Officer's Reports

Delegate: Sandie E

Oh, my gosh! This is really happening!! I must really be the Delegate, because I'm getting the Delegate's mail. What an awesome honor you have given me and I will do my very best to be our representative with the thought of what is best for Al-Anon as a whole. What a wonderful 3 years we will all have, being a part of the world wide fellowship of Al-Anon and be witness to its growth, renewal, outreach and good works.

I have made travel and lodging arrangements for Virginia Beach, I've connected with my Conference Mentor, and I have been reading and studying everything coming in my mail. World Service Office (WSO) has an on-line Community group for Delegates and sends us reminders and news and communications and correspondences. My service sponsor gave me the assignment of writing a Mission Statement (which I'll share with you), and the assignment of really studying past Conference Summaries. The whole Conference experience, getting in a state of readiness (knowledge, history, arrangements, signing up for a committee and/or Task Force, even getting the wardrobe right [you know me, that's important also] only adds to the hugeness of this.

CONFERENCE THEME: "Embracing the Legacies: Our Spiritual Bridges to Expand the Future"

CONFERENCE DATES: April 19-23, 2009

CHOSEN AGENDA ITEM: We get an opportunity to vote to have topics added to the Conference agenda. I submitted "Division/Consolidation of Areas" as one as I know Mary (Immediate Past Delegate) has been working on this and will take more conference time to resolve. Since our Area has over 1,100 meetings and Northern California has over 900, this is going to be an important issue for two reasons: 1) More fair representation for meetings, and 2) Geographical logic. This will make more sense when we consider that some Areas (whole states) may have only 35-50 meetings total.

COMMITTEE ASSIGNMENT: I don't yet know what it is yet, but I requested "Policy/Handbook"

CONFERENCE CALL: I've registered for a conference call, happening February 28, 2009

which looks to be an overview of the nuts and bolts of the Conference

AREA HIGHLIGHTS: All Delegates gather to share Area successes, projects, highlights, issues and concerns. I need to have our submission prepared by 3/23/09 and I am asking you to help me develop this report. Please let me know of your successes (billboard), challenges, concerns so I can assemble a report giving a good snapshot of Area 4

NO REGIONAL SERVICE SEMINAR, BUT SOMETHING DIFFERENT: We know there was no plan for an RSS but that there was a task force in place to propose something different (and exciting?) There will be more information coming but it looks like each Area (or more than one Area, or whatever) can plan an event that they'd like to have and have some WSO participation. Hopefully, they will be more clear as to some kind of example, this isn't really well-defined. I'll send questions for the Task Force.

LOVE GIFTS: These are small tokens of friendship extended from our Area to the rest of the members of the Conference. May I ask each district to come up with something...bookmark, stickers, painted rocks, maybe postcards from your district signed by district members, something handmade by a district member, anything of that nature that I can give representing our Area. Thank you in advance. See below for mailing information during the conference where these items may be sent

MY CONTACT INFORMATION: I will be staying at the Wyndham Virginia Beach Oceanfront Hotel, 5700 Atlantic Avenue, Virginia Beach, VA 23451. You can mail the love gifts, or anything else, to me at the above address. I will, of course, have my cell phone (xxx-xxx-xxxx) with me but it will be OFF during meetings and conference sessions. Feel free to call, leave a message, and I'll get back to you as soon as I can if you need to talk to me

Part of my job as Delegate is to visit districts/meetings in our Area. I'm not going to just "pop in" so please invite me. I'll do my best to get every request booked. I'd like to see you each of our 3 years to follow up on the progress we all have.

Please let me know if there is ever anything I can do for you. I am always available and will be responsive to you.

With love for the Al-Anon program,

Sandie E,

Alternate Delegate: David B

Welcome to all the new Officers and District Representatives of Panel 49.

I believe we had a very helpful and informative New DR Orientation this morning. I want to thank my predecessor in this position, Sandie Ethridge, for providing the format to follow.

I have been in contact with Julie Rench, past DR from District 3, who will be coordinating our "Northern-part-of-southern-California SOS." The tentative date appears to be October 24, and the tentative location is Arroyo Grande.

I will be circulating the "Ask-it Basket" today so that I can tell you what to do. I love being of service!

In my capacity of Forum coordinator I will be passing the Forum can and drawing names to receive as many subscriptions as the contributions will cover.

Thank you for allowing me to be of service.

Love Jn Service

David B

Immediate Past Delegate: Mary M

I am impressed and excited about our new Panel 49 Committee. I am sure we will accomplish a lot this next 3 years and am looking forward to working with them.

