#2: Our on-line Registration/Group Records Change Form

Our members are using the form. I have a file full of processed meeting records. Many members are still using the WSO Group Records change form on the WSO website. I gently refer them to the SCWS Group Records Change form on the SCWS website for future updates.

#3: Reported Not Meeting, Bounced emails (emails no longer working or incorrect) and NoMail (CMA's address is no longer good) are an on-going issue. I continue to work with the DR's and AIS Offices to reconcile.

#4: We have gotten many requests to post temporary electronic meeting information due to COVID-19. I have been coordinating with the AIS / LDC offices and districts that maintain their own meeting schedules.

#5. I continue to process WSO Temporary AI-Anon Electronic Meeting Change forms. I update the WSO group records database with the electronic meeting information so it shows up on the WSO meeting search website. I communicate the change to the AIS Office so they can update their meeting schedule.
