Group Conscience	Informed Group Conscience	How can we help form an "informed group conscience" at every level-Group, District, Assembly, and World Service?	<u>1983</u>	page 36	Open Discussion
Outreach	Dilution of Al-Anon	What about referrals to Al-Anon by professionals or treatment centers? Some of these people have problems other than alcoholism, some bring the "Treatment Approach" to the meetings. How do we handle this dilution of our fellowship?	<u>1983</u>	page 36	Open Discussion
Regional Delegates' Meetings	Purpose of Regional Delegate Meetings	Do Regional Delegate Meetings discuss Conference agenda items? Who funds them? Is there a need for them now that we have Regional Service Seminars?	<u>1983</u>	page 35	Open Discussion

Al-Anon Adult Children	Special focus groups, Adult children	Can we discuss the experience of other Areas with adult children groups? Some use the Al-Anon program and some have a philosophy that uses the "problems and solutions."	<u>1984</u>	page 37	Open Discussion
Policy	Groups using the Big Book at Al- Anon meetings	I am concerned about the apparent willingness of some to break away from Al- Anon's policy regarding the use of CAL, as evidenced by the polling of our groups regarding the use of AA's "Big Book" at Al- Anon meetings.	<u>1984</u>	page 36	Open Discussion
Special Focus Groups	Unity	Is recognizing and listing special interest groups an invitation to disrupting our unity?	<u>1984</u>	page 36	Open Discussion

Al-Anon Adult Children	Special focus groups, Adult children	Adult Children: how can we help them; should we have adult children coordinators; what can we do about their using outside literature; what can we do about getting a GR from their groups if all members belong to AA as well?	<u>1985</u>	page 36	Open Discussions
Finances	Regional Delegates Meeting	How are Regional Trustees' expenses handled if they attend a Regional Delegate meeting? Should expenses be the responsibility of Areas within the Region? or the RT's? Is it an appropriate use of R.T. travel allowance?	<u>1985</u>	page 37	Open Discussions

Translations	Spanish translations	Considering there are over 4,000 Spanish- speaking groups worldwide and the nonexistence of a standing committee to gain a wide group conscience on Spanish translations, could the existing Spanish Subcommittee include "Delegate" members from Spanish-speaking countries as well as Puerto Rico, the only Area in the WSC with Spanish as its main language?	<u>1989</u>	page 19	Open Discussion

Outreach	Growth of the fellowship	Since the growth of groups seems to have slowed these last few years, are we as a fellowship meeting the needs of a changing society?	<u>1990</u>	page 20	Open Discussion
Special Focus	Unity	It would seem less confusing If the adult children, stag, gay, men's and women's groups were to simply be called "AI-Anon Family Groups." That would eliminate any emphasis on our differences and focus on our similarities.	<u>1990</u>	page 19	Open Discussion
Al-Anon Adult Children	Unity	We need help concerning the feeling of separateness of Al-Anon and adult children groups Maybe we need more emphasis that the program is the same-just with a little more focus on growing up in the alcoholic home. Why do we perpetuate the confusion over ACOA and Al-Anon adult children groups? Maybe it's time we educate the groups as to the difference.	<u>1991</u>	page 19	Open Discussion
Al-Anon Members Who Are Also Members of A.A.	Service Opportunities	Dual membership as it relates to AA members serving in AI-Anon above the group level is still a problem. One group feels the Steps and Traditions are being violated with this policy. Will policy change as the membership changes? Alateens ask that service work by double winners be reconsidered to allow them to serve as Alateen Coordinators.	<u>1991</u>	page 19	Open Discussion
Alateen	Preteens	As there are many Alateen groups that are pre-Alateen, is the time right to recognize these groups? Is not our primary purpose to help families of alcoholics? Are there ambiguities in the policies concerning registration and age eligibility for Alateen? Will the WSO recognize "preteens?" Change our Traditions to reach "children."	<u>1991</u>	page 20	Open Discussion
Finances	Contributions	Economically, what is our future? How can we convey to each member and group that without financial backing our AI-Anon World Service is lacking?	<u>1991</u>	page 18	Open Discussion
