Officers' Reports

Delegates

God willing, I will serve as your voice and your ears at the annual World Service Conference (WSC) April 18 to 22; bringing information back to you at the May Assembly.

- The 2003 WSC theme is **Dynamic Groups Today - Building Blocks for Tomorrow**
- If you want to send me mail, or love gifts to share with delegates from other areas, they must arrive at the hotel after April 13, labeled with the following:

Miriam M.

AFG World Service Conference April 18-22, 2004

Ramada Plaza Resort Hotel

5700 Atlantic Avenue

Virginia Beach, VA 23451-2236

- The WSC has again asked that I come to the Spanish luncheon prepared to share about what is happening in our Area with our Spanish language members.
- My committee assignment at the WSC is the Conference Committee on Trustees and I will be reviewing applicant's resumes again this year. Rotation of leadership occurs at all volunteer service levels and each year there are 3 new Trustees At-Large and one member elected to the Executive Committee for Real Property Management. In addition, the World Service Office (WSO) appoints 15 At-Large Committee members and 21 Advisory Committee members.
- We have had members from our area serve on past WSO Advisory committees. The committees include Alateen, Forum, Public Outreach, Literature and others. I brought resume application forms for the committee positions (contact me if you want a resume for Trustee). Descriptions and qualifications are given on the back of the form. I encourage you to discuss these positions at your District meetings and to **encourage Al-Anon members to apply**. If possible, I will add copies of all the resume forms to our website: scws-al-anon.org. WSO requests that forms be used exactly as is.

Committee applications (Alateen, Forum, etc.) are **due April 15** to the WSO.

Trustee and Committee on Real Property resumes are **due to by August 15**.

(We elect our Regional Trustee once every 3 years and that position will not be open until another year from now, but Trustee At-Large positions open every year).

- WSO Board rotations occurred after the January meeting and our new Chairperson is Judith Philson from Hawaii. Some of you met her when she was our speaker at last year's SOS. She is a wonderful Al-Anon member with a strong service background.
- The Board also announced that the year-end budget had excess income of \$99,600. Literature sales, Forum income and contributions were down slightly. Contributions for 2003 were \$1,003,200. Expenses were also down, in part because of the change in shipping charges and because this was not the year the Service Manual got reprinted. The reserve fund 2003 market value is \$4,915,000.
- The Board voted at their January meeting that the regular update to the **Service Manual (originally scheduled for 2004), not be printed in 2004**. (Perhaps this provides more time for the WSC to decide on significant revisions required to some of the descriptive text regarding Concept 11 that addresses the new Action Committee structure.)
- The maximum annual individual contribution to Al-Anon has been revised from \$10,000 to one percent of the last audited WSO annual budget per year. Likewise the one-time legacy bequests from a member is now up to ten percent of last annual budget. The last budget was about \$4,000,000.

Perhaps the most pressing issues for us today is the motion passed in Dec. by our Trustees at the WSO.

I mailed a copy to each of the District Reps at the end of December and also brought copies today. WSO is now requiring every Area to have Alateen Safety requirements in place by the end of 2004. Rather than Guidelines, as we've been discussing, they are now requirements and the Area must certify each individual meeting's compliance every year. We will discuss the motion and our Guidelines more today and at May and November Assemblies. I agree that as adults, we need to be responsible for the children – to me that's why Alateens are always required to have an adult sponsor present at their meetings and at events. The part that I'm having difficulty with is that I see this motion as a change from our spiritual principal of guidelines, to now having requirements that must be certified annually, no longer adherence to the unenforceable. In Al-Anon I learn to trust the process and that there is a spiritual solution. I look forward to hearing more of the thoughts and suggestions of our members here in Southern California.

When we look at the motion timeline set by WSO, we need to make significant progress to meet their deadline of having guidelines and a mechanism for annual certification in place by the end of this year. In addition, the WSO has a requirement that we have our Alateen Safety requirements reviewed by a legal council (= lawyer). To meet the Dec. 2004 schedule, it may be best to have a recommendation to present to the GRs at the May Assembly so that they have time to discuss it with their groups before they vote at the November Assembly. The legal review could be done between now and May or May and Nov, (or never). WSO has made these requests but it's up to our Area to decide how we move forward. The Trustees feel that this is a matter that affects AI-Anon and Alateen as a whole and they have decided to make this a true requirement. WSO says they will not allow an Area to use the AI-Anon name if we don't respond to this motion. This also makes me concerned that the motion is strongly slanted toward decreasing liability, not just Alateen safety. The motion may put more liability on Areas.

My feelings are just that, my feelings. As your Delegate, I am your voice to and from the WSO and I need to know how you feel, not just how I feel. My gut reaction to the motion is that we are reacting to an outside issue: the possibility of lawsuits in the future. I understand that the Trustees must consider such things and that lawsuits would affect AI-Anon as a whole. Just as drunk driving citations affect families as a whole. My AI-Anon program tells me to accept reality, but not to fear the future or try to control the uncontrollable. A local AI-Anon member who grew up in Alateen also reminded me that AI-Anon helps us learn that the more we try to control things the more out of control they become. Motions cannot prevent bad things from happening, but we can take reasonable precautions. I don't want to see us set a precedent to "regulate" meetings. WSO and logic says that safety requirements are necessary because adults are held responsible for minors (Alateens). Hopefully we can find a balance.

There are many ways in which we can take more active roles in Alateen safety. I'd like to be involved in a discussion of those and I think that the motion has pushed us into that much needed discussion. I hope that the motion serves that purpose but that the motion can be revised so that we don't have to give up our wonderful spiritual principles in reaction to outside pressures. I want you to know that the motion is not "up for discussion." The Board of Trustees, prior to the Conference has already passed the motion. At the WSC in April, we may discuss it and could even ask the Trustees to reconsider but my guess is that is not likely to happen. At this time, I think that I have a minority opinion and I'm not shy to let it be heard. And I want to hear your ideas and I need to be willing to accept what is, even if it doesn't change.

- I encourage each of you to think about the Alateen motion, talk to each other, reason things out, pray and ask our Higher Power for knowledge of His will for us

Today we hope to discuss not just the motion, but also the proposed guidelines. For me, I see that we have two issues: developing Guidelines to propose to the GRs, and deciding if our Guidelines will be requirements in agreement with the Board's Alateen Motion. I'd like to see us include the local Intergroups in our discussions. The Motion will affect them also because it states that any Alateen meeting or event that the Area determines is not in compliance with Area safety requirements will be removed from meeting listings and asked to stop using the Alateen name, to protect AI-Anon as a whole. With AI-Anon love, Miriam M.

Alternate Delegate

The Ask It Basket is going around. Put your questions in and we will try to help with some answers. If you are asked to help by answering a question, you need to use the Service Manual as much as possible to support your response. On the backside of the paper, please write down the page number and section that you used. Also write a brief answer for printing in the Bulletin as well as your answer. Give this all back to me so I can get them ready for the Bulletin Editor.

