DELEGATE'S REPORT

February 2013

Greetings CA(S), Area 04! I am so glad that I waited to write my report until after the Area World Service Committee Meeting (AWSC) which was held on Saturday, February 16! There was lots of dialogue and information provided at that meeting and I would like to mention some of it in this report.

A past CA(S) Delegate was talking to me recently and I was telling him how much has changed since he was a Delegate. I told him that the technological advancements have facilitated the flow of information to the Delegate almost instantaneously. I also told him how most days are spent on the computer doing "Delegate" work. He made a statement that will resonate with me the rest of my panel as Delegate. He said "remember that you are not here to fix Al-Anon, Al-Anon is here to fix you"! My response is "thank you, HP, I needed to hear that". Yes, there are moments that I lose sight of the fact that this is a spiritual journey, but just when I do I get reminded. What a gift it has been to be your Panel 52 Delegate!

Let's begin with the report of the Alateen Task Force: The Articles of Incorporation have been sent to the State of California. Form 1023 has been filed with the IRS for a 501(c)3. The SCAC By Laws have been revised by the SCAC Committee. The By Laws contain all that is necessary to be in compliance with the Area's Safety and Behavioral Requirements. The revised By Laws now also reflect the needs of the Corporation. The SCAC By Laws will be voted on at SCAC 2013. We continue to educate the Area and the Alateens that the By Laws must pass at SCAC 2013 in order to be in compliance with the Area's requirements.

It is important for us all to look at the way in which the Area responded to the theft from the SCAC account. The Alateen Task Force helped establish a recognized connection/link between SCAC and the Area. The money was raised and the debt was paid in full. The Area now has financial and operational oversight of SCAC. There was no drama, very little gossip, the person's anonymity was protected and the Area has grown in understanding the "spiritual principles" of the Al-Anon program. The Area is much more unified!

When the 7th Tradition basket was being passed at the AWSC on Saturday a District Representative raised the question "why doesn't each District Rep bring a donation from their district for the 7th Tradition rather than put a few dollars in the basket and then get reimbursed?" Wouldn't it be easier to bring a larger donation for the Committee Meeting and Assembly from your District and Groups ahead of time?

We don't talk much about contributions to SCWS, but when you look at all the services that SCWS provides to the Area it is mind boggling. Here are just a few of the unforeseen services provided: rent for the use of the facility, the mileage for the SCWS Area Committee Meetings and SCWS Assemblies, the background checks for the AMIAS's, printing and facility fees for the Recertification Workshops, Bulletin production, public outreach services, Delegate's expenses ~ the list goes on and on. Are you aware that any contribution to SCWS is tax deductible? Yes, SCWS is a 501(c)3 corporation with the IRS. To quote from our pamphlet "Seventh Tradition" (S-21) "If you have received help, and you no doubt have, why not give to further the cause for the peace and serenity of future members." Anne B., Cofounder of Al-Anon, 1958 .

I would now like to report and explain the topic of Conference Structure. A Thought Force is looking into Conference Structure for this Area. The charge for this Thought Force is: "Is the current Area structure providing the spiritual bridge we need to expand into the future in order to meet the needs of the Area"? The Thought Force met for the first time in early October. Members for this Thought Force consist of GRs, District Reps, past Delegates and members at large. We have met almost every Sunday night for one hour via telephone conference call.

We each answered the KBDM (Knowledge Based Decision Making) questions individually. This KBDM document will now be framed and presented at the May 2013 Assembly with the summarization of each question. Our goal is to start the conversation and our next step must come from the discussion at the Assembly.

The Thought Force will probably recommend that a Task Force is formed to develop a survey to distribute to the Groups. A Yahoo Group or a Blog could also be formed for a discussion group. Perhaps the Groups believe we do not need to change anything, but whatever the outcome it must come from the Groups.

A Thought Force on Conference Structure has been formed in CA(N). We realize that one of the possibilities could be a central California Area. I am maintaining close contact with the Delegate from CA(N) knowing that whatever each Area decides could affect the other.

To see that we are at the point of some sort of action (or no action) after all these years is really exciting and relevant to how slowly and thoroughly ideas are vetted. What we learned from all of our discussions is the idea is good, but implementation (if that is what our Area would want) will also need to be very slow and carefully thought out. There are so many unknowns and so much to learn from others that this will be a focus of CA(S) for a long time.

I am very busy preparing for the WS Conference which will take place in Virginia Beach, VA from April 13-19, 2013. I have been asked to give a 4 minute talk on our status of Conference Structure. I will also be participating in a Shared Leadership workshop with another Delegate and two Trustees. I am also part of a Task Force on Conference Approved Literature (CAL) that will be presenting at the Conference. Lastly, I have been chosen to be on the Conference Committee on Trustees. This is a committee that evaluates resumes submitted for Trustees at Large openings. As you can see in addition to my Delegate's work in the Area I am also very involved in preparing for the WS Conference.

Juvenile Hall. When I was first approached by Kathi A., (former DR of District 75) to come to San Diego to participate in an Alateen meeting held in Juvenile Hall I said yes without giving it another thought. Kathi also stated that she wanted me to give voice to what San Diego is doing in the Juvenile Halls. In a short period of time I received a mountain of paperwork to fill out for the County of San Diego. Once done and mailed in I forgot about it. Then one day I received an email inquiring of my availability to attend a mandatory workshop in San Diego in order to obtain entry into the Juvenile Hall Alateen meetings. I attended that workshop last week and was later given a tour of Juvenile Hall that same day. Next week I will attend my first Alateen meeting held in Juvenile Hall in San Diego. I am so impressed with what has been started in the San Diego Juvenile Halls.

Bringing an Alateen meeting each week without fail into Juvenile Halls tells these kids that they matter and that someone is there for them. It says this is your meeting and we are here for you. Each teen is given a soft cover Alateen book for them to keep. The fellowship of San Diego through their generous donations provides the money necessary to purchase the Alateen literature.

I continue to see over and over that this is a family disease and children are affected at every age. This experience has touched my heart beyond what I ever thought possible.

KBDM. Knowledge Based Decision Making. A very spirited and necessary conversation took place at the AWSC Meeting on Saturday. The Committee discussed either using KBDM emulating the Conference or using Robert's Rules.

KBDM was adopted at the WSC starting in 2006-2009. KBDM is a process to reach an informed group conscience. Knowledge Based Decision Making has four essential elements: (1) a philosophy of open communication between leadership and membership, (2) dialogue before deliberation, (3) common access to full information for all decision makers and (4) a culture of trust.

Robert's Rules of Order or other parliamentary procedures first poses a motion and then debates that motion's pros and cons in a win - lose style; in contrast KBDM first discusses an issue and ensures that all decision makers are fully informed. Then, only after the group has clarity would a motion be made, in the spirit of win-win. According to this approach, the quality of mutually respectful and informed discussion is more important than one opinion prevailing over another in a vote.

At the end of the conversation a vote was taken for the Area to go completely with KBDM starting at the May Assembly and all motions must come after discussion. We may continue to struggle with the learning curve but once again our HP has spoken through our group conscience.

Al-Anon Family Groups' 2013 International Convention will be held in Vancouver, British Columbia, Canada on July 5 - 7, 2013. There will be lots of Conference Activities from the Pioneer Luncheon, Workshops, Big Meetings, A.A. Activities and a separate "day of connecting" event on Thursday, July 4. Visit www.al-anoninternationalconvention.org site for more information. Registration fees between 1/1/2013 and 5/31/2013 are: \$140. After June 1, 2013 the fee is \$165.

TEAM EVENT. A TEAM Event will be held in CA(S), Area 04, on January 18, 2014. We have already submitted the topics we would like to see presented. WSO will choose which ones they will present. This is your opportunity to come and hear the personal stories of the members of the Board of Trustees who will be here and to ask any questions you have. Please spread the word of this special day and save the date!

It is a gift to have been given this growth opportunity of serving as your Delegate.

Alternate Delegate's Report

SCWS Committee Meeting

February 17, 2013

The SCWS Sharing of Service day on Saturday, January 19 was a success. More than 150 people attended. I'd like to thank our panelists: Sandie E., Jayme Cr. and Arlene Van B. on the "Taking Care of Meeting Business" panel and Margaret S. and Kathy A. on the "Public Outreach & Institutions panel." Patrick B., Delegate for California North, shared his personal experience, strength and hope during his talk after lunch. He also talked about how Northern California is organized as an Area. Thanks also to Arlene R. and her registration team for a smooth registration and to CB S. and her hospitality team for a lunch that was served quickly leaving plenty of time for the program. Tarisa R. held a workshop from 9 am to Noon for Alateen Sponsor Re-Certification which more than 40 people attended.

