Clicker question: Is this quote from the Prayer for Today on the Just for Today bookmark part of my religion: And it is in dying that we are born to eternal life. We are not going to ask this question because it's about religion.

Substitute Secretary - Cathy W. – Motion to approve Minutes made by Marley D21 and seconded by Chris, D30. Motion passed.

Treasurer – Eva B. – copies of presentation passed out.

Fixed Assets: \$90.1k compared to \$80.5k last year. Looking good.

Profit/Loss: Net income \$20.5 vs \$24.3 in 2015. \$3.8k less than same time frame in 2015.

Tina alternate GR, D21: isn't budget for SWRDM always put in the budget?

Eva: typically only 4 people go to SWRDM: Delegate, Alt Del, Past Del and Chairman. Since the event was local this year, more board members attended SWRDM. Four additional members went to SWRDM.

Willie M., D9: is the expense for the clickers on the reports?

Eva: Clickers were not expensed because the clickers are considered fixed assets and depreciated each month. Cash went down and assets went up.

Paul H., D27: May we have a history of board members training in the past year?

Sandie E., Past Delegate: the history of training for board members is long standing. We previously supported PRAASA and sent our board members to this event. Then we determined that PRAASA was not as valuable to us as SWRDM. It was voted several years ago that the board would determine which events they would attend. One third of the board is eligible to attend a training function each year, with approval of the event. Names are drawn. When the Regional Service Seminars (RSS) were held every three years, the entire board would attend.

Marilen, D66: what is the life of clicker asset? I don't see the depreciation on the report.

Eva: They will depreciate in three years. It is not on the report yet.

Willie, Past Delegate: the depreciation expense is not on the report yet because we won't know what it is until the tax return is done at the end of the year. The expense of the clickers is on the report, which will be depreciated.

Jane, D30: what is the definition for suspense?

Eva: A suspense account is an account in the general ledger, in which amounts are temporarily recorded. The suspense account is used because the proper account could not be determined at the time that the transaction was recorded. Suspense example – When a check is written to SCWS for SCAC, SCWS debits "Cash" and credits "Suspense." Then SCWS sends the money to SCAC by debiting "Suspense" and crediting "Cash." This reverse the suspense.

Marlene, D60: Where is the expense for SWRDM?

Eva: Expenses for the normal 4 people who would go to

this event are under this event. The expense for the additional board members who went to SWRDM is listed under travel versus SWRDM.

Marlene, D60 – why is the SOS expense budget reduced?

Eva – we hope to manage SOS budget better in 2017.

We will vote on budget in the afternoon.

Alternate Delegate – Marcia M.

- The Ask-it-Basket is going around. Traditionally we do not have time to answer the questions during the Assembly. I'll try to answer first, then if I get stumped, other board members will answer. The Forum can is also going around. Put in \$1 for the drawing. Additional order forms made available.
- SOS: District 57 is doing pre-registration, \$18. We still need volunteers for registration on the day of the event as well as a District to arrange the lunch.
- Do not leave for lunch with your clicker. **The clickers do not leave the bldg.**

Tina S., D21 – I thought that in the past, Ask-it-Basket questions were given to members.

CB – questions are typically answered by the Alternate Delegate with help from other SCWS Coordinators and/or board members, as needed.

7th Tradition baskets passed.

Task Force Presentation: Groups Who Do Not Consider Al-Anon As A Whole

Jayme: We've been working on this task force for 2 years. Since we are starting this presentation late in the morning, we may go to lunch late as we do not want to split up the presentation.

Began with Serenity Prayer

- Intro by Jayme
- Task force presentation
- Q&A: Marley & Andrea

Open for questions from audience. No clapping. Two minutes at the microphone. Identify yourself by name and District.

Allen, D27 – Concern about groups still having voice and vote, even though delisted.

Andrea – “for profit” groups using the Al-Anon name violates the use of our name. The WSO will address the meeting in using the Al-Anon name. Misuse of our name can be a legal issue (i.e., therapist). If a group continues to violate our Traditions/Concepts – our literature states that they will still have a voice and vote at intergroup and area. This is in our service manual and we adhere to our manual.

Chris, D30 – Thought force was in 2012. Is the task force aware of additional groups breaking the Traditions?

Mary – our charge was to create a policy not to monitor groups.

Marilen, D66 – what will be done in regards to Intergroups that have already removed meetings?

Marley – with this new policy, groups may request relisting. All of you should have the entire presentation, including flow charts.

James, D27 – There is a men's workshop in the valley. Some meetings have angry people that state that we can't have this workshop and stating that it is an outside issue. Why can't we make this announcement?

Jayme – The question really does not have to do with this SCWS policy that we are discussing now, but with pgs. 123-124 in the Policy section of the Service Manual. But announcements can't be made in a meeting about an event unless sponsored by District, Area, etc.

Andy, D24 – all or nothing vote on the policy?

Marley – we don't know when this will come up for a vote. You will decide when. The policy is the policy as a whole. GRs have the right and responsibility to make decisions/vote for your group.

Marilen, D66 – how have the conflict resolution tools been used at these meetings? Have these tools been used? What happens if an Intergroup does not comply?

A: All of our Al-Anon tools were used in developing this policy, including the conflict resolution tools. The Area has no authority over Intergroups. As a task force we can't speak to anything that has happened in the groups. WSO has looked at early drafts of our policy but the final has not been submitted. Although not all the Intergroup Liaisons are here, we did invite all them to this Assembly to become familiar with this policy.

Barbara, D39 – how do you reconcile Obedience to the Unenforceable? How do you ensure that members are motivated by pure intentions and not vindictive intentions? Why do we need a new policy when DRs can be invited to resolve issues?

Resolution team conducts fact finding – made up of people from different areas, etc. An on-going conversation with the group is built into the process - collaboration. We envision that 99% of the time, conversation will reveal a misunderstanding or education opportunity. Not having a policy allows for more situations where personalities are involved. Part of what keeps our meetings safe is structure.

Christa, D66 – presented 6 areas that have adopted a policy. Only one we are aware of that did not succeed at their first try (New Hampshire). Six other Areas have approved and adopted policies.

Vickie, D69 – Not able to meditate at a meeting? 11th step is about prayer and meditation.

Service Manual, page 31. We should not be telling people how to meditate. We are not talking about things that happen outside of a meeting. People can work their programs and have their relationships as they choose. We are only talking about what happens in the 60 or 90 minutes inside of a meeting. Many people are turned off by religion, thus we need to keep our meetings free of outside therapies and religions.

Joyce, D69 – does not using the minimal meeting format in the Service Manual work?

Tradition 1 - Unity

Sarah, D69 – who is monitoring the monitors? Is this information going to be brought to the floor? How are we all making decisions to help families of alcoholics and help ourselves?

Service arms are informed about situations. Archives are kept for continuity for answering questions. There are no “monitors” looking for problems. Problems are brought to the Area for help with a resolution. There is no “black list”. The policy is creating an avenue for a continuing conversation so that when something happens there is a process by which to resolve it.

Emilce, D24 – I belong to a 12th step group that uses the AA literature, it was taught to me that we adopt the Traditions of AA ourselves. Would like to invite the task force to our meeting to see that it is a safe place. Please read the 5th Tradition.

Our literature states that only conference approved literature is used in Al-Anon meetings. [Read pgs. 71, 104 from Service Manual.]

Natalie, Chair LA AIS –Thanks for allowing AIS to participate. We have very old meetings that are not registered. We ask that bridges between AIS and Areas be stronger. We want more information to reconcile gaps between AIS and Areas.

Purpose of archiving – due to rotation of leadership, there is consistency and record of decisions/situations.

Gary D54 – How do you feel about a meeting that does not use the current literature, ie., the current Service Manual and current version of Understanding Ourselves?

As there is no policy in place, work with District Representatives to determine how to handle.

Mikeila, D27 – How do you suggest communicating problems regarding meetings that use AA literature?

If the policy were in place, we would start with education.

Lauren, D60 – Will GRs be part of the collaborative process?

That is the intention.

Rachel, D66 – In the spirit of KBDM, why weren't GRs and DRs informed of this presentation ahead of time. Page 66, Inter-group is not on the conference structure. If there is direct conflict between this policy and other service arms, how do these service arms work together? [Read about Intergroups on pgs. 63-64 from Service Manual.]

Our intention is that this is the starting point. This is the beginning of KBDM. Only vote today is where do we go from here? All Intergroups abide by Al-Anon policies and concepts. Dialogue will begin. This is just the beginning of a conversation. We're just formalizing the opportunity to ask questions. No police. Only address concerns that arise. There is nothing that a policy can do that stops a group from what they are doing. But the Area is w/in its

autonomy to not refer others to it. The group still has voice and a vote. This is an evolution. We have not had to work with Intergroups regarding this so we'll have to see how it goes.

Steve, D60, and past OC chair: Past experience of delisting meetings has had limited results at best. I don't understand why there is no recommendation to remove voice or vote.

The Task Force used current policies as our guide. Our policy is based on our current literature. Discussions have been happening in WSO on this topic since 2005.

Patricia, D72 – what happens if a group decides that they don't want a GR? Can Al-Anons have a regular meeting with AA and call themselves an Al-Anon meeting?

The meeting cannot be registered as an Al-Anon or an AA meeting.

