[DRAFT] MINUTES of SOUTHERN CALIFORNIA WORLD SERVICE (SCWS) AREA ASSEMBLY

SCWS Assembly

First United Methodist Church, Glendale, CA

November 16, 2019

9:00 MEETING CALLED TO ORDER

A) Chairperson's Report:

- Moment of Silence-Serenity Prayer and Welcome
- Welcome: Past Delegates: Jayme Cristafi, Kay Dornbusch, Willie Williams, and new GRs
- Guidelines for Participation and Who has a Voice and a Vote
- Seats for GRs will be saved until 9:15 am at which time they will become available to everyone
- Mia announced Alateen will be providing lunch today for \$10.
- Introduced Abby W. as the new Area Alateen Member Coordinator

B) Traditions read by Holden, D66

C) Roll Call: Group Records Coordinator, Mary Myers

Registered GRs voting: 214

D) Secretary: Lalena C.

Approval of May 18, 2019 Assembly Minutes: Carol, Archives Coordinator, and Vickie, D72, made some amendments. Casey, D27, offered motion to accept the Minutes as amended, Akilah, D30, seconded. Vote: unanimous. Motion passed.

E) Treasurer's Report: Tarisa R.:

- Introduced new reimbursement form
- If GRs submit a contribution form, please WSO ID number. Webmaster showed how to find the group's WSO ID number by navigating to the WSO website.
- Please write email address legibly on form.
- We are doing well, as contributions are more than expenditures.
- Total in Bank accounts: \$84,064.79
- Total other Current assets: \$5,522.17
- Reviewed Statement of Activity (aka Profit and Loss) Previous Year comparison:

Change in Revenue was \$1,702.73 which is a 9% increase. Total expenditures decreased by \$2,806.44 which was -19%.

- Revenue and Expense Report for May Assembly: Total Receipts from 7th Tradition basket: \$2,698.26, and Total Expenses \$5,870.08. This meeting is currently not self-supporting. If every Assembly attendee contributed \$20, the Assembly would be self-supporting. Your meeting would be contributing to the 7th Tradition, not you as an individual. This is a business meeting for your group. In Northern CA, they charge \$50 to go to Assembly.
- Reimbursement form includes hotel cost for members who drive more than 200 miles, round trip. Please include phone number, email, and full mailing address for ISR auditing procedures.
- SCWS reimburses .40/mile for each mile over 100 miles.
- Our rent has increased, Longtimer's Event will have additional rent to pay.

QUESTIONS RE TREASURER'S REPORT

Casey, D27: Believes we are already fully self-supporting if we use the surplus. Question: what is the rationale for asking for additional money to make this meeting self-supporting?

Tarisa: Clarified this is a business meeting for SCWS. She was attempting to make us aware of this and that meetings in Al-Anon are self-supporting.

Akilah, D30: If my group didn't send a contribution, can they still send one? If so, how?

Tarisa: Suggested that she could take a form with her and have the group's Treasurer send in the contribution. Then the group would get credit for it on the next report.

Jayme, Past Delegate: What happens if the hotel costs less than \$200?

Tarisa: We reimburse for what was actually spent.

Jayme: Will the Finance Committee include discussing contributions in their processes and procedures?

Tarisa: Yes, this is on their agenda of items to discuss.

Jayme: Also, will we have a 7th Tradition basket passed today?

Tarisa: Yes, we will.

Joyce, D69: How to compare our expenses to Northern California's which includes dinner, speaker, etc.

Tarisa: Our expenses include gas, printing, office supplies, hotel, travel.

Angelique, D60: Was public information listed on the budget?

Tarisa: All Public Outreach expenses are grouped together, rather than by position.

Kim, D24: p. 4 of green sheet, Profit and Loss: what is the difference between District and Group contribution?

Tarisa: Described how both individual Al-Anon and Alateen Groups contribute to the Area, and that Districts do the same when they have excess funds, either quarterly or annually.

Barbara, D3: Is there a separate form to give money just to the Assembly? If we do that, would it help?

Tarisa: Yes.

Barbara: Are we anticipating any additional legal fees with Alateen issues?

Donna: We aren't sure yet; will discuss this issue later today.

Connie, D69: How come we are not accounting our contributions? We contribute to pay for the business meetings. Only the groups are self-supporting. Why are you asking for more money? Why are you separating the business meeting from the budget?

Tarisa: The Assembly as an Al-Anon business meeting and is not currently self-supporting. Discussed how World Service Conference is part of the budget.

Connie: We should be the same way.

Marcia: We are getting stuck on the vocabulary. We wanted to educate our members about how much all this actually costs. Yes, your contributions are coming in and helping to pay for this. We want to bring the awareness. We aren't just paying for today, we are paying it forward.

Connie: If we have a healthy budget, why are we asking the groups for more money?

Tarisa: Read from *Service Manual*, p. 159. I am just making you aware of what the expenses are.

Kay, Past Delegate: referred to p.8 in Minutes of May 18 *Bulletin*. If we had a \$52,598.35 surplus in 2018, why are we asking the groups for money?

What are you doing with the 7th Tradition items that makes it necessary to make this a cost-plus event?

Tarisa: That figure was *not* an SCWS surplus. That is the total contribution that all Southern California groups contributed directly to WSO.

Mimi, D17: What do we do with SCWS surplus funds?

Tarisa: We go through an audit at the end of each year, which is when we determine what to do with the surplus. For example, we usually recommend that we send a contribution to WSO, because it's the only service arm "above" us. We could recommend that we spend it on a project. Then we make a recommendation at the Assembly and GRs decide.

Mimi: If a group decides they want to pay by Venmo or Zelle can they do that?

Tarisa: We are looking into the possibility of using that kind of payment system in the future, but our website is not safe enough to do that at this time.

Lynn, D40: Could we ask our other groups to pay and not penalize those that do attend the Assembly?

Teresa from D66: If we ask that our reimbursement for today's Assembly be mailed, will postage be part of the expense?

Tarisa: Not if it's mailed by the bank because they don't charge postage.

Stefie, D17: If we have a surplus, could we put it toward the next Assembly's expenses?

Tarisa: Unsure about the answer. We are working on creating a new website so there might be expenses with that. There is no way to know at this time. We will know more in January after our audit for this year is completed.

Donna: Reminded us that we are a nonprofit and we are not allowed to have a "profit" at the end of our fiscal year. We do what every Al-Anon group is supposed to do with its "excess" funds--we contribute them to the next service arm.

Lorraine D69: Read from p. 160, *Service Manual*: Are you asking us to compensate you for that? Are you asking for \$20 for it to go into the overages?

Tarisa: \$20 is a suggested amount to make this business meeting more self-supporting. Our expenses for this meeting are about \$,6000. This meeting has never been self-supporting. This is a way for the groups to make an informed decision as to how much to contribute.

COMMENTS RE TREASURER'S REPORT

Loraine, D69: Expenses have already been covered. When asking for us to bring money, it's redundancy.

Tarisa: Just like we estimate expenses, we estimate 7th Tradition income.

Josefa: Thinks it would be better not to quote a specific amount.

Dan, D40: Is this 7th Tradition referenced on pg. 4 for the Assembly?

Tarisa: No, that was from the Committee Meeting in August.

Dan: There are some line items that are confusing. Seems like we are asking for something that's already there.

Enid, D17: Not all groups send money to SCWS.

Jayne, Past Delegate: When our Area Delegate goes to the World Service Conference, the Area pays for it. On the last day of the Conference, they pass the 7th Tradition basket and many Delegates contribute to it. Some of them are reimbursed by their Areas and some are not. In my experience, there are 2 reasons people don't want to be GRs: dealing with the Treasurer's Report and then the Alateen Report.