Next January 18, 2014, our SOS Event will be a TEAM event (Together Empowering Al-Anon Members) with participation from the World Service Office. We will begin working with World Service after the International Convention in late July to start planning the event. We will begin publicizing the event to SCWS members early in the planning process.

Thank you to the Board members who attended the new DR orientation this morning before the Committee meeting. They helped bring DRs up to speed on their duties in the areas of Alateen sponsor approval, record-keeping, treasury and finances and gave them some insight into their role in working with the GRs from the groups in their districts.

I am passing around subscription forms for The Forum and Al-Anon y Alateen en Accion which DRs can take back to their meetings. An important part of each GR's job is to promote individual member subscriptions to The Forum. We have had several Al-Anon members in Southern California contribute articles and photos to the Forum and we should encourage more of our members to share their experience, strength and hope with the Al-Anon membership worldwide.

We encourage all DRs and Board members to continue promoting

Al-Anon's 2013 International Convention in Vancouver, British Columbia, Canada July 5-7, 2013.

The Convention has its own website: www.al-anoninternationalconvention.org. We urge all DRS to visit the site and encourage their GRs to do so as well and then to tell their meetings about the Convention.

In Service,

Tim P. Alt. Delegate

Chair Report February 2013

We are entering the second year of our three year term and it has started to get exciting. We are going to have a presence at the LA Book Fair thanks to our , we are interviewing candidates for a Spanish Liason, and, starting with the May Assembly, you will begin to actually see KBDM applied. We've had KBDM Thought Forces in action and some of them will have results to present. We've also pledge to give early notice of decisions that we need to consider so you can discuss them in your groups before coming to the Assembly.

Concept 12 is among the driest of the dry concepts. Basically it says, "we have warranties." The five warranties talk about things like ample reserves, reaching decisions by discussion and vote, and being democratic in thought and action among others. In the December issue of the Forum, the article on Concept 12 summarizes the warranties as being about prudence.

One quote from the article, "To me, prudence means to be careful, not to rush, and to look at things from all points of view."

At first, I thought it was talking about patience, but when I checked back it was only talking about prudence. The difference, I think, is that prudence means taking action even if it is slow, where patience may mean just having to wait.

The Service Manual on page 264 says, "..., prudence is a middle ground, a channel between fear on the one hand and recklessness on the other."

We take our time making decisions. This frustrates most of us, me included, even though I'm generally on the side that wants more time to consider things.

On the one hand there are decisions that need to be made "right now" because they are so important the world will end...

Or so we think.

On the other hand there are decisions that the group makes that are clearly going in the wrong direction, and if they would just listen, we could convince them of the danger of their position...

Or so we think.

"You may be right" also means "I could be wrong."

I could be wrong means that maybe I could spend a little time listening to your opinion.

Sometimes the right way lies between our two opinions, sometimes the right way is in another direction entirely, and sometimes we have no idea what the right way is. If I've learned anything in AI-Anon, it is that I don't have to be right all the time, or even much of the time. I only have to reason things out with someone else and to take considered action. I can change my mind if things don't work out, because the world really hasn't ended, contrary to my fears.

And when I look at the world that way, it really is exciting.

Treasurer Report

I want to continue to thank all the groups that are consistently sending in group contributions to Southern California World Service. Our year to date contributions are down by 9.4% (as I write this report) compared with 2012 YTD group contributions, but our District and Intergroup contributions are up by 8.2%. Our overall expenses are down 7.6% compared to last year and SCWS continues to move in a positive direction. We will have a new proposed budget to present at the May 2013 Assembly.

Congratulations to the four winners of the Forum subscriptions at our February Committee Meeting. Those subscriptions have been sent into WSO and the winners should be receiving their Forum magazine soon.

• **Reminder to Group Treasurers:** When sending in your contributions to SCWS, please use the same Group ID assigned by WSO, versus the old numbering system. If you are not sure of your Group ID, contact our Group Records Coordinator, Chris C. I have created a group contribution form, where the treasurer can download on to their computer and type directly on the form versus having to hand write the form. The form is also located on our SCWS website under "Forms."

Once again, thank you for allowing me to be of service to Southern California AFG.

Past Delegate—

PAST DELEGATE'S REPORT—MAY, 2013

I would like to thank SCWS for its continued generosity in sending the Immediate Past Delegate to the Southwest Region Delegates' Meeting, this year, in Albuquerque. As many Areas are not financially able to extend this opportunity to its Past Delegates, I am especially grateful for the sense of Abundant Thinking in our Area. SWRDM presents vital information to new Delegates, but also keeps Past Delegates updated on some of the issues and topics to be discussed at the World Service Conference. The Regional Trustee's report gave us information about Al-Anon worldwide and issues facing WSO.

Did you know that Al-Anon's service arm, the World Service Office, receives roughly 26% of its income from group and individual contributions, and the balance comes from literature sales. Did you know that the percentages are opposite for AA? Are they more grateful for their program than we are? Contributing to our Area and WSO will help to insure that Al-Anon will continue on into the future. If anyone is confused as to what the WSO means to our fellowship, please read our literature, Service Manual and Conference Summaries. I need to be generous to the program that saved my life, gave me a life worth living, and sustains my life. I stopped putting just a dollar in the basket. I give what I have, because I realized that I think nothing about ordering a coffee, picking up take out, or ordering a book for my Kindle. I had to adjust my thinking and place a higher value on something so seemingly intangible.

Finally, it is so great to see our Area embracing Knowledge-Based Decision Making as the way we do our business. The process begun by our Thought and Task Forces, has opened the door for further understanding of the needs of our Area. To have everyone prepared with the same fact-based knowledge can only enhance our trust of the process, presuming good will of one another and understanding and respecting everyone's voices.

With gratitude,

Sandie E,
Immediate Past Delegate

Discussion about Area Structure ThF. We can consider whatever our own Area needs. Some of the smaller Areas (East Coast) are talking about combining Areas. You will see the KBDM questions and responses at the May Assembly. NoCal recently decided to form a ThF about Area structure too. What about video conferencing for people who live so far away? What are DRs absent today and GRs absent at the Area Assembly? We don't realize how good we have it here. People in Texas drive 8 hours and they rotate the Assembly location.

New Business

1. Thought Force (ThF) & Task Force (TF) reports will be given at May Assembly for: ThF on Conference Structure, ThF on D64, TF on Alateen Safety and Behavioral Requirements, possibly others.

2. Discussion about KBDM vs Roberts' Rules. Knowledge-Based Decision Making, KBDM, was adopted at WSC starting in 2006-2009. Shall we emulate what is done at the WSC by using KBDM, and not use Robert's Rules? If we'd used only KBDM at the Nov 2012 Assembly, then the motion that came up wouldn't have continued as a motion but rather as a discussion and we would have talked and talked before any kind of a motion would have come up. The spirit of KBDM is to presume good will and for everyone to know the same amount of information, to have the same facts. We cannot make a motion when we do not have all the information. The motion at the November Assembly seemed to have been premature since a Task Force (TF) was/is still in the middle of doing their work. How to have all members have all the same facts: an idea will come from the Area, if the group decides to talk about it further, then a ThF is created, a question is framed.

When the ThF has finished and is ready to talk about the ThF results at the Assembly, first the framing of the question is given, followed by a period of asking questions. The framer is going to tell you what it's all about, history, pros, cons, any facts they know, referencing the WSC summary, service manual, etc. If the framing is done correctly, then the questions that would have been asked would be answered during the KBDM process. The framing sets the stage for what the issue is that we're going to talk about. We take questions first, so that everyone's questions can be answered. After that is done, everyone's knowledge base has improved.

There also is time for discussion – not to push any one thing, but to consider possibilities. The Assembly could ask for more info/questions, could ask for a TF or a secondary ThF, or could decide nothing needs to change. If it turns out that the Area likes one of the things that the ThF came up with (such as perhaps a workshop we can develop or present), then there is a place for a motion to happen. The way we subsequently conduct a vote is first to give everyone a chance to discuss further before proceeding to a vote. When the questions & discussion has been completed and thus the group is ready for a vote, a motion is made with the wording that is the natural consequence of all that discussion, the motion is seconded, there might be more discussion, and then the vote happens. Sometimes during the process, the group might decide that a vote is not necessary.