The Conference theme this year "Embrace the Legacies: Our Spiritual Bridges to Expand our Future" will most certainly increase our interest and knowledge in our legacies, the Steps, Traditions and most especially the Concepts. I look forward to the information and news that Sandie will be bringing back to us from the Conference.

Welcome to all new DRs and Committee members today. In case you were wondering, yes, I have brought the "Rules" with me and will present them.

I have a couple of copies of the current "en accion" and would like District 64 to have them. These publications are similar to the Forum but produced in Spanish.

I received a phone call regarding District 11, a member thought that they now belonged to CA (N), I checked with Sandi Cox, the immediate Past Delegate in their area and she did some research.

As most of you know some of District 11 petitioned to join the Nevada Area and were accepted. Those members are in Bishop and Mammoth. Lone Pine and Ridgecrest are still part of District 11 here in CA (S). None of District 11 transferred to a district in Northern California.

If anyone would like to review the International General Services Meeting (IAGSM) information held in Espoo, Finland this past year, I have that available also; however, I will need it returned to me by the end of the day.

Each month members worldwide will have the opportunity to share the principles of the Traditions with a personal sharing on the Members' website (www.al-anon.org/members), and then members worldwide will have the opportunity to post their sharing's on the blog. Additionally, the WSO would like to have volunteer members for Podcast participation. These podcasts will be aimed at people who use the internet to find help. If you would like to participate or know someone that would, please send names, phone numbers and/or email addresses to the attention of Public Outreach podcasts at the WSO website.

I will be giving a report from our AD Hoc Committee for Action Committees later today and our opinion regarding continuing with these Committees (must be voted on in May) or to an alternative plan that the Ad Hoc Committee has put together. Copies of that suggestion are in your manila envelopes, be sure to pick them up. See page 22.

I look forward to my new position as an advisor to the Board and keeper of any changes to our By-Laws.

Yours in Service,

Mary M, Panel 46

Chair: Jayme P

It is an honor and privilege to serve the Al-Anon fellowship as your Chairman for Panel 49. I take this position and my responsibilities seriously and will do everything I can to be a humble, willing servant to all of you.

I have been in Al-Anon since December 30, 1979. I have 29 years in Al-Anon. I have served at the group level in all capacities. I have served on many different Convention Committees including AFG Chairman in 1998. I have served in World Service from Group Rep, District Rep and

on the last Panel as the Area Records Secretary.

I know that I have very large shoes to fill. I only wear a size 5 ½ shoe and so I am at a great disadvantage. David Behm was a wonderful example and I appreciate and thank him for his service and will rely on him in the future.

I am excited about serving with the new Panel 49 Board. They are an amazing group of talented individuals who bring much energy, enthusiasm, dedication and leadership skills. I am looking forward to working with each of them and providing to you ~ the Al-Anon fellowship the best we can be.

The newest member of the Board is our Area Alateen Coordinator. Her name is Anita S. from Buena Park. She is also on the SCAC Committee. She is an added bonus for us.

I want to let you know one of projects I am currently working on as your Chairman. As you know we have a process in place for all Alateen Sponsors to be registered with Southern California World Service. Presently, we have 480 registered Alateen sponsors. We are an area blessed with numerous conventions, conferences and round ups and almost on any given weekend there is somewhere to go. My goal is to contact all Conventions, Conferences, Round Ups, Bashes, etc. held in Area 04 that involve Alateen participation. will request that any individual serving as an Alateen sponsor at these events be registered with SCWS and in compliance with our Area's Minimum Safety and Behavioral Requirements. In order for me to accomplish this I will need the name of any convention, conference, round up, etc. held in your individual district along with the name and phone number of the chairman or Alateen Chairman for these events so that I can contact them without a lot of research. I thank you in advance for your help and cooperation.

In March I will be attending PRAASA and SWRDM. I look forward to providing a report to you regarding those two conferences in the next Bulletin. I hope to see all of you at the Assembly Meeting on May 16 at 10:00AM.

I thank God for helping me find Al-Anon and I thank Al-Anon for helping me find my God.

*Love in service,
Jayme P*

Treasurer: Heidi T

A special welcome to all the new District Rep-

resentatives and the new Alternate District Representatives that are attending their first committee meeting today. Welcome to all the continuing District Representatives and the Alternate District Representatives that here today too. What an honor it is for me to serve as your treasurer for the Southern California World Service Board.

