or beyond are welcome.

Although our district purchases the Al-Anon Faces Alcoholism magazine for our GR's we are actively encouraging all groups to purchase their own copies to use for group public outreach & for members to distribute to their own health professionals. Since March 4th is Lois W.'s birth date, as WSO recommends, we leave a copy somewhere that day to honor her contribution & dedication to our Al-Anon fellowship.

Sent with Love in Service,

Vickie I.

Many thanks to the District 75 Group Representatives (GR) and Current Mailing Addresses (CMA) for their service to District 75. District 75 (D75) welcomed three new GRs and continues to make presentations to encourage "dark" meetings to elect a GR.

District 75 has been working on Public Outreach through radio and television. One of our members has connections with the professionals in this group and has been working with the WSO to make access to Al-Anon PSAs available for broadcast. The announcements have started to play on local stations already. We plan on expanding this public outreach to billboards, local newspapers and movie theatres. Three Juvenile Hall Alateen meetings have closed due to a lower population being incarcerated. Two new Al-Anon meetings have opened.

YHA Convention

We are only a few months away from the convention! YHA is being held on August 3, 2019 at the Agoura Hills/Calabasas Community Center. Tell your friends!

Another young people’s group is now open on Monday nights in District 6. Additionally, we are thrilled that the first ever bilingual young people’s group has just opened in District 63. We have also heard from members starting similar meetings in Minnesota and Massachusetts. The YHA movement is sweeping the nation!!

Your continued support helps elevate younger voices and ensure that Al-Anon meetings will still be available to the next generation. Why not check out our next event, 'YHA’s Got Talent,' on May 25? Our committee has booked a huge variety of Al-Anon performers, from comedians to dancers to magicians. This will truly be a show to remember, so visit us at yhaconvention.com for the details!

Thanks for letting me be of service and remember:
“We Already Love You!”