Roberts' Rules says that we cannot talk about something until a motion is made, but in KBDM the order is reversed. The component of Robert's rules that is used is only in the actual vote, but not for someone to "call for a vote" in the middle of discussion, which would stop discussion in a controlling way, and instead a motion can be made and the vote can occur only after the group is satisfied that all questions have been answered and opinions and input have been considered. KBDM determines WHEN the group is ready to take a vote, and then the motion-second-discussion-vote takes place – R's rules is used only when the KBDM process leads naturally to a motion, and R's rules are not used to cut off discussion.

Comfort level: we've been using Robert's Rules since that's what we're familiar with. It's about being fair, first. If we need to discuss then we discuss first. Having a motion at the Assembly helps us to keep the focus of the discussion on a particular topic and not on a smaller side point, but how do we do that with KBDM? We do have to specify how we make decisions, which is not specified by KBDM. What does "when all participants are ready" mean, for a group this large?

KBDM is about having enough discussion to make a sensible decision. When you know what's being voted on, it makes such a big difference. We come up with a resolution that works for everyone and not end up divided. Unanimity with KBDM vs. majority rule when the vote is called with Robert's Rules of order. Printed information vs. the strongest emotional plea. Timeliness of the Bulletin.

We are doing KBDM right now on doing KBDM

When we make a motion at the beginning of a discussion, it points us to one little area and doesn't allow for free discussion. That brings up the topic of how much time we have at the Assembly.

Some Areas have an Assembly that is 2 days (NoCal, etc.), some 3 days (Alaska, etc.). Right now, this must be discussed at the District meetings because we don't have time at the Assembly and then everyone at the Assembly doesn't get to hear everything that was discussed in the other Districts.

People need to know that they can abstain, and if lots of people ever do abstain, we can take it to mean that the group isn't ready to vote.

1. The Nov motion would have been made even if we say that it must be 6 weeks ahead – he would have followed the 6-week rule and would have made the motion 6 weeks ahead of time.

2. Presume good will. On the other hand, what if all board members want to manipulate? Should the board be the ones to decide which motions can be made?

3. Any GR must be able to bring up a topic.

4. Sometimes there will be things that have to be decided right now.

How can we speed up the process to get it out sooner? The information should *not* be sent out ahead of the Assembly so that it keeps the discussion among those who have the same knowledge base. KBDM is all about giving the same complete information to everyone making the decision. By having it out beforehand, we would be encouraging debate among those who won't be getting all of the information.

After the vote, we support the Group Conscience decision.

The timing and the function of the motion is critical. Sometimes a motion is premature, and sometimes it's controlling

Let's take a vote. Shall we go completely with KBDM starting at the May Assembly, and all motions must come only after discussion? **Procedure accepted by Committee members,** by show of hands.

Board will discuss whether to send information from the completed TF or only agenda info.

Ask-It Basket Questions

Ask It Basket February 16, 2013 Committee Meeting

1. *Q. Is it possible to advertise a monthly meeting that is AA and Al-Anon and Alateen? Is there a special format for a “double winner” (dual AA-Al-Anon members) meeting?*

A. On page 77 of the 2010-2013 Al-Anon/Alateen Service Manual it states “The WSO cannot register any group that is solely for Al-Anon members who are also recovering alcoholics and members of A.A., because it does not qualify to have a Group Representative.”

In the "Digest of Al-Anon and Alateen Policies" section of the 2010-2013 Al-Anon/Alateen Service Manual (P-24/27) is published in the section "Outside the Fellowship," under "Retreats." This particular event is not labeled as a “retreat”; however, the policy applies to all similar events that are not put on by an Al-Anon service arm. Our shared experience suggests there are many worthwhile activities in which members participate to enhance their recovery; however, they are not all “Al-Anon events”; many are outside events attended by Al-Anon members.

The following questions may help you determine if an event is an Al-Anon event:

- Does the Area or District support the event?
- Is there accountability for funds received?
- What is done with any remaining funds after expenses are paid?
- Who is liable if something happens?

2. *Q. Could the agenda at the Assembly and Committee meetings include a note on who has voice, and who has vote that day?*

A. This information is included in the Bulletin for both Assemblies and Committee meetings. You can find it in the Table of Contents under “Voice and Vote.” However, we will consider putting this information on the agenda as well.

3. *Q. To whom at SCWS do we bring problems with Intergroups? Can we have District contact information included on AIS websites?*

A. On pages 59-61 of the Service Manual, it is noted that “Al-Anon Information Service, also known as an Intergroup, is a local service established and maintained by one or more districts.” These AIS/Intergroups perform functions such as: Setting up a local phone number for meeting information, publishing and updating a list of group meetings, serving as an outlet for Public Outreach and maintaining a stock of Conference Approved Literature. They may register with World Service as a Literature Distribution Center (LDC.) Our local Southern AISs send a representative, called an Al-Anon Information Service Liaison (AISL), to Southern California World Service Committee and Assembly meetings. These liaison coordinators would be good people to contact if you have questions about or issues with a particular local Intergroup. However, SCWS has no direct influence or authority over what goes on within the various Intergroups.

SCWS has Intergroup information listed on our web site. However, we have no authority to ask southern California Intergroups to list District Representatives or other SCWS contacts on their web sites.

4. Q. Our previous District Representative (DR) took the responsibility of assigning Alateen sponsors to meetings, often moving them around when teens did not want this. The rationale was to give sponsors experience by having them work with younger Alateens and with older Alateens. Is this the DR's responsibility?

A. In the Service Manual pages 149-150, which talks about the DR's responsibilities, there is no mention of this being a DR duty. On pages 84-85, which discusses Alateen Group sponsors, there is no talk of Alateen sponsors being assigned to groups. Our experience suggests that Alateen groups benefit from long-term, consistent sponsors.

5. Q. Is it necessary to be a past or current Group Representative (GR) in order to serve as a secretary or treasurer of a district?

On page 140 of the Service Manual we read: "The election of the DR and the Alternate DR (ADR) [is] from among the incoming, outgoing, or active past GRs, none of whom are members of A.A." So DRs and ADRs must be either past or current GRs. However, any Al-Anon member can serve as a District treasurer, secretary, Alateen coordinator or Public Outreach coordinator without having served as a GR.

6. Q. According to G-37 Al-Anon Guidelines concerning District Representatives it states that the Alternate District Representative (ADR) may be a member of the Al-Anon Information Service (Intergroup.) The guidelines also recommend that the ADR attend Committee meetings with the DR. So why isn't the ADR invited to sit at the Committee table with the DRs?

A. If both a DR and ADR attend the SCWS Committee meeting, only the DR has voice and vote because each District has one vote. However, if the DR cannot attend, but the ADR attends, then the ADR has voice and vote and will be seated around the table. The custom of seating the voting members around the table is to help the SCWS Chairman recognize easily who has voice and vote.

Area Coordinator Reports

Area Alateen Process Person-
2/16/13 AAPP REPORT

Hello all. As always I am very happy to be here and to be of service.

Life has been a little crazy lately. It just seems to be one thing after another. Just recently my husband spent 4 days in the hospital and right after he returned home our Internet went down. So there has been little Alateen work done in the last few weeks.

There are some processes I plan to put in place. I will notify each district when I receive a new AMIAS or group form. This process will start from today forward. If you don't hear from me within a week, please don't hesitate to email me directly.

I return by email any forms that are incomplete or incorrect. Please respond within 30 days. I have a number of these that have stretched out way too long. Please remember form one needs initials not check boxes.

Recertifications. I will be receiving our Recertification list from WSO the first week of March. I will get them out to you by the second week of March. Please review the list for your district. I suggest you contact each of the AMIAS's in your district. If you can't contact them neither can SCWS or WSO. Your list will include a column for yes or no. If you choose no there will be a column for the reason why. Please plan to have your report back to me by May 31 as I need to submit information for all Districts by June 15. But please know you do NOT have to wait until May 31 to return your list. In fact, the earlier the better.

We currently have 530 AMIAS. District 12 has the most with 40. The least a district has is 5.

We currently have 90 groups. Districts 10 and 51 each have 5 which is the most. We have only one district with no meetings.

Love in Service.
Kathi M.

Archives Coordinator

Feb 2013

As your SCWS Archives Coordinator, I would like to thank all those whom have taken their time to write and submit their stories to me for the Longtimer book. I would also like to thank those who allowed me to interview them to get their stories on 'life in Al-Anon.' While working in the District 8 area in the beginning of the new year, I was able to contact some of the Longtimer's who provided me their contact information in my Sept 2012 visit. This allowed me to personally sit down with them and share coffee, tea and life's stories. What an amazing experience it was for me!