Comments:

- Eddie, LA AIS BOD: No mention of resolution team in text but it is mentioned on the flow chart. I would like the AIS to be part of the resolutions team. It would feel less like we are being told what to do.
- Sandie E., Past Delegate: Hope that all AIS will abide by any Area policy. Problem occurred when this was brought up years ago - there was inconsistency as to what was done by AIS. This policy would provide consistency and guidance.
- Marilen, D66 – very encouraged but concerned that the Area has no control over the Intergroups. And who monitors the monitors? I see this as a great beginning but think that there are still concerns. For as long as there are people, there will be differences of opinions. [There are no monitors.]
- Barbara, D39 – Al-Anon is a spiritual experience. The word of “reporting” concerns me. More of a police state. What are we afraid of? There are spiritual consequences to breaking spiritual principles. We don't need to worry. Those meetings that break Traditions will close. We have a variety of meetings because not every format or personality meets everyone's taste. [Please read the Policy again.]
- Patricia, D72 – this policy will benefit my community in Chula Vista because we have meetings that charge to attend. Also, meetings that combine with AA. The meetings don't want service in Al-Anon.
- Emma, D6 – I'm a transplant to this Area. Moved here by myself and attended different meetings and encouraged to get involved in service. I'm concerned about the newcomer attending a meeting that is not adhering to the Traditions who may never come back. Fortunately I had some experience and knew to come back, but newcomers may not.
- Irene, D60 – I support this policy. We should not have to recover from our program of recovery. Rhetorical questions asked such as: Have you ever been told you're not properly attired? Have you ever been told by your Al-Anon

sponsor not to attend outside meetings? Have you ever been scolded by your sponsor that you're not sponsoring enough people? Have you ever been told you're not working your steps fast enough by your sponsor? We are here for the newcomer. A newcomer came to me and cried because she felt worse after having a sponsor.

- Mary, D60 – I am concerned about being policed and punished. We are all sick people trying to get better. We all have choices. If you don't like your meeting, go to another one.
- Marilyn, D60 - Adults need to be treated as adults. My sponsor asks me if I have questions. Read from Concept 12 out of Paths to Recovery. Invited our DR several times to our meeting.
- Vickie, D69 - many meetings use the autonomy of the group to allow outside literature in the meetings. I think this is a good policy and will help clear up misunderstandings about Tradition 4.
- Michelle, AFG Chairman – thank you to the task force. It is evident from your presentation that KBDM and principles of the program were followed. Grateful for your work. Is it possible to see us move towards the next step to see what happens after delisting?
- Oscar, D24, past AIS Chair: this is great. It's up to the IR and the GR to know their manual and the Traditions. I'm concerned that if we put this in writing, are we watering down our recovery? We should really be doing this already, do we really need a policy? Page 6 – ensure the safety of our individual members. Protecting the Al-Anon name. Glad this is coming up and that we are discussing this.

Lunch: 12:27 PM to 1:30 PM

2. No – 6
3. Abstain – 12 Motion passed. 171/177 = 97%

Motion to send \$15,000 to the World Service office. Moved by Chris D40; 2nd by Mikeila D27.

\$15,000 in addition to the \$5000 already sent in May. Same as last year.

1. Yes – 166
2. No – 13
3. Abstain – 12 Motion passed. 166/179 = 95%

SCAC financials – books closed September. Total income \$61,773.02. Net ordinary income \$11,633.92.

Sarah, D69 - As of right now there is no SCAC so what happens to these funds?

Funds stay where they are until a decision is made regarding SCAC.

Gene, D63 voice no vote: Some districts have received funds, what do we do with the funds?

If you turn it in, we will book it in the month in which it's received. All fundraising has been suspended, so new funds will not be accepted at this time.

Immediate past Delegate report – Jayme (See Bulletin for report.)

GRs asked if they were ready to vote. The question was not to vote on the policy but whether they are ready to vote regarding the policy. Only need majority vote for this question.

1. Yes – 114
2. No – 63
3. Abstain – 7 Motion passed: 114/177 = 64%

Discussion

- Chris – the majority want to vote but will need 2/3 to pass the policy.
- Oscar – We need to talk to our groups.
- Tina, D21 – this has not been brought up at our meetings. This is a huge topic that needs to be taken back to our meetings.
- Allen, D27 – anarchy/love with spiritual principles. Al-Anon is much slower than watching paint dry.
- Sarah D69 – all meetings have group conscience. Our group actually discusses things. I'm feeling bullied right now to make a decision. KBDM is for our groups.
- Marilen, D60 – don't want to down play this vote. This is an important decision that should be taken back to my meeting. I want to invite God into this.
- Chris, D30 – I'm focusing on my group and thinking about their shares. They chose me because I sit and listen and will be true to what my group would vote for.

- Andy, D24 – I’ve been a GR for a few years. With the amount of distrust of SCWS, no one wants to be a GR. We’re tired of being told what to do. Representing my group, I do not want to see anything major happen without full understanding.
- Patricia, D72 – I want to vote as my group trusts me.
- Cathy, D66 – Are we serving our groups?
- Anne, D60 – I want to present to my group. Have unity.
- Celia, D60 – I don’t get rushed in my meetings. No one from the delisted meetings was on the task force. Anything rushed is not important and anything important is not rushed.
- Sheila, D57 – I was not elected, I volunteered. I want to ask my meeting for their thoughts.
- Mikayla, D27 – we don’t give advice.
- Marilen, D66 – out of ~1200 active groups, only 200 people here. A substantial number of our membership is not here. The May Assembly has a larger attendance.
- Libby, D75 – Fear is the controlling issue that I’m hearing today. In San Diego, we had groups who modeled their group around therapy. We had no guidance. What about the newcomer?
- Patricia, D78 – One of the main reasons our District disappeared is because of some problems similar to what was brought up. I feel a little rushed on voting, even though I’m ready to vote now.
- Linda, D54 – I think we all have a problem with making decisions. We’re just making a decision to make a decision. We are trusted servants making an informed decision.
- Steve, D60 – We will not receive additional information from the Task Force. We just need to decide whether to move forward.
- Sandie E., past Delegate –It is a big responsibility to represent groups. Policy affects the business side – information is complete and full.
- Rachel, D66 – quote from service manual, P202 – “...Will today’s advantages boomerang into liabilities for tomorrow? Delegate Report Nov 2016 Assembly Meeting

Welcome to the new and returning Group Representatives!!

You are the link between your group and other groups worldwide. The links of service give us a mechanism for observing Traditions One and Four, Unity and being careful not to make decisions in an Al-Anon group that affect Al-Anon as a whole.

We will be considering the Traditions today as we hear a presentation from the Area Task Force on Groups that Do Not Consider Al-Anon As A Whole, that has been doing Knowledge-Based Decision Making for nearly two years.

In 2014, the Assembly voted to have this Task Force develop an Area Policy, after hearing and discussing the presentation by the Thought Force on Groups That Do Not Follow The Traditions. When the Assembly is ready, we will vote on this suggested Area Policy. More and more Areas have created and approved such Policies.

We will cover a lot of information today that builds on what was provided and discussed at previous Area meetings. Please go back to the previous Bulletins (on SCWS website) to read those discussions, including a workshop at the August 2016 AWSC (Area World Service Committee meeting) on Communication and Strengthening the Links of Service, as well as discussions at the Assembly in May 2016 on the 2015 and 2016 WSO budgets and other Task Force presentations from the WSC (World Service Conference). The Coordinator reports also include important updates and information from the World Service Office.

Today's information and reports will be included in the Bulletin, which takes awhile to be produced. Do your best to take notes, talk with each other, your DR and others for clarification.

2016 WSO Budget

See Feb 2016 Bulletin Delegate Report (SCWS website) or the financial section of the WSO members website for the 2016 WSO Budget.

The WSO Treasurer, Jennie M., who is a Trustee and an Al-Anon member, informed the Delegates last month that groups have responded well to the information about the budget and the 2015 severe decrease in literature sales. Recall that the 2015 WSO budget included an anticipated \$10,000 decrease literature sales, but it turned out to be \$237,000 less. We had no way to predict this huge magnitude of decrease. That is a quarter of a million dollars! That is 24% of a million (\$237,000) instead of 1% of a million (\$10,000 ...which itself seemed large when we first heard it).

The reserves carried us through 2015, without a decrease in services, until all of you and the GRs in all 67 Areas helped to get the word out in 2015 and 2016. Did you like the back side of the summer and fall quarterly appeal letters, which list some of the services provided by the World **Service** Office that our contributions support?

Let's be sure, though, that there is a **true increase in total donations**. It does not help overall if there is merely a shift in contributions. The other Service Arms, of course, need contributions too, to continue the services they provide. That is how they are funded, since we observe the Seventh Tradition at all levels. Please make sure your group is aware of this, and that they **increase total contributions rather than shifting contributions**, which only would take away from one service arm (SCWS, the District, and the AIS, Area Information Service – a.k.a. Intergroup office) in an effort to support another (the WSO).

Jennie M. also informed us that the severely lowered level of literature purchases indeed continues in 2016. The 2016 WSO Budget compensates for this projected decreased literature

purchases by **another large transfer** from the reserves (\$184,000) and by a request to increase contributions to \$1.8 million (compared to \$1.65 million in 2015). The projected transfer amount was estimated from the difference between projected income and projected expenses for the services provided to the groups.

This means that we are continuing to withdraw from our reserves – we are not fully self-supporting.

For many years the WSO income has been 2/3 from literature purchases and 1/3 from contributions. With **literature purchases continuing to be severely decreased**, so, too, do **contributions need to continue at the increased levels** in 2017 and beyond, to compensate for the substantial decrease in a major source of our self-funding.

Note that literature purchases support ourselves only if it is purchased from an LDC (Literature Distribution Center), ...not from outside the country and not from other online retailers.

Since literature purchases have declined severely, this decrease in income must be made up by increased contributions if we are to be able to continue providing the same level of services to ourselves at the WSO.

The May 2016 quarterly appeal letter asked for \$15 **per member** in 2016 and beyond, whereas the 2015 budget indicated a need for \$25 **more per group** in 2015. With this level of contribution, the WSO will be able to continue all of the services to groups and members at a cost of \$262 per group, whether a group contributes to the WSO or not. The August 2016 quarterly appeal letter thanks members and asks them to continue their efforts, acknowledging that providing services to our fellowship requires a daily commitment. The second page lists many of the services provided to groups by the WSO.

The November 2016 quarterly appeal letter refers to tax-deductible contributions. Recall p. 117 of the Service Manual, which says, "Contributions to Al-Anon Family Group Headquarters, Inc. or Al-Anon Family Group Headquarters (Canada) Inc. may qualify as a **charitable deduction**, but the World Service Office makes no judgment as to the specific deductibility of a contribution by any member."