Linda, D8: We were told to bring \$20. Our groups donate our excess which would make it zero. Doesn't make sense.

Rosa, D64: Question about the \$20. We need to be self-sufficient. In the report, we have \$90,000 excess. Could we put the whole budget together with the Assembly's typical 7th Tradition included?

Tarisa: all these things are already in the budget.

Patricia, D72: Treasurer's job is to inform us and encourage us. We can never have too much money to reach out to the families of alcoholics. If our groups can afford it, then we should give as much as we can to every service arm, including the Area.

Elaine, D75: Offered a motion to accept the 3rd Quarter financials as presented; David, D30 seconded. Clickers not working. 219 voting GRs. Yes: 219, No: 0, Abstentions: 0. Motion passed.

Approval of projected budget: Joyce, D69, offered motion and Truck, D63 seconded. Yes: 217, No: 2, Abstentions: 0. Motion passed.

F) Alternate Delegate's Report: Eva .

- Welcomed the 30 new GRs
- Sharing of Service (SOS)--January 18, 2020. There will be pre-registration in the lobby today.

- Forum subscription drawing will be done at the end of day.
- Ask it Basket to go around the room throughout the day.

G) Observe 7th Tradition

H) Delegate's Report: Marcia M.:

- Reviewed Delegate News: Theme for 2020 World Service Conference (WSC) will be: Dreaming Big With 20/20 Vision, WSC discussion topics, *Service Manual* changes and edits. Printed copy of the *Service Manual* will be available January/February. Also, can download on phone/tablet. WSO recognizes they are behind in their translation of *Service Manual* in Spanish and French. They will mail a copy to Spanish/French group's CMA. She tried ordering some literature online in Spanish and French but wasn't able to. She discussed WSO At-Large Committee openings and her willingness to help with resumes
- A.A. International Convention is July 2-5, 2020 in Detroit, Michigan.
- In the Loop: provides an online connection we can all subscribe to by email. She shared on the question: Does Al-Anon have "Promises"?
- She introduced Brissa and Yoli. Yoli and Brissa introduced themselves and a new method for how to Spanish-speaking members can become more connected. They introduced an email for Spanish-speaking members: preguntasdemiembroshispanos@scws-al-anon.org. Email will go directly to Brissa, Yoli, Donna and Marcia so they can work together to answer questions/issues that arise.
- Fundraising (Handout H-3) on what protocols are.
- Can we form a new District? Districts are not formed by us. It is a complicated task. Many of the Districts have been established for a while. P.138 of the *Service Manual* references this.
- The Area's "Do Not Refer Policy" is on the Website. WSO has gotten back to us with feedback about our policy. We will be consulting with them in the coming months.

- Southwest Regional Delegates Meeting (SWRDM) will be held in March 13-15 in San Rafael, CA. All are welcome to attend but without a voice or vote. Purpose of meeting is to prepare Delegates for the WSC in April.
- In one year, November 2020, we will be voting in the new SCWS panel. In summer (July/August) is when the current Board reviews resumes. She would like to encourage all to apply. Officer candidates must have been a DR whereas that is not a requirement for other positions. It is preferable for candidates to have been GRs.
- Drawing: There was a slip in every bag of clickers. A drawing for winners (of Al-Anon literature) will be done after lunch.

I) Old Business:

1. Thought/Task Force Reports--District 64, Assembly, Insurance for Groups:

- **D64:** Marcia gave some history about wanting more information. What we are working on right now is a survey. Brissa is translating. Hope to get it to every Spanish-speaking member in the area. Will have it available online as well as paper copies. Then they will communicate with members to discuss results and have contact with the other groups. Look for that in the near future
- **Assembly Thought Force:** has just started meeting.
- **Insurance for Groups:** has started meeting. Please fill out the green half-sheet questionnaire for the Area Insurance Thought Force and place in basket where clickers are.

2. Area Alateen Resolution Committee Report --updating the Area Alateen Safety and Behavior Requirements (ASBR):

Bear: Reviewed how they are updating the ASBRs; the document still needs to be revised and edited to clarify, simplify and adhere to the 12Steps, Traditions and Concepts. Committee is meeting a few times a week. They are about halfway through the document. Once finished, it will be reviewed by SCWS Board, legal counsel, and WSO. Finally, it will be approved by the GRs.

Donna: Brought up the issue of legal counsel. She asked for GRs to think of any attorneys they might know. She read what was expected of the attorney,

what prior knowledge and experience is needed. She also gave her email and cell phone for suggesting suitable candidates.

3. SCAC Task Force:

Bear: gave some history; in March this Task Force was formed. It is continuing its work on the Southern California Alateen Conference (SCAC) Bylaws, SCAC Procedures, and SCAC Event Plan. SCAC Board of directors: duty of care, duty of loyalty, duty of obedience. (See full Report in *Bulletin*). Bylaws must be brought into alignment with the ASBRs.

Donna: we aren't voting today. We will use KBDM to consider the ASBR at the Board meeting and then the Area World Service Committee (AWSC) meeting before presenting to Assembly. We wanted to show forward movement. We'll take a lunch break now and afterwards will take questions and comments on Bear's presentation.

12:10 Lunch break

J) Reconvened -- 1:10 p.m.

Raffle winners are Virginia, Tony C., Lyz K., Andy S., Enid M., Nancy R., Virginia G., Teresa K., Kathy L.

Concepts: Read by Micheila, D27.

Donna, Chair: Presented PowerPoint on the KBDM process and the difference between a question and a comment. She also referenced KBDM Quick Reference Tool handout with the 5 questions. Both documents are posted on the SCWS website.

Questions (first) about report Bear did before lunch (continuation of Old Business):

David, D30: If SCAC dissolves, could we still have minors on the board of SCAC?

Bear: we will look into that and consult the attorney about it.

Nancy, D57: Where can I print out of the information you presented?

Bear: it will be on the SCWS website.

What does ASBR stand for: Area Alateen Safety and Behavioral Requirements.

Mary, D66: Can we give you a pre-authorization to expedite the process for hiring legal counsel?

Donna: There is a procedure we go through before we come to Assembly to ask for the vote. If we vote today, we are suspending that process. We have to vote on that first (would the GRs present want to set aside our normal procedure for presenting issues to the Assembly) then we would have to decide what the amount would be. She asked for a show of hands

--whether the GRs present would want to change our procedure and discuss this issue today. Based on the number of hands, the answer is “no” for now. We need to have substantial unanimity to move forward.

Andy S., D60: Are we using the 5 elements of KBDM? Open communication, dialogue before deliberation, all those involved in making the decision will have full access to all information, we have confidence in the competency of our partners, and “Presume Goodwill”--we exist in a culture of trust.

Barbara, D3: Would the *pro bono* attorney have to be an Al-Anon member?

Donna: No. We could work with someone who offers to do the work *pro bono* if they do it for other organizations. Referenced *Service Manual*, p.104-105.

Lyz, D75: Is there any thought about dividing California into three Areas instead of two?

Donna: We have discussed it in the past and it's not feasible.

Lyz: The term “dark meeting”--is that a conference-approved topic/term?

Donna: let's stay on topic for now, but we can talk about those items later.

Comments regarding Bear's presentation:

Casey, D27: Believes we did not follow KBDM during discussion about the attorney. Doesn't believe the minority was heard, we never had a chance to discuss. Every year we don't have SCAC, another generation misses out on the opportunity to go. Let's just authorize that they don't have to wait until May for us to vote. If you need more money, then you can tell us to vote on that in May.

Melody, So Cal AA Convention: If we have to wait until May, 2020 to ensure the safety of our kids, she's okay waiting until then. I don't want to vote on anything that will put our kids in jeopardy.