For those of you that don't know me because I was unable to attend the Assembly in November, let me tell you a little bit about myself. I have been a member of Al-Anon for over 34 years. My first meeting was an Alateen, at a meeting in Glendale on Tuesday Night at what has now become the Windsor Club back in 1974. One of the first things I was taught in Al-Anon was to get in the car and be of service. My sponsor was the Alateen Coordinator for SCWS back then and I got to be of service with her by traveling all over Southern California and talking about Alateen at all kinds of different meetings from District Meetings to regular Al-Anon and AA meetings. At my meetings I have served as a group officer in all capacities and continue to do so. Being of service to Al-Anon and it's members is an important part of my program and allows me to attempt to give back what was so freely given to me. Not to mention the many benefits I get from being of service. My personal belief is that the 12 steps allow me to live within my skin, the 12 traditions allow me to live and love within my own family and the 12 concepts allow me to work and live within my community. It's because of these principles that I went from life in a maze to an amazing life. Currently, I am one of the Alateen sponsors at the Thursday Night Outsiders Alateen meeting in Valencia, I am one of the Alateen sponsors for the Santa Clarita Valley AA Convention with Al-Anon and Alateen participation, I am the District Representative for District 24 and the Alternate Group Representative for Friday Night 8:30PM Al-Anon Meeting at the Windsor Club. Professionally, I have been employed as a Bookkeeper for many years. My experience in bookkeeping has a wide range. Currently, I am the finance department for a small manufacturer in Valencia, CA. We make specialized products for the audio/video industry and have very little competition. We are a multi million dollar company and I am responsible for all the financial aspects of this company. I also have a number of personal clients that I keep books for from a sole owner con-

tractor to an individual who has financial difficulties. When I lived in Lake Havasu City, AZ I worked for an accounting office and handled a wide variety of clients from a home owners association, a dental office, a charter school and a number of retail business'. I have experience in all aspects of accounting including cost accounting and cash management.

It has been my understanding that we are all volunteers when we do service at any level and those that are of service attempt to do what they think is best and handle their commitment to the best of their ability. Thus it makes it hard for me to provide you all with a report on the 4th quarter year ending 2008 financials as presented to the Committee Meeting. The auditor has completed his report and will provide better details on the financials for last year. What I can tell you is that there is \$3,761.00 in prepaid rent for the year 2009 to the City of Fullerton for SCWS turn over meeting, 2 committee meetings and 2 assemblies in the November 2008 expenses. There is \$768.00 in prepaid rent for the storage unit used by SCWS in the December 2008 expenses. There is also about \$2,500.00 of Delegate's expenses reported in the December 2008 expenses. These are all necessary expenses but as they are for future events, they are not being reported in the correct month. SCWS has a contract with the City of Fullerton and in order to retain the necessary dates, payment was due to the City of Fullerton for the entire year of 2009. On the storage unit if a full year is prepaid, the 13th month is free, which is a \$60.00 cost savings to SCWS. For the delegate's expenses that have already been paid they are in relation to the delegate being able to attend the World Service Conference later this year. From the electronic data that I have received from the previous treasurer, it appears that the 4th quarter resulted in a loss of \$734.47. However, when the previously mentioned expenses are removed from the Profit and Loss statement, this brings the profit of SCWS for the 4th quarter to just over \$6,200.00. Again, the auditor will have further details on the financials for 2008.

The actual budget for 2008 has been accounted for. The proposed budget estimated that the income for 2008 would be \$38,850.00. The final total in income received for 2008 was \$47,858.17. The estimated total of expenses for 2008 was \$38,850.00 and the actual total of ex-

penses for 2008 was \$36,911.27. Leaving a surplus before the contribution to WSO at \$10,946.90. The full and final budget for 2008 will be printed in the Bulletin.

As for the current balances as of January 31, 2009:

The checking account which will now be referred to as the Operating Account had a beginning balance of \$13,115.00. There were 17 checks that were cleared on the bank statement for a total of \$ 3,791.29 and 2 deposits that were cleared on the bank statement for a total of \$ 2,654.00 leaving a bank statement cleared balance of \$11,977.71. There are an additional 8 checks that were written in January or before January that did not clear for a total of \$ 549.09 and one deposit made in made in January that did not clear the bank statement because it was made on January 31, 2009 for a total of \$1,768.92. Leaving a register balance of \$13,197.54

CD account ending 00624 had a beginning balance of \$5,652.24. The interest earned for January was \$13.02. Leaving a register and cleared balance of \$5,665.26.

CD account ending in 01222 had a beginning balance of \$5,701.49. The interest earned for January was \$11.97. Leaving a register and cleared balance of \$5,713.46

CD account ending in 00560 had a beginning balance of \$13,542.69. The interest earned for January was \$18.30. Leaving a register and cleared balance of \$13,560.99

The total interest earned in January on all accounts was \$43.29. The total group contributions received and deposited in January was \$1,768.92 and the total deposit made from SOS was \$2,654.00. For a total of \$4,466.21 in income for January. Total expenditures for January was \$2,074.99.