I continue to request you to invite me to your District meetings or please encourage participation so I may get to know you. I would like very much to work with you to find as many Longtimer's in your area as possible. I am also in need of participates who would like to help with the interview process, help with story transcribing to paper, and interview call backs if the stories submitted need further follow-up.

In 2014 SCWS will have a Longtimer event which happens every 3 years. In acquiring names and numbers today, this information would be used in the future to invite each to the Longtimer event in Glendale.

Love in Service, Charlene A.

Alateen Sponsor Coordinator

My mission is to ensure that all of the Alateen meetings in our Area are safe, remain focused on the Steps & Traditions, and are being run by Alateens (*not dominated by Alateen Group Sponsors*).

Here are a few of the projects that I have been working on:

(1) AMIAS New Applicant Certification Training (on-line and face-to-face sessions)

One of the requirements passed at the May 2012 Assembly is to attend a workshop before being considered for certification. Even though workshops are spread throughout Southern California, it still posed a difficulty for new applicants to attend a workshop in a timely manner without having to travel great distances.

At the request of our fellowship to remedy this situation, monthly on-line Certification Trainings were implemented. Currently, new applicants can attend an on-line session in the comfort of their own home *or library*. Face-to-face sessions are also available for new applicants at many of the Conventions in our Area.

Attendance report: Total = 158 +

June & July face-to-face	59	February SFVAA Convention	9
September on-line	11	February 10 & 23 in Spanish	24
September So Cal Convention	8	February on-line	6
October on-line	12	March on-line	8
November on-line	11	Santa Maria in Spanish	
December on-line	5	April AFG Convention	
January on-line	5	April on-line	

Certification is valid through May 31. In order to remain certified past that date, an AMIAS must attend a Recertification Workshop. New Applicants that certify between February 1 and May 31 do not need to attend a Recertification Workshop before June 1.

(2) Alateen Sponsor Recertification Workshops

Workshops are used for Recertification only. There has been much support for workshops so that AMIAS's can get together and share their problems and solutions (*pertaining to Alateen service*) with each other. These have proven to be successful and beneficial.

Attendance report: Total = 387 +

(3) Alateen Sponsor Recertification Workshops for June 2013 – May 2014

In August 2013, I will be training six AMIAS's as Recertification Workshop presenters. The six AMIAS's represent different regions within our Area (San Diego County, Orange County, Inland Empire, San Fernando Valley, Ventura County, and Los Angeles/Spanish).

This will allow all districts the flexibility to schedule workshops when and where it is convenient for them.

The Certification Training & Recertification Workshop schedule for June 2013 – May 2014 will be distributed at the May 2013 Assembly.

(4) Amendments to the SCWS Area Safety & Behavioral Requirements

I am currently chairing a task force that was created to review the document that was passed at the May 2012 Assembly. We have been asked to *"suggest amendments which incorporate the comments received from the fellowship to clarify, streamline, remove inconsistencies and/or otherwise improve the Requirements, keeping in mind the ultimate goal of Alateen safety."*

We reviewed the written & verbal comments from the May 2012 Assembly and postings from the SCWS Alateen blog. The revised SCWS Area Safety & Behavior Requirements will be presented at the May 2013 Assembly. This document also notates where each requirement originated from (*Service Manual, Guidelines, etc*).

(5) Alateen Transportation Form

Any Alateen minor being transported to and/or from an Alateen meeting or event must have an Authorization Form filled out and signed by the Alateen's parent/guardian.

Further information about this requirement can be found on page 7 of the WSO Alateen Safety Guidelines (G-34).

Previously, our Area used the WSO Form A (permission) and Form B (medical) found on pages 3-6 of the WSO Alateen Safety Guidelines (G-34), which is a four-page document that requires a notary stamp.

SCWS has adopted a one-page Alateen Travel and Treatment Authorization Form which replaces Form A and Form B. The new transportation form was distributed at the February 2013 Committee Meeting and emailed to all DR's, DAL's, and AMIAS's.

(6) Detailed Plan for Alateen Events

According to the SCWS Area Safety & Behavioral Requirements, page 13, item #7:

"Prior to any program-related event involving Alateen participation, the responsible committee must submit in writing a detailed plan of how the Alateen participation will be conducted and how this plan will keep the Alateens safe, including the names of the current year's Alateen Committee Sponsors. This must be submitted to the SCWS Area Chairman."

SCWS allowed a one year grace period in order to inform all AMIAS's (Al-Anon Members Involved in Alateen Service) about this requirement during Certificate Trainings and Recertification Workshops. Effective June 1, 2013, any Alateen Event not in compliance with this requirement will be in violation of the SCWS Area Safety & Behavioral Requirements and will not be allowed to use the Alateen name in conjunction with the event. A template of a detailed plan was distributed at the February 2013 Committee Meeting and emailed to all DR's, DAL's, and AMIAS's

Thank you for letting me be of service!

Bulletin Coordinator

Hello California South-Area 4!

I hope you are enjoying viewing the online bulletin. As time goes on, we will change the format for better reading ability. For today, we have changed it to a one column format, rather than two. In the efforts to bring the news to all sooner, we are shooting for a 3 week period after the committee/assembly to get the reports in. The dilemma for me is in getting the most current financial reports in from the treasurer. We may post the online version in summary at post time, then repost at the end of the quarter. We are also looking at getting individual board reports online ASAP! As always in our service, more will be revealed.

This bulletin is a means of communication between the Al-Anon members and their meetings from the Group Reps. and world service. In this edition of the bulletin, you will find many district reports with information on upcoming activities. You will also note a number of districts with no reports. This is due to no activities or no DR yet to step up to be of service. Reports in this bulletin were turned in at the February committee meeting and cover the time from November to Feb. and into the future if the district is planning ahead., it is a great way to be of service by attending another districts events and another way to meet more members of our fellowship.

If you need to turn in a report for the rest of 2013, please use these dates as your guide.

May Assembly– Turn in at the assembly May 18th

And up until June 9th.

August Committee– At the committee meeting on Aug. 17th

And up until Sept. 8th.

November Assembly– At the assembly Nov. 16th

And up until Dec. 8th.

Support me in my request by the board to get the bulletin out ASAP after our meetings. As always, I will do my best to keep the bulletin up to date with reports in from all.

LIS, Kathy G/ Bulletin Editor

CPC Coordinator-Cooperating with the Professional Community ("CPC") Coordinator's Report
February 16, 2013

Hi, Everyone. Just in case you or your GRs are planning ahead and thinking about ordering the next printing of Al-Anon Faces Alcoholism's Public Outreach magazine, the deadline for the next issue is July 10, 2013. The WSO emailed me back yesterday and said that as soon as the 2013 AFA orders are filled in March, they will post the new order forms on line and start accepting orders.

In the meantime, if you haven't already checked it out, you must go to the *The Best of Public Outreach online for suggestions on public outreach activities*. You'll find in this section that there are dozens of ideas for your district, group and individual members to be a part of public outreach. It's basically public outreach made easy. And a good way to make use of The Forum and AFA magazines is to donate copies to your local homeless shelter or buy a Forum gift subscription for a women's shelter. See The Best of Public Outreach available at www.al-anon.alateen.org/members under "Public Outreach."

Recently, Michael H, an administrator at the County of San Bernardino Department of Behavioral Health, contacted us for more information about Al-Anon. They already have our phone number on their website but he thought that doing a DVD presentation would be much more informative and I totally agreed with him. He's checking with his people, and I hung up the phone and quickly did research on what DVDs we have available. To my delight, there is, indeed, a new Al-Anon and Alateen DVD available in English, Spanish, and French (and subtitles) from the WSO for only \$5.00 each entitled "Al-Anon and Alateen's Role in Family Recovery." I read in Area Highlights that Patsy A., North Carolina's delegate, gave a very successful presentation at the Episcopal Diocese of Western North Carolina Conference showing segments of this DVD. So this sounds like an exciting public outreach tool for us and I have ordered a few. As my sponsor often says, more will be revealed.....

Al-Anon Faces Alcoholism 2013

An excerpt from this issues delegate report- Jayme C,

KBDM. Knowledge Based Decision Making. A very spirited and necessary conversation took place at the AWSC Meeting on Saturday. The Committee discussed either using KBDM emulating the Conference or using Robert's Rules.