Mimi, D17: I'm an AMIAS and a GR. She's at a meeting with 50 kids. They miss SCAC. She got an email from a former Alateen who is now an Al-Anon member saying that SCAC saved her life. Al-Anon is a program of action. We can't make Alateen so safe we don't have Alateen.

Kay, Past Delegate: We have an SCWS event that will be in January, maybe we can vote then.

Abby, Area Member Coordinator: She's never been to SCAC. We need to get this concrete, and we need to get it right, or it will get taken away again and then we won't get to have it at all. It needs time to get it right.

Stefy, D17: Sharing as a *pro bono* provider, the process will be slower and take longer if we aren't paying for the person's time.

Jayme, Past Delegate: has some history of Alateen in this Area. SCAC is not Alateen, it is an event. SCWS has the financial oversight of SCAC's treasury; we don't need to go backwards.

Belinda, D60: believes it is a call to action to find someone who could help us because we have many talented people among us. She believes Behavioral requirements and SCAC structure are different. Maybe we could have 2 separate attorneys to help us-- attorneys who can advise rather than being litigators.

Linda, D54: This process has been going on for many years. Yes, SCAC needs to come back but it needs to be within the guidelines. We need to cooperate with the process.

Tim, D27: I've raised 3 sons. We need to remember this is a potentially fatal disease. Shared his experience as a parent and how safety is important.

Carol G., D60: This is just the beginning. We are also doing safety for fundraising.

Dan, former Area Archives Coordinator: Gave some history of when it was in the beginning stages. He believes the SCAC Task Force has it really dialed in. If we do this, we will have a convention we can be proud of.

Barbara, D3: She invited Alateens to come to AFG.

Jida, AEC: Alateens are great. We don't go to the past. Thank you for everyone's hard work. Referenced *Service Manual*, Tradition 8 “employ special workers”. We need someone with the expertise.

Jackie, Fullerton: Whatever the process is to get us into good standing, it would be good to have more Alateen meetings rather than just being concerned with an annual convention. Then we could give daily/weekly support to the Alateens.

K) New Business:

1. Group and Member Concerns: Fundraising for Events--see handout “Al-Anon Fundraising” document on SCWS website.
2. *Bulletin* Task Force--re-imagining it for the digital age: Bruce was not able to be present. Donna gave out his email address; let him know if you are interested in participating.

L) Hospitality Report: Shauna S.: thanked all who brought snacks today. SOS: 33, 36, 39, 63, 66, 40. Host districts for February 15, 2020 Area World Service Committee Meeting: 8, 12, 17.

M) Coordinator Reports (see complete Reports in *Bulletin*):

- AIS-LDC Coordinator: Andy: Went to Northern CA Assembly Oct. 4-6 for his Service Event, shared how it went and all that he learned.

Delegate

From the World Service Conference (WSC)

1. Theme for the 2020 WSC will be:

Dreaming Big with 20/20 Vision

Soñar en grande con visión 20|20

Rêver grand avec une vision 20|20

What do you think of when you hear the WSC 20/20 Theme? Do you think of words like "Clarity", "Focus"? Could "Vision" refer to the future of our fellowship? What positive direction do you want to take and where are you headed? **I hope Groups/Districts will use this theme as a discussion topic, then share your member's ideas/thoughts with me!**

2. Ideas for Chosen Agenda Items (CAI)

Do you have ideas for the World Service Conference discussion topics? The purpose of the CAIs is to give all Conference members—Delegates, members of the Board of Trustees and Executive Committee, and voting members of the WSO administrative Staff—an opportunity to select topics and issues of concern that affect Al-Anon groups and members worldwide. Delegates are asked to consider if the topic merits an in-depth discussion that could benefit Al-Anon groups and members worldwide, and whether the topic is related in some way to the 2020 Conference theme. An Index of previously discussed CAIs is posted on our SCWS website so members can see if/when the topic was discussed before. **Please feel free to contact me (by Jan. 1, 2020), if you have topic ideas you wish for me to consider sending to WSC.**

From Gail Gillies, Chairperson, Board of Trustees

Recognizing the difficulty imposed on Spanish and French groups in not having a Spanish and French version of the *2018-2021 Al-Anon/Alateen Service Manual* available, the Board of Trustees approved a motion to send a **complimentary printed copy of version two (2)** in the appropriate language to **groups registered with the WSO as Spanish- and French-speaking. These printed copies will be mailed in February 2020.** We regret the delay and appreciate these groups' patience and interest in having access to current World Service Conference decisions and policies.

Chair

Dear GRs, DRs, and other Al-Anon and Alateen members,

In an effort to be responsive to your concerns as expressed on our Assembly Evaluations, I'll be addressing some Knowledge-Based Decision-Making (KBDM) "fine points."

There are five "key elements" to the KBDM process: 1) open communication between leadership and membership, 2) dialogue before deliberation, 3) all decision-makers have common access to full information, 4) we exist in a culture of trust, and 5) we have confidence in the competency of our partners.

When our Group Representatives (GRs) are going to be voting on an issue at an Assembly, the presenters of the issue first create a "framing" document in which the background, history and any group conscience information about the issue is collected and compiled. After the framing document is presented, we engage in "dialogue before deliberation"—asking questions, receiving answers, and then offering our opinions and suggestions. This is how we hold an "informed group discussion" on the topic with the aim of forming an "informed group decision."

I'll be posting a PowerPoint presentation on the screen later in the Assembly that will address one of the important aspects of Knowledge-Based Decision-Making (KBDM): the difference between questions and comments. Both the PPT presentation and the KBDM Quick Reference Tool are posted on the SCWS website.

The feedback we've received from the Assembly Evaluation Forms is that our members have become frustrated by the lack of clarity between the question/answer portion of the KBDM process and the "now it's time to give your opinion" period.

Questions start with words like: who, what, when, where, why, or how.

Comments are: opinions, feelings, thoughts, concerns, and suggestions.

A long comment that *ends* with a question is often actually a comment or opinion masquerading as a question!

We'll be using the PPT presentation today in order to help keep the question-asking and answering process separate from the opinion-giving period in our discussion. It is our hope that this will be clarifying and that it will help make our KBDM process go

more smoothly for everyone. As always, we welcome your feedback on the Assembly Evaluation Forms!

Love in Service,
Donna E.

Secretary

Please see the “Minutes” set forth elsewhere in this Bulletin.

Treasurer

Thank you to all of the groups, districts, and conventions that send contributions to Southern California World Service. Your contributions allow SCWS to carry the message of Al-Anon Family Groups throughout Southern California.

Summary of Quarterly Financials: The total revenue for July-September 2019 increased 9% compared to July-Sept 2018. The total expenses decreased 19% compared to July-Sept 2018. The net revenue for 3rd Quarter of 2019 was \$8,822.65. We continued to maintain a reserve of \$35,000.

To DRs & GRs: Your meeting (for GRs)/district (for DRs) should reimburse you up to 100 miles *roundtrip* to attend the Assembly. If you drive 101 miles or more *roundtrip*, SCWS will reimburse you \$0.40 for each mile exceeding 100 miles.

Please submit a mileage reimbursement form to the SCWS Treasurer at the Assembly.

If you travel 200 miles or more *roundtrip* to attend the Assembly, SCWS will reimburse a maximum of \$100 per person for your hotel room. Your meeting (for GRs)/district (for DRs) should reimburse you the remaining amount. Please submit a reimbursement form for mileage and hotel to the SCWS Treasurer at the Assembly and provide a copy of the hotel receipt.