AFG Headquarters, Inc., is a not-for-profit organization, therefore, member contributions to the WSO may be included in the "charitable contributions" section of one's tax return, if the member includes a receipt from the WSO when submitting their taxes.

Members will get a receipt for a tax-deductible contribution to the WSO if the name of the member and the amount both are clearly indicated (such as by check or by payroll deduction, or if the group treasurer includes your complete name and address when making a cash contribution in the quarterly appeal envelope).

Many employers have a Matching Funds program where the employee may specify a non-profit that they want to contribute to, such as United Way, so that their W-2 form will indicate the amount of the charitable contribution, thus providing the receipt needed for the tax form. **The WSO can accept the em-**

ployee's contributions, but not the employer's matching funds. Contact the WSO for information about having your employer send only your funds, without matching it.

Programs offered by employers can be used, but programs by online retailers cannot. For example, Amazon Smile allows individuals to sign up to support their favorite non-profit organization which would receive a percentage of "profit" from the Amazon foundation. The WSO Policy Committee unanimously agreed that Al-Anon does not accept contributions from any program like this because it is impossible to know whether or not the donations (percentage of the amount spent by the consumer) come from Al-Anon members. In addition, the proceeds donated are from outside entities, e.g., the charitable foundation of a business. Accepting any contributions of this type violates our Traditions.

Ala-Jeopardy Game

The Delegate from Hawaii created a Jeopardy-style game based on the July 2016 COB (Chairman of the Board of Trustees) letter.

Oct COB Letter: Posted Thursday this week

David Z., non-member (required), Director of Business Services since the WSO moved from New York City to Virginia Beach, Virginia, will retire in January 2017. The new position title will be Director of Finance. Niketa B., non-member (required), started work this past Monday, Nov 14. She has a CPA, a Masters Degree in Accounting, and is excited to work within an organization that applies spiritual principles as a means for guidance and planning.

The October Board of Trustees meeting was held in Fayetteville, Arkansas, for the Meet the Board event. This event has been renamed Road Trip! You and Your Board Connect.

The 2018 Al-Anon International Convention Theme is Celebrating One Day at a Time. 2018 is the 50th anniversary of the ODAT.

7 Areas hosted a TEAM event in 2016, including Hawaii on Nov 5. 9 Areas will host a TEAM event in 2017, and CA(S) is one of them. Our date will be September 16, 2017. This is the 3rd Saturday and it will be here. Marcia will be planning a fantastic schedule based on the topics we submitted to the WSO with the previous Alternate Delegate. Mark your calendars, everyone will get a lot out of it!

Oct COB Letter - Finances

The gross profit on literature sales is the same decreased level in Jan – Sept 2016 and Jan – Sept 2015.

The investment income and transfer from the Reserve Fund totaled \$166,742, compared to \$43,666, due to a larger planned transfer budgeted in 2016. The big news is that 2016 Contributions for the first nine months exceeded 2015 Contributions by \$320,553, including a \$100,000 increase in August. If such contributions continue, we might return the transferred money to the Reserves, and end up with a balanced budget!! Your announcements and the quarterly appeal letters really seem to have helped!

Oct COB Letter - Policy

The Policy Committee has been discussing the terms "open" and "closed" meetings. The term "closed" meeting originated in AA, to designate the meetings at which wives who were not AA members could not attend. Al-Anon members have questioned the use of this term in Al-Anon, thinking that it is confusing to newcomers and to some Al-Anon members. The Policy Committee first discussed this topic in light of Tradition Five, the principle of being welcoming, and Tradition Twelve, maintaining anonymity of members.

What is your experience with open and closed meetings?

Oct COB Letter - Conference

The 2017 World Service Conference theme is Our Members: our Hope for the Future

Highlights of Conference Summary

The *Highlights of the Conference Summary*, is a new feature available on the members website. The "Highlights" allows members to read about a few of the topics covered at the Conference (WSC), to stimulate their interest in additional detail available from the Conference Summary.

Districts invite the Delegate

Districts have invited the Delegate to present additional Conference topics throughout the summer and fall in their neck of the woods. Twelve workshops on our Spiritual Potential were held by Districts, either in groups or individually, and by 2 Intergroups. All members of the fellowship were invited and many non-GRs attended. Most present at each workshop had not been to the May Assembly.

We read and discussed the WSC Task Force Presentation on Acceptance of Communities, Cultures and Beliefs. The discussions were lively and members expressed being very supportive of those from different backgrounds than theirs.

We also read and discussed the KBDM material provided by the WSC Literature Committee that they considered in making the suggestion to the Conference that it consider removing the Prayer for Today from CAL (in Just For Today bookmark and wallet card and in How Al-Anon Works). There were 3 categories of responses from members at every workshop after a thoughtful, Traditions-based discussion: leave it, remove it all, remove only the words that express a specific religious belief. "and it is in dying that we are born into eternal life."

Alternate Delegate

No report available: Vacant position filled only recently by interim appointee.

Immediate Past Delegate

Good morning. My name is Jayme C. and I am a very grateful member of Al-Anon. I am proud to stand here before you to provide some background on our Task Force – “Groups Who Do Not Consider Al-Anon As A Whole”.

I served as the facilitator/chairman on this Task Force. The charge was to create an Area policy addressing constructive and positive ways to enhance Area unity and compliance with Al-Anon policies. It was also to encourage groups to practice Al-Anon principles and support the Service Arms of Al-Anon for consistency and unity in our Area. I believe we have created such a policy.

The Task Force consisted of nine Al-Anon members from all over Southern California. We met for almost two years every week. We met via conference call on Fridays at 5:00PM. One of the first items we decided upon was to request other Areas’ policies on Do Not Refer. Six Areas responded to our request.

I have worked on many Task Forces in the Area and with the WSO while I serving as your Delegate. But this Task Force has been the highlight for me. I sometimes felt like I was working with a Brain Trust! I pondered how I would introduce this Task Force and really provide the depth of what it meant to all of us. One night it came to me. I would ask each of the members what their takeaway was serving on this Task Force. Here are a few of their comments:

“Being asked by SCWS and the Assembly to write a policy to help meetings remain consistent with the Al-Anon Legacies was a formidable task. To reach unanimity in an informed group conscience as a result of applying Al-Anon’s spiritual principles such as trust, unity, humility and respect has deepened my understanding of being democratic in thought and action. It has been a truly loving interchange among members.”

Another member said: “My personal experience was incomparable. We came together with varying opinions and expe-

riences and while maintaining principles of the program. It was an honor to work with the members”.

And yet another said: “Even though we are committed Al-Anons, I still found it amazing that the team we started with – was the team we ended with! We each have a gift and I thank God we are not all the same, each bringing a different perspective. I learned that we can have differences of opinions and still work together with respect and willingness. I am grateful for the opportunity to learn and grow.”

Here is what another member said: “This was the best Al-Anon service position I have ever had. It was what you always hoped Al-Anon service will be: collegial, open minded, everyone operating from a place of not knowing in a truly spiritual sense, completely grounded in words and the spirit of the Legacies. Every person on this Task Force said at one point: ‘after hearing what you said and the information you brought forward, I have changed my mind.’ Our common welfare really does come first.”

Finally this member said: “serving on this Task Force has been a spiritual experience but an opportunity to deepen and broaden any understanding of how the program works. The Task Force brought together 9 men and women of divergent backgrounds & opinions who shared a common commitment –keeping Al-Anon and Alateen a fellowship of equals. We treated each other with respect as we researched, discussed and reached consensus. I have a deeper understanding and appreciation of the spiritual principles, policies and the World Service Conference. Careful and lengthy deliberations have maintained our fellowship for more than half a century.” I now want to introduce the members of the Task Force. Please stand as I introduce you.

Andrea D.: District Representative, D69, San Diego

Billy McC.: SCWS Institutions Coordinator, Inland Empire AIS Co-Chairman, Inland Empire

Carol G.: Alternate District Rep, D60 and Group Representative, Fullerton

Cathy W.: She is serving today as our temporary Area Secretary. Al-Anon Member Santa Clarita

Chris C.: District Representative, D40, and Group Representative, Temecula

Julie S.: Ex Officio of the Orange County AIS Intergroup, Huntington Beach

Mary C.: Former District Representative of District 57 and now Group Representative, Lakewood.

Marley K.: District Representative, District 21 and Group Representative, San Fernando Valley

We will now give you the presentation and immediately following the presentation we will pass out the PowerPoint presentation, the Policy and the Flowchart.

After the Presentation, we will provide some frequently asked questions. When we complete that exercise we will open it

up to you our members. We will take questions first and remember two minutes at the microphone. When we believe all your questions have been answered; we will then take two minute comments.

AFTER LUNCH we will come back and talk about the next steps.

Okay, this morning we did Part 1 of KBDM. Everyone has the same information. According to KBDM: We exchanged information, we had questions and discussion/comments which were based on information already exchanged.

We now need to decide if we want to continue this discussion at the 2017 May Assembly or are you ready to take a consensus vote to see if we are ready to vote on the Policy.

That is what was said at the Assembly. The consensus vote was that the Assembly was ready to vote on the Policy. When all discussion was completed, as we all know now, the Policy for "Resolving Group and Member Concerns" was brought to a motion at the November 2016 Assembly and the motion passed resoundingly by over 78%!

The presentation, policy and flowchart can be found on the SCWS website <http://www.scws-al-anon.org/index.php> under Task Force and Thought Force Reports.

Love in service,
Jayme C.,
Immediate Past Delegate

Chair

The quality of our decisions as an Assembly nurtures my walk through the three legacies of Al-Anon. Assembly members with voice today are Group Representatives, SCWS Officers, Coordinators, District Representatives, Past Delegates, AIS Representatives and Convention Chairs from AFG Southern California. The Group Representatives have a vote. Today let us listen to each other with dignity and respect. In doing so we will continue to learn and nurture our personal growth and that of the fellowship of Al-Anon.

Sincerely CB, SCWS Chair

Secretary

Greetings! Just a gentle reminder that at every Assembly and Committee Meeting, the minutes from the previous meeting will be approved. For example, the February Committee meeting Minutes are approved at the August Committee meeting and vice versa. Likewise, the Minutes of the Area Assembly in May are approved in November, and vice versa.