KBDM was adopted at the WSC starting in 2006-2009. KBDM is a process to reach an informed group conscience. Knowledge Based Decision Making has four essential elements:

- (1) a philosophy of open communication between leadership and membership,
- (2) dialogue before deliberation,
- (3) common access to full information for all decision makers
- (4) a culture of trust.

Robert's Rules of Order or other parliamentary procedures first poses a motion and then debates that motion's pros and cons in a win - lose style; in contrast KBDM first discusses an issue and ensures that all decision makers are fully informed. Then, only after the group has clarity would a motion be made, in the spirit of win-win. According to this approach, the quality of mutually respectful and informed discussion is more important than one opinion prevailing over another in a vote.

Group Records Report

My name is Chris Crawford and I am the Group Records Coordinator.

We currently have 1169 Active Groups in Southern California. There are 62 groups listed with "No Mail" as their addresses are not current and they are not receiving "The Forum" magazine or group information via mail or email updates as well. Currently there are 305 meetings marked as "Inactive" and 40 meetings that are marked "for deletion" by WSO in March 2013.

I have updated quite a few Group Reps and District Reps as well since the beginning of the year. Please note that it is the responsibility of the Group Representative to update the Group Records Coordinator with the current information. I would like to encourage everyone to go to the SCWS website http://scws-al-anon.org/send_mtg_record_updates.php to update your meeting or to register a new meeting. Going online to update information or to add a meeting is the quickest and easiest way to update the information. This way you save yourself the cost of the stamp and the WSO Office in Virginia Beach is updated as well, so there is no longer a need to notify WSO in Virginia Beach, VA as we work on the same database.

When completing the Information form, please make sure to add your **full name and address including your zip code**. This information is very important, in that the database can only assign you to one meeting as a Group Representative. I have had to spend many hours making phone calls and sending emails just to find out the Group Representative full name and address.

I take this commitment to my heart and want to do the best job I can. However, when I only receive half of the information I need, it is very frustrating on my end in that I cannot complete my job. If I do call you and leave a message via voice mail or email, please be courteous enough to return my call or email.

I have discovered that the most important issue is that each and every meeting needs to be registered through World Service Office and not just your local Intergroup Central Office or Service Center. I am discovering that some meetings that thought they were registered, actually were not registered with WSO. Also, once you receive your WSO ID number, please contact your local Service Center or Central Office to let them know of your new meeting.

During a telephone conference with other group coordinators, it was strongly suggested by the WSO that all groups update their records, even if the information has not changed.

Verification of e-mail addresses has become essential and should be accomplished on a regular basis since the WSO and Areas are increasingly communicating electronically with the groups. WSO has requested that members **not** use their work email address for their group. It was suggested during a recent telephone conference with other Group Records Coordinators that a group can have their own email address through gmail.com or yahoo.com. If a birthdate is needed for the application of the email address, it was suggested to use Lois birthdate of March 4th and the year 1951 for year Al-Anon started, ie, the birthdate would be 3/4/1951.

Please make sure that your Current Mailing Address (CMA) for your meeting is updated. The CMA receives all mail from WSO as well as the "Forum".

Yours in service,

Chris C.

Literature Coordinator Report - February 16, 2013

The Board has honored me with the task of researching insurance options for our groups. It seems more and more facilities are requiring it for rentals. We are committed to assisting groups with what can be a thorny issue. I will give a report of my finding to the Chair before the next Officers meeting.

Planning is underway for the Book Give-Away at the May assembly! Looking forward to having another game for you to play. Be sure to swing by the Lit. Table to see what's in store...

News from the Literature Office:

1. The soft cover edition of *How Al-Anon Works* (B-32) is intended for members and groups to give to newcomers. This printing is on a trial basis, and its continuation depends on whether this purpose has been met.
2. Please contribute to the forthcoming book "Intimacy in Alcoholic Relationships". The sharing sheet for INTIMACY IN ALCOHOLIC RELATIONSHIPS (working title) can be found in the "Literature Project sub-folder of this e-Community or on-line at www.alanon.org/members/pdf/intimacysharing.pdf. Members can submit sharings on-line at the Members' site, www.al-anon.org/members under "Submit a Personal Sharing." Please encourage more members to share on the many types of intimacy, including sexual intimacy. There is no deadline for these sharings at this time.
3. Each quarter a sample chapter from a piece of CALiterature is available on the Public Outreach webpage as well as the member's site. Jan-Mar is from "The Dilemma of the Alcoholic Marriage" (B-4)
4. Please share what your Area is doing to spread the word about CAL, or publish reviews of various CAL books and pamphlets. *Area Highlights* is posted quarterly (March, June, September, and December) exclusively on the Members' Web site, www.alanon.org/members (under "Newsletters" in the "Publication" section).
5. Sharings needed for The Forum's CAL Corner. How has CAL helped in your recovery? Focus on what this piece has meant to you rather than on the content of the piece itself. Please limit yourself to 350 words. Send your articles by mail to Al-Anon Family Group Headquarters, Inc., Attn: "CAL Corner," 1600 Corporate Landing Parkway, Virginia Beach, VA 23454-5617; by fax to (757) 563-1655(757) 563-1655; or by e-mail to wso@al-anon.org.

Thank you for letting me be of service!

2/20/2013 Committee Report

I participated in a conference call with Public Outreach coordinators from all over the country before the holidays about ideas for Public Outreach during the holiday period when alcoholism can create so much difficulty for family members. There were many exciting ideas and it got me really motivated. I have a supply of Al-Anon Faces Alcoholism and I decided that they could do some good in the visiting room waiting rooms to visit at the County jail. I made a contact with the Sergeant in charge of the front counter at the visiting room at the Los Angeles County Men's Central Jail and delivered a box of Al-Anon Faces Alcoholism. I put some out on the tables by the line for visitors and the Sergeant offered to hold the box and replace them as they ran out.

Since the Los Angeles Jail System is the largest in the country, and with realignment of inmates from the State prison system to the Counties, the system will have to accommodate more needs, I realized that it will take a large supply of Al-Anon Faces Alcoholism to carry the message to these Institutions. I had only supplied the Men's Central Jail, and there, only the waiting room for visits and nothing for inside the Institution. There are two other facilities' waiting rooms at the Twin Towers at the same site as well as other facilities in Los Angeles County and facilities in the other counties in Southern California. Al-Anon Institutions in Northern California has taken an idea from AA in Northern California. They raise funds in pink cans to supply literature for Institutions work that Al-Anon does inside the prisons in Northern California. I brought the idea to my home group and the group conscience decided to start collecting for Institutions in a pink can to purchase as many copies of Al-Anon Faces Alcoholism as we can to for distribution to Institutions. We've made our first small order of AFA for the April printing. I am hoping that my group can be an example and get groups all over Southern California to start putting a pink can in their group collection basket to fund outreach to jails, prisons, hospitals, youth facilities and treatment centers in their districts and Intergroup areas. I would welcome coordination with any other groups in Los Angeles County to help supply the huge County jail system.

Not every good idea is a success. I contacted my local police station thinking that AFA could reach a lot of people at a moment when they are most immediately affected by the disease, by supplying them to the waiting rooms at the police stations. Unfortunately, I learned that the LAPD does not allow us to leave literature in the waiting rooms. It was explained that some other groups wanted to leave literature and, in order to avoid controversy, no groups could now leave literature. The officer offered to put me on a distribution list of community outreach meetings we could attend (I'll pass that info along to our Public Outreach Coordinator when I receive some info.) Unfortunately, that won't reach directly to the people out there who are suffering the most but will reach other people who also are trying to help.

As the Al-Anon Co-Chair, I have been attending the planning meetings for the 32nd AA Southern California Hospitals and Institutions Conference with Al-Anon Participation. I encourage you to attend. Our Al-Anon luncheon speaker will be Yvonne de G from Pleasant Hill, CA and the Al-Anon panel will be "Getting Al-Anon into Institutions; Successes and Challenges". The panelists will be Yvonne de G., David B., Monterey, CA and Tina S, North Hollywood. You'll get to hear about the amazing Al-Anon meetings that Northern California has pioneered in the State prisons. The Conference is April 12-14, 2013 at the Anaheim/Orange County Doubletree in Orange. I hope to see you there.

SCAAC, Southern California AA Convention With Al-Anon and Alateen Participation

I'm still very excited about this commitment as the 2013 Al-Anon chair for the Southern California AA Convention! I'm a convention junkie and this is my absolute favorite convention!

