Coordinator reports:

Roxane: on LDC/AIS: has enjoyed learning about the AIS and how they are all a little different, was able to participate on Zoom

Alateen Communications: Bernie: is a fun panel position, newsletter goes out about once a month, participate in AMIAS (AI-Anon Members Involved in Alateen Service) workshops, helping with Alateen events, getting Alateen speakers

KathleenD17: asked not to use the acronym

Vicki explained LDC is Literature Distribution Center

Bear: Area Alateen process person with WSO, record keeping and training for AMIASs, more of an administrative position, do need to be an AMIAS.

Donna: available to be substitute for WSC, ask it basket at committee and assembly, coordinate SOS in January, creation of a handbook for the area

Finance committee report:

There was a Treasurer Task Force: Willie and Enid:

- * what to do if no member stands for treasurer? Hire a service to perform some or all of the clerical duties in support of the treasurer?
- * reason many have not been able to complete their 3 year term.
- * Time allocation: Annual numbers: 494 hours, 168 to be outsourced, 326 by the treasurer
- * outsourced hourly rate chart: range from 50/hr to 200/hr.
- * KBDM process: important for the treasurer to be an officer
- * SCWS current financial position appears to be adequate for the cost of outsourcing
- * There are not enough volunteers who meet the treasurer qualifications, they think this will help with that.
- * There may be less contributions to send to WSO
- * Service Manual p.157 Election of Officers
- * outsourced entity would sign a non disclosure form which protects our anonymity

* 2 recommendations: Chair consider appointing an assistant to the treasurer who would serve on the Board of SCWS, on a trial basis, who would assist the Treasurer in their clerical and accounting duties, including entries into quickbooks. This person would assume the Treasurer role for the next panel.

Second: Chair to interview and hire an independent accountant or bookkeeping firm, who is qualified or staff qualified to make entries into Quickbooks. I would print monthly and quarterly reports.

Asked how WSO did it. They have a hired person to do all this. Then there is a person overseeing it before it goes to the Board.

Question:

Nancy D60: Is there a way to ask the past Treasurers to interview these candidates?

Willie: Right now they are elected by GRs, there is not a process yet.

Micheila: slide 3 time allocation: line item other: the math seems off?

Willie: will look at that

Kristin D66: does this group function by a set of bylaws?

Willie yes

Sophia D51: Is the challenge the large area of our assembly?

Willie: We were focused on our area, the issue of the job was too much for one person to do.

Time consuming part is matching #s to the groups so they get the proper credit for contributing.

Sean D6: Were there differences in services rendered?

Willie: small firms have cheaper fees, different locations?

Ruby D27: option 1 consists of a service member of AI-Anon training of a past delegate vs. getting an independent accounting firm? Or would accounting firm take care of both issues?

Willie: option 1 is an assistant to work side by side with the treasurer, option 2 that would be a professional firm would be more of a paid position.

Camile D12: Are we willing to consider members of our area who do this for a living?

Willie: the board would make those decisions.

Vicki: We are a 5013c, so we need to be mindful to have someone who knows the codes and laws.

Shelly D12: how much of our budget would be used? What were our contributions last year?

Willie: that would be the Finance Committee involved?

Donna: brought up how much we have sent to WSO for contributions so they know our financial health

Cathy: we are going to send 18K

Last year it was 35K

Kathleen D17: does that provide more stability to SCWS? Would this create continuity? Did you consider if they provide benefits? What are the SCWS ethics?

Willie: We will not be hiring an employee, that would be a board decision. We have our in-house finance committee who oversees everything.

Enid asked if you have had to have been a DR?

Donna said she thought it was "and/or a board member"

Tim it will require a change in the bylaws

Saori D69: is willing to be of assistance, she is willing to work something out with the area.

Vicki asked for her to send her information

Vicki said we do need to have a back up plan if no one runs for treasurer. At this time, no one has submitted a resume for it.

Elaine: if the treasurers have been told to put WSO ID#, why are we going to pay someone to do that? What if they don't? Could it be "no records found"/unknown source of revenue? Asked if it's a requirement to have a treasurer?

Willie: Do we need to have a treasurer to be a 5013cb? They will bring it to the treasurer. It is an auditing issue, and has to be very specific to identify where the funds are coming from.

Elo D75: how long would this trial basis be? Is it open to members who do it for a living for a lower cost or is it just professionals?

Willie: We have to make sure they can do what is being asked of them. It would be a 3 year trial basis.

Christina D66: Do we have to revisit this indefinitely?

Willie: we would have to give them time to terminate our agreement

Camile D12: Is there a way to consider both options?

Willie: We wouldn't need both. We need one or two.

Vicki: read a message from the current treasurer. First she goes to the person who sent it, then that person tries to contact the group, then she will send it as an unknown group.

Donna: quoted Service Manual "goods and services" on p. 106

Wayne D57 Why is this an issue?

Willie: Our current treasurer is a professional and she's on overload.