The Forum can will be going around as well. For 25 cents, you have a chance to win a subscription to the Forum! Put in a quarter and write your name, address and phone number on the slip of paper and put it back in the can. At the end of the day, we will draw a name for every \$10.00 we collect for a subscription. And that person wins a one-year subscription to the Forum. Did you know your group can subscribe to the Forum? They might consider loaning the copies out to members who don't have their own subscription. Also, this year the Forum is offering monthly sharings on the Concepts. This might be useful in districts where you want to study the Concepts.

I would like to thank the board members again and all of the participants for their outstanding support and encouragement at the January SOS Workshop. Our little committee was wonderful and so excited to be able to participate. We are starting to get ready for next year, the date will be January 15th, 2005. There has been a question about the purpose of the SOS and I would like to get some feedback from the districts on that subject. Also, we would like suggestions about how to get more participation from the group reps and newer members? Please bring this up at your district meetings. The SOS Workshop has always been done as a service to the area, so tell us how we can better serve you!

I am looking forward to attending the Pacific Region AA Service Assembly in two weeks and the South West

Regional Delegates Meeting the following week. It is a busy time but the learning experience is amazing. I get to learn from Alcoholic Anonymous and Al-Anon members who are involved in service from other areas, which I find really opens up my otherwise somewhat closed mind.

As always, thank you for letting me be of service.
Love in the program, Sue P.

Chairman

Service IS Gratitude in Action

I look forward to seeing an enormous turn-out of GRs at the

Area Assembly meeting, Saturday, **May 15, 2004**, 10am – 4pm.

Remember, the Assembly Meetings are “*the Group Conscience of Southern California Al-Anon*”. These gatherings are where the GR has voice and vote and the Al-Anon meetings of CA(S) are represented. Therefore if, for any reason, you are unable to attend on May 15th, or may need to leave early, please arrange to have your meeting’s Alternate GR be present so your meeting will continue to receive information and has a vote on pertinent motions affecting Al-Anon as a whole.

Please check the Calendar of Events in this Bulletin for future Area Assembly and Committee meetings and mark them on your calendar – We Need You.....your enthusiasm, your participation and wisdom.

As always, please feel free to contact me, or anyone of the Board Members, with any SCWS Area questions or concerns - invite us to attend your District Meeting - give us your input/suggestions for our Area Meetings, etc. etc.

February 20, 2004 Past Delegate Report Southern California World Service

As your Immediate Past Delegate I have the privilege of continuing to serve the Area Committee by facilitating the Restructure of the Southern California World Service Assembly. We hope to perfect” our unique plan into Committee-based action rather than Officer-based direction. We will take this up further under Old business. At the January Board meeting I presented a complete summary of the Evaluation Forms from the November Assembly. We review the consensus of the membership in this way. (I can e-mail you a complete copy if you request.)

For today, I’ve summarized the evaluation forms received from the attendees at the Assembly in the interest of time and the expense of copying. There were Six Questions:

1. *Did you like the time allowed for the Action Committee?*

Overwhelmingly, the response was yes the 90 minutes was about right if we can streamline the lunch process.

2. *How can we better meet you needs in the Action Committee at the Assembly?*

Answers included:

Using the note taker and write board more,

Collect questions

Have sound amplification

Breaking up the committee into smaller groups

Liked the agenda

Give ideas for how to fund the projects

Vote earlier in the day

It was good and this format meets needs

3. *Do you feel your participation today will empower you to take action ideas back to your group?*
(55 said yes) (zero no’s)

“ I feel a deeper commitment to communicate back to my group”.

The meeting made it clearer to me my role as GR. I will go back and report this focus.

All members are worthy of doing service.

It will make me add to my program.

“I will share in our District what happened today in this committee as requested by our DR. “

We need an Alateen coordinator for our District.

Better knowing of Sponsor candidates for Alateen.

4. What do you wish we did in the Action Committees today?

“ we did a good job we set action ideas.

“ Set Action Goals

Clarify leadership roles and emphasize need to cooperate with local Service Boards.

Cut personal discussions/shares shorter.

More time: Lunch took too long.

Limit sharing to once per person...on solutions.

Print a summary of what all the groups did but hope so.

5. *What do you hope we do at the next Assembly?*

Action mtgs. Lunch put fruit and chips and drinks on the tables and have two people from each group get all the lunches.

Describe and share on the Projects.

Move in deeper on some Action....

Track performance and Report on it.

Report on how successful this Clergy Project is.

Follow up and report. Have agenda reflect minutes of previous Action committee .

Do some role playing at District level to help hesitant people

I am still confused about?

What we can do at the group level?

The \$\$\$\$ money. Is there money available to us or does our Distr. Buy it. Or our groups?

Why is it necessary to be on the same action committee for each Assembly?

Why this meeting takes so long. If this was a business it would take 3 hours?

I'm a new GR I'm doing the best I can. My DR couldn't be here today.

How to digest all the info and take the most important back to my meeting.

How actions will become results?

As you can see the GRs want *reports* and follow up.

The Action Committees need your help in you local area to get the report to the coordinators. We need the reports, the *What's going On?* from the GRs and the membership on what you are doing. Districts and Intergroups on actions and projects and *Who Do You Know?*, *What Did You Do?* *Did it work?* so we can report back to the Assembly. There is enthusiasm for the action out there now.

The Conference Theme will be about having Dynamic Groups.... Today. I will be chairing a panel at the southwest Regional Delegates meeting in early March asking the current and past Delegates the question? *What is your role in Dynamic Groups Today?*

May I ask your help in letting me know how you see using your past delegates to help a group be dynamic? *At the area level? At the District level? Intergroup/AIS level? Home group level?*

Old Business:

You will see in the Board Minutes from January 2004 the recommendations from the three ProTem Action Committee Pro-tem Chairs (Rita, Willie and Kay) recommended:

1. Action Committee Chairs remain in position for one more year and be considered members of the SCWS Board.
2. Action Committees elect a recording secretary at the next assembly Break-Out Sessions in order to provide consistency and unity.
3. Action Committee Break Out Sessions not be held at the Committee Meeting in keeping with the Service Manual's description of the Area Committee Meeting as the place where District Representatives, Intergroup Liaisons, and coordinators share their full reports and voice concerns in order to set agenda for Assembly meeting.
4. In addition to the Coordinators, Action Committee Chairs should also receive *coordinator mailings* from the WSO.
5. The Restructure Committee remain in place and meet as an ad hoc committee at least once a year to report to the Board. (DURING THIS TERM)

In your service,

Alateen - No Report

Alateen Sponsor

Thank you so much for giving me the opportunity to be of service in an area that is so dear to my heart.