To Group Treasurers: PLEASE, PLEASE, PLEASE write your group's WSO ID# on the check or money order when sending your contribution. This ensures that your group receives credit for the contribution on the quarterly report! If you do not know your Group ID#, write the Day, Time, City, Zip Code, and Group Name on the check so I can look through the database to find your Group ID#.

You can also use this link to find your group number on the WSO website, <https://al-anon.org/al-anon-meetings/find-an-al-anon-meeting/>

Please provide a LEGIBLE EMAIL so your receipt can be emailed!

It is greatly appreciated when you include a contribution form with your check or money order! It helps expedite the processing of your contributions and makes this task much easier for me. The Group Contribution Form can be downloaded from the Get Forms webpage of the SCWS website, which is www.scws-al-anon.org/scwso_forms.php. Districts and Conventions can also use this form.

Thank You for Letting Me Be of Service!

Ask-It Basket

Question 1:

Is there any way to streamline Assembly? Eight hours severely restricts volunteerism. Perhaps a Meeting Coordinator to set up time agenda and timed reports to make succinct comment, reporting, etc.?

Answer 1:

Southern California is the biggest Area and yet we have the shortest Assembly time wise. “Participation is key to harmony.” If any member has a suggestion about how to streamline the agenda, we encourage you to call the Area Chair to discuss solutions.

Question 2:

Why is old business not given more time? I noticed that information on the three meetings asking to be relisted again not listed on the agenda. It was discussed but no one knew ahead of time?

Answer 2:

A brief report about the status of Old Business is given at each Area World Service Committee (AWSC) meeting and Assembly. When issues arise which require our GRs to vote, information are made available way ahead of time to

prepare for Assemblies.

Question 3:

It sounds like we are creating policies (i.e. Alateen) without checking to make sure our policy is approved by WSO? We are handling business (Alateen and re-listing meetings) which is very time consuming – then checking with WSO about what we have done, only to find out, we didn't do it correctly and have to do it over. Can we get policies approved prior to making changes? This would expedite how we are dealing with and resolving issues in our area?

Answer 3:

This is the process that we have been following for updating the Area Alateen Safety and Behavior Requirements (ASBR):

- We submitted the ASBR to WSO to review several months ago. They gave us feedback on that draft.
- We are in the process now of incorporating that feedback and reviewing every section of the ASBR and hope to have it ready for review by the Board at the end of January.
- After the Board approves it, it will be reviewed by an attorney.
- After the attorney reviews it (and gives us feedback, which we will incorporate into the document), it will be submitted to the WSO for another review. They will either suggest more revisions at that point, or will approve it, as submitted. If they suggest revisions, those must be incorporated into the document and that revised version must be approved by WSO
- at which point the final version will be voted on by the Assembly.

Question 4:

To whom do we report groups who are not keeping with the Al-Anon Traditions? Will these groups continue to be listed in the directory?

Answer 4:

For member and group concerns, please email us at:

groupandmemberconcern@scws.com

Question 5:

Is it okay for a district to pay no rent in exchange for purchasing foods from the owners?

Answer 5:

“In Tradition Seven, we learn about being self-supporting and that nothing in life is for free,” *Paths To Recovery* p 197. “In facilities where rent is not be accepted, a group may provide a supply of Al-Anon/Alateen Conference Approved Literature and local meeting schedules as an appropriate alternative.” (Service Manual, p 180)

Question 6:

Since Southern California is so large, have we considered dividing the area?

Answer 6:

During the 2009 World Service Conference, Delegates look at dividing/consolidating areas using KBDM. the WS Conference has determined that if any Area decides to split here is the criteria:

- The Area must follow what is in the Policy Section of the Service Manual
- Six-year trial period
- Delegate(s) from the new area would come to the WS Conference with NO VOICE and NO Vote and will NOT participate in the Equalized Expense of the World Service Conference (WSC) during the six year trial period.

Question 7:

How much is the insurance for our use of the Glendale church?

Answer 7:

SCWS paid \$2,926 for 2020 Insurance coverage for two Assemblies, two Area World Service Committee (AWSC) Meetings and two Board Meetings. This is also reported in the Financial Report by the Treasurer.

Question 8:

Why don't we include a line item for Public Outreach in the SCWS Budget?

Answer 8:

Public outreach related expenses such as literature and mileage are included in their respective accounts.

Question 9:

How much is the insurance for our use of the Glendale church?

Answer 9:

For 2020, the area paid \$2,926 for Insurance to cover: two Assemblies, two Area World Service Committee (AWSC) Meetings, two Board Meetings and the Sharing of Service (SOS) Workshop.

Question 10:

Why don't we include a line item for Public Outreach in the SCWS Budget?

Answer 10:

Public Outreach related expenses such as purchase literature and mileage expenses are included in their respective accounts. Members, through Group Representatives have a voice and vote at the Assembly. "The GRs attending the Assembly should come prepared to discuss and vote on the Area budget." (SM, p 160)

Question 11:

The SCWS Financial Report shows a line for GR Office Supplies Expense. Are Group Representatives reimbursed by the area for office supplies?

Answer 11:

As our 7th Tradition states, "each group ought to be fully self-supporting." It is the responsibility of each group to support service-related expenses of the Group Representative. Some groups are small and may not have enough contributions to cover group expenses. In such case, Districts, through a group conscience by the Group Representatives, may decide to help pay for the Group Representative mileage to the Assembly. The area also helps defer Group Representatives' expenses by paying .40 a mile after 100 miles round trip (round trip miles minus 100 miles times .40) and up to \$100 for lodging if round trip mileage is over 200 miles.

Question 12:

The reimbursement form is too busy and confusing. Can it be simplified?

Answer 12:

The reimbursement form was just modified but can be modified again. You are welcome to submit any proposed design or format to the Area Treasurer or to www.groupandmemberconcern@scws.org.

Question 13:

Recently two Al-Anon members have passed away in my vicinity. I am disturbed about the way their "funerals" have been handled in meetings. In both cases flyers have been distributed and announced at meetings with the funeral arrangements, sign-up sheets for food contributions at the funeral receptions and in one case requests of financial contributions toward the funeral costs. This is all being done in the name of "group autonomy" and no one is speaking up because it is the "long timers" who are leading the effort. Please help explain why this is not done in our meetings!! Thank you!

Answer 13:

Al-Anon does not affiliate with other organizations; neither endorses nor opposes any other philosophies, therapies or spiritual programs. Our experience suggests that confusion arises when such events are announced in Area newsletters, Al-Anon/Alateen local bulletins, on Al-Anon websites and at group meetings. The Al-Anon/Alateen name, therefore, cannot properly be used to identify or publicize any retreats, events, or activities sponsored by others. This applies when most or even all of the participants are members of Al-Anon/Alateen. Otherwise there could be a misunderstanding of Al-Anon's purpose and function. In order to avoid any appearance of Al-Anon/Alateen affiliation, it is important to keep promotion of such events outside of Al-Anon/Alateen meetings and meeting locations. (Service Manual, p 92)

Tradition Six emphasizes our primary spiritual aim as defined in Tradition Five – to help families and friends of alcoholics. Let's Keep It Simple and undiluted.

Coordinator Reports

Area Alateen

Communications Coordinator

Service is where I'm learning patience, with myself and others. I'm very grateful to serve in the position of Alateen Communications Coordinator.

Sponsor workshops or Meet & Greets were held recently in San Diego County (3 districts), Ventura County and the San Fernando Valley (2 districts). The AMIAS and prospective AMIAS had a chance to discuss their situations, ask questions for feedback and talk about what's coming up in Alateen. Meetings in schools are a hot trend. The WSO confirmed that there are 130 registered school and facility meetings, nationally. Southern California has fourteen and that number is going up. To make this happen we need to get new AMIAS certified and trained so they have the confidence to co-sponsor with another AMIAS. Although a school professional may need to sit in, we still need two certified AMIAS. Please stay in touch with your DR or DAL, if you have one. We can also let our members know that any inside professional contacts will be a big help. Some of the districts and Al-Anon meetings can, initially, help support them with literature. I am willing and available to come for support.

