Are you a current or past District Representative? YES NO District #: 63

Number of continuous years active in Al-Anon/Alateen? 14

1a. List your Al-Anon/Alateen service experience beyond the group level:

Since joining Al-Anon in 2010, I have held several positions above the group level. These include:

Chairperson – SCWS
Institutions Coordinator
DR - D63
ADR - D63
D63- Secretary
GR
ISR

1b. From the list in 1a, describe one experience you found most rewarding and what you learned from it.

I have found each experience to be rewarding in it's own way. From my experience as ISR to Chairperson, I learned the value of working in cooperation with others, and sharing our experience and knowledge.

No matter what role I was in, I learned I was part of a whole, one of many, part of a world-wide fellowship whose sole purpose is to help families and friends of alcoholics. As ADR and DR for D63 I learned my role was to support the GRs in helping their group to carry out the mission of WSO. I was a trusted servant - one of many in a fellowship of equals.

In each position, I was continually challenged to honor the group conscience and to listen to and hear the minority voice. I learned to cooperate with a variety of personalities and to trust in my Higher Power and the process.

2. Describe your experience, skills, and personal qualities that you would bring to the Area as an officer.

I bring with me over 30 ears of management experience, where I was responsible for developing and monitoring budgets. I have developed sound financial principles and am familiar with accounting software such as PowerPoint, Excel and Quick Books.

3. What is your vision for Southern California World Service Al-Anon?

SCWS is the largest area in the fellowship of AFG in terms of groups. I see the future of Al-Anon as one where the Board becomes an inspiration to others to continue their service journey by working cohesively and in partnership with our members here in SoCal. We have a wealth of resources in our area and to incorporate these into our fellowship would significantly impact our ability to carry the word.

Be prepared to speak for two minutes before the vote at the Assembly about how you would be an asset to the Area as an SCWS Officer.

I have read and understand the Job Description(s) for the position(s) to which I may be elected. Position descriptions can be found here: <https://www.scws-al-anon.org/area-service-board/area-world-service-board-election-information/>