It's been a very busy time. As has been reported by our delegate, the Al-Anon World Service office Board of Trustees issued an approved motion last December requiring all areas to have behavioral and safety requirements for Alateens and adults involved in Alateen service. These requirements are to be in effect by 12/31/04. They must include certain items that were set forth by the Board of trustees.

Our area voted last fall to implement a set of "guidelines" concerning Alateen behavior and safety. A committee was formed and that committee met a few weeks after this Motion was forwarded to us from World Service. There was much discussion at this meeting regarding the Motion itself and how it aligns with Al-Anon as we know it. We also discussed the items included in the motion and asked our Delegate to try and get some clarification when she attends the World Service Conference.

In the meantime, things are moving forward. I have brought with me a draft of proposed requirements for our area. This is simply a place to start.

The last few months have been busy in other ways. District 66 hosted an Alateen Sponsor Workshop in January. It was the first one we have put on, and it went quite well. District 66 also invited me and Andy (the Alateen Coordinator) to attend their District meeting and discuss the Alateen Motion. This was done in February. We are certainly open to attending other District Meetings whenever requested.

On 2/21/04 I will be participating in an Alateen Coordinator Teleconference hosted by the World Service office. Since that teleconference happens the same day as our Area Committee meeting, I am unable to include information about it in this report, but will be reporting the highlights when I give this report.

There are a number of other events coming up in the next few months. I look forward to visiting with South Bay, Palm Springs and San Luis Obispo...

Thank you for allowing me to be of service.

Kathi L.

Archives

The traveling display is available for your conventions or special meetings. Call or e-mail me for a reservation. We want to keep it moving.

I am currently in the process of placing our archives in boxes on shelves where they will be easier to access and move. The boxes are especially designed for archival materials. The archives are stored in a environmentally controlled storage unit in south San Diego. I can look up materials and/or information for any Al-Anon. Call or e-mail me if you want more information.

Thank you for allowing me to be of service.

Bulletin Editor

Well the new bulletin is out in a bigger format. Due to this we will be mailing on the bulletins in envelopes in the future. This will give us a bit more room and it is easier on the eyes.

There has been a request to have 3 holes drilled in the bulletin so we can file them in binders on our own. I will check with the printers on the price. Also I will look into changing the return address on the bulletin at the post office.

My amends go out to the committee because if you have not received it yet but I mailed out the bulletin to the committee this last week first class, afterward (1day) I realized that the bulletins had the Al-Anon symbol and the words on the front. This will be taken care of by mailing in envelopes as mentioned above.

Love in Service, Nick C.

CPC

Hello Everyone,

Momentum has really built up over the area's public outreach project targeting spiritual leaders. Remember to mail in the project evaluation sheets so we can report back to the WSO about the project's success.

We have also delivered Al-Anon literature to Los Angeles County Public Health Investigators who interview

patients with sexually transmitted diseases. I am grateful for the opportunity to talk about public outreach at PRAASA, District 64, and the Tuesday Night Women's Al-Anon meeting in San Pedro. It's amazing where service will take you.

Gratitude in Service, Lee T.

Hospitality

Hello and welcome to all, special thanks to District 6 from Bakersfield for arriving early and helping with the setup. Thank you to all the Host Districts who brought Breakfast foods and to Kary and Mirium for their donations of Coffee and sweetn' low.

The host Districts for the coming Assembly in May are.. 9, 10, 24, 30, 39, 45, 69, and 72.

I would like to ask that host Districts please send a volunteer to assist with Hospitality set up and clean up and also to please arrive by 8:00 AM. I have put flyers n your folders and would appreciate your help with hospitality for the assembly. Thank you for allowing me to practice concepts 2, 3, 4, and 0.

With Gratitude and love in service you SCWS Hospitality Coordinator, Martha M.

Institutions

Hello Service Lovers,

You're invited to join your Institutions committee at the AA's open planning meetings - the first Sunday of every month @ 1:00 p.m. - Kensington Gardens Mobile Home Park Clubhouse, 9800 Bolsa Avenue in Westminster. To get there, take the Garden Grove Freeway and exit at Brookhurst. Travel south on Brookhurst to Bolsa and then go west. Additionally, the 23rd Annual Southern California A.A. Hospitals and Institutions with Al-Anon participation Conference will be held April 23, 24 and 25, 2004 at the Irvine Marriott on Von Karman in Irvine.

The 23rd Annual Southern California Hospitals & Institutions Conference's "Statement of Purpose" is as follows:

- To improve the mutual understanding and cooperation between Alcoholics Anonymous and hospitals, correctional and treatment facilities within Southern California H&I Intergroup.
- To enhance communications between the H&I Committees of Southern California, H&I Intergroup and A.A. as a whole, through workshops, panel presentations, speakers, general sharing and fellowship.
- To provide enjoyment and gratification of the A. A. members who give of their time, energy, and money throughout the year carrying the A. A. message to the confined alcoholic.

Thank you to all that participate in carrying the message of recovery to folks in institutions!

Warmly, Denise L.

Public Information

Hello one and all

How is your district doing in reaching out to the clergy? A survey on 'Who do you know?' will be distributed today by Lee and me. Please be sure to complete the survey and return it as soon as possible. Just a reminder of some the ideas that surfaced for your districts PI contribution:

- Contact your local clergy and place a brief announcement in their weekly church bulletin (e.g. Does someones's drinking bother your? Call (AC) ###-####).
- Leave literature at the churches in your area.
- Etc.

I hope you have someone in your district to take on the task of PI, CPC and institutions. Carrying the message is part of our service work.

The presentation board continues to be in constant demand. I will have more to report in the next Bulletin.

Remember: REACH OUT to the general public, we are anonymous not Al-Anon.

San Diego

There was quite a large contingency from San Diego at the November assembly. All were energized and eager to be part of spreading the message and doing their fair share. As of January 31, 2004 the San Diego Intergroup has 150 registered AIAnon and 16 registered Alateen groups. Meeting schedules are updated every four months and available on our website - www.alanonsandiego.org and through the office schedule brochures. Our 14 member service board began its new year with eleven new elected members. Each position was filled by a willing and capable AIAnon elected member - the position of treasurer was a little tricky, but finally we are set. We are on our way to an exciting, productive year. Our Alateen Chair is planning on having Alateen Sponsor Workshops after the Intergroup Meetings. There will also be an organized effort made to reach out to the African American population by our North County Information Chair, Ed. The non event fundraiser in 2003 earned the intergroup over \$2,650.00 and proved to be most successful. (I promised you this information the last time). We ended the fiscal year very close to budget. Yours in service, Eva T. World Service Liaison San Diego Intergroup

Ventura County

This is my first committee meeting representing Ventura County Intergroup. It is a privilege and my pleasure to have been asked and elected to serve. AI-Anon service has been such a blessing and I have learned so much. Currently in Ventura County there are 45 AI-Anon meetings, 6 of which are Spanish and there are 6 Alateen Meetings. Twenty seven groups were represented at our Intergroup meeting last Thursday. In addition to beginning my term as chair, Cyndy P. was elected co-chair and the following service positions were elected: Sherrice W. Treasurer, Judy D. Archives/Literature, John W. CPC, Rosanne S. Newsletter, and Si-Si P. Alateen. Everyone is excited and we are looking forward to a great year of service.