Ask-it-Basket

November '16 Assembly Ask-it-Basket

Questions:

Q1: What can be done about longtimers in a meeting who continually state, "WSO & SCWS does not need all that money" and that quarterly appeals isn't necessary" and keep referring to the fact that WSO bought a building and that's why they keep needing money? (It's bad for newcomers to hear.)

A: Education may be the key. In the Nov. 2016 Quarterly Appeal letter there was a list of services provided to groups from WSO. This info is also found on the WSO website (scws-al-anon.org/members; "financial"; "appeal letter"). "In keeping with Tradition Seven, support of the World Service Office is the responsibility of all Al-Anon members, groups, and service arms." (Service Manual (SM) pg.57) Over the years our donations have not kept up with inflation. Our literature sales have decreased, partly due to members buying from unauthorized third party vendors. Purchasing e-books from authorized vendors does contribute to WSO revenue. The purchase of the WSO building actually saved millions rather than continually paying a higher and higher rent.

Q2: Is the opening prayer that begins "Our Father we come to you as a friend..." conference approved for Al-Anon meetings?

A: Al-Anon has evolved from a small group of members, mainly spouses of alcoholics, who followed the example of A.A. by using a popular Christian prayer at meetings. We are now a fellowship of over 25,000 groups worldwide that welcomes all affected by someone else's drinking, whether they are of any religion or none. One of the ways of showing our welcome is to respect diversity of our members by closing in a manner that is agreeable to the group conscience. Some groups decided to close with the Lord's Prayer, the Serenity Prayer, or the Al-Anon Declaration.

There are no "conference approved prayers". The term "conference approved" refers to books and pamphlets that undergo a rigorous process of review for adherence to Al-Anon principles and policies. Most Conference Approved Literature (CAL) is comprised of the sharings of Al-Anon members. The only prayer suggested is the Serenity Prayer. (Service Manual p.22) The selection of a prayer or any other form of opening or closing is a reflection of an "informed group conscience" that abides by the Traditions. When a group chooses a prayer, it should be one that is inviting and universal to all. We strive to keep in mind what is said in the Preamble to the Twelve Steps, that "Al-Anon is not allied with any sect, denomination..." and the Three Obstacles to Success (Service Manual, p.24)

Our co-founder, Lois W., once said, "It doesn't matter what prayer we close with but that we close with a spiritual moment." (Many Voices, One Journey, p.335) Customs vary from place to place, region to region and being sensitive to the fact that we are a fellowship of all creeds or none, many groups

today have adopted the Al-Anon/Alateen Declaration or the Serenity Prayer to open and close their meetings.

Groups are within their autonomy to decide the group's format. "The group business meeting is an opportunity for members to share their ideas to increase group membership, express concerns, plan special meetings or projects, and other group business—such as changing the group name, CMA, group phone contacts, the meeting time and place, finances, meeting format, open or closed meeting status, etc." (Service Manual, p. 52) *"It is suggested that groups close in a manner that is agreeable to the group conscience. Many groups say the Al-Anon Declaration after their closing"* (Service Manual, p.22) "The group conscience is the result of the group's business meeting discussions. The group conscience is the will of the group. The guiding principles for the group conscience are always the Twelve Traditions and the Twelve Concepts of Service. It may be helpful for the group to review these principles prior to any group discussions." (Service Manual, p. 53) (Jayme, SCWS Immediate Past Delegate)

Q3: Where in Al-Anon literature does it talk about crosstalk?

A: "Crosstalk" is not a term found in Al-Anon literature. This term came from therapy groups & treatment programs. However there has been discussion of "crosstalk" in the Forum. "Al-Anon BC—Before 'Crosstalk,'" printed in the December 2004 edition of *The Forum* offered an additional perspective on this topic.

The September 2007 *Forum* presented "Crosstalk—or loving interchange?" by Martha C., from Virginia. In that article, the writer described her experience with crosstalk. Later in December 2007 there were multiple sharings posted in the Forum on the topic of "crosstalk". Some members /groups do not use the word "crosstalk", while others have come up with their own definition and guidelines for their group. In the Forum articles it appeared that the use/non-use of "crosstalk" was decided upon by group conscience. These personal sharings can be found on the WSO members website by searching "Crosstalk". (al-anon.org/members)

Q4: Can the district treasurer also be a GR? (tried to find the answer in the service manual, not there)

A: The setup of service jobs within a district is similar to that of a regular Al-Anon meeting. Members of an Al-Anon meeting volunteer to undertake the various service positions in their group. This is what happens within the district. The members of the district are the GRs. The GRs step up to cover the service positions within the district. There's good information in the District Meeting Guidelines, G-15, and District Representative Guidelines, G-37.

Q5: Balance sheet for previous year- What is the \$2920 insurance for? It wasn't there last year.

A: The church facility requires that SCWS have insurance in order to use the facility. Historically, Prepaid Insurance, along with other Prepaid accounts were booked under "Prepaid Expenses." Every month Prepaid Expenses were balanced according to their sub accounts in a spreadsheet, which doubled the work. To keep it simple and provide transparency,

Pre-Paid Expenses are now itemized in QuickBooks. (Eva, SCWS Treasurer)

Q6: What is the best way to handle a person in service at our meeting who thinks because she is in service, the meeting now belongs to her? She comments, questions and embarrasses members and they are not coming back to our meeting.

A: Sometimes the conversation can begin by a seasoned member speaking with the dominating member one-on-one outside of the meeting about their concerns. A Group Inventory (Guidelines, G-8) can be completed anonymously by each member of the group with the concerns/comments compiled to discuss during the group &/or a business meeting. Having a meeting topic on Dominance with CAL literature support. Lois addressed the topic of "letting go" in Al-Anon service in the Oct. 1968 issue of the Forum, and was quoted in Many Voices, One Journey, p. 146. This would be an excellent reading for a meeting. Does the group have a GR? If not, invite your DR. More discussion of the Traditions 1 & 2; Concepts 4 & 5; & General Warranty 2 of the Conference, and the Three Obstacles to Success (Service Manual, p.24)

Q7: Is it true that WSO lost money in the money market?

A: WSO doesn't have money invested in the "money market." However we did lose money in our Equity account in 2015. The Stock Market improved in 2016, so WSO made back the money that was lost. Remember that WSO looks at their investments over the long term (similar to what we do on a personal level). Over the long term WSO's investment values have increased appropriately. (David at WSO). Keep in mind that we paid off the mortgage early because of growth in our equities. The market fluctuates up and down. This is an example of taking advantage when the market is up.

Q8: Did WSO decide if Al-Anon is keeping the purchase at the Virginia building office?

A: 1991 The Board of Trustees approved relocation for the World Service Office outside of the New York City metropolitan area. The World Service Conference stated that ownership of property by Al-Anon Family Groups, Inc. [sic] is consistent with our Traditions." 1994 The World Service Conference authorized the Board of Trustees to purchase property for the Al-Anon Family Group Headquarters, Inc. on a 15-year trial basis. (Please see pages 25-27 1994 World Service Conference Summary at al-anon.org/members for more details.) 2011 The World Service Conference voted to end the 15-year trial period on owning property, recognizing the advantages to the fellowship of owning, rather than leasing office space for the World Service Office. (Please see the 2011 World Service Conference Summary Property Ownership Task Force report, page 39 & 82) The mortgage for the World Service Office was officially burned at a ceremony during the 60th Anniversary celebration.

Q9: Is it possible to have people that have a presentation at Assembly stay within their time limit? Is this a form of dominance? How do we start that conversation?

A: The conversation is starting now with this question being

discussed at the Officers meeting. There is always room for improvement with use of the timer for report presentation. Part of the difficulty during the Assembly is the overall limit of time for the quantity of information to be presented. Many of the presentations have been rushed & slighted to attempt to fit the time constraints. A survey of 31 areas was conducted. The average number of days spent for Assemblies per year was 3+full days (we only have 2), and many of these areas are smaller than California South. The Assembly start time changed to 9am in attempt to give us the needed time. Unfortunately the extra hour hasn't solved all of the issues.

Q10: What happens when a group does not want to have a GR and wants nothing to do with the District or Intergroup?

A: Electing a member to be a GR is not required of an Al-Anon group, however your GR is a vital connection to the district and Area. "The Group Representative (GR), an officer as well, is elected for a three-year term and represents the group's concerns and wishes at the district and Area, as well as informing the group of what is happening in Al-Anon in the district, Area, and worldwide. GRs are entrusted with the "right of decision" to vote on behalf of the group according to their conscience and the good of Al-Anon as a whole. (See the "Concepts of Service" section of the *Service Manual* and the *Guideline Group Representative* [G-11].) GRs and other officers are leaders and trusted servants who perform their duties in keeping with the Traditions and Concepts of Service, yet they have no authority over the group." (Service Manual, p.62-63)â

Sometimes groups are misinformed or have lack of information as to the benefits associated with connecting to the district/intergroup. Many groups are unaware of doing a Group Inventory, (Guidelines G-8) available to download in English & Spanish (espanol= al-anon.org/miembros/grupos/recursos-para-los-grupos). A Group Inventory could be done by each member anonymously or as a whole group. The group could use this question as a meeting topic with CAL literature to support. (Is it fear of change? Of being told what to do? Of being told they aren't conducting their meeting correctly?) Invite the District Representative to the meeting, and possibly a GR from another meeting.

Q11: How do we attract young people to Al-Anon and increase their commitment to service?

A: This was a topic discussed as the Chosen Agenda Item at the 2016 World Service Conference (p. 50-53, see Conference Summary on al-anon.org/members). First we need to increase the overall awareness that Al-Anon is available. This could be done by connecting with local colleges, their counseling & health centers, connecting with local churches that may have youth groups. Starting conversations with the appropriate professionals & providing Public Outreach pamphlets. Al-Anon members could start a beginners meeting at the college (church) with the focus of supporting young adult Al-Anons. Unfortunately needing to encourage members to volunteer for service is an issue at all levels of Al-Anon. Having those doing service to mentor (offer to be a Service Sponsor) other members is the key, as well as using this question for discussion at Alateen meetings, district meetings, etc.