We had our first planning meeting last Sunday, February 10th, in Pasadena and we had a great turn-out! Everyone is very enthusiastic! We could still use some help in a few areas (especially fundraising) but for the most part, everything is covered. All are welcome to attend our planning meetings and to carry the message to your meetings. The next one will be on March 10th at 1:30 p.m. at the Westminster Presbyterian Church, 1757 North Lake Avenue, Pasadena, CA. The theme is *Sunny Side of the Street*. We will be choosing our logo at the next meeting.

This is going to be a great year. We are in the process of planning our fundraiser, which will be held on **August 24, 2013** at the Westminster Presbyterian Church in Pasadena. There will be food, speakers and entertainment! The speakers are Sarah R., Al-Anon and Matthew M., AA. We will also be selling merchandise and we will raffle off a weekend convention package.

The convention will be held the weekend of **October 4-6, 2013** at the **Westin Mission Hills Resort in Rancho Mirage, California**. Our luncheon speaker will be Kathy H. from Cincinnati, Ohio.

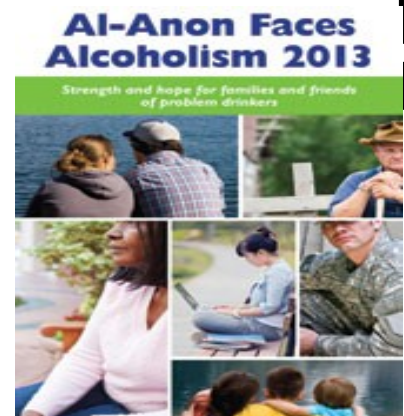

Please carry the Message to your meetings and be on the lookout for sign-up sheets for volunteers! Remember, *Participation is the Key to Harmony!*

LA Intergroup Report for SCWS Feb Committee Bulletin

Hello from Los Angeles Intergroup. My name is Barry D. and I am excited to be the new Intergroup Liaison with So Cal World Service. I apologize for not having a report for the Feb Bulletin but I am still getting used to the duties associated with this commitment.

Sonja T. took over as Intergroup Service Board Chairperson in Jan of this year and she is doing a marvelous job. She has filled practically all of the Board positions, a feat that has not been accomplished in a number of years. We do still have a few vacancies, however, if anyone is looking to be of service.

The LA Intergroup has quite a few initiatives we are looking at this year, the most important of which is securing the financial stability of LA Central Office. Unfortunately, the LA area has not been self-supporting through our own contributions over the last few years and we have experienced a record shortfall. The Service Board and the Central Office staff have taken measures to reduce costs wherever possible, but we are still losing money. As such, the Service Board has approved a motion that will reduce the operating hours of Central Office. Starting Friday, April 6, LA Central office will be closed on Fridays through Spring and Summer until Labor Day. We understand that this may be an inconvenience for some Al-Anon members, but the Board decided that this was the best possible option for getting Central Office financially solvent again. We truly hope that with the reduction in costs along with additional fundraising efforts, and increased contributions and literature sales that Central Office will return to standard operating hours in the Fall.

So please, support LA Intergroup and Central Office by attending our Spring Spaghetti Dinner Fundraiser on Sat, June 1 at the Covenant Presbyterian Church in Westchester. In addition, please remind your LA meetings how crucial it is to purchase their literature from our LA Central Office.

Yours in service,
Barry D.

Happy New Year from District 9!

District 9 is continuing to carry the message to friends and families of Alcoholics. We've had a couple of new meetings begin in the Santa Clarita Valley. Unfortunately, the Pre-Alateen meeting in SCV had to disband due to lack of attendance. We have quite a few members who are showing interest in becoming Alateen Sponsors and they are going through the procedure to complete the requirements and turn in their paperwork.

We're beginning to focus on planning the Alateen Sponsor Re-certification workshop that District 9 will be hosting this June 15, 2013. It will be held at The Church of the Nazarene 23857 The Old Rd, Newhall, CA 91321, in the Newhall Pass. I think this might be the first Sponsorship Workshop for the new Sponsor Re-certification season. We will have a flyer available at the next Assembly meeting in May.

Unbeknownst to many, the AFG convention IS NOT the only Al-Anon sponsored convention in Southern California. The Antelope Valley Al-Anon/Alateen Convention with AA participation is in two weeks, March 1-3 at the Holiday Inn in Palmdale. There will be marathon meetings, a Step workshop, an Alateen Sponsor Certification workshop, and of course, great speakers at the luncheon and dinner banquet.

The Santa Clarita Valley Convention of AA with Al-Anon and Alateen participation will be holding the 10th Annual Al-Anon Chili Cook-Off. This is the Al-Anon fund raiser for the convention. All chili cooks are encouraged to enter the contest, and all are welcome to come taste some great chilis, and have fun. Laura and Zed S. of North Hollywood will be the speakers.

In loving service,
Barbara W. – District 9 DR

Hello everyone from District 10!!!

Our heart to heart talk was a success. It was held Feb 9th , 201, and everyone had a great time!

I have learned my first lesson the hard way thanks to informed Group Reps. Our District meeting is every two months and the public outreach chair is was in need of more pamphlets. She has been bringing Cal to shelters, Doctor's offices, Fire departments, police, etc. I did not wait to our next District meeting to have the money approved to buy more CAL, instead I went to buy it myself and later found out our money was tight due to our recent participation in 3 health fairs!

I feel this is evidence that our District is doing well in carrying the message!

District 12- CAMIRILLO/GOLETA/GUADALUPE/OAK VIEW/OJAI/OXNARD/PORT HUENEME/SANTA PAULA/SIMI VALLEY/THOUSAND OAKS/VENTURA/WESTLAKE

Hi everyone,! First of all, I cannot believe how fast 2012 came and went. I'd like to thank you all for allowing me to be of service as your District rep.

I feel last year was pretty productive at our District meetings and we had great discussions. We have 6 meetings a year, so the first one or two I chose a topic on what we should discuss our first hour. Then I asked the GR's for their input on what they would like to talk about. That worked out great as there were lots of good ideas for our future meetings. I felt that we were really becoming a team.

We discussed "How to be a Group rep". What works and the duties of a group rep. and alt. group rep. And how they can "Give a Good Report" (time efficient). We even had a mini workshop "Question and Answer" out of our Service Manual.

At our last meeting, I asked the GR's how they felt if this year we studied the tradition. We all agreed, so what we will be doing is working on two traditions at each meeting. We did 1 2 in January and we read out of our pamphlet Al-Anon's Twelve Traditions Illustrated. I thought it went really well with lots of participation. We hope to have 2 workshops this year. We will be asking the SCWS archives Coordinator to bring us a presentation. We will also have a KBDM (Knowledge Based Decision Making) workshop. So I get to make the agenda, show up, ask for help, be available and have the willingness to share what I know. I learn more about the business of Al-Anon and the bonus is I'm having FUN!

Love in Service,
Cyndy P.

District 17 -CANOGA PARK | CHATSWORTH | ENCINO | GRANADA HILLS | MALIBU | NORTH HILLS | NORTHRIDGE | RESEDA | TARZANA | WOODLAND HILLS

Greetings from District 17! We are alive and well and continuing to communicate World Services issues and discussion topics at our meetings. My sincere apologies for not sending my November report for the January bulletin. It's important that we share some of the things we did during the last half of 2012. We facilitated our first KBDM workshop in October with over 30 attendees and received extremely positive feedback from those who participated. We hope to share our workshop with other districts. We've invested in a projector and screen with the plan to offer other types of workshops. We've continued to distribute our Al-Anon public outreach cards and they have been distributed to various fire and police stations in the west San Fernando Valley. We have a new Alateen meeting being held at the San Antonio Boys Home (only for boys who live there). We purchased Alateen literature for it and it is being well attended. Our Area delegate Jayme C. attended our November meeting and led a great discussion on the use of outside literature at meetings. We always appreciate Jayme's visits to our meetings as she is extremely knowledgeable and engaging!

We've ordered more 400 copies of the new Al-Anon Faces Alcoholism brochure and plan to distribute them to local hospitals, libraries, etc. We are planning to host another KBDM workshop in the North Valley so that we can continue to encourage meetings to use the KBDM method for their group consciences. We are also working with Jayme to plan some additional workshops (e.g. Conflict Resolution, Shared Leadership, Understanding Anonymity, How to Handle Difficult Situations) in the fall. Our new Intergroup Chair, Sonia A., will be coming to our next District meeting and we hope to forge a new relationship with our LA Intergroup. We are also working with our Tarisa R, our Area Alateen Coordinator, to ensure that our current registered AMIASs are recertified by the end of May and beginning to spread the word about collecting donations for the upcoming SCAC.