The SOS was held in January and what a great job Sandie and her committee did. The SOS made a profit of \$891.86. The total number of participants was 271 not including those that were part of the program. The total income from the SOS was \$2,654.00 and the total in expenditures for the SOS was \$1,762.14. From the November Assembly, there were 28 people that registered at the special rate of \$8.00 per person.

Thank you, once again, for allowing me to be of service to the Area. My hope is that I represent to you the most comprehensive and detailed fi-

nancials what SCWS does overall.

Respectfully submitted;

Heidi T

Coordinator's Reports

Archives

Thank you for letting me serve! I want to thank Martha M., the outgoing coordinator for her fabulous work on the "Traveling Archives". Many Districts have called upon Martha to send this traveling history of SCWS to display at District events. If you have not seen them, make all efforts to get them for your event. Al-Anon in southern California is rich in service. In order that your event can display these archives please email me at archives@scws-al-anon.org or go to the Al-Anon website directly to send me the date of your event. With so many District and meetings, it is important to get your date in quick.

As the archives coordinator, I get to not only care for and keep track of the traveling archives spoken about above, but look at all our other meeting and service archives and ensure they are being kept safe for the future. The World Service office in Virginia Beach provides many tools to ensure we know how to protect and care for the history of our Area. I expect to have a number of items to look through in the coming months. As I look through I will share with you more of our history and the people who paved the service road for us through the years. I have already found a paper I will share with all of you soon and it covers your very own meetings. You will get to share the history about them and all the how's and whys of where they began, who started them and all other details on how they have managed to stay vital. I look forward to all I will get to do in my term, which includes one of my favorite events, which will be the Long timer's event. Any all persons 25 years in Al-Anon will be invited to be a part of this grand event. More about that will be revealed in the future. Until then, continue being of service. I look forward to seeing all of you at the Assembly in May.

Thank you for letting me be of service,

Kathy G.

CPC - Public Outreach

Our Membership Survey indicates that about

36% of Al-Anon and Alateen members attended their first meeting because of a professional referral. Counselors/therapists, clergy, mental health professionals, employee assistance programs, medical and judicial professionals, and others who work with the public are all in the position to identify and refer potential newcomers to Al-Anon and Alateen. Remember, outreach via the media also reaches professionals and lends credibility to our program.

We reach professionals in their places of work such as domestic violence agencies, medical facilities, health organizations, employee assistance programs, probation and parole offices, social work agencies, alcoholism clinics/treatment centers, churches and ministerial staff, federal, state, and local alcoholism agencies, government offices, law enforcement agencies, universities, public and private schools, and business and professional organizations.

My sources are Al-Anon Guidelines 38 and 29. I look forward to working with districts and Intergroups to make our fellowship known to professionals.

Love in Service,

Carolyn S

Hospitality

I would like to thank the committee for giving me the opportunity of this part of service.

The SOS Workshop turned out good. I would like to thank the following Districts: 33, 36, 39 and any others that brought the goodies for the breakfast.

Also thanks to Districts 17, 8 and 12 for this month.

For the May Assembly on the 16th the following Districts will bring our breakfast goodies: 3, 24, 27, 42, 60 and 64.

Thank you for letting me be of service

Institutions

Hello, I'm Rodger P., the incoming Institution Coordinator. I got this position because I love doing panels at Rehab Centers and say "yes" when asked. I am also making amends to myself at each panel because at my qualifier's Rehab Family Night when they said I should go to Al-anon I thought 'I'm not the one with the problem'. Was I wrong! Here I am today. My request is that if you

know of any Panel or Activity at a Hospital, Rehab Center, Juvenile Hall, Jail, etc...; or if you're interested in participating, please let me know by contacting me at:

email: scvchiro@yahoo.com (or)

Literature

Hello everyone.

My name is Juan your literature coordinator. I received from WSO a new literature project worksheet using *In All Our Affairs (B-15)*. This is a project to encourage members and groups to use a variety of Conference Approved Literature. The completed worksheet is to be returned to the WSO before April 15, 2009. Selected topics & questions will appear on the CAL Sample chapter page at www.al-anon.org/members from July through September 2009.

And I received a Guideline for Workshops on Alcoholism and Relationships using *Discovering Choices (B-30)*, two workshops on Alcoholism and Loss.

Your very Grateful Literature Coordinator

Juan P

PI - Public Information

I'm very excited to take on the role of Public Information Coordinator.

We have an up-to-date list of District Representatives for Southern California World Service. The DRs will be the primary conduit for information about Public Service back to their GRs and their Groups.