Another part of my job description is to find Alateen speakers and panels, as well as communication with individuals regarding Alateen. Please email me through the SCXWS website or directly at Suzanne.aacc.scws@gmail.com.

Certified AMIAS and members of the Area World Service Committee were emailed the latest newsletter this week. If you didn't get it, AMIAS can check in with Laura, our AAPP. Other Committee members should see our Records Secretary, Mary to verify your email info. Please send any Alateen related events or shares to me by the 20th of the month.

I attended the Northern Mid Atlantic Alateen Conference this past July and saw a structure that has great history like our own SCAC. I believe some of the things I saw there can help make SCAC stronger and even more fun for our kids.

Thank you again, for letting me be of service.

Area Alateen Process Person

Thank you all for your kind attention and participation in November's Assembly.

As always, we encourage you to consider becoming a substitute sponsor in case someone has an emergency and can't make their Alateen meeting. It might be the only hour of Alateen service you do all year, but it WILL matter very much to those kids who depend on us to hold the space for them as they seek recovery in our program. Who knows? You might get inspired to become a sponsor yourself!

The recertification period begins in February and workshops will be happening all over SoCal. These workshops are open to all Al-Anon members and if you want to see what it is all about you are encouraged to attend. If you decide to become certified, you will need to attend a New AMIAS Training session; live online trainings are hosted every month -- check the Alateen Sponsorship page for the schedule.

Attention all AMIAS: don't wait until the last minute to get to a workshop!! Our recertification cycle ends on 31 May 2020 and that will be here before you know it. Check the ALATEEN SPONSORSHIP page and the ALATEEN EVENTS page of the SCWS website to find where these workshops are taking place. If you need help logging in to the Alateen Events page, just send me a quick email and I will tell you how to do it (aapp@scws-al-anon.org).

There will be an in-person New AMIAS Training in conjunction with the recertification workshop in District 3 on 7 March and at the AFG Conference on 4 April. Check the Alateen Events page for details.

ATTENDANCE AT SERVICE EVENT

Northern California World Service Area [NCWSA] Assembly

IMPRESSIONS: The Assembly's focus was on the Group Representatives and Alternates. The Assembly was participatory, collaborative and informative for all attendees. There was energy and enthusiasm in the room. Everyone I spoke to was happy to be there and was very much involved in the proceedings. Reports of Officers and Coordinators were allotted a maximum of 5 minutes each. The Delegate was given up to 10 minutes. The business portion of the Assembly was a resounding success in large part because of reliance on KBDM and especially the Elements of KBDM:

- 2) Dialogue before deliberation (Patience)
- 3) All decision-makers have common access to full information (Honest, Generosity)

Part II

Southern California World Service Assembly – November 16, 2019

AREA 4, SOUTHERN CALIFORNIA WORLD SERVICE

Four major issues have come up in my contacts with AIS/LDC members in our Area:

- Alateen
- Service
- Newcomers
- Coordination between Al-Anon Information Service & the Area Districts

Visits to the remaining AIS/LDC arms are being scheduled.

In service,

Andy S.

AIS/LDC Coordinator

Archives Coordinator

There are three topics on which I want to report today — (1) The Longtimer Meeting we hold every three years, (2) a request for Group and member histories and (3) a need for volunteer help next year.

Topic 1 — We are moving the 2020 Longtimer Meeting to a more central location. The Meeting will be Saturday, August 1, at a church in Anaheim that is about two miles east of Disneyland and about a mile north of Anaheim Stadium. It is bounded by the 91, 22, 57 and 5 Freeways. Although the event honors members who came to Al-Anon 25 or more years ago, it is open to all members. Newcomers are especially encouraged to come hear Longtimers share their experience, strength, and hope. Watch for more information.

Topic 2 — We would love to personalize Area archives by including your recollections about your first Al-Anon meeting and a brief summary of your home group's history. We collected some of this information years ago. Now we want to hear from members who are active today. You will see samples of group histories and members' recollections in notebooks displayed on one of the tables against the windows. Suggestions to guide your "First Meeting" recollections and group histories are on the table. There is contact information for me on forms at the display table.

Topic 3 — I need a volunteer with a track record of responsible service beyond the Group level to help at four meetings here next year. The volunteer would pick up the display boards from the Area's locked storage unit, set them up here and return them to the storage unit. This service would be needed at two Assemblies and at two meetings of the Area Committee. Again, see contact information for me on forms at the table by the window.

Thank you,

Carol G.

Bulletin Coordinator

The SCWS Board has agreed to proceed with a Task Force to consider issues relating to "Reimaging the Bulletin for the 21st Century." Issues that will be examined will include the following:

- **Timing** of the publication of the Bulletin — including consideration of whether the Bulletin should be published (i) a few weeks before the meeting following the meeting with which the Bulletin is associated (as is currently the case), or (ii) a few weeks after the meeting with which the Bulletin is associated.
- **Content of the Bulletin**
 - Should the Bulletin be limited to reports of Officers, Coordinators, Convention Chairs, Information Service Liaisons and District Representatives and event announcements?
 - Should the Bulletin include or exclude the Agenda for the meeting last held or next scheduled meeting?
 - Should the Bulletin include Financial Statements (as of the date of the last scheduled meeting

or most current as of the date of the Bulletin's publication)?

- Should the Bulletin include flyers (full page or smaller) for Al-Anon events that are not area-wide?
- Should the Bulletin continue to be printed in hard copy or just posted in electronic version on the SCWS website?
- If the Bulletin continues to be printed in hard copy, should the subscription rate be increased to account for increased printing and shipping costs?
- Other issues ???

I will be discussing the formation of the Task Force during my report at the Area World Service Committee Meeting and soliciting participation on the Task Force.

If anyone has any questions or comments about the Bulletin and/or wishes to be included on the Task Force, please feel free to contact me at: bulletin@scws-al-anon.org.

Sharings are always needed for “CAL Corner” of The Forum: Currently, members are urged to write about *Intimacy In Alcoholic Relationships* (B-33), *Hope & Understanding for Parents & Grandparents* (P-94), *As We Understood....* (B-11), *Blueprint for Progress* (P-5 & P-91), and *The Al-Anon Family Groups-Classic Edition* (B-5). Please see the writing guideline for “CAL Corner”.

New Daily Reader (working title): Members sharings are still being accepted. Public Information Coordinator

Good Day to You.

Spring is nearly here, with a bit of winter, Enjoy.

If you are reading this, you are of service beyond the group level. We share this in common. Being in this service gives a worldwide perspective on Al-Anon as a whole. In World Service work, our volunteer duties are often to carry a message, whether that is by committee, a focus message or a mass message to many by you in your position beyond the group level. For some like me, I believe it has been one of the tools that has kept me coming back for many, many years. World Service.

In service, I come back for the teamwork I find in service and the absolutely delightful people I am of service with to carry the Al-Anons message. In SCWS, we have dozens and dozens of people of service from North in Dist 3 to Dist. 78 in deep South San Diego. As the Public Information Coordinator, I am tasked with a guideline that says to carry the Al-Anon message far and wide, whether at Schools, library's, doctor's office or person to person in my area. How will I do it in 2020?

First and foremost are the emails that will keep us connected. The AFG connects for Public Outreach is

big!! So many conversations and ideas for outreach to share, that I want to use 2020 to share more by email. Both Sandy /Institutions and Yoli for CPC are busy in their Coordinator roles and though we each have a specific Guideline that covers our specifics, we can cross over and work together. We plan more in 2020.