With Love in Service,

District 21 - EAST SIDE OF THE SAN FERNANDO VALLEY: North Hollywood, Valley Village, Studio City, Sherman Oaks, Van Nuys, Valley Glen, Mission Hills, Sylmar, Sunland and Arleta.

We wanted to involve our members in district work, so we created a questionnaire that our GRs gave out at all of their meetings. The questionnaire listed a number of outreach activities, and we asked members to number their top three priorities from 1 to 3. There were possibilities like:

- improve our institutions outreach,
- place Al-Anon Public Service Announcements on radio and TV stations in LA,
- create a bus and/or billboard advertisement,
- lots of workshop choices (how to do a group inventory, dealing with group problems, *Forum* entry writing, etc.)
- support the start-up of one or more Beginners' meetings.

We provided a space for them to write in their own ideas. And we asked if they would be willing to do service in some capacity, along with providing their contact information. We were delighted to receive around 137 responses!

On the Public Outreach front, our district (along with D17 and the Los Angeles Intergroup) will participate in the local YMCA's Healthy Kids' Day event on April 27 at Woodley Park. This will be the 2nd year of that event, and the 2nd year we've participated. We gave out literature to over fifteen hundred people last year when they came by our booth for iced tea, lemonade, face painting and balloons. It was a great success and we're looking forward to having even more participation from our members this year.

Continued next page.....

Continued from previous pgs.— Our district will encourage our meetings to collect contributions for SCAC scholarships during the month of April. Many meetings generously and enthusiastically support SCAC and the one Alateen meeting that we currently have in our district. And on Saturday, May 4, from 7:00 to 10:00pm, there will be a fund raiser (or “FUNraiser”) organized by District 17 at which “our NoHo Alateens” will be in charge of food and drinks for purchase. This Comedy-Bingo night should be fun for everyone!

District 21 just completed an Alateen Sponsor Recertification Workshop with 26 attendees. We're in our second year of cooperating with D17 and D24 to help each district organize dates and places to assist our AMIAS' to re-certify. Tarisa R., our Area Alateen Sponsor Coordinator, did a wonderful job of presenting the material to the attendees with great enthusiasm and clarity. Thank you, Tarisa!

We've begun a *Service Manual* study meeting, sponsored by the district, that meets during the months when we don't have our district meeting. We thought that making the 3rd Tuesday of every month “service Tuesday” might help folks remember that there's either a district meeting or a *Service Manual* study meeting happening on those Tuesdays. We're hoping to make our way through the entire *Service Manual* before the new 2014 edition arrives!

We've begun using “the cloud” to keep track of our district's meetings and our GR's contact information using a spreadsheet we created on google.docs. We created a district email address and password for all of our GR's and coordinators to use, and they can now log onto Google and view the spreadsheet plus they can post any district documents, flyers, announcements, etc., on that one site. It's an efficient way to disseminate and access information and it was easy to set up. We'd be happy to help anyone create this for their district.

District 24 started the new year with a new service panel. It is very exciting to meet all the new GR's and watch many of them start their journey into World Service. Nice to see some familiar faces as well.

As a group we will investigate where to focus our attention, and hopefully learn a few things along the way.

We have not selected an area event, so no dates to save from Dist. 24.

Hello, greetings from District 30

Our DR had to step down, so, as of January, I have the privilege of filling in that position. I will finish out the DR's term, and the rest is in the hands of our Higher Power. The Alternate DR position is open and available to any of our GRs. A few members have been approached to fill in that position, but no one has agreed so far.

Great news! One of our members has been invited to take a panel to a treatment center in Pasadena. We are looking for members to sign up to be on a panel on a monthly basis. We hope that this will develop into a permanent panel, and eventually become an Institutions meeting. More will be revealed on that matter. We are also looking to take panels to other hospitals and institutions within our District's boundaries. We are investigating those possibilities.

More great news! One of our newly certified AMIASes is working on reopening an Alateen meeting that had to disband. There was also an Al-Anon meeting at the same site, so this might be an ideal time to re-establish the Al-Anon meeting as well.

The meeting that takes place at the Maryvale Girls Home on Saturday evenings has changed its format to literature study. It is also now open to all members—it is no longer a women's meeting. This is exciting news for us.

Another meeting is looking to move from its present location due to the rent expense and has several potential options, which will be more affordable.

At our last District meeting we began study of Traditions and Concepts. We will be purchasing two pamphlets, P-17 and P-57, to help us in our studies. We will eventually move from the pamphlets to some of the other CAL, such as Paths to Recovery, and of course, the Service Manual. The GRs in attendance enjoyed the exercise, and are looking forward to continuing the practice.

We also have the Chairperson for the annual Alathon. We discussed keeping the same site, but another one was also recommended. We also are considering having it in mid- September instead of October, due to the proximity of the SoCal Convention and the ensuing holidays. We also felt that the weather would be less of a factor in our planning of the event.

Next month we will be formulating a budget for the District, so that we keep a prudent reserve as well as making regular donations to SCWS and WSO.

Some of our groups are fairly large and were asking about checking accounts. Jayme provided us with the information on how to apply for free checking accounts. We are looking at using this information for our District account as well.

Our District Newsletter is being published quarterly, and the editor is very excited about working on it. We want to expand our Board to eventually include a Public Outreach Coordinator, along with our Bulletin Editor and Alateen Liaison.

We also purchased more copies of the second printing of *Al-Anon Faces Alcoholism 2013* and plan to do more public outreach with them. We had already talked about where we could leave them, and how to get more members to be involved in public outreach projects.

As we look forward to the rest of the year, we have great ideas on how to expand participation in our District meetings. Some ideas are to invite GRs or DRs from other Districts to our meetings, have mini-workshops on Service Topics, and possibly having meet and greets for the AMIASes in our District, as well as those from the adjoining ones.

Thank you for allowing me to be of service,

Arlene Rivas, DR D30

District 33 is growing and becoming more and more active in service as well as awareness of recovery. The Alt DR and myself have focused on attending all of the meetings in our district. We have about 2 or 3 yet to visit. I am learning a lot about the concerns and questions raised by members in meetings. We had one committee member who visited an inventory done by a Spanish meeting in our district. This has helped us to be aware of that particular meetings, concerns. I think it proved quite beneficial to all.

Our district meetings are also taking on a little different agenda. Our district reps are bringing questions and concerns to district meeting. All members comment and offer suggestions and refer to the manual. Together we support each other to meet the needs of our district.

A word about KDBM, It is working well for us. We are trying to look at all aspects of issues. As a district we have discussions, brainstorm, and make decisions or suggestions, accordingly. Just like most people today, we would like fast discussions and fast decisions. KDBM has helped us slow down and focus and make better decisions that are best for the greater number.

District 33 continues to be active in service and dedicated to educating our reps. and helping them to review and put the 12 traditions and 12 concepts into action. Our goal is that is that our reps. will be better informed, and focused. This will in turn be taken back to their meetings, thus making district 33 much healthier and hopefully take a stronger message of hope to the community.

District 33 began this quarter with a review of the guidelines of a district rep. All reps were given copies of the guidelines to review and clarify their service. Now, in March we have invited the tradition panel to speak at our March 14 district meeting. We also invite anyone who would be interested, to join us.

We also have a service workshop coming up March 9th. This will be our first workshop of the year. We will have speakers Chris C., Don B, Oscar C, and Liz L. Our theme is "When I got busy, I got better". We will have discussion groups and open sharing.

We recently had a recertification workshop in our district, hosted by Irene, our Alateen Coordinator. Workshop was presented by Tarrisa. It was very informative and I certainly learned a lot by listening to both questions and answers. I am very grateful to be of service.

Thank you,
Rose S. Rep District 33

Hello SCWS- Al-Anon Family Groups,

District 39 is preparing for our yearly, Day in Al-Anon, called "Garden of Hope." It will be in August again. We are trying to reach out to the groups in our area so many members can get involved in service. We prepare for 6 months during our District meetings. A member is making handmade baskets, for the groups that have 100% participation that day.

We are going to make a GR Booklet for new GR's in our District. It will help them to understand their service involvement! We will also have an orientation, as needed ,after our District meeting. We are working on Outreach more. GR's will hand out the Al-Anon Faces Alcoholism booklets to the churches, colleges, high schools, community centers, they live in. Some meetings may be put in church bulletins for a few weeks.