Many of our Intergroup Representatives are busy on other committees as well. Planning is nearly complete for the Ventura County Serenity By the Sea, March 26, 27 & 28. The Santa Paula Pig Roast is being planned for July 9, 10 and 11, and the Ventura County AA Convention with AI-Anon participation September 10, 11, & 12.

A Round Robin was held in Santa Paula on Feb 3 and was very well attended. Thanks to Nitta, our Round Robin Coordinator. Since I am new, and I am still getting oriented, this first report is a little short but with the dynamic crew we have in our county, don't get used to it.

Love in Service,

"Footprints to Freedom"

It is hard to believe that we are only a little more than 1 month away from Convention time. It seems like it was just a few weeks ago that we had started the planning process. But here we are, and this committee is ready to go! **The 28th Annual Southern California Al-Anon Family Groups Convention**, "*Footprints to Freedom*," will be held at the Burbank Airport Hilton and Convention Center March 26, 27 and 28, 2004. Our planning committee would like to invite you to come and join us for a wonderful weekend of fellowship.

We have a terrific schedule of events planned for your enjoyment. There will be continuous Marathon Meetings from 5pm Friday until 10am Sunday morning. Our program also includes many wonderful speakers including our Luncheon speakers Bernie U. (Al-Anon) from Laguna Niguel and Noah M. (Alateen SCAC 2004 Chairman) from Pasadena and our Banquet speakers are, Jeannie McC (Al-Anon) and Bruce McC (AA) from Lake Forest. I am so grateful to these members of our fellowship who will be sharing the gift of their experience, strength, and hope with us.

Our committees are preparing many nice events. Hospitality will be a comfortable, warm place to sit down, relax, grab a cup of coffee, a treat and visit with old and new friends. You must visit the Country Store and see the wonderful handcrafted items and other surprises that you will find there. The Raffles Committee has been creating the most beautiful gift baskets to be given away at the Luncheon. Our Ways and Means Committee will be selling the convention memorabilia onsite. You will be able to get that special something for yourself or a friend. (Ways and Means is here today in the lobby, with these very items for your convenience)

I have had so much fun traveling around Southern California with the Carry the Message Committee and on my own spreading the word to our fellowship about this wonderful Convention. I would like to report that everywhere I have traveled the understanding, love and peace of our program is so clearly evident. This has been such a treat!

It has been a privilege to work with Sandy K. our Site and Housing Chair and Ellen L. our Chair-Elect. I am most grateful to both of these ladies for their support and guidance during the planning of the Convention. Our Planning Committee has been such an awesome group. I have made so many new friends and I will always be very grateful to my Higher Power for these wonderful new members of my Al-Anon family.

Please treat yourself to the gift of our Al-Anon Family Groups Convention. Visit our website www.afgconvention.org to register with the Hilton and get updated event information. Our registrations and ticket sells are selling well so order your event tickets at your earliest convenience. Stay the entire weekend and soak up all of the love and wonderful recovery. Thank you for letting all of us be of service to our fellowship.

With Love in Service,

Dan P., Chairman-AFG Convention 2004

So-Cal AA

I am privileged to be the Al-Anon Chairman for the 2004 Southern California AA Convention with Al-Anon Participation. My co-chairman is Lynn Angalet from Valencia.

The convention dates are September 24, 25, & 26th in San Diego at the Town & Country Hotel & Convention Center.

The theme for the convention is "Sobriety & More In 2004". The Al-Anon committee has chose to go with "Miracles & More In 2004" for our theme.

Our luncheon speaker is Nancy G. from Lake Balboa, CA.

Our planning meetings are the second Sunday of the month with the exception of April and May and those will be the first Sunday. The meetings are in Lake Forest at the Saddleback Fellowship Hall at 24328 Swartz Dr. at 1:45pm. All are welcome to attend.

We will be having one fundraiser this year, A Casino Fun Nite. It will be held on June 12th right here at the Fullerton Senior Center from 6:00pm to 10:30pm. We will have dinner and desert bar, games, a DJ for dancing, and raffles. We will also be doing the 50/50 raffle again this year. You don't have to be present to win and the payout last year was \$1700 and the winner wasn't present. I have 50/50 tickets with me today. I have flyers for the event so please take some back to your meetings and help us get the word out.

The convention flyers and sign up sheets and our merchandise will be available at the May meeting.

Please feel free to contact me with any questions or ideas that you may have.

Love In Service, Pam B.

Greetings from Lancaster, Palmdale and Santa Clarita. We're getting very busy with our part of the "Outreach to Spiritual Leaders" project. We began with a planning meeting to brainstorm ideas. Our first action will be for two groups, meeting on separate evenings in Santa Clarita and Lancaster, to get out the phone books, look up addresses for churches, mosques, temples and synagogues, and to address and stuff envelopes. The goal is to reach 100 spiritual leaders from each session, and then follow up later.

The annual Antelope Valley convention, this year called "Celebrating the Miracle," will be held April 2-4 in Lancaster. We think this intimate convention is great fun for all who participate in its planning and execution. One feature is a full day of activities for Alateens including meetings, two meals and a dance in the evening--all included in their \$5 registration! We hope to see many of you join us.

As always, some meetings are disbanding and new ones are organizing. Isn't it wonderful how Al-Anon adjusts to the changing needs of an area? The DR and group representatives from our district are now serving the third year of their terms; the time goes by swiftly. It has been a great honor to be of service. I'm particularly grateful for my district's having sent me to the RSS and PRAASA. These have been amazing opportunities for growth for me personally. I know others will step up and help carry the message beginning this next winter. Thank you for letting me be of service.

Greetings from the High Desert!

We've had lots of great things happening in District 10 since my last report. In December we had our annual Christmas Party with a great turnout, wonderful food, raffle items and an overall good time.

We held our annual Heart Talk, A Day In Al-Anon fundraiser on February 7th and it was a big success. Our Chairperson, Marta M., did an outstanding job, and our speakers Carol T., Kay and Mac B., and Isabelle M., carried strong messages.

We are currently finalizing our plans for our 20th Annual High Desert Convention to be held March 5th through 7th in Victorville. Our Chairperson Christine H., has planned an awesome weekend full of fellowship and fun. We are looking forward to our speakers, Jean K. and Sue D., sharing their experience, strength and hope with us. Yours in Service, Cathy A.

