 #2: Our on-line *Registration/Group Records Change* Form
Our members are using the form. I have a file full of processed meeting records.
Many members are still using the WSO Group Records change form on the WSO
website. I gently refer them to the SCWS Group Records Change form on the SCWS
website for future updates.

**#3: Reported Not Meeting, Bounced emails (emails no longer working or
incorrect) and NoMail (CMA's address is no longer good)** are an on-going issue. I
continue to work with the DR's and AIS Offices to reconcile.

#4: After a meeting is in NoMail Status for 2 years (no CMA or CMA's address is no
longer good), WSO takes the meeting to Inactive Status. WSO will not refer people
to the meeting and it is removed from the WSO website meeting search / schedule.

#5: WSO has a NEW definition of an Open and Closed meeting to make it less
confusing for members and newcomers.
OPEN = Families, Friends, and Observers Welcome
CLOSED = Families and Friends Only

Refer to The Loop email sent out 8-7-2019 for more information.