We will have a workshop for AMIAS March 16th, in Riverside at St Michael's Church. We are hoping to start an Alateen Program at Juvenile Hall in Riverside. There are around 7 Spanish Speaking Al-Anon members that are interested in being Sponsors. They are being certified and will begin an Alateen meeting in Fontana!! Yea!!

. Hi all,

Currently District 40 is without members to step up and fill open positions. These include the DR, ALT. DR, Secretary, Public Outreach, Fundraiser Liaison and Intergroup Liaison.

Our district is spread far and wide, which may be a problem for some. But there are many solutions to any problems we have with willing members. Give back through the gift of service, and we will find solutions.

Report from the Coachella Valley and the High Desert.

This is my first report as District Representative and we have many new faces filling the various positions within the District. Cathy S. insight and leadership as DR will be missed, but I know she is there to help in anyway possible. The transition went a lot smoother than “I” had anticipated, but “I” was not in charge. Therefore everything works as it is designed to. I would like to thank everyone who volunteered to be part of our team.

Our first District fundraiser, “Heart to Heart”, was held on February 2, 2013 and it was a great success. It was great to see our Al-Anon family come together and enjoy a day of fun, food, and fellowship. My thanks go out to Arda L. who Chaired the event and Tracy H., Co-Chair. They were only two of many who made this event happen.

In January, we hosted an Alateen re-certification workshop and had 18 Alateen sponsors in attendance. It was a privilege to meet Tarisa R., SCWS Alateen Coordinator. I am now an Alateen sponsor and our District has a new Alateen Coordinator as well. Lupe has been involved in Alateen for many years and will be a great asset to our District.

Through the efforts of Barbara P., Outreach Coordinator, Mike M., H & I, Lupe, Alateen Coordinator and their staff, we continue to take the message of Al-Anon and Alateen into the area schools and profession services. It is a privilege to be part of this team, SCWS and WSO.

Hello Everyone!

I just took over as DR for our district in January, and I want to personally thank CB for doing such a great job for the last 3 years. Our district accomplished so much during that time, and it will be so hard to fill her shoes. I am so grateful for the opportunity to serve our district in this capacity.

Happily, spring has just arrived and good weather came with it. The birds are singing and the flowers are beginning to bloom. What a joyous day it was today. During the winter months, our district kept busy with several projects. In December, we had our annual Alateen Tree Trimming Party. We had a marvelous turn out. One lucky Alateen took home the tree. She was so excited. It makes me smile every time I think about it.

Our district held one of the AMIAS trainings in February. Several people attended one of which was me. I was able to keep my certification by attending this training, and it was well worth the time. Thank you Tarisa for your time and expertise!

We are in the process of delivering Al-Anon literature to our local libraries. The librarians are always happy to receive donated books. It is such a great way to carry the message.

On Saturday, April 13, we will have our district fund raiser, our Alathon. I am really looking forward to it. And shortly after the Alathon, we will start passing the basket to help Alateens go To SCAC. Plus, we are busily making "Love Gifts" for Jayme to take to the World Service Conference.

I know that when I get busy I get better, and this position will help me grow. Besides I have all of you to help lift me up when I stumble. Thank you for being there for me.

Love in Service,
Linda S.

District 57 has elected a Coordinator and Alternate Coordinator for our 2 Beginner Meetings. We completed our 6-month review after providing start-up costs and, additional support as needed, for this period. We are pleased to announce that both Beginner Meetings are now fully self-supporting and are in the process of repaying the district for their additional support. We discussed the possibility of GR's suggesting to their groups that information on the Beginner Meetings be incorporated into their meeting's format.

We examined group finances by referring to our service manuals and Guidelines 41, which included a financial inventory questionnaire. We reviewed annual SCWS, Intergroup and D57 contributions by groups. We created a contribution form now available to all our groups. The form has the current mailing addresses, along with the identification information needed, for the four service arms. We discussed autonomy as stated in Tradition 4 when deciding the amount of a group's contribution. However, a group decision not to support a specific service arm, after all group expenses have been paid, would affect Al-Anon as a whole and therefore is not a matter of group autonomy.

Our Public Outreach will be participating once again at a local school district Transition Fair, providing literature and information on both Al-Anon and Alateen.

We have now established district guidelines on SCAC scholarship funds and have asked our GR's to survey their meetings on member's needs and, interest in sponsoring, an Alateen meeting in the city of Long Beach.

With Gratitude in Service,
Mary C. DR 57

District 66 Report
February 2013 Committee Mtg

Hello from District 66. We are on the last year of our panel for our District Officers. We have several projects scheduled for this year.

At the moment we are personally visiting each meeting in District 66 which does not have a Group Representative. We have over 60 meetings in District 66. About 25 do not have Group Representatives. We are also conducting an informal research project into why Groups do not have GR's.

We will also be conducting our annual District 66 "Sponsorship Workshop" in October. Along with our normal breakout sessions regarding sponsorship, we will also include an "Alateen Sponsorship" workshop.

This year we will also be adding break-out sessions concentrating solely on "Al-Anon Service". Many people have questions regarding the different types of Al-Anon service available: World Service, Intergroup, Institutions, etc.

We are also continuing to hand out the 1,200 "Al-Anon Faces Alcoholism 2013".

Thank you,

We are very excited here in Dist. 69 as we enter the last few months of our panel. At our March district meeting we came up with a budgeting committee to help our treasurer with budgeting for the events we have coming up. Our first hopes to be combined with Districts 75 and 72 in having Jayme C. come to San Diego to give her Delegates report directly to our members. This will hopefully happen June 15th. We also are looking forward to another Sponsorship Workshop in the fall, as our last was well attended with over 50 members. As our panel is ending we are planning a Service Workshop to help demystify district service work and attract new GR's. We are also continuing with our District Speaker Meetings which are held on the second Saturday of the even months, and our very successful Panel Meetings which can be hosted monthly by different group meetings. The Panel Meetings have been a wonderful way for us to learn how to use the Traditions and Concepts in our own lives. We are also hoping we can budget in a combination Fund Raiser for all three of the San Diego Districts having another Alanoke - this is where members change lyrics of songs to be about recovery, or the lack there of. District 69 has held one a year for the last few years and its been a hoot - one woman from a facility we were renting kept asking to make sure no alcohol was being served because the laughter was so loud! And we also hope to have another beach bonfire in the early fall.

It is my pleasure to be working with so many wonderful GRs in the District. The district continues to reach out to groups within the district to update the CMA and GR records. I am seeing a drop in GR attendance at the District meeting. We are going to be having light refreshments in February. Outreach to meetings in the District, what kind of Public Outreach project would you like to see the District do this year? How are you willing to serve to ensure that it gets done? That will be discussed at our next meeting.

We welcome our new District Secretary, Charla H. and our new District Treasurer, Lauren O. Our district also welcomes approximately 10 new GRs. I look forward to learning and growing with everybody. It's an honor to serve such a dynamic district, full of talents and enthusiasm to serve. We are working on our budget. We also look forward to going into Las Colinas, a women's detention facility that began as a juvenile facility in 1967 and converted to an adult women's facility in 1979. Our annual fall workshop is right around the corner-we are teaming up with District 69 with that. And of course, our Alateen in the Juvenile Hall !

Below is a report from our Alateen Liaison Kathy A - Thank you Kathy!

We currently have six weekly Alateen meetings at Kearny Mesa Juvenile Hall in San Diego. We have one more meeting on break because we do not have sponsors. Our sponsor teams are bringing the Alateen message to about one hundred young people a week. Of the six active meetings, three are boys units and three are girl's units. The supervisor in our most recent girl's unit has asked that we combine Alateen with their literacy requirement. Journaling is an important tool in our recovery program and these young women are producing thoughtful insights and expressing powerful feelings. We emphasize staying in the solution while recognizing the need to acknowledge the feelings. Our delegate, Jayme C. will be attending the Basic Security orientation at Juvenile Hall this Friday Feb. 15 with the goal of attending one evening of Alateen meetings at the facility. Thank you, Jayme for carrying the message and giving these meetings voice in the greater Al-Anon community. Our northern California Hospitals and Institutions area coordinator recently arranged a conference call with individuals interested in starting and conduction ongoing juvenile hall Alateen meetings and we are in conversation with several of these individuals. We hope this year will be the one Alateen in Juvenile Hall grows out of San Diego. Our teams are here to share experience, strength and tools. You do not need to do this alone.