Greetings to all of our service buddies,

Every District meeting, Committee meeting, Assembly, RSS, Convention and group conscience or business meeting makes me so grateful to be one of the links of service.

As our District and meetings navigate the new Alateen course I am thankful to have Traditions and Concepts to apply to the process. The fact that our deliberations are "Higher Powered," and that we are asked to find spiritual solutions relieves the burden of having to do things alone.

Knowing that we are asked not to gossip or criticize but to look to the Service Manual, 2003 Conference Summary, and to reason things out with another person allows the process to be manageable. There are no experts and we all have access to the same information so our links are of equal strength and weight. Our deliberations can focus on the worldwide fellowship and what is best for Al-Anon and Alateen as a whole.

The Concepts provide us with solutions and remedies to internal dissent.

Our experiment in meeting in various Group Representative's homes in District 17 was unanimously done away with. Lisa F. is finding a permanent meeting place for us. Geography was an obstacle but we are thankful for having gotten to know each other better and for people's willingness to share their homes. Sharon H. has agreed to spearhead our commitment to host an Alateen Sponsor's Workshop within the next few

months. Look for the announcement of date, time and place and invite your fellow Al-Anons to investigate the wonderful world of Sponsorship! Kary L. will be our program speaker at the District Meeting on May 12. Call me for the location and come and join a dedicated group of Al-Anons for an informative and fun filled evening. Oh, and by the way, there will be food and beverages!

The effort to have all groups have a GR or a liaison and a Current Mailing Address continues.

Thanks for the privilege, pleasure, and challenge of being part of the links of service in Southern California.

District 24

Greetings from District 24!!!

A new 3 year term has begun at District 24 and our first district meeting was held on January 26, 2004. In attendance were 8 new Group Representatives and 1 returnee. Also in attendance for moral support were our former District Representative (DR), Margaret Siegel and a former Group Representative (GR), Fay.

This is my first time serving as a District Rep and I am honored and frightened at the same time. However, I know that I will find much support with our past and present Group Reps along with our Alternate District Representative (ADR), Portia.

During our first meeting, we were able to cover quite a bit of material in the 1 ½ hours that we met, including electing a secretary (thank you, Heidi!), reviewing the guidelines for a Group Representative, filling out the SCWS and WSO forms with the new GR information and updating our District's GR contact sheet. Also, we discussed the Public Outreach Project to Spiritual Leaders and our District Secretary, Heidi, will be mailing out the packet of information to the new Group Reps for distribution at their meetings. We are still in need of a Treasurer and I hope we will have a volunteer at our next meeting.

We currently meet every other month (odd months) on the 4th Monday of the month at Church of the Nazarene in Montrose at 7:00pm. The cities in District 24 are Altadena, Burbank, Crescent Valley, Glendale, La Canada, La Crescenta, Montrose and Tujunga

If you attend a meeting in any one of these cities, please notify your Group Rep that we would love to see them at our next meeting, which will be on Monday, March 22, 2004 at 7:00pm at Church of the Nazarene in Montrose!

For more information, I can be contacted at 818.841.4567.

Thank you for letting me be of service,

Hello from District 39. The last six months have been challenging for the Inland Empire Community. We have braved fires, floods and evacuations, which has strengthened our commitment to Al-Anon.

I want to thank Laura B. for leading our district in 2003. Her strength and grace will be missed. As she has chosen to spend more time with her family, I've volunteered, per my sponsor, to be DR for 04/05.

We are trying to walk the talk and are doing a group inventory on District 39, so that we can take the message back to our home groups.

We've begun planning for our Day in Al-Anon, which is scheduled for September 18th. Last year our attendance was up. We had great speakers and the Alateens from Moreno Valley were inspiring.

Thank you for allowing me to be of service. Amanda C.

Our Serenity Bowl VII (our annual Alathon) took place on Saturday, Jan 24th in Santa Monica and a smashing success. There were 160 attendees – way more than we had anticipated. Although at press time the final numbers are not in, we're certain the amount of money we raised was significant.

We are continuing our discussions on how to improve communications among members. One thing we suggested to our groups was that they print on the bottom of their phone list several Al-Anon Web sites.

Greetings from District 51, Our District includes meetings in Downey, Montebello, Pico Rivera, L.A. East, Whittier, one in La Mirada and one Spanish meeting in Santa Fe Springs. Our Alathon was great. It took a lot of participation. We are now meeting for our next one in September.

Thanks to World Service for the great ideas sent. At the November meeting we did the District Game Plan. We learned from it and how to continue to carry the message. Another great idea was the Concept One Potluck. Each G.R. and alternate was assigned a potluck item and how it relates to the groups. It was fun doing it and a growing experience of how we can participate in our own recovery.

We held elections for a D.R. Our new District representative is Emily L. We wish her a great three years of service., Jo M., District 51

District 54

The Dynamic Groups from District 54 send good wishes to all our fellow groups in the SCWS Region.

The New Year began with Tradition 9, rotation of leadership. Several new GR's and myself as a new DR started our journey to serve our groups to the best of our abilities. Each of us brought our Higher Power and enthusiasm along to our first meeting. The new GR's were introduced to Service Manuals, Guidelines and the new Area Service Structure diagram. The blue resources packets handed out at the November Assembly sparked action in a couple groups to contact Professionals and Spiritual Leaders in the community.

Our annual Alathon is being held Saturday, March 6th, with this years' theme being, "Al-Anon-We're World Wide." In order to save on the cost of the facility, the District voted to include the Alateen Sponsors Workshop as part of the Alathon program. We are very grateful to Kathi and Sarah for driving out to our area so early in the morning! Chairperson for the Alathon is Ann D., Co-Chair, Lupe J. and the Alateen Sponsors Workshop Coordinator is Linn J. A BIG YEAH for all their hard work!

Carolina L. volunteered to attend PRAASA, which is taking place the same weekend of our Alathon. Cheryl S. is forming a committee to take Al-Anon/Alateen literature to 18 local Libraries. Donations for SCAC scholarships are being collected to help the Alateens.

Love in Service, Roxanne S.

Hello from District 60! I am grateful to have this new commitment as a District Representative and for our past DR, Wendy G. for passing it on to me. We plan to have our first District meeting of the new term next Friday, February 27, 2004 at Brea Congregational Church located at 300 E. Imperial Highway in Brea.

We do plan to start our meeting with studying of the service manual and getting to know all the new members as well as making our love gifts to send to our Delegate at the WSC. Our first order will be to get our groups involved in the Public Outreach Project to the Clergy and to begin planning our next District Fundraiser. We are also looking forward to the program portion of each of the business meetings we will be having.

Greetings from District 63!