I would like to e-mail the DRs every month or so and ask for success stories on public outreach. It is not necessary to have public relations training in order to spread the word about Al-Anon. Every member can become a PR expert for Al-Anon. I would like to use e-mail as a way of sharing successes that different districts and groups have had spreading the word about Al-Anon. For example, I know that there is a District which rented a billboard and put up a sign about Al-Anon.

We have a portable display which we can ship to a district or group for use at Public Health fairs. I know that District 27, my home district, is planning to participate in a community health fair this year. I need to get the display back from our past

public information coordinator. I will let you know when I have it. A couple of people have suggested that the word "Alcoholism" in the display may put some people off and make them reluctant to talk with a volunteer. They have suggested that we use the term "drinking problem" instead. I'll take a look once I have received the display.

Here are two examples of public outreach which I did this week. There is a talk show on KLSX radio on Sunday called "Parenting the Ad-dict Child." I found out the host's email address and wrote to suggest that I would be willing to come on the show, using my first name only, or a pseudonym, to talk about Al-Anon and the parent-focused meetings in Los Angeles. I will let you know when I hear back from her.

I also have a friend who teaches at Loyola Marymount who has developed an award winning anti-drinking campaign for the students on campus. He and I are going to have lunch to see whether I might be able to talk to a group of students about Al-Anon.

All of us can engage in these kinds of activities. We don't have to designate certain people who we think are better with words than we are. We just have to spread the word about Al-Anon with all the enthusiasm we have for the program.

I would love to come to some District meetings and talk about public information. I'm also eager to work with my fellow coordinators who communicate with the Professional Community and with Institutions. We are all working to achieve the same goal—Public Outreach.

I inherited two boxes of pamphlets which I brought with me today. I hope you'll take these back to your District meetings and distribute this literature to your meetings.

The median age of Al-Anon members is 55 and 85 percent of the organization are women. Only 5% of our membership is under 35. We need to get the word out about the life-saving benefits of Al-Anon as well to potential Alateen members and younger adults. There are lots of exciting ways to do that: TV, radio, the internet, blogs, newsletters, speaking engagements. We can all carry the message to others who have not yet found Al-Anon.

Tim P

Records

I was involved in a conference call with the World Service Office regarding submitting updates. When submitting an update it is asked whether the meeting is an open or closed meeting. An open meeting means that the meeting is open to anyone wishing to attend an Al-Anon meeting, while a closed meeting is for Al-Anon member's only. Also on the registration form if there is no information filled in for the "Current Mailing Address" (CMA) section the World Service Office will NOT register the meeting until a CMA is received.

If the meeting has mail returned it will be placed on a "no mail" list. The District Representatives will receive a list from the Record's Secretary at every Committee and Assembly meeting. They should carefully check to see if any of their meetings have been placed on the "no mail" list. If they have, the WSO will place them "inactive" for two years and then that meeting will no longer have an active WSO identification number and will have to reapply for a new number.

Regarding group applications for new meetings, or meetings changing their names, please see pages 33 and 78 of the Service Manual regarding naming your group. Groups will NOT be registered if the name of their group includes a church's name, or the name of something that is copyrighted...

In the case of groups that have multiple meetings, it is no longer possible for the WSO to register a group with more than 3 meetings. The group will have to have a group registration for each group of 3 meetings. Separate group number, separate GR's.

Website

We have created an email address for each position on the SCWS committee to make it easier for everyone contact the members of the committee (e.g., delegate@scws-al-anon.org, chairperson@scws-al-anon.org, treasurer@scws-al-anon.org, etc). All of the new email addresses are published in the SCWS Directory section of the Bulletin.

The Blog on the website has been getting hit

with a lot of spam lately. For the purposes of the website, spam is any thing unrelated to Al-Anon (postings of advertisements to sell jewelry, linkage to other sites, etc). I will be undertaking an effort to update the software behind the Blog in order to thwart the spammers. In the near term, I have changed the Blog so that only registered users can post comments to any topic. Once I get the Blog software updated, I will open it back up and allow anyone to post a comment.

If you would like an Al-Anon related event listed on the Calendar page of the website, please email your request, and any associated flyers, to listevent@scws-al-anon.org. Please note that we have changed the email address for listing events on the website. The old email address was receiving about 25 SPAM email messages a day. The links on the website have been updated with the new email address.

As always, if you notice something that is not working on the website or have any questions concerning the website, please contact me at webmaster@scws-al-anon.org

Intergroup Liaisons

San Diego

Our Intergroup Board installed our new Officers for 2009. Half the board changes each year. Each member serves a 2-year term. I wanted to begin this year with focusing on why there is an intergroup. The Intergroup board serves the districts as the districts serve the groups and the groups serve individual members.