Q12: How can Anonymity be protected?

A: This could be a great meeting topic using the revised pamphlet (P-33) "Why Anonymity In Al-Anon". The "Table Anonymity Card", (S-9) can be displayed. The optional reading "A" in our Service Manual (p.23) that explains anonymity could be read weekly, and/or when newcomers or visitors are present. "The experience of our groups suggests that the principle of anonymity—summed up in Tradition Twelve as "the spiritual foundation of all our Traditions"—has three elements: There is anonymity as it applies outside Al-Anon/Alateen, governing our contacts with general public, the media, and professionals; anonymity within the fellowship; and anonymity as it contributes to our personal growth." (Service Manual, p.91 Lois said : "Nothing is said [in Tradition Eleven] about maintaining anonymity within our group, our family and our circle of friends. Let's not mistake anonymity for secrecy. The degree of anonymity we practice is a personal matter. Most of us, I believe, do not wish to be anonymous within our own Fellowships. Anonymity here hinders our availability to help our fellow members." (Many Voices, One Journey, pg. 205-206)

"The principle of anonymity is essential during meetings to assure the confidentiality of who is present and what is shared at the meetings. In time some members become willing to share their full names within the fellowship in order to serve it. As time progresses some members decide to let their membership in Al-Anon be known to professionals in the community so others can receive Al-Anon's help. Each member chooses when and why he or she lets others outside their meeting know he or she is attending Al-Anon. The principle of anonymity encourages each member to respect the reasons for this personal decision and make no judgments about them. " (Service Manual, p.42)

Q13: Would an event (i.e. luncheon, etc) violate anonymity if they ask possible attendees to include a baby or childhood picture of themselves to be displayed at event sponsored & attended by Al-Anon members?

A: These are possible questions to ask: Will it be clear that: Including a picture is optional? That the photo will only be displayed during the event? That the pictures will not be re-photographed & with written names, & will not be displayed outside of the Al-Anon event?

"Out of respect for others, please do not take photographs during any of the meetings at this event. Please be considerate when taking photographs, using care that you do not capture images of Al-Anon, Alateen, A.A. members, or their guests who did not give their permission and may not wish to appear in your pictures. In the spirit of Tradition Eleven, please do not post recognizable photos of identifiable Al-Anon, Alateen, A.A. members, or their guests on Web sites accessible to the public, including unrestricted pages on social networking sites." (Service Manual, p.43)

Q14: Hay una persona que habrio un grupo hare muchos anos, ella debena de refirase del grupo (abundonar el grupo)? Le han dicho que gu tiene mucho tiempo y que no deberia de tener servicio, es eso cierto?Translation:

There is this person who opened a group a long time ago. Does she need to quit? (Stop going to the group?). She was told that she's been there too long and should not have any service. Is that true? (This was translated by Marco, D-64)

A: Al-Anon is a gentle program where we each progress in our own way and pace. There is no timeline or rule for what meetings a member can attend and for how long they can attend. Maybe there is misinformation, lack of understanding or confusion regarding rotation of leadership & letting go of service positions so that others will participate? Is the member refusing to step down from a service position? Healthy groups are able to have regularly scheduled rotations of the key positions, (such as Chairperson, Treasurer, Topic leader). Unfortunately smaller groups sometimes keep rotating the positions among the long time members rather than encouraging new members to do service. There are many references to "rotation of leadership" and "dominance" in the indexes of our Conference Approved Literature. Rotation of leadership does not mean to quit attending the Al-Anon meeting.

Translation: Al-Anón es un programa gentil donde cada uno de nosotros progresa a su propio ritmo y de su propia manera. No hay un tiempo definido ni reglas para qué un miembro pueda asistir a reuniones ni tampoco por cuanto tiempo lo deben de hacer.

¿Quizá hay mala información, falta de comprensión o confusión en cuanto a la rotación de servicios así como el soltar posiciones de servicio para que otros puedan participar?

¿El miembro se niega a dimitir de una posición de servicio? Los grupos saludables pueden tener turnos regulares programados de los puestos clave (como coordinador, tesorero, coordinador de temas, etc.). Lamentablemente, los grupos pequeños a veces se mantienen girando los servicios entre los miembros de mas antigüedad en lugar de alentar a los nuevos miembros a prestar servicio.

Hay muchas referencias acerca de la "rotación de servicios" y "dominio/control" en los índices de nuestra Literatura Aprobada por la Conferencia. La rotación de Servicios no significa dejar de asistir a las reuniones de Al-Anón.

Q15: I had some concerns about the Assembly yesterday. I have been going to these meetings on and off for 16 years or so. One of the things I noticed was that at other Assemblies I went to, the Chairperson would give limits for questions, such as they would say everyone has two minutes at mic. And after we hear 30 min or one hour or whatever amount of time it is, then we will stop hearing questions and concerns about the topic. Plus I noticed that the people talking at the mic keep bringing up the same thing over and over. Before if people at the mic did that, the Chair would remind people at mic, that we only bring it up one time, if it has already been brought up, to please go back to their seats. (I'm not too sure about the wordage?). It seemed to me there was a lack of boundaries from the Chair, and the new people at the meeting didn't know this.

I just wanted to let you know about it, so perhaps you all can

talk about it? I hope that my perspective can help the meeting?

A: SCWS will continue to practice the 7 Rules of the World Service Conference.

The Rules are reviewed in the Past Delegates Report.

The Rule regarding participation at the mic:

2 minutes at the mic and if your point has been expressed by another member, please sit down.

There will be a timer. The Chairperson will listen more carefully for times of redundancy which may occur at which time the member would be reminded.

Thank you as we strive to conduct our area business in the spirit of unity. (CB, SCWS Chair)

Area Alateen Sponsor Coordinator Report – Nov 2016 Assembly

Open Forum: On November 5, 2016, a three-hour Open Forum was held pertaining to Alateen.

224 seats were filled but only 141 people signed in (41 Alateens, 68 AMIASs, and 32 other Al-Anons). The topics discussed were Alateen Meetings, Alateen participation at Conventions, and the Alateen Conference. As part of KBDM, I wanted to hear from the Alateens regarding those topics. This was accomplished. Therefore, I believe the Open Forum was successful. Everyone in attendance received a greater understanding of how the various changes (past, present, and future) affect Alateen members and their relationship with the Al-Anon and Alateen program. The feedback I received was positive and attendees expressed an interest in having more of these Open Forums. I would like to schedule the next one in April or May 2017. I hope to bridge the gap from the "us" vs "them" mentality, into "we" thinking.

Minutes of the Open Forum were taken and comment cards were provided for those who did not get an opportunity to speak. The minutes and comments will be released as soon as they are compiled.

Alateen Task Force: At the May 2013 Assembly, the GRs voted to have a task force created to discuss the following and report back to the Assembly with their recommendations:

1. Should the maximum age of 20 for Alateen members be changed?
2. How can the Area support meetings that have Alateen members with special needs?
3. Should the Area support overnight events for Alateen?

54 people signed up as willing members of this task force so there will be a selection process to determine which members will be chosen. I'm not sure what the process will be, but as a minimum, it will require each task force member to have an open mind and the availability required in order to attend all of the meetings. Hopefully, this task force will be created by the end of December 2016 and will start meeting in January 2017.

Alateen Participation at Conventions: I have received many complaints regarding no Alateen participation at Area Conventions. Additionally, I have had convention chairs contact me stating that Alateen Program Chairs are elected by the Alateen attendees and then fail to attend the planning meetings, choose a sponsor, submit an event plan, and/or turn in their agenda in a timely manner.

Upon researching this issue, I discovered that G-20 (Guideline for Area Conventions) states that the Alateen Program Chair is an AMIAS and the Co-Chair *may* be an Alateen.

Some feedback I received from the members is that Guidelines are just suggestions and we do not have to follow them. I contacted the WSO to receive clarification and the response below is quoted from Sue P., Associate Director of Groups at the WSO:

"Our topic-specific guidelines reflect policy as outlined in the *Al-Anon/Alateen Service Manual* (P-24/27) and are reviewed and updated by the assigned WSO staff on an ongoing basis. Updates and changes are made periodically based on the shared experiences that are brought to us by the various Al-Anon members who serve at and beyond the group level. Minor changes may be approved by WSO staff; major changes would be reviewed by the Executive Committee.

There are instances when a guideline may not clearly express a particular intent, which is why we encourage feedback from Al-Anon members. It prompts us to make knowledge-based decisions in order to revise guidelines. We strive to do this in the spirit of unity so that the Al-Anon message is consistently communicated to help families and friends of alcoholics."

I request that all Area Conventions create a policy that would ensure that the Alateen Program can be represented at their convention. I will not tell you what your policy should be, I only request that you create one that is consistent with the other Program Chairs for the convention and include specific timelines for planning the event.

If you have additional questions pertaining to this, feel free to contact me.

Young Al-Anon meetings: Reminder that Young Al-Anon meetings are meetings designed specifically for members be-

tween the ages of 18 and 30. These are also used as transitional meetings for Alateens moving on to Al-Anon.

These meetings are NOT to be held in lieu of Alateen meetings to avoid abiding by the Area Alateen Safety and Behavioral Requirements. *Please note that there will not be a "monitor" checking the age of attendees as "honesty" is part of our program.* It is requested that we honor the age requirement for young-person focused Al-Anon meetings and not use them as a loophole to impede safety measures for the minors in our program.

Alateen Conference Restructuring Workgroup: The Area Alateen Resolution Committee, which is the decision-making entity pertaining to Alateen, suspended Area support to the Alateen Conference (SCAC) due to non-compliance over the past several years. The Restructuring Workgroup was formed in an effort to restructure SCAC so that it can become compliant. The workgroup consists of 6 Alateens and 6 AMIASs. They have been meeting weekly since September 25, 2016. Their purpose is to create a conference that is program-based, safe for all attendees (including sufficient sleep time allotted), and consists of supervision by AMIASs at all times throughout the event. When the Restructuring Workgroup has completed their work, they will present their plan to the Area Alateen Resolution Committee for review and approval. Once approved, the suspension can be lifted so SCAC can occur. The fellowship will be informed at that time so that fundraising can resume.