In January and February, I have a couple items I am working on. Outreach to the local Cemeteries and Funeral Parlors. I spoke of this in my email and think it will be a good place to add to what we already do for outreach in the community. Go to Wikipedia for local cemeteries in your town. Wow! Mailing 4 FFA'S in a small envelope is less than two dollars. A letter to the professional to them by your district could open the door with just one stamp. It starts with a connection. Use your District email as the email connection.

If any of you do not have the Foster Youth Liaisons at your local high school, I can help. Connecting with them could be what gets literature in schools. Some of you are in local schools, but not all are yet. Foster youth often come from very troubled homes and our literature we know offers hope for Alateens.

Al-Anon has changed the lives of so many people. It is in sharing together, that we find solutions to life's most perplexing issues. For fun and for free, we widen the circle to invite more people in. Change more lives and keep Al-Anon alive and vital for all who walk in the door.

The first District Meeting of 2020 was January 15th. I began a half hour early in order to incorporate a “Celebration of Appreciation” for all the District Members, by preparing a banquet of food and toasting them each (with gold glittered, plastic champagne glasses filled with sparkling raspberry-apple juice), for having taken on the service responsibilities to their groups and our district. We have 34 meeting groups in District 3, and it is continuing to grow.

Our district sponsors two annual 10 AM – 2 PM workshops and a monthly Central Coast Birthday Speaker Meeting, where Al-Anon sponsees bring their sponsors to receive their birthday chips. In 2019 we had one workshop in June and another in October. In the morning session, attendees shared their experience, strength and hope relating to how they apply their favorite slogans in their lives. After lunch, during the afternoon session, members were given time to write about 3 specific Al-Anon Traditions in regard to how they apply to their own family relationships. Those two workshops were a great help to our Al-Anon members, in helping them incorporate the traditions personally. Our Speaker Meetings have two Al-Anon speakers share a ½ hour each, their stories of recovery. The last speaker meeting of 2019 was well attended by approximately 60 plus district members. Both the 2 annual workshops and the monthly speaker meetings are a great way to facilitate growth and healing as well as fellowship throughout the district.

My District is trying something new – we are holding a New AMIAS Training side-by-side at the same time as the re-certification workshop. The new AMIAS Training only takes 90 minutes or so, and

the newly trained AMIAS will then have the opportunity to join in with the experienced AMIAS after the lunch break. You get double the value for making the drive to our lovely San Luis Obispo! The New AMIAS Training and the Annual Recertification Workshop will be held from 10 AM to 2 PM, Saturday, March 7, 2020. It is open to all Al-Anon members), sponsored by our District 3. Look for the AMIAS Workshop flyer Announcement posted on the SCWS WEBSITE in the Alateen Events, or on our District 3 Website: AlAnonCaCentralCoast.org or email me, Sandra S. at SandraS.District03Rep@gmail.com for the flyer and details.

Every month we have events planned. Saturday, February 22, 2020 – Our 18th Annual, SERENITY BY THE SEA, (Al-Anon Day of Serenity), 10:00 AM to 2 PM. Ventana Grill in Pismo Beach, – 15 minute local speakers: Bill B. San Luis Obispo & Judy M. Shell Beach, Afternoon Guest Speaker: Val N., Rancho Cucamonga.

District 6 had a busy year. A great deal of time was spent on district finances. Namely, a more transparent monthly financial report. And, for the first time we have a district budget. A three person committee, (comprised of either the district rep, alternate district rep, one group rep and one non group rep with experience in a district service position) worked diligently and provided the district with two budget proposals. District group reps voted to approve the budget.

Public Outreach continues to grow. Our Public Outreach coordinator printed business cards in English and Spanish to be distributed to professionals, doctors, dentists, etc.

Our Fun & Fellowship committee is hosting a workshop on February 29, 2020. The theme is fellowship in the Al-Anon program.

Lastly, the 47th annual AA Golden Empire Roundup with Al-Anon participation will be held May 15, 16 & 17th.

I am honored to be of service and very much enjoying all that I am learning. The experience of participating in the committee meetings, hearing what other districts are doing, discussing current concerns in our area and watching the beauty of the Traditions and Concepts in action is a personal gift that I learn from. I am truly humbled and in awe of our fellowship and all who participate in service at all levels.

Alateen: Our district has quarterly AMIAS meetings to share and discuss what is happening with Alateen between all the AMIAS in our area. All AMIAS are welcome for more information please contact our DAL Cindy P. from the AMIAS roster.

Our district has successfully had an Alateen meeting in the schools for several years and we have been approached by 4 more schools wanting to have Alateen meetings. We are need of AMIAS that area available during the day as these meetings happen during the school day once a week on a rotating format. For example 1 week it may be during the first period class time, the next week second period, and so on rotating which class the student misses. The school is good to keep anonymity by having the student miss the class due to a counselor meeting and teacher are not told why the student is absent. Teens are able to attend meetings every week. The schools are finding that

they have a higher graduation rates with Alateen in the school.

Many thanks to District 12 GRs and Current Mailing Addresses for their service. Welcome new GRs. We are privileged to have a very active AIS and honored to have such dedication to carry the message of Al-Anon into our communities.

Our AIS meetings are held the 3rd Thursday of even months at First Baptist Church 1601 Temple Ave, Camarillo 7:00-8:30PM.

Our district meeting are the second Saturday of Odd months (with the exception of September which is the 3rd Saturday). Our next meeting will be September 21 at Saint Columba Church in Camarillo from 11-1. The first hour is business and the second hour will be a workshop on the Concepts.

Alateen: District 17 hosted a Meet and Greet for approximately 18 AMIASes from Districts 17, 21 and 24. One subject that came up was coverage of meetings. We discussed a rotation of how to best cover the Alateen meetings for the benefit of the AMIAS and Alateens in order to provide consistency. The objective is to find four Alateen Sponsors who would be willing to rotate each week on a consistent basis so the Alateens would know who to expect each week. A sign-up sheet was suggested that would be available on Google Docs to help each AMIAS contact others. We enjoyed the company of and hearing from Suzanne P, Area Alateen Communications Person, and Laura H, Area Alateen Processing Person. Ladies, thank you for coming from far distances to Meet and Greet. It was very much appreciated.

District 17 still has an opening for a DAL. Two individuals are thinking of taking on this commitment which is a 3-year term.

Workshop: District 17 and 21 Sponsored Part 2 of *Intimacy in Alcoholic Relationships*, Chapters 4, 5 and 6. We had three amazing shares by our panelists and wonderful experience, strength and hope shares from the attendees. We had a great turnout of around 60 people.

During our District meetings these past three years, we have been discussing the Twelve Concepts of Service. Each meeting, one member of the group took the responsibility to study a Concept and discuss it with the group. It has been a great learning experience for all.

This will be my last report as my three-year term is coming to an end December 31, 2019. District 17 is looking for a new DR. We are fortunate to have two members step up to be Secretary and Treasurer for the District.

The new meeting place for District 17 meetings will be at the New Life Church of the Nazarene at 10650 Reseda Blvd, Porter Ranch, CA 91326, starting January 14, 2020 at 7 pm.

This has been one of the most amazing experiences I have had in Al-Anon Service. I have learned so much and feel I have grown during these past three years. This is definitely a “we” program. I couldn’t have done it without the help from the SCWS Board Members and those who stepped up to take on commitments at the District level. Thank you to all.

Public Outreach

Our district has decided that providing literature is an effective way for us to serve our local hospitals and institutions. We’re looking to expand this effort and welcome any suggestions within our geographic area.