The Intergroup is made up of 3 districts serving one County. The County is so large that we have Institutions and Public information chairs for the North County area and main San Diego. The purpose of the Intergroup is 12 step work by providing a central office for literature distribution, 12 step phone calls and information center for meetings and happenings among the district via the monthly newsletter, *The INTERCOM*.

This year we want to improve upon getting the word out and using the combined resources with all 3 districts involved with communications to

avoid double headed management. There is room for flexibility for individual districts as well as combining efforts to advertise Al-Anon related events.

Getting the Al-Anon message out to those who could benefit from the program is done through the Public Information coordinators, the Institutions coordinators and *The INTERCOM* written communications. There is a lot of outreach happening with many standard newcomers meetings held at the Salvation Army, Rachel's House and a few other treatment centers. Public Information has had booths up at many health fairs and professional conferences. The coordination between Districts and the Intergroup is needed to avoid duplicate participation. The Coordinators do need to know what the Districts are planning and vice-versa.

The North County participation has grown with additions of Alateen meetings, both English and Spanish speaking. This year we will have a larger presence at the Del Mar Fair. On Thursday's in Oceanside once a month, you can find Al-Anon at the Sunset Market.

Last year there were two new District speaker meetings started which were well received and are going to continue in 2009.

It is always progress not perfection when continuing service work.

District Reports

District 8 Report

Santa Barbara California

District 8 is up and running and there is no stopping us. We are a new District with lots of energy and lots of good support and service.

We conduct monthly District Meetings on the 2nd Tuesday of each Month.

We have 15 good steady meetings in our District. This includes a new Meeting on Friday mornings which just started and was registered by WSO. We have diverse meetings for our diverse population.

We have a Men's Stag Meeting, a Gay and Lesbian Meeting, a Younger Peoples meeting that is called Bridging the Gap which is well supported. We just started a once a month Saturday night Speaker Meeting which is a very special

Meeting for us. We get people from Ventura and Camarillo come up to attend this along with many new comers and wonderful speakers from our area and from down south.

One of our great prizes here in District 8 meeting for all of us is the Beginners Meeting This meeting has grown to 8-12 people each meeting which is a blessing for us. There are lots of referrals from the courts and treatment centers to the beginner meeting and people volunteer to lead this meeting on a rotating basis.

Al-Ateen is getting off the ground and growing very steadier here. We have had a steady Tuesday night Al-Ateen meeting which is held at one of the local Treatment Centers. In addition, one of our Junior High Schools had asked to start an Al-Ateenn meeting on their Campus and this has started and is well attended weekly. We have had 2 other High Schools ask to start a meeting on their Campus during regular school hours and this is in planning stages.

DO not forget our WONDERFUL 25th AA Convention with Al-Anon participation. October 23-25 in Santa Barbara. The AL-Anon luncheon is always a delight and the speakers are great and it is a well attended by Al-Anon participation. Please join us in this wonderful celebration of recovery.

We have a great District with lots of good people, good support and good service. There is talk at the District level of stepping down as a District if we can not get our GR's and Dr's to travel to Fullerton. This has been a BIG issue for us in Santa Barbara. It has stopped a lot of people from volunteering for the GR positions since it is not easy to travel to Fullerton. We are hoping for changes in this area with a split in the Area to accommodate us in the northern territory who can not travel for health reasons or other reasons to the assembly or committee meetings. We hope that Sandi will speak for us in this District when she travels to WSO in April. If the split does not occur soon we will discuss the other options and accept what we need to do as a District.

District 24

Burbank, Glendale, La Canada, La Crescenta, Monrovia, and Flintridge,

Currently District 24 is working on several projects. One of the projects that we are working on is a District Hotline. A District Hotline is setting up a phone number for local residents to call

and find out about Al-Anon within our district. As this is still in progress, I will provide additional information as it becomes available in the near future.

Another project the district is working on is holding regular quarterly Alateen sponsor workshops. Our sponsor workshops will focus on the current active Alateen sponsors in our district having an opportunity to meet once a quarter in order to discuss amongst themselves the uniqueness of being of service at this particular level of Al-Anon. We welcome all Alateen sponsors who live in the area and have an interest in attending but we will not be focusing on how to become an Alateen sponsor or someone who is registered to be of service in Alateen. As soon as we have the final dates confirmed with the Little White Chapel in Burbank we will provide flyers.

Last quarter our district held an afternoon workshop on relationships. What a successful and fun way to discuss the tools of the program in relation to our personal relationship with our significant others. We had the event catered by a restaurant in Canyon Country. There was enough food left over for everyone to take home left overs. We had about 80+ people in attendance and a good time was had by all. We are planning another workshop sometime in the current quarter and the topic will focus on relationships and finances. This workshop will be held at a different location within the district in order to make it easier for new attendees closer to the location.