Linda D45 What is the recommendation?

Willie: one or two

Micheila: is feeling confused about one time at the mic. When did that start?

Vicki: it is part of our guidelines

Micheila: when we submit resumes it doesn't allow anyone to say what they're standing for?

How do we know no one is standing for treasurer?

Vicki: We don't know, we need to have a back up plan. 4 resumes have been submitted. There are 5 officer positions.

Micheila: could more research be done? Assemblies can be called.

Vicki: wanted to make sure we don't end up in the position we were in a few times of being in limbo and having no one.

Erika D21: confused about option 1 and option 2, could you clarify?

Willie: These options are in addition to having a treasurer.

Tannis D63: has our current treasurer offered to stay on if we do option 1 and 2?

Willie: no

Anita D75: her treasurer has a professional assistant. Could we make option 1 or 2 and the board can choose what we need when the time arises?

Tim likes that idea

Suzanne: Is anyone aware of the bylaws, elections and procedures? She thought we were supposed to be a DR before becoming a treasurer. Would the assistant be an officer? What's the plan if we don't have anyone stand?

Willie: Yes, it was their understanding that it had to be a DR. He thought the discussion would go to the board.

Vicki: reminded it would be on a 3 year trial basis.

Willie: it would be an issue to not have a treasurer

Comments:

Tina: Tarisa (past treasurer) asked 4 people to help weekly, they'd look up WSO ID #s.

Tim: We would have to find someone to appoint.

Newt D12: discussed how there's 2 treasurers at district level to work together. The treasurer is the one who needs to know the fiduciary requirements.

Vicki: they don't necessarily become part of the board.

Tannis D63: has seen them get help from an outside company

Willie that is what WSO does

Bernie: This is an ongoing issue, and I think we do need an assistant.

Kathleen D17: thinks it's confusing, does think we need to hire someone. It ensures our financial viability

Cathy made a recommendation to make a motion to have one or the other options.

Cathy works at home, spending 12 hours in her office a day between her day job and her treasurer position.

Recommendation:

1 to have an assistant treasurer to help input data into Quickbooks,

2 to hire an independent accountant with a bookkeeping firm who is qualified or has a staff qualified to make entries into Quickbooks.

Vicki: asked for an amount cap Option 2

Miriam: by voting today we could make a change to the bylaws

To be able to do both options.

Comment

Kristin D66 this is not a bylaw change, this is a policy change

Anita D75 would like to give the board the ability to make that decision based on need.

Diane D63 What if you're in favor of both?

Conna D54: thinks it needs to be in coordination of resources to get the work done. It shouldn't be the highest price, maybe somewhere in the middle.

Terri D33: we need a larger net, it's a lot to ask people to be a DR first

Teri W D3: what does Cathy recommend based on the amount of hours she puts in

Cathy: scanning takes 30 minutes, put on Group contribution form, 1.5 hours to input, works closely with Teresa, goes through paypal contributions can take up to an hour.

Tamara D69: How many hours would be farmed out?

Willie: 168 hours a year

Erika D57: do they need a professional background?

Tim: said job description is in the chat

Newt D12: someone has to be a treasurer, they don't necessarily need to be one. That could be farmed out.

Ruby D27: 168 hours/12 is about 17 hours a month, we could easily afford. She is willing to afford a max of 34,000 knowing it would be a quality job.

Alissa D42: we need to frame a motion that will allow the board, treasurer, finance committee flexibility to take care of things as they arise. Thinks professional is necessary since we are dealing with a lot of money.

Michelle D40 is anyone interested in running for treasurer?

Vicki we will have elections after lunch

Suzanne: officers and board are not part of the same entity. Has drafted a motion:

Lisa M. is willing to talk about bookkeeping. She will give Vicki her info.

Laurie D54 thinks we have people missing adequate experience to run for this position.

Newt: if we hire a professional, we don't have to revisit this every time someone steps down.

There is a consistency and flow.

Anita D75: on a 3 year trial, give the officers flexibility to contract a bookkeeping for up to \$25,000/year at their discretion

Suzanne: what we really need is bookkeeping services

Miriam: could we amend it to treasurer to be a board member but not having to be a DR

Anita D75: on a 3 year trial basis, give the officers flexibility to contract an accountant or bookkeeper service at no more than \$25,000/year at their discretion

Kathleen D17 What is prudent? That needs to be investigated

Tim suggested changing to \$10,000

Gene D72: seconded the motion

Kristin D66: change wording to financial professional

Suzanne: thinks we need to be specific

Micheila: point of order: asking if everyone is ready? If all their questions have been heard? I

Don't think we are ready to vote.

Vicki read comments in the chat: amount is too high, gave very little time to the amount. Why can't we table this? What was the process of deciding to be heard first?

Micheila: how was that number of \$12,000 arrived at? What is the process?

Cathy: We have about \$30,000? We need to remember abundant thinking. We look at what we did before. 3 to 4 years ago we contributed no money.