Meanwhile, we have distributed *Al-Anon Faces Alcoholism*, *How Al-Anon Works* (soft-cover), and *Courage To Be Me* to all the public libraries in our District, as well as establishing relationships with the librarians and supplying whatever other publications they may desire. We replenish as needed.

We continue to provide literature to CRI-Help (meeting directories; *So You Love An Alcoholic*, etc.), which they place in their lobby where family members of those in treatment wait. We now have budgeted a quarterly amount from our district funds to keep that waiting area stocked.

We also have contributed literature to local police departments and are currently looking at middle and high schools that might benefit from it as well.

Workshops are our other public outreach for the District. On September 21st, we hosted *Part II* in the series, *Intimacy in Alcoholic Relationships* along with District 17. This workshop, like the first, was a huge success with participants.

Finally, we have created and maintain a list of GR’s in our District who are willing to lead meetings, which we have let all our home groups know about for their use and ease in leadership responsibilities.

Alateen

May 2020 will see the District once again partnering with District 17, this time to host a combination AMIAS training and recertification workshop.

Improved District Meetings

Our District meeting has increased and maintained attendance by:

1. Providing dinner for each meeting. The meal provides for those coming straight from work and promotes time to get to know one another
2. We provide a forum in the early part of the meeting for Group Representatives to quickly mention specific challenges and/or successes in their groups. If any of the subjects feel like they merit the attention, we put it on the subsequent meeting agenda.

Hello from District 30.

Our District Group Reps (GRs) continue to meet six times a year at 7 p.m. on the second Wednesday of every even numbered month at Trinity Lutheran Church on North San Gabriel Blvd. in San Gabriel. We continue studying “*The Concepts*” booklet for 10 minutes of each meeting before getting started on District 30 business. Next month we plan to review Concept Five and be reminded that “consideration of others and courteous regard for the views of all builds strength, unity, and cooperation” not only in personal relationships, but in service work as well.

District 30 hosted our annual Alathon on Saturday, October 19, from 10 a.m. to 4 p.m., at the Alhambra Civic Center Library on First Street in Alhambra. This year’s theme was “The Balancing Act of Recovery.” The Alathon Committee did a great job in putting together this annual event filled with different topics every hour, an Al-Anon speaker at noon, and lots of members sharing their experience, strength, and hope. There was plenty of fun, fellowship, and delicious food. District 30’s Alathon is an annual gift from our District to all who have been affected by someone’s drinking, either currently or in the past. Everything is free, but we do ask attendees to bring something for the potluck or contribute a few bucks for food and drinks.

District 30 is planning on hosting an AMIAS Workshop in 2020. Each District is required to host at least one workshop every three years. May 30, 2020 is the date of our workshop. We plan to secure an available location after the first of the year. Once

we firm up the location, we will post flyers on the websites of the Al-Anon Information Service of Los Angeles, and the Southern California World Service.

Thanks to the GRs of District 30 for allowing me to be their District Rep and for helping me grow in my recovery through service.

District 42 is experiencing some exciting things right now.

First, I'm inviting all to attend our Heart to Heart day of caring and sharing on Saturday, Feb. 8 from 9:30-3:00 at St. Margaret's Church in Palm Desert. Great food, great conversation, great speakers and a day of strong Al-Anon will be had by all!

We are also experiencing a renewed interest in our Alateen program. Quite a few of the desert Al-Anon members have been certified and are working tirelessly to get meetings up and running. T

Thank you Jim L for accepting the position of District 42's DAL! We continue to offer powerful Newcomer Meetings twice a week and have not missed a week for many, many years. This 6 week session has proven to be a critical step in welcoming new men and women into the rooms of Al-Anon. Other Districts without Newcomer Meetings are welcome to contact me for more information.

We are working on more outreach in our community as well as getting more meetings represented at our monthly District meeting. One solution we have seen working is asking volunteers to take on a 3 or 6 month commitment rather than 3 years. After talking with World Service, I was given the green light to try this and it is working!

Thank you,

Maria N.

Hello from District 45! This month our secretary, Patty N. completed her term and we are grateful that Maria stepped in to take over. At our first meeting of the year, we discussed the success of our Alathon this past October in Santa Monica at the Mt. Olive Church. So much recovery was shared on that Saturday and the GR's worked hard to make it all happen. Thanks to everyone who participated.

For the upcoming year, we have decided to focus on getting more GR's to come to the every-other-month meeting on the first Wednesdays of odd months. We currently have only about 8-10 members each time

and we want to brainstorm ways to increase our numbers, so that we can possibly put on another Alathon this fall. Our strategies include creating a flyer to explain what GR's responsibilities are and how being of service in this way is a very positive experience. We plan to visit meetings that do not have a current GR and explain in person our duties. We hope to encourage all meetings to include a GR in their service positions.

Currently, district 45 contributed to the purchase of literature at the Lynwood Women's Jail, which we consider outreach in one of its highest forms.

Thanks to all the GRs of District 45 for allowing me to be their DR and for helping me to continue growing in my recovery through service.

The meeting was chaired by ADR Laura CB since DR Andy S. was attending the Northern California World Service Assembly in San Ramon.

District 60, led by Lucia M. continues to do outstanding Public Outreach with the Police Departments from Fullerton and Buena Park. Brea and Anaheim are next, with Placentia to follow.

District 60 will be hosting a Workshop on March 14, 2020. The theme will be Working the Steps--speakers to be announced.

On October 24, 2019, District 60's Alateen GR, Mia and her AGR mother Lisa, were the keynote speakers at a special meeting of the Garden Grove Men's Stag. They were wonderful!

District 60's new District Alateen Liaison, Laura B., began her term of service. She has a wealth of experience and service with Alateens.

This year District 66 has focused on Public Outreach and carrying the message to family and friends of alcoholics. In 2018, we established a Court program

to provide Al-Anon literature to the Drug and Alcohol Court. The literature is then given to the probation officers to distribute to their clients and families. Currently we provide Alateen, Al-Anon pamphlets and Al-Anon Faces Alcoholism in Spanish and English.

Public Outreach projects continue to focus on increasing public awareness of the Al-Anon program. Copies of Al-Anon Faces Alcoholism were distributed in both Spanish and English to medical offices, libraries, rehab facilities, college campuses and anywhere we may leave them.

In 2020 we will begin distributing scroll pens and pamphlets to professionals in our community. We also plan to distribute Alateen literature to 30 high schools in the district.

The six-week Beginner's meeting series is now two years old. There is both a day and evening meeting and participation continues to grow each session. The meetings have been well received and very successful. A number of members that attended the series recommend it to others and comment they wish there were Beginner's meetings when they started Al-Anon.

Back in August of 2019, District 72 began collaborating with District 69 & 75 (which all are in San Diego County) to strengthen each district's Alateen program and work on the communication within our districts and throughout our county. We had a causal meeting with all currently registered AMIAS & perspective (or just curious) members invited. It was a rousing success & more are planned in the future. I don't know about your district's but the demographics seem to have changed over the years which may or may not explain fewer meetings in some areas of the county. Hopefully, we will be

able to address some of these issues to find workable solutions.

Our district is looking forward to continuing public outreach to the various annual health fairs throughout the community. With the ability to now order the AFA's at anytime to replenish our materials, we can make sure they are always available. This piece of literature is invaluable when reaching out to the professional community. We also plan to take on a public outreach campaign with our local Fire Departments. More will be revealed on this as 2020 unfolds.