We are still gathering information in regards to what kind of public outreach program we are going to be doing. We are checking into the billboard idea, contacting the judicial system within the incorporated cities, contacting child services and/or publishing in various health care professional publications.

The group representatives that are regulars of District 24 are an enthusiastic group of fellow Al-Anon's that make being a District Representative a joy. I really appreciate their energy and willingness to be of service to their groups and the voices for so many they represent. It is because of them that I truly enjoy this particular service opportunity most. To them I say thank you for allowing me to be of service.

***Peace and in service;

District 27

District 27 gave \$200 for books to our one and only Alateen meeting. They were struggling, but now the group is really growing, and we hope this a sign for more Alateen growth to come in our District. Susan C. and Pam H. put together District 27's Malibu-themed Basket for the AFG Convention in April. We were also invited to participate in a health fair in Hollywood on Saturday, April 18, which we hope to report as a great success by the time this report is published. Thanks to all our GRs and generous individual group participation.

District 39

Beaumont, Big Bear Lake, Colton, Corona, Crestline, Fontana, Moreno Valley, Perris, Redlands, Rialto, Riverside, San Bernardino

First of all I would like to thank Carolyn Schultz for encouraging me to take this commitment as District 39 Representative. This is challenging to me but I am willing to do the work.

District 39 is encouraging all members to familiarize themselves with the service manual. We are launching an outreach team and ordered 400 copies of "Al-Anon Faces Alcoholism 2009," 200 English and 200 Spanish. We are working on reaching more families that still suffer.

The Alateen Sponsor Training is doing great. This is becoming a well known event and was mentioned by our new Area Alateen Sponsor Lea Riemers and it was announced at SOS, too. We did take an Alateen presentation to Moreno Valley middle school and high school counselors. We feel we made a good impression and we plan to do more Alateen presentations.

I felt very excited when I saw so many service officers and DR's in action.

***Love in service,

District 40

We at district 40 have a meeting once a month. Last year we were able to send the Colton service center close to \$3000.00, we hope that this year we will be able to do as well with the fundraisers. Our first fundraiser will be the Spring Fling on April 18. This fundraiser will be for our

district . We want to do a lot more outreach . Right now we have books and literature in the Library. The schools and police stations have pamphlets. We also support and take a panel into a recovery facility for teen . We are hoping to sponsor at least one half of the registration fee for five of our alateen sponsors to go to SCSC. We have a web site up and running it is www.alanonriverside.org . Our district has 22 meetings that are active 1 Spanish meeting , 2 Alateen meetings and 1 step study meeting at Oak Grove Center . We made the calendars' again this year I want to mention that in getting this calendar we had to get approval from AA and Al-Anon WSO to reprint the steps traditions and concepts and the use of the trademarks. The proceeds go to the service center after our expenses. We have several positions on the board at district 40 so we are putting together a guideline to pass on to the new board next year. This has been a great adventure for me and I have learned so much being DR

Greetings from District 57!

Our 2nd Annual "Gifts of the Heart" Alathon on February 14 was a huge success. We had the SCWS "Traveling Archives" on display at our Alathon which everyone loved and is such a treasure. It was a festive day of recovery, fellowship and delicious potluck. One of the highlights of the day was "An American Al-Anon" skit with music and laughter put on by "The Miracles." I want to thank all the volunteers that worked so hard – such an amazing team! And a special thanks to our Chairperson, Jessica S., and Martha Z., Alt. DR.

We held our last District meeting on February 7 with a record attendance of 11 GRs. One of my goals as the new DR is to increase the number of GRs and attend each meeting in our district. (This is challenging since Avalon is on Catalina Island.) We tried something a little different when reading the Concepts, reading from Ric's share about Concept Two from the WSO website concept blog (not printed, but from a laptop). That blog is awesome, easier to relate to on a personal level, and several GRs shared their E, S &H. During that meeting we welcomed the incoming GRs and answered any questions they had about the commitment, providing them with a copy of the SCWS New Group Rep orientation pack.

We also discussed what the topic for our next "Celebrate Your Recovery with Service" bulletin would be, using shares from the CAL "When I Got Busy I Got Better" book. This is a flyer we assemble and distribute to encourage members to be of service. The GR's read and/or distribute it at their meetings. Another item on our agenda was discussing whether our District was interested in putting on a workshop about relationships using the newest Al-Anon book "Discovering Choices." This was meant with great enthusiasm and discussions will continue at our next district meeting in May.