On January 24, our district held the first meeting of the new year. We discussed many topics including what areas of service our district would like to focus on in 2004 and setting some tangible goals. The decision was made to focus the first part of the year on supporting and carrying the message of Alateen. We are very fortunate to have representation and active participation from all Alateen meetings in our district. In response to the Alateen voice, GR's decided to ask their meetings if they would like to support a new Alateen meeting. The goal being to establish a new Alateen meeting in our district. The district also decided to raise funds for ten SCAC

scholarships. Our next meeting will be held on February 28th.

Our District is very concerned about the required Alateen Safety guidelines. Kathi & Andy facilitated an open discussion in our last District meeting. Truly the opposite of love is apathy. Our district is certainly not apathetic and to show how much we care about the preservation of our spiritual fellowship, our GR's are continuing to the discussion in their meetings, with their sponsors and in prayer with their HP. We expect the next Assembly to be a truly growing experience for all who attend, and so we are really talking up Concept Four - Participation is the Key to Harmony. Once again, we hope to have high attendance & representation of District 66 at the Area Assembly.

WSO Alateen Advisory Committee Motion

Important Information Regarding Al-Anon/Alateen

The following information is in response to a letter the Delegates and Alateen Coordinators received from the World Service Office (WSO) in December 2003. The WSO announced that the Board of Trustees passed a motion on Dec. 8 regarding requirements for Area Alateen Guidelines. The motion is attached. It introduces significant changes to our program that we will want to talk about. We will discuss it at the Southern California World Service (SCWS) Committee meeting Feb. 24 and at our May and November Assemblies too.

Please read the attached information from the WSO. You may share it with your groups and please share it with all Alateen Liaisons and Alateen meetings in your District/Intergroup. This motion may prompt many questions and discussion. This can be good. Let's use our Service Manuals, Guidelines and our Higher Power to help us learn and grow through this situation. No doubt, we will not all agree in our initial responses to the motion, or in the next steps we should take. Use our program; talk to each other; reason things out.

The first meeting of our Area Alateen Guidelines Committee was held Jan. 10. If you or other members (who had not already signed up to be part of the Guidelines Committee) want to participate on the committee, please call our Alateen Sponsor Coordinator, Kathi at. Our Area Alateen Guideline Committee was set up as a result of our Aug. and Nov. SCWS meetings so that the committee could make guideline recommendations to our Area. This motion affects our Area and Al-Anon/Alateen as a whole and we will be discussing it together at the upcoming SCWS Committee and Assembly meetings, and hearing suggestions from the Guideline Committee. Our Higher Power will help us make the decisions that are needed.

In loving service,

Miriam McKenna, Delegate

WSO Alateen Motion

WSO Alateen Safety and Behavioral Guidelines

WSO Alateen Literature Moratorium Memo

December 10, 2003

Dear Conference Members,

For the past several years, the issue of safety for Alateens and Al-Anon members involved in Alateen service has been very much in the forefront of discussions. The Alateen Advisory Committee and Group Services Committee have had lengthy discussions on the subject. At the 2002 WSC, it surfaced as one of the most important issues facing Al-Anon. At the 2003 WSC, the entire session of "Talking to the Delegates" was devoted to Alateen. The Policy Committee has been constantly examining current policies and guidelines as they relate to Alateen, and the Board of Trustees has discussed this issue in depth at its quarterly meetings.

It became apparent that it was time to do more. The time has come for all areas to have safety and behavioral requirements that meet minimum requirements for Alateens and Al-Anon members involved in Alateen service. WSO registration procedures and policies will support the requirements developed by each area.

On December 8, 2003, the Board of Trustees met by conference call and passed the attached motion. The motion explains the Board's thinking; what the Board now expects from the areas; and what the areas can expect from the WSO. While this is quite a step forward for Al-Anon, I am sure you will all agree that it is a necessary one. Our common goal is what is best for our Alateens and Al-Anon members involved in Alateen service. The Board's motion speaks to that goal.

Please feel free to distribute my letter together with the Board's motion and minimum requirements, as you deem necessary.

Also attached is a memo from the Executive Director dealing with the impact of this motion on existing literature.

In fellowship,

Cecelia L., Chairperson of the Board of Trustees

Al-Anon Family Group Headquarters, Inc.

MOTION

The Alateen Advisory Committee, the Group Services Committee, the World Service Office Policy Committee, and

the Board of Trustees of Al-Anon Family Group Headquarters, Inc. have studied the issues concerning the safety and behavior of Alateen members and individuals involved with Alateen service. The Board has reviewed the documents and actions of previous Conferences, previous Committees, and the World Service Office correspondence with legal counsel, individual members, Alateen Sponsors, Coordinators, as well as area and district officers.

The Board of Trustees has determined:

Not all areas have written safety or behavioral requirements for Alateens and individuals involved with Alateen service.

The WSO registration procedures and policies should support areas that have developed safety and behavioral requirements.

The Al-Anon fellowship should take all necessary steps to provide a safe environment for Alateens and the Al-Anons involved with Alateen service.

As Tradition Four states, "Each group should be autonomous, except in matters affecting another group or Al-Anon or AA as a whole." The Board of Trustees has determined that issues of safety and behavior by Alateens and individuals involved with Alateen service do affect every group and Al-Anon as a whole.

The Board of Trustees, under Concept Seven and Warranty Four, is entrusted with the authority and responsibility to protect the Al-Anon and Alateen names and the organizational identity.

Now, therefore, the Board of Trustees resolves:

1. As soon as possible, but in any event, no later than December 31, 2004, if an area within the World Service Conference Structure uses the Al-Anon or Alateen name in conjunction with any meeting(s), group(s), convention(s), or any other gathering(s) in the area where Alateen participation is offered, the area must have safety and behavioral requirements for all Alateen members and Al-Anon members involved in Alateen service. These safety and behavioral requirements must meet the minimum requirements of Al-Anon Family Group Headquarters, Inc.

2. Al-Anon members involved in Alateen service and all Alateen members must adhere to the area's safety and behavioral requirements, or the area will notify the WSO that those members are prohibited from participating in Alateen service.

3. As soon as possible, but in any event, no later than December 31, 2004, and for each succeeding year, each area must have a process to certify, and must so certify to the WSO annually, that each Al-Anon member involved with Alateen service has met the area's safety and behavioral requirements and has agreed to abide by them.

4. The World Service Office will register only those Alateen groups whose registration it receives through the area's registration process. The WSO will remove from its registration list any Alateen group that the area determines does not comply with area safety and behavioral requirements. The area's request for removal of an Alateen group must be stated in writing to the Associate Director/Alateen. This applies to all Alateen groups, whether currently registered or not.

5. If the area states in writing to the Associate Director/Alateen that a group, meeting, convention, or gathering is failing to meet the area's safety and behavioral requirements, prior registration or interaction with the World Service Office shall not constitute any continuing right to use the Al-Anon or Alateen name.