AMIAS Recertification Workshops: 15 Districts have agreed to host AMIAS Recertification Workshops before May 31, 2017.

Two workshops were held in 2016 and the remaining 13 will be held in 2017. Starting January 14, 2017, there will be a workshop almost every weekend. The schedule was emailed to all DRs and AMIASs and has been posted on the Alateen Sponsorship webpage of the Area website.

This year's workshop will introduce the Alateen E-Service Manual, include self-reflection, and consist of Case Study discussions.

Reminder that the host district reserves the location, creates and distributes the flyer, and provides the snacks & beverages. The Area will provide all of the workshop materials.

The SCWS Treasurer will pay a maximum of \$100 for the rental fee of the facility. The responsible party from the host district should send a reimbursement form directly to treasurer@scws-al-anon.org so that a paper-trail of expenses can be maintained for auditing purposes.

Area Alateen Process Person (AAPP)

This position is currently vacant. Report written by Tarisa.

This coordinator position was filled in September 2016 but that person resigned a month later due to the time commitment required. Since then, five people have been offered this position and all have declined. We are still actively looking for an AMIAS that is willing and able to fulfill this commitment until Dec 31, 2017.

In the interim, I am performing these duties since the tasks need to be completed in a timely manner. The paperwork has not been transferred to me by the previous AAPP so my report contains estimates only.

AMIAS's: There were 320 certified AMIASs at the end of Third Quarter 2016.

Approximately 10 people were certified during the fourth quarter.

This results in a total (estimated) of 330 certified AMIAS's in our Area for the end of 4th Quarter 2016.

Alateen Groups: There were 88 Alateen meetings registered at the end of Third Quarter 2016.

No Alateen meetings were registered or disbanded during the fourth quarter. This results in a total of 88 registered Alateen meetings in our Area for the end of 4th Quarter 2016.

AMIAS Certification Training (for new applicants only): 90 minute on-line webinars are held once each month – second Sunday on even months and second Wednesday on odd months. For those members that are technically challenged, face-to-face sessions are held at various conventions. This year, the only conventions that have requested this are: SFVAA (January 28th) and AFG (April 1st). If you are a convention chair and would like to have an AMIAS Certificate Training scheduled during your convention, please contact aapp@scws-al-anon.org

AMIAS Applications and GR-3 forms: Please send all AMIAS applications and Alateen Group Records (GR-3) forms via email to aapp@scws-al-anon.org. Emailing documents provides you with a submission copy for your records and allows me to expedite the processing of new AMIAS applications and new Alateen Meetings within one week of receipt. If you snail mail forms to the AAPP, they do NOT get mailed directly to the AAPP and may take several weeks for the AAPP to receive it.

Alateen GRs are registered through the AAPP (NOT through WSO). Section 7 on the GR-3 form has a section for this information. Please make sure all Alateen GRs are registered 14 days prior to the Assembly (by the first Saturday of the month of the Assembly, May or Nov) so they can have a voice and vote during the Assembly.

Background Check Task Force: The original decision by the fellowship was to research Live Scan, therefore, no other background check companies have been or are being researched. The Live Scan research was completed by the AAPP (2012-2014 panel).

The next step is to have a discussion with the District's regarding who would be responsible to pay the fingerprinting fee. More discussion will follow at the February 2017 Committee meeting.

Archives

Hello friends in the fellowship.

I am working on a couple of items for the SCWS meeting coming up in November.

I will be following up on the "Group History Checklist" that was distributed at the May meeting. We will start updating the history of all the meetings in Southern California that want to participate. We hope to put this rich history in a binder that can be shared with all of our fellowship. Please bring your completed form to future SCWS meetings in May and August. You can also go online and access the "Group History Checklist" form as well. It is found on the WSO website at Archives e – Community, form AR6. Upon completion it can be sent to me at archives@scws-al-anon.org.

I have another very interesting couple of letters containing a great bit of history to share with all in attendance at this meeting.

#2 Do you know your group's WSO ID#? Please memorize it and make sure that your meeting's Secretary and Treasurer have it and use it on any correspondence and/or contributions to any of the service arms.

#3 The New Universal Group Update Form

- a. Please answer my emails! I have more than one hundred incomplete registrations and group changes because I haven't received answers back from members who submitted their group changes.
- b. Please use hyphens between the area code and the first 3 digits of phone numbers when you enter them. A 10-digit number with no spaces or hyphens is hard to read (at least it is for these older eyes!).
- c. When you enter your name on the SCWS on-line form, please be sure to include your group's WSO ID#, **your last name** and **your zip code**. We need all 3 pieces of information to see if you're already in the WSO database. If you have any hesitation about using your last name, please read page 93 of our *Service Manual*. It is a practical necessity for the service positions that receive postal communications.

#4 Email Addresses and AI-Anon Business -- Our Service Manual offers guidance about using email addresses for AI-Anon business (pgs 92-94).

- a. "Members should select with care the email address(es) they use to conduct AI-Anon/Alateen business. It is recommended *not to use members' full names in them.*" If you use an email address with your full name in it, you may not be protecting your own anonymity.
- b. You might create an email address specifically for AI-Anon matters.
- c. "Business email addresses might not provide privacy and could imply affiliation."
- d. If your group decides to collect email addresses along with phone numbers for support between members outside of your meeting, please be sure to state clearly to your members, on a regular basis, that these email addresses should be used *only for AI-Anon outreach*, not for any commercial, personal, or business purpose.
- e. Use of "blind copies" protects members' anonymity.

Please use **only our SCWS website** to fill out any group records changes that pertain to the SCWS/WSO information flow. Most of the forms on the site are now "fillable".

Literature

Good Assembly Day to All!

As Literature Coordinator, I have slowed down a bit on my communications the last few months and I do apologize. I know a number of you have had workshops and I am sure many of you are encouraging people to send in sharing's to the WSO on the publications to be produced. I will never stop saying that if all do not share, I will soon have a book with all my sharing's! Of course I am kidding. They need many voices! If you need help planning a workshop or have one in the makings, please invite me!!!

I want to share that since Feb, I joined my family in caring for my mom before she passed away. That experience was made possible by the fellowship, my sponsor and our literature which I had with me always. It is my belief and likely yours, that our literature is one of our most important tools. It is like having 365 people with you when you open the daily reader. Think of the voices in our "Paths to Recovery!" I knew from

experience that I just needed to suit up and show up and walk through my fears. The Literature was a vital link.

I was also constantly reminded during this time, that we are better together. I have a brother in AA and one in Al-Anon and the three of us walked through this with Mom, filled with grace and dignity for her and us. We spoke the language of the heart and talked about the steps. I just love that. We were all fearful and we knew Mom was even more so. My "Hope for Today" reader was a lifeline. I would love to know that one of you wrote the page that gave me comfort. How great would that be? The Al-Anon members who shared in HFT are meetings members like you and me sharing our experience, strength and hope. Awesome. Truly awesome!!!! Please take the time and be the one.

At the Assembly, I am passed out a few tidbits to take to your district meeting: Al-Anon faces Alcoholism info sheet; Spanish Literature Order form that also has the English translation; "Then and Now" pamphlet print out; A Screen shot of a page on the website- Surveys for members; November Group E-News. I have a couple more items I will send you after the Assembly. I did not receive the info till the day after the Assembly. One item will be 2 topics to use at a meeting using two of our books. They were written by other areas and shared on our Literature Cord. Site. The other is about updates on writing for the publications

Love our Literature,

Report to the November 2016 Area Assembly

At our October board meeting, the board learned that the Los Angeles AIS was lacking a public outreach coordinator of its own, since the person who had done it in the past had stepped down. We were told that the AIS wanted to refer questions they receive about public outreach to the corresponding SCWS coordinators. In order to confirm this, Billy (Institutions Coordinator) was tasked with arranging a conference call with Natalie of LA AIS, Rose (Public Outreach Coordinator) and myself. The four of us had the conference call a couple of weeks later, and Natalie confirmed that what we'd heard was correct. We discussed that the board wanted to clarify what the roles of the AIS public outreach coordinator and the SCWS coordinators should be. We all agreed to revisit the issue with another conference call after we had talked to the board. During the call, I also mentioned to Natalie that the idea had been floated to create a new SCWS Coordinator position: an AIS Coordinator that would facilitate communication between the SCWS board and all five of the southern California AIS's. No decisions that I'm aware of have been made about the proposed new position.

Public Outreach

We continue to provide information to El Monte police dept. The literature is given to families with alcohol related issues. As well as those involved in domestic violence as these are usually alcohol related also.

I have been contacted by Kendra in Riverside. She is from a mental health clinic. She is asking for information on Al-Anon for her clients. I will be going to a meeting at this facility to speak to families of clients involved in alcohol related problems.

Recently I received a call from Jorge M. at El Cajon Treatment Center. Jorge is a Substance abuse Specialist working with families.

I spoke to Darlene in North Hills who has a traffic school. Traffic school is for those having received a DUI. Many of her client's spouses attend with them. The family usually has many questions. I sent literature and will contact volunteers willing to go there and share.

We are trying to collaborate with AIS office. We had our first conference call which went very well. AIS has new officers this month but we plan to continue open communication. We had a great discussion and many of our questions were answered. Thank you Natalie.

Thank you to all districts. I know you are busy sharing the hope of Al-Anon. The last couple of months I have loaned out our banners 12 times. You are busy with events and health fairs. This means you are all working on public outreach.

We are happy to report all is well. We have all Committee positions filled. I feel that our district meetings are well attended. I'm excited to see the new GRs on the committee they are doing a great job. We continue to have a short Concept share prior to our district meetings. It has brought about question that has given opportunities for growth. We are putting together a basket to donate the AFG Convention.

We have great reports from our GRs regarding, our meetings. Our district is small, however there are at least one meeting

daily. Two new meetings started recently and we always have newcomers coming in weekly.