Many thanks to all our new and continuing District 57 GRs for their service and dedication. Our meetings continue to provide a nurturing place for us to share our concerns and work toward solutions together as we continue our journey in Al-Anon service.

I'm a very grateful member of the worldwide fellowship of Al-Anon.

LJS,

Sandy P.

Revised August – 2004

Ad Hoc Committee for Recommendations on the Continuance of Action Committees

Our SCWS service board has assigned some of us to this committee to look into different approaches in how to provide information to all of you through an alternate view of member participation at Assembly Meetings. We feel that it would be more effective to have some other kind of involvement in lieu of Action Committees so that more members are involved in the discussions. The following is a few suggestions we hope will encourage all members to share at our meetings.

We would like to ask all DRs today what "Hot Topics" they feel their GRs would like to discuss and interact with, have you (the DRs) give suggestions on topics today (i.e. Alateen, Service Manual, Concepts, Website, etc.) and how you would like to see these presented in a way that would attract more members to service, perhaps the presentation could be a skit, a game (Jeopardy, hangman, simple crossword puzzle) or a report with specific questions or ????. The SCWS Committee will decide today if we want to try this approach. If so, then choose which topics to discuss at the Assembly, for example, if we choose 4 topics the presenters could be 2 Coordinators and 2 DRs. We will ask that these topics be what you would like to see presented in May.

This new method of communication will be presented at the Assembly meeting in the time usually allocated for Action Committees. Our suggestion is to have 2 to 4 topics and that the participants take 3-5 minutes to present their topic. After the presentation, members will breakup into small groups to share in the discussion that interests them. All groups will meet for approximately one hour and then return to the main room for Old/New Business. The size of the individual groups will depend on the interest of members to specific topics.

The intent of this suggestion (Hot Topics) is to increase participation by all members without continuing with Action Committees.

PS: It should be noted the WSO does not interact with Action Committee Chairs as was the original intent. Chairs receive no communication from WSO.

In Service,

Mary M, Panel 46

Ask-It Basket

ALL REFERENCES TO PAGES REFER TO THE 2004-2006 AL-ANON/ALATEEN SERVICE MANUAL UNLESS OTHERWISE NOTED.

Q #1. Is it breaking anonymity if “Al-Anon” is written on a check that is processed through the bank?

A #1. Pages 50 and 51 suggest that anonymity is a personal choice made by each and every member. If you are not comfortable putting a check through your bank, feel free to find some other way to contribute, or purchase literature. However, Al-Anon is not a secret society, we do not hide our very existence. So there is no shame in writing a check, or acknowledging our personal membership in this program. The Eleventh Tradition simply suggests that we “maintain personal anonymity at the level of press, radio, films and TV.” It says nothing about banks.

Q #2. Can “Double Winners” be members of service committees above the group level?

A #2. The footnote on page 44 says “Al-Anon and Alateen members who are also members of A.A. may not serve as GR or Alternate GR.” This question is addressed again on page 79, where it states that “Dual Members” are eligible to hold office within their Al-Anon or Alateen groups, and as Alateen Sponsors by virtue of their Al-anon membership. It goes on to say that Al-Anon/Alateen members who are also A.A. members do not hold office beyond the group level, as these positions could lead to membership in the World Service Conference. The WSC has made the decision not to seat Al-Anon/Alateen members who are also members of A.A.

Q #3 May a GR also serve as an Alternate Intergroup Rep?

A #3 Yes. Page 133.

Q #4 What is the average time for a service report?

A #4 There is no specific time suggested. Page

142 does suggest that the GR should be allowed “regular time” at group meetings. The amount of time allowed is certainly a matter for group autonomy, and should be decided by the group. If a report is overlong, and tends to monopolize the group’s precious time, any group or service entity is within its rights to decide by group conscience what the appropriate time allowance should be.

Q #5 May a group register in two districts?

A #5 No. In Area #4 we do have an overlay, in that District 64, our Spanish language district, covers the entire area. However, each group must decide whether it will register in District 64, or the geographical district in which it is located.

Q #6 Is it appropriate to exhibit “The Promises” at our meeting?

A #6 No. Page 92 clearly states; “To keep Al-Anon’s message in focus, it is suggested that only Al-Anon/Alateen Conference Approved Literature and Al-Anon/Alateen service tools be displayed, distributed and used at Al-Anon/Alateen meeting, conferences and conventions. These items reflect an informed group conscience.”

Q #7 I have been disturbed to see our group constantly contributing to Alateen. Is this a violation of their need to be self-sufficient?

A #7 Alateen is Al-Anon, it is not a separate program, therefore contributions by an Al-Anon group to support Alateen are within our Seventh Tradition of being self-supporting