Minimum Safety and Behavioral Requirements

1. Every Al-Anon member involved with Alateen service must:
 - a. be an Al-Anon member regularly attending Al-Anon meetings.
 - b. be at least 21 years old.
 - c. have at least two years in Al-Anon in addition to any time spent in Alateen.
 - d. not have been convicted of a felony, and not have been charged with child abuse or any other inappropriate sexual behavior, and not have demonstrated emotional problems which could result in harm to Alateen members.
2. There must be at least one Alateen sponsor at every Alateen meeting.
3. The area requirements must prohibit overt or covert sexual interaction between any adult and Alateen member.
4. The area requirements must prohibit conduct contrary to applicable laws.
5. The area requirements must contain procedures for parental permission and medical care when applicable.
6. The area requirements must be reviewed by local counsel.

Other points for the areas to think about in developing their requirements:

Requiring two Alateen sponsors at every Alateen meeting.

Having background checks.

Considering behavior before, during, and after any Alateen meeting or activity of Alateens and adults involved with Alateen service.

Connecting Alateen conferences to the area structure.

Forming an Alateen meeting that meets at the same time and place as the Al-Anon meeting.

Being gender conscious.

Avoiding one-on-one interactions.

Having an appropriate ratio of adults to Alateens at all times.
Transporting Alateens to and from events.
Educational training and awareness programs.

RE: Moratorium on sale/distribution of specific Alateen books, pamphlets, booklets, and other service material.

On December 8, 2003, the Board of Trustees passed a motion requiring areas to create area safety and behavioral requirements that meet minimum requirements set by the Board. A copy of this motion was mailed to all Conference members. I have placed certain materials listed below on a 30-day hold. During the hold, the World Service Office will not sell, ship, or distribute any of the identified materials. Concurrently, the World Service Office will check the identified pieces to be sure that they do not contain information that would contradict the Board's policy. As soon as each piece can be cleared, we will restore it into the order/entry system and the on-line shopping cart, and notify you. By the end of the holding period, those pieces that are identified as requiring revision will be kept on hold and will be revised on a priority schedule.

During this period and in the spirit of cooperation and unity, I am asking all members and distribution arms of the fellowship not to sell, give, or distribute any of the following pieces in English, French, and Spanish:

Q:In the Alateen Newsletter, my district is listed as having an Alateen Liaison however, since I have been going to District meetings I have not met that person nor have they been mentioned. How do I find out who that person is, is there a list of who the Alateen liaisons are?

A:*We have a list of Alateen Liaisons. The list will be provided to all DR's. Please contact Kathi L. if your liaison is not listed or if the one listed for you is not accurate.*

Q:If the Bulletin is going to be sent out as it was presented today, does it break anonymity by saying "Al-Anon" on the front?

Q:The November Bulletin has "Al-Anon" and "Alateen" mentioned on the cover. Per the manual, bottom of p .72, letters including the return address to an Al-Anon member should never have the name Al-Anon or Alateen on the envelope. What's up? Also-why was the last Bulletin not bulk mailed? Wasn't the last mailing costly?

A:*The Bulletin was sent First Class only to the committee members, which ended up being 94 Bulletins for a cost of \$102.02. The rest are going out bulk mail shortly. The mailing was done and Nick, the Bulletin Editor, realized it should have been stapled. He will have envelopes printed with the bulk rate postage for future mailings.*

Q:What month is the Bulletin printed?

A:There are a total of four a year. It is printed following the Assembly meetings in May and November and after the Committee meetings in February and August.

Q:An Advisory Board was set up by the prior (members of the?) district for the purpose of making suggestions from district meeting agendas and minor financial decisions and to make suggestions to the GR's at the district meeting. The Advisory Board voted to allocate \$150 for seed money for the 9th Annual Alathon in our district and when it was brought to the GR's at the regular meeting; a motion was made to vote on this issue by the GR's. As the new DR, I tabled the motion until I could research the matter, telling the GR's that his undermined the authority vested in the Advisory Board and concerned that this represented double headed authority. Input?

A:*Several Al-Anon principles were mentioned such as "Letting Go", control, rotation of leadership, trusted servants, the purpose of GR's and DR's. Also shared was a section of the Service Manual, p. 25, "Structure of the Al-Anon/Alateen Fellowship.", 2nd paragraph. "The group's operations are the responsibility of a set of officers who are elected by the members. Officers are usually changed so that everyone has an opportunity to serve the group." Also – p.176 "Concept Ten – Service Responsibility is balanced by carefully defined service authority and double-headed management is avoided." (Possibly study Concept Ten at district meeting?) At the end pf paragraph one on p. 177, "In short, such a misuse of ultimate authority would add up to a dictatorship, in which nearly every classification of Al-Anon servants would have large responsibilities but no definite authority and hence no capability of effective decision and leadership." A suggestion was made that the Advisory Committee might consider becoming the Alathon committee to avoid double-headed management.*

SOS & Action Committee Report

SOS Report Backs

On Saturday, January 17th, our Area sponsored the 30th Annual Sharing of Service Workshop in Fullerton. The theme of the workshop is always based on the World Service Conference topic which is

“Dynamic Groups Today - Building Blocks for Tomorrow”

After a brief opening meeting, the real fun began! Workshop topics included:

- 1) *Building a Dynamic Group Through Recovery, Unity, & Service*
- 2) *Al-Anon's Future, Our Responsibility*
- 3) *It Is In the Listening That We Are Healed*
- 4) *El Futuro de Al-Anon, Nuestra Responsabilidad*

After a quick coffee/bathroom break, the second session of workshops began. Those topics were –

- 1) *The ABC's of Service – Our Three Legacies*
- 2) *What Service Work Am I Doing Today to Insure a Better Tomorrow?*
- 3) *Al-Anon Attitude – A Lifesaver in a Sea of Insanity*
- 4) *El Abecedario del Servicio – Nuestros Tres Legados*

Everyone then joined in for our usual and customary potluck lunch! We had comprehensive reports from the note takers at the meeting, very informative! When all the business of the day was done, we settled in to hear our speaker, Mary Fran W. from Pine, AZ. She shared her story and quite a bit as well about her involvement in the service structure of Al-Anon. We closed in the usual way. And cleaned up! What a great day!!! For those who were not able to be with us, we missed you. But we do this “for fun and for free” service event every year. Mark you calendars for Jan.15, 2005. It will be here before you know it!

With much love in service and many thanks to those of you who made this a great day - Sue P., Alternate Delegate & SOS Chairperson Service is Fun!!!

Membership Communications Action Committee Report

Mission Statement: To encourage participation and enthusiasm by carrying the message of Al-Anon recovery, unity, and service in a timely, informative manner.