Our Public Information has been gathering ideas to reach out to our community. We have a new Intuitions Chair and together with the Public Information are focused on reaching out to our cities. Our Golden Empire Roundup AA Convention is coming in May 2017 and the Convention Chair is in the process of heading up her committee. We are very excited about her Al-Anon Luncheon Speaker, Sarah W., from ST. Louis, Missouri. Hope to see you there.

Thank you for allowing me to be in service.

District 8 had great Al-Anon participation at the AA convention in Santa Barbara in October. The festivities included a luncheon with a split pitch, a skit, and two Alateen speakers.

The rotation of leadership is already in place at District 8 and in January, our new DR, currently our ADR, Jocelyn will take the reins, along with our new ADR Larry.

We have two of our largest high schools with Alateen meetings, and another one interested. This is in addition to our weekly Alateen meeting on Monday nights.

We have already scheduled our Alateen recertification workshop for March 18, 2017, and are hoping to add the needed Alateen Sponsors to allow the high school meetings to grow.

Our monthly speaker meeting continues to grow and if you happen to be in Santa Barbara on the 2nd Saturday of the month, please join us. Everything is listed for meetings at alanonsb.org, thanks to our great web master Scott.

An additional Spanish meeting started in September and our 1st Spanish Meeting celebrated its first anniversary this month.

Hello Al-Anon family,

A lot has been going on in Ventura County! On October 8th, we had our delegate day that we shared with 3 other districts. About 12-15 came from district 12 out of about 50 members total. I enjoyed the experience of KBDM re: just for today bookmark as well as the skits. I loved seeing how sometimes we treat a newcomer whether intentional or unintentional. We had our VCAAC convention in September. Our next convention will be Serenity by the Sea, the last weekend in April at the Oxnard Performing Arts Center. Hope you can come!

As far district 12 meetings, we have made a lot of decisions re: finances. We now have an ample reserve, we made contributions to SCWS and WSO, and are now embarking on a special public outreach to radio and movie theaters. More will be revealed!

Our next district meeting is going to be Saturday, January 14th from 11-1 at St. Columbus Church in Camarillo. The first hour is dedicated to Al-Anon business and the second hour is more of a workshop. We will continue studying the concepts.

Thank you for letting me be of service,
Lalena, DR District 12

In early October, our district, along with District 12, 21, and 24 hosted a 3-hour workshop with our delegate, Elizabeth K. The workshop was titled "Getting to Know our Spiritual Potential." We had breakout groups, skits, and Elizabeth shared what the Conference Literature Committee is working on. The feedback we received from Al-Anon members was very positive. Sharing the work and the finances with 3 other districts made this experience a success for all. Thank you Elizabeth.

Also in October our district participated in a West San Fernando Valley Resource Fair from 9-12 noon. We set up a table with the Al-Anon tablecloth and banner in the parking lot of the Department of Children and Family Services. The purpose of the Fair was to share with staff and relative caregivers about Al-Anon and Alateen. We handed out "Al-Anon Faces Alcoholism 2016". Thank you to the LA AIS for sharing in the expenses of most of the directories and pamphlets. We also gave out the business size cards our district had made up showing the telephone numbers and website of World Service and the local LA AIS. We were amazed at the number of people who said they have heard about Al-Anon but didn't

really understand what we do. They were also delighted to hear we have a program for the Alateens. Our hope is to continue this relationship with LA AIS and participate in whatever Resource Fairs they have.

ALATEEN

The San Fernando Valley AA Convention with Al-Anon and Alateen (upon approval of the event plan) will be held at the end of January 2017 at the Marriott in Woodland Hills. Many AMIASSs chaperoned an Alateen bake sale at an AA Halloween dance on October 22. Although they didn't make as much money as they did for AA's Bingo fundraiser in August, a fun time was had by all listening to the vibes of a great DJ.

D17's DR, Enid M. and I met with our incoming DAL to go over the responsibilities of this position. Judy P. will be our new DAL beginning January 2017 and will bring in a new and exciting energy to the district.

D17 also participated in the Alateen Open Forum on November 5. What a fantastic event! It was very well attended by Alateens, AMIASSs, and Al-Anons. Although comments could occasionally be heated, it was wonderful to hear all the concerns had by all. Tarisa was an excellent facilitator! I was fortunate enough to help type up all the comments from those who were not able to get to the microphone. There is so much love out there for our Alateens and hopefully these ideas and concerns will be addressed at some time in the future. Another open forum would be beneficial to continue the discussion of the topics addressed at the forum.

Cathy L

Looking back over the past 3 years of my term as District Rep. I am amazed at the growth I have experienced. I am so grateful to district 17 for giving me this opportunity. There are many people who have helped me fulfill this duty that I never thought I could undertake. My goal at the beginning of this term in 2014 was "to do no harm". By that I meant I wanted to see that the enthusiasm and commitment of other Al-Anons in this district continue as they had in the previous 3-year period. I don't know if I have succeeded in that way. I can honestly say that I have enjoyed the many experiences I've encountered and will cherish the friendships I have made.

Outside Issues

A number of GRs reported problems with members sharing outside issues at meetings. The decision was made to simply have the GRs report back to their meetings, as part of their district meeting report, that this was a district-wide concern. We presumed goodwill and that; once members had the infor-

mation; that outcomes of elections were, for example, an outside issue; individuals would make different choices. This has reportedly been an effective strategy.

Services positions: members who do not fulfill their commitments – what to do?

GRs wanted to know what to do if members take but then do not fulfill their service responsibilities. Suggestions included: during elections, read the list of responsibilities of each position from the service manual (pages 46-8) and then have the outgoing person speak about their experience in the position before asking for volunteers; overlap the outgoing member with the new by a month for a more effective transition; if a member doesn't do the job, speak one-on-one to them to find out what's going on; and, if all else fails, they can and should be replaced. According to Concept 9: "Good personal leadership at all service levels is a necessity." A suggestion was made that pages 198-202 is an excellent piece about leadership.

Outreach to a local treatment facility

Our district has had a challenge providing consistent outreach to our local hospitals and institutions. We have just now had some success providing literature to one of the facilities in our district that provides care to underage people. The facility has asked for meeting directories, the annual outreach issue of the Forum "Al-Anon Faces Alcoholism" and the pamphlet "So You Love An Alcoholic" (P-14) Family members have been picking them up while waiting in the lobby to go to meetings or visit their children. Our district has made a budget item to supply them on an on-going basis

We are off to a fast start for 2017 in the district. Our Treasurer Mindy provided a full 2016 financial report which will be a part of a larger "care package" of reports and information to all of the meetings in district 24. We are aware at the district level that many meetings still have outdated information regarding our current mailing address and district meeting location and schedule. Obviously those members and groups are not reading the SCWS bulletin so we decided to make an effort to reach them more directly.

There are already a handful of new GRs coming on board as we say goodbye and thank you to several GRs who have served 3 (or more) years for their groups and the district. We already have several projects and events in the works for 2017. It's still too soon to advertise but we will have a lot of fun serving this year.

If anyone happens to be reading this before Feb 20th please

note our regular meeting will take place but the church building we meet in will be locked due to Presidents Day holiday. Please email me for information on where to meet for Feb. The rest of our regular district meetings will be held at the address below.

Report from the District 24 Alateen Liaison:

1. District 24 & 21 co-hosted an AMIAS (Al-Anon Member Involved In Alateen Service) Recertification Workshop last month on October 23rd. At this recertification, all members were welcome to participate. Current AMIAS along with non-AMIAS members attended. Non-AMIAS members got to see what occurs during the certification process and also got to experience what is happening at the Alateen level in our Area.

2. The first ever Alateen Forum on November 5th, 2016, was a success! 200+ participants attended, as well as SCWS Board Members. All Al-Anon and Alateen members are eager to be part of the solution regarding the changes Alateen is experiencing in Southern California.

3. As a result of the November 5th Alateen Forum, teens have approached me to ask how they can voice their opinions, vote, and help change what is happening in Alateen. To this, I explained how important it is to be a Group Representative. It is apparent that some teens are unaware that GRs have the voice and vote of their meeting. With the help of our DR, Andy, we have two new Alateen GRs, and soon to be another. Alateens have been more interested overall in what happens beyond the group level. Teens are buying Al-Anon/Alateen Service Manuals and are planning to attend the Area Assembly on November 19th.

4. Alateens have taken literature into their High School Guidance Counselors- thus Alateen literature is being distributed at the grassroots level to Glendale Unified. YAY!

5. Alateens (accompanied by an AMIAS) are already attending AA Foothill Roundup Al-Anon Committee Planning meetings for the 2017 AA FHRU with Al-Anon & Alateen Participation (which happens in District 24). Alateens are working together with the Al-Anon FHRU Committee (as per G-20) to choose an AMIAS to Chair the Alateen Foothill Roundup participation of the Convention. Alateen Chair is already chosen, and she is on her game!

6. Guidelines G-20 and G-7 are being implemented to help structure Alateen participation at events. These Guidelines are not new, but are now being used in order to assure Alateen presence is happening at Conventions.

7. District 24 is looking forward to hosting more events centered around Alateen.

This is a big report, but so much is happening in the world of Alateen!

They send their thanks, love and support to all!

Thank you for reading! Alateen loves you,

Miss L.

Public Outreach:

We are still supplying libraries in District 36 with Al-Anon Literature. Our Public Outreach person has been attending local Health Fairs and handing out Al-Anon information and the ***Al-Anon Faces Alcoholism*** booklets.

We are also working on creating Folders for local Law Enforcement to carry in order to provide needed information for Al-Anon/Alateen Meetings.

Fundraisers:

In April, District 36 had our "What's God Brewin'" Fundraiser for the Colton Service Center. There were plenty of great homemade cookies served with coffee and tea for all who came, more than enough for all to enjoy and a great speaker that shared her experience, strength and hope.

We are now working on our annual "Holiday Potluck" Fundraiser that is also for the Colton Service Center:

First Christian Church of Ontario
110 N. Vine Ave.
Ontario, CA
Saturday December 3rd from 6:00 to 9:00pm

Group Anniversary:

The Pomona Monday Morning Serenity Group Celebrated their 55th Anniversary on November 14th. Their Celebration included a Potluck Lunch and two wonderful Speakers sharing their own experience, strength and hope on the topic of "Celebrating the Child you were".