It is always a challenge to keep the district records up to date with SCWS as it relates to registered GR's, their Alternates, new meeting, moved meetings or sometimes, sadly, closed meetings. SCWS does an amazing job of keeping us informed of all needed information to accomplish this part of our job as District Reps. Contacting and visiting groups without representation can be a challenge but also very informative and rewarding. Currently, I am working on verifying, with the help of SCWS, CMA information for our groups that do not have a GR. Our goal is to keep in touch with them UNTIL they get a GR.

I want to thank all SCWS Board, coordinators and others who work so hard to keep us informed of the workings of WSO & how that affects Area 4. I for one appreciate the time, energy & passion that goes into each Assembly and Committee meeting held for us.

A Grateful & Trusted Servant,

Vickie I. – D72 Rep

We are thrilled to report our developing Public Outreach program. We presented two panels to a local community college and reached out to middle school and high school counselors with Alateen materials. Our focus on growing/supporting our groups is to carry the message with AFA. Our AMIAs, returning and new, got together at a meet and greet potluck to team build as sponsors of Alateen meetings now and in the future.

Our annual Recovery Roundtable was a big success with five breakout speakers, five topics, and five opportunities to share on: Resentment & Anger,

Detachment & Boundaries, Trust vs. Control, Acceptance & Forgiveness, and Self-Worth. Growing attendance and positive comments galore.

D75 conducted a group inventory, using an abbreviated version of the Group Inventory shared on AFG Connects. Good stuff and plenty of feedback.

Current DR and service positions rotated out and a new group of members has stepped up. As my service sponsor shares: "The Steps give us Relief, Service gives us Recovery."

YHA Convention

[YHA stands for the official “Young at Heart in Al-Anon” convention, an annual one-day California South Area Al-Anon conference with a special focus on the young and young at heart]

Once again a happy hello to you,

You made it this far in the Bulletin! Please don’t skip this part. You are so freakin committed to being of service and keeping our Al-Anon fellowship healthy. My deepest gratitude goes out to you!

I’m Jasmin, the Chair for the YHA 2020 Convention. I will cover 4 items in my report & appreciate your time. (5mins read)

Inspiration from the Young AAs

The YHA committee just returned from carrying the message at the WACYPA (Western Area Conference of Young People in AA) in DTLA. Holy Smokes! If you have a chance to attend any YPAA event, I highly recommend it. It gave our committee a whole new hope and vision for YHA. What we saw: 1000s of people attending the main speaker meeting, cheering, singing, glowing orb-balloons bouncing around the hall, dancing, and people celebrating each other’s recovery, from the person with 39yrs in AA down to the person with 1hr. So much energy and enthusiasm. The next morning I participated in an 11th Step Yoga and Meditation and left feeling so energized and grateful. My hope is that our Al-Anon fellowship can continue to “keep in open mind”, just as we tell the newcomers in our Official Closing.

2. What’s missing from YHA 2020? ...You are!

Our theme this year is “**Anyone, Anywhere**” taken from the Al-Anon Declaration “Let it Begin With Me”. I’ll just say it: we *need* you. More than that, we

want you on the YHA Convention Committee. We are still offering many service positions & this is your chance to shape an Al-Anon conference (!!), to gift your unique set of skills to the benefit of the whole Al-Anon fellowship, and most importantly, to take part in *aaaall* the fun. Please support young (at heart) people in recovery. Our Lois’ Icebox Winter Event was such a great example of the effect good fellowship can have on one’s recovery. If you have questions on how to get started, please email us at youngatheartinalanon@gmail.com or find our FB Group “YHA”. YHA Planning Meetings are held on the 4th Sunday of the month in Woodland Hills, from 6-8:15pm.

YHA 2020 CONVENTION

Young at Heart in Al-Anon

Planning meetings are held from 6pm-8:15pm
on the 4th Sunday of the month in the Woodland Hills Area.

Email us at youngatheartinalanon@gmail.com
and/ or join our FB group “YHA” for more info!

JOIN THE CONVENTION COMMITTEE!

YHA is an official Area Al-Anon conference, committed to unifying young or young at heart Al-Anon members through experience, strength, and hope. YHA is centered around fellowship, fun, and a place to belong in recovery. We accomplish this through dedication to service and carrying the message to friends and families of alcoholics.
- With Love in Service, your Chair, Jasmin M. -

3. YHA 2020’s first Group Inventory using Google Forms!

We try to “practice these principles in all our affairs” and we’ve learned that *in order for committees to stay healthy*, a safe space needs to be created, where the smallest and loudest voice have equal weight. In our By-Laws it states that we hold at least 1 Group Inventory at the half way mark of our committee term. Using the G-8a Al-Anon Group Inventory Guidelines (<https://al-anon.org/pdf/G8a.pdf>) as our starting point, we created a custom Google Forms survey that collects members’ answers anonymously. Let’s keep putting in the footwork to create safe spaces in Al-Anon, to recover from the effects of the family disease of alcoholism.

4. Young or Young at Heart?

There is still confusion on whether YHA welcomes people of all ages. TBH I’m learning to have acceptance around this. I will continue to welcome everyone who wants to join us with open arms and a fuzzy-warmed heart. Of course, you won’t know that until you show up :). *I will acknowledge that questions about age do fall into a bit of the unknown. YHA is new and at times we’ve credited ourselves (among other things) as a bridge from Alateen to Al-*

Anon. Some of us use “young” and “young at heart” interchangeably, whereas some use these terms intentionally. We have committee members in their 70s, 40s, 30s, 20s and in their late teens. What I hope for is that we can be both: an attraction for young people AND an attraction for those of us that are young at heart (myself, the Chair, included in the latter). These are not mutually exclusive ideas. Until we sort all these details out, I cordially invite you to sign up to be service at one of our YHA events, join our FB Group “YHA”, or show up to a planning meeting to learn more.

With warm & fuzzies in service,

Jasmin M.
2020 YHA Chair

Intergroup/AIS Reports

San Diego Intergroup

- The San Diego AIS office moved from downtown to Mission Valley. The new address is 2667 Camino Del Rio South #208, San Diego, Ca 92108. The move has put a dent in the finances, but so far our generous membership has responded to the needs.
- 27 guests attended an AMIAS Meet & Greet in September. Lots of ideas were discussed to help grow our Alateen membership.
- There are plans being worked on for the start of e-commerce. Several vendors are being evaluated. Online book sale would be convenient and also would keep the sales through Al-Anon and not other online outlets. It has been a busy and forward thinking year with our new office and very active website.

LA currently has roughly 450 active and registered groups within LA County; sixteen of which are Alateen groups.

The 2020 AISLA Service Board just stepped into their new roles for the year and are focused on building active and engaged representation of our groups.

The AISLA Office will hold an open house every second Saturday throughout the year.

The revamped website with the capability to buy literature online has been well received by our members.

Ventura County Intergroup

Intergroup is an active, vibrant presence in Ventura County. We were able to make a sizable contribution to AFG this year as well as establish liability insurance coverage for all County meetings. Our CPC, Institutions and Alateen teams have been particularly dedicated to outreach efforts.

Turnover Reports – Attaining Turnover Reports has been an ongoing issue. We are now providing a link on the AFG Webpage to access the Reports (current and past) that we do have. If any members have served on AFG and have Turnover Reports, please email them to Ben P.

Our current undertaking is a Thought Force to look into how AIS and District 12 activities and service positions are or are not aligned in purpose and function and how other areas where the District and County are geographically identical handle or coordinate activities. Our first meeting is next week. Depending on our findings, a Task Force may form to recommend options for streamlining finances and service positions.

Current challenges include a somewhat diminished revenue from upstream 7th Tradition contributions from our meetings, and filling open Service Board positions. Nonetheless, I am enjoying the fellowship and unity that Intergroup Service brings to my own recovery.

Love in Service,

Dani F.