In our last action committee meeting (November 2003), we discussed a number of topics including:

- 1) How do we reach out to Lone Members?
 - a) Developing small-town newsletters.
 - b) Military.
 - c) Long Member Posters.
 - d) Lone Member pamphlet or newsletter that becomes available as part of public outreach packets.
 - e) Incorporate “Long Member Services Available” into newcomer packets and local meeting directories.
 - f) Frequently Asked Questions (FAQ) for the WSO website about Lone Member services.

We also talked about action items that we've implemented or want to begin working on to support our mission statement, including:

- 1) Bulletins on-line and in new full-page format.
- 2) Encouraging the use of Al-Anon Conference Approved Literature (CAL) in sharing meetings.
- 3) Encouraging service through attraction.
- 4) Finding ways of communicating the benefits of service.
- 5) Finding ways to communicating the message that “Service is the recovery.”

And the hot topics were 4) and 5) above. So...(drum roll)

If you know of a meeting that could benefit from having a panel of **willing** and **enthusiastic** Al-Anon members come and share about the benefits of service, how and why service is FUN, how getting into service catapulted their recovery into the fourth dimension, why every meeting needs a group representative, and lots of other service topics, **please contact Barbara W.** . There are members available throughout the SCWS Area who are willing to get in the car! You can help the Membership Communication Action Committee carry the message of hope to Al-Anon groups throughout Southern California.

MCAC Report Backs

Lovin' service, Barbara Recorder: Carolina L. To avoid confusion between the Area Committee and the Action Committee, we will refer to ourselves as MCAC”

BULLETIN EDITOR – NICK

Published quarterly. Contains reports. Send him info if you want it in the Bulletin. The Bulletin is on line, but names and addresses of trusted servants are not put in the on-line version. Use Ask It Basket questions as topics in your meetings. Costs \$3000-\$5000 per year to publish Bulletin. Nick looking at different formatting to make it more compact. This will save on printing costs, but not mailing costs as the bulk mail cost doesn't change

LITERATURE COORDINATOR'S REPORT – HELEN C

Current literature under revision: Blueprint for Progress, Twelve Steps and Twelve Traditions. Sharings are needed on Steps 4, 6, 7 8, 9 and Tradition 6. And Sharings from men and Alateens are always needed.

Two new pieces of literature are being developed (need shares from members): (1) Facing Grief, (2) Relationships in Recovery. Sharing sheets have the address on them for return to WSO. There will be no "blending" of stories, but there will be editing that won't change the message of a share.

Helen is always available for a writing workshop. The MCAC would like to have a writing workshop next time.

ALTERNATE DELEGATE/FORUM COORDINATOR – SUE P

Forum subscription special going on – 13 issues for \$10.

Possible Forum action in groups: Lead a forum writing workshop (Sue available to help/advise/attend)

SOS will be the 3rd Saturday in January, here in Fullerton Topic: Dynamic Groups Today, Building Blocks for Tomorrow Please send in registration in advance.

LONE MEMBER COORDINATOR – BARBARA W

MCAC tossed around ideas on how to reach lone members: (1) Small town newspapers (2) Posters (3) Military contacts (4) Lone Member newsletter to groups (5) Yellow page listings (6) Al-Anon info service (7) add onto sleeve of newcomer pack.

Ideas for MCAC Projects/Actions

1. Encourage use of CAL lit in our meetings by (a) bringing books, (b) read on topic
2. Encourage service through attraction – say/show service is FUN (service sponsors)
3. Find a way to communicate the benefits of service
4. Emphasize service is recovery (support trusted servants giving reports)

Cherie is going to write an article for the Bulletin about the MCAC Service Panel.

MCAC Service Panel (will travel and speak on the joy of service) Contact: Barbara W,

Willing participants: Portia S; Cathy W.; Anne J. (San Diego) ; Sue P.; Carolina L.06; Angelica H.

Could the website coordinator attend the next MCAC? There were several questions about putting things on the SCWS website.

Coordinator 2

Co-Operating with the Professional Community – Lee T.

Our purpose of this project – to reach spiritual leaders who are a source of referrals for prospective newcomers.

A two step process for each of us –

1) We contact local churches and church leaders and get names and phone numbers. We can later call to offer literature or to ask if there is a newsletter in the spiritual affiliation that we can submit Al-Anon information.

2) We can reach out and contact the higher ups in these institutions to find when/where there is a conference. Here we could ask to have a booth to set up and display Al-Anon literature. All contacts we make will be turned into SCWS and added to the data base of contacts for future use.

Questions from the floor?

Q) Are we welcome at these events?

A) We make contact and ask if there will be an area for us and community groups to have a booth.

* If the conference allows for our participation

1- Get the date, time place and specifics.

2- You can then pass this information on to Lee T.

3- If there is an application fee, contact Lee T.

4- Lee will then contact the area this event is in and give them a chance to participate.

Q) Are we welcome in our own area?

A) * Contact the church/other affiliation secretary –

1- They may send you to the priest, minister, rabbi, etc.

2- May be asked "Why are you calling?"

3- Our literature says we may identify in person with our full name and affiliation. Do it.

Q) If we were at their conference how do we say no to their asking to be at our convention?

A) 1- Our purpose to be there is to inform them about the Al-Anon program.

2- Al-Anon's Tradition does not allow for them to be at our even.

3- No answers are possible.

To begin the process today Lee T. asked for volunteers to reach out to the following denominations and report back. Baptist, Buddhist, Catholic, Episcopal, Jewish, Methodist, Lutheran, Presbyterian, Unitarian, Muslim, Mormon, Church of Religious Science, Salvation Army.

Q) How do we begin to reach out ourselves?

A) * - Contact church and ask if they have a "Social Services Office."

* - Give the contact the website for your area.

* - Be friendly with our friends and call and ask if they would like literature possibly to use for future reference.

* - Ask if they have a newsletter and if there is a person to contact about a submission. It has been suggested that you can submit a "Press Release."

Other ideas for contacts –

Seminaries	Aids Project L.A.
Teen Challenge	Chaplain U.S. Base
Hospitals	Jail Chaplain
Universities for their on campus religious groups	

Questions from the floor –

Q) Why are we targeting only religious affiliations and not social service workers and the like?

A) Focusing on one area to get results.

Lee T. completed his presentation

Fill out your evaluations –

Kay asked for comments.

National "Chaplain Registry" will give you listing of all chaplains.

Professional packets we are given today can be reordered for \$1 (K-30) from literature.

How do reach out to spiritual leaders/clergy is in draft form and our input is needed before it is finalized.

This is a work in progress.

We are all being asked to go back to our meetings and ask them to make contact and to buy or take literature with them.

Direct mail was suggested.

Hand label the literature we send after making a contact for personalization.

Libraries love getting our literature free.

Public Outreach – Lil S. Delayed, report not given.

Kay ended with the following.

The authority for Al-Anon's service belongs to the group. It takes four men to carry a stretcher and it may take four persons to carry the message to one person. Do your part to carry the message.