Groups in Action:

Many groups in our district are still passing around a "Forum Can" to help increase magazine subscriptions. It's been such a great success that in most Groups every member now has their own copy being delivered each month. Groups are also enjoying their own copies too, as members are still donating

to the can and writing in "Group" or "New Member" on the ticket.

Our district meetings have averaged 15-17 people per month. We continue to welcome new members to our district meetings. We are planning our annual party in December.

We are now planning our annual Spring Fling which we will hold on Saturday in April 2017.

District 42 covers a large area and has at least one meeting per day, which is great. We now have a district meeting for the half of the district who does not speak English. The idea is to introduce and explain in depth everything that happens in the district. By next year, the two groups will be together. We have a new DAL and Alateen is growing. Outreach is busy with many events. One great recent event was a Delegate Day, which provoked a lot of conversations and growth. I am finalizing job descriptions and using information from the area on how to avoid misfit service officers.

Public Outreach ordered 400 copies of the 2016 Al Anon Faces Alcoholism in English and in Spanish. GRs and the DR are distributing these at other meetings and locations in the community like hospitals, schools, churches, libraries and many other community services.

District 48, GRs and groups that are in the geographical area started a workshop on KBDM

We started our district meetings with a 20 minute discussion on the Concepts and Service Manual. We have had positive input and have visited these Concepts when looking for solution. We have also been able to participate with 2016 SCAC donations and would like to thank all of the members and groups from District 48 for contributing.

We held our Alathon fundraiser on Saturday, September 10, 2016. Speakers shared their experience, strength, and hope

with several appetizing topics such as Changed Attitudes with a Recovery in the Service, Acceptance with a side of Happiness, Seven tradition, and Willingness accompanied by Enthusiasm. It was a wonderful day of recovery.

At the beginning of this year, we had our Althon and coming this December 1st, our district is having our 9th Annual Alateen Tree Trimming Party. The Alateens trim the tree and share their program. This is a wonderful family meeting and the proceeds are split between the Alateens meetings in our district to help the Alateen meetings grow. I'm looking forward to more growth and to next year.

We hosted another writing workshop which had amazing feedback. Our quarterly speaker series is also going quite strong. Our district is making an effort to host events throughout the district to include everybody possible. In November we elected in new district officers, Stefanie D. as DR., Bob G., Alternate DR, Joyce D., Treasurer, Sarah M., Alateen Liaison and Neil C. Secretary. We are blessed to have 18 GRs, with 13-15 attending most of our monthly meetings. In October we hosted a Sharing of Service workshop (In Giving We Receive) that highlighted Men in Al-Anon/Service, with Bruce G. as the main speaker.

We are excited about our Public Outreach connections with Los Colinas Women's Detention Facility and local Libraries. Our fundraising allowed us to donate many CAL books, following up with encouraging groups in our district to adopt a library. In 2017 we'll be hosting an AMIAS workshop on April 22. District 75 welcomes five new GRs. With a new DR, we've been reviewing and verifying current GRs and CMAs for the almost 50 groups in District 75. Several groups were listed as "Inactive" due to the lack of a CMA or closed due to declining attendance. We've started to visit "silent meetings" (no voice to the world service office) to explain the importance of being connected to the fellowship beyond the group level. We've learned that the very same things activating us in our service work are the very same Al-Anon issues we uncovered working the steps. Service continues to present opportunities to use program principals in our lives and to have fun and feel what the Joy in Service can bring.

District 75 GRs are encouraged to have a message at every meeting whether it's a quick explanation of how the groups are related to the district, area, and world, a tip for keeping meetings healthy, news from Assembly, or the need for Alateen sponsors. We've learned that many meetings do not understand how Al-Anon works past the group level and they do not have representation because no one has explained what it is and why it is a benefit.

Our Alateen program has conducted a recertification workshop for AMIAS and we are beginning to discuss how we can grow Alateen. We continue to offer Alateen meetings in Juvenile Hall and the community. By the end of a meeting or two most are open to the fact that their minds are the most powerful thing they possess and their thinking can change their lives.

We are in the process of planning an all day workshop or traveling panel based on input from the groups via their GRs on topics of interest. At some point we'll increase our outreach to our "silent meetings" and open the door to the possibility that members will step forward to be of service.

Grateful for recovery in service

Hello my name is Patricia U. A. I am the newly elected DR. We are trying to restart D78. It has been inactive for several years. The opening of D78 has also been years in the making, and it has not been without its ups and downs. We do not have a complete panel of district trusted servants, and we have lost a GR and the alternate for one meeting. There are four Spanish-speaking meetings in our District, and two other English-speaking meetings that do not have GRs because their members are also members of Alcoholics Anonymous, and perhaps because the Traditions are not being practiced. The

latter group has ordered Al-Anon Service Manuals to help the new Al-Anon only members learn about the program. I called those groups and made myself available and plan to have a presentation for one of them as promised. As a district and because there's so much to do, we decided to meet once a month; unfortunately we missed two months during the summer because I broke my knee cap. Even though D78 was not "active" up until few months ago we had been working with D64 and had a Public Outreach Sub-Committee in the Imperial Valley. Over the years, each group has been responsible for distributing Al-Anon Faces Alcoholism in Spanish in their communities. Each group is responsible for health fairs and other events in which Al-Anon can participate. As a district, we have stayed connected by having exchange meetings throughout the year between each group covering Steps, Traditions, Concepts and some of the Guidelines. We've celebrated group anniversaries, the Sub-committees by inviting speakers, literature basket raffles and of course with food. We are planning a D78 re-opening with workshops for the people who are new to service at the district level. We have a lot to learn and we are looking forward to it.

Hola mi nombre es Patricia U. A. fui elegida como la nueva RD. Estamos tratando de reiniciar el Distrito 78. El Distrito ha estado inactivo por varios años. La apertura del D78 se ha llevado varios años, y no ha sido sin altibajos. Aun no tenemos un panel completo de servidores a nivel Distrito, y hemos perdido un RG y el Alterno en una reunión. Existen cuatro reuniones en español en nuestro Distrito, y dos en inglés que no tienen RGs puesto que sus miembros también son miembros de Alcohólicos Anónimos, y quizás porque las Tradiciones no están siendo practicadas. El último grupo antes mencionado ordenó Manuales de Servicio Al-Anon para ayudar a los miembros que son solo Al-Anon a aprender sobre el programa. Le llame a estos grupos y me puse a su disposición y planeo hacer una presentación en uno tal como les prometí. Como Distrito y porque tenemos tanto que hacer decidimos reunirnos cada mes, desafortunadamente no pudimos por dos meses durante el verano puesto que me quebré la rótula. Aunque el D78 no ha estado "activo" hasta hace unos meses estuvimos trabajando con el D64 por medio del Sub-Comité de Difusión al Público del Valle Imperial. Durante estos años cada grupo se hizo responsable de distribuir la revista Al-Anon se Enfrenta al Alcoholismo en español en sus comunidades. Cada grupo se responsabilizó de asistir a ferias de la salud y otros eventos en los que Al-Anon puede participar. Como Distrito nos mantuvimos unidos al tener reuniones de intercambio durante todo el año en cada grupo donde vimos Pasos, Tradiciones, Conceptos así como Guías de Servicio. Hemos celebrado aniversarios de grupo, también del Sub-Comité invitando expositores, rifas de canastas de literatura y por supuesto con comida. Estamos planeando una reapertura del D78 con talleres para las personas que son nuevas al servicio a nivel Distrito. Tenemos mucho que aprender y con gusto esperamos la oportunidad.

SCAAC- Immediate Past Chair Report!

Conventions are another valuable tool in our toolbox of recovery. An experience as a family or as a single person, that gives you hope that the worldwide fellowship is there for every one of us. All it takes is suiting up and showing up for service!

Thank you to Eva B. for helping host in San Diego with Emily M. and for my entire committee for suiting up and showing up! It was a grand time! It will be the last time at that particular venue in San Diego, until a more suitable location can be found. 2017 will be hosted in the Desert by Val N. of Rancho Cucamonga, the 2017 Al-Anon Chair. She is incredibly excited and is turning to 2017 ideas to host committee meetings and hold fundraising. We found in 2016 that the demographic of the up and coming fellowship is skewing young, so we get to put on our "change" clothes and find some new paths! I am totally excited to support her this year as we continue to keep Conventions alive and thriving in Southern California. It will be the 66th year! The 2018 convention will also be held in the Desert.

I absolutely loved the experience with my committee and their commitment to excellence. We had the inland Empire Literature committee member Jan and her team show up all day Saturday with a grand display! Ways and Means sold nearly everything out! The speakers were all members of meetings in So Cal, who reminded us of the strength of recovery in every county in So Cal. My lunch speaker Yolanda was in my first meeting and still in my meetings. What an honor. I received a delightful necklace as a thank you gift from the committee and found by Val N. Treasured forever. As I got in my car to go home, I found my delightful Decoration chair Cheryl's last gift...a Good Times stencil in my Back window. Never, ever underestimate the love you will find in our fellowship.....you will give and get more back more than you imagine. All you need to do is suit up and show up. You are worthy.

Val N. will be reporting for the next year, with the support of her co-chair Emily M, the chair of 2018. who will be Chair with her son, the 2018 AA Chairperson. Wow.

Kathy G/2016 SCAAC Al-Anon Chair.

The Los Angeles AIS office is doing well. We have extended our hours to include Saturdays. We are now open 9 am to 5 pm, Monday thru Friday and 10 am to 2 pm on Saturday. Our annual fundraiser was a success and our Summer Serenity Series of fellowship events and workshops were well received. Our new mobile friendly website is still undergoing changes and improvements. One improvement is the inclusion of the Universal Meeting Update Form which is the fruit of many months of work by volunteers at both SCWS and AISLA. It can be used to update not only SCWS information, but AIS information as well. New computers and technology have also been installed at the office.

Love in service,
Eddie D.
